Horsham, Pennsylvania

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Kreischer Miller Capital Accumulation Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

## **Opinion (Continued)**

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audits of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## **Auditor's Responsibilities for the Audit of the Financial Statements (Continued)**

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

## Other Matters

### Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Item 4i - Schedule of Assets Held for Investment Purposes as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# KREISCHER MILLER CAPITAL ACCUMULATION PLAN

## Notes to Financial Statements December 31, 2023 and 2022

---

### 1. Description of Plan

The following description of the Kreischer Miller Capital Accumulation Plan (the Plan) provides only general information. Participants should refer to the plan document describing employee benefits for a more complete description of the Plan's provisions.

#### *General and Amendments*

The Plan is a defined contribution profit-sharing plan covering all employees who have attained the age of 21 and have completed one month of service. Employees become eligible on the first day immediately following satisfaction of the age and service requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The plan trustees are responsible for oversight of the Plan. The plan trustees also determine the appropriateness of the Plan's investment offerings and monitor performance.

The Plan was amended effective April 13, 2020 to expand the sources of available for hardship distributions and to permit such distributions in the event of certain disasters. The Plan was further amended effective May 11, 2020 to eliminate the fixed matching contribution, and to implement a discretionary matching contribution thereafter. On April 7, 2021 the Plan was amended to reinstate the fixed matching contribution and to change the participant entry date from the first day of each quarter to the first day of each month.

The Plan was amended effective January 1, 2016, to bring the plan into compliance with the Pension Protection Act of 2006 and other regulatory changes.

#### *Contributions*

Each year, participants may contribute up to 100% of eligible compensation, as defined by the Plan, subject to Internal Revenue Service (IRS) limitations. Employees may elect to make contributions as either pre-tax or post-tax (Roth) contributions. The employer contributes 50% of the first 4% that a participant contributes to the Plan. Participants may also contribute amounts representing distributions from other qualified plans. In addition, participants may make additional voluntary, post-tax contributions in excess of elective pre-tax or Roth deferrals. Contributions of distributions from other qualified plans and voluntary, after-tax contributions are not eligible for the employer match.

The terms of the Plan provide that the employer may make a discretionary contribution each plan year. To participate in this discretionary contribution, a participant must have provided one month of service to the employer in the plan year and must be employed on the last day of the plan year. There was no discretionary contribution made by the employer in 2023.

Participants direct the investment of their contributions into various investment options offered by the Plan.

### (1) Description of Plan, Continued

#### *Participant Accounts*

Each participant's account is credited with the participant's contributions, the employer's matching contribution, an allocation of discretionary employer contributions, if any, an allocation of plan earnings and certain transaction expenses related to participant transactions. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

#### *Vesting*

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service as follows:

| Years of<br>Service | Vesting<br>Percentage |
|---------------------|-----------------------|
| Less than 1         | 0%                    |
| 1                   | 20%                   |
| 2                   | 40%                   |
| 3                   | 60%                   |
| 4                   | 80%                   |
| 5                   | 100%                  |

#### *Notes Receivable from Participants*

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from 1 to 5 years. The loans are secured by the vested balance in the participant's account and bear interest at rates consistent with Section 4975(d)(1) of the Internal Revenue Code (IRC) and other legal requirements. The rates are to remain fixed throughout the duration of the loans. Principal and interest are paid ratably through regular payroll deductions.

#### *Payment of Benefits*

Upon termination of service, a participant with an account balance in excess of \$1,000 may elect to receive either a lump-sum amount equal to the value of his or her account, or installment payments. A participant with an account balance of \$1,000 or less will automatically receive a lump-sum amount.

(1) Description of Plan, Continued

### *Payment of Benefits, Continued*

Participants who have made voluntary, after-tax contributions, may, after age 50, request an in-service distribution of the voluntary, after-tax contribution plus any earnings.

### *Forfeited Amounts*

Forfeitures of non-vested account balances of former participants remain with the Plan and are used to reduce employer contributions or to pay administrative expenses otherwise payable by the Plan. At December 31, 2023 and 2022, there were \$40 and \$1,920 of forfeited, non-vested accounts, respectively. Plan forfeitures of \$14,969 and \$19,034 were used to reduce the employer matching contributions during the year ended December 31, 2023 and 2022 respectively.

## **2. Summary of Significant Accounting Policies**

### *Basis of Accounting*

The accompanying financial statements of the Plan are prepared on the accrual method of accounting.

### *Use of Estimates*

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### *Investment Valuation and Income Recognition*

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### (2) Summary of Significant Accounting Policies, Continued

#### *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded at December 31, 2023 or 2022. If a participant ceases to make loan payments and the plan administrator deems the participant to be in default, the participant loan balance is reduced and a benefit payment is recorded.

#### *Payment of Benefits*

Benefits are recorded when paid.

#### *Expenses*

Administrative expenses of the Plan are paid by both the Plan and the Plan's sponsor. Costs of the Plan paid by the Plan and by the Plan's sponsor were \$67,299 and \$11,117 for the year ended December 31, 2023. Investment-related expenses are included in the computation of net appreciation of fair value of investments.

#### *Subsequent Events*

The Plan had performed an Evaluation of subsequent events through July 11, 2024, the date the financial statements were available to be issued. See Note 9.

### **3. Investments Certified by the Custodian**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.130-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, T. Rowe Price Trust Company, the custodian, has certified the following as complete and accurate:

- The investments at fair value at December 31, 2023 and 2022.
- Notes receivable from participants at December 31, 2023 and 2022.
- The summary of transactions including net appreciation in fair value of investments and investment income for the year ended December 31, 2023.
- Interest income on notes receivable from participants for the year ended December 31, 2023.
- Schedule H, Line 4i – Schedule of Assets (Held at End of Year).

### 4. Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurement* provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets;
  - quoted prices for identical or similar assets or liabilities in inactive markets;
  - inputs other than quoted prices that are observable for the assets or liability;
  - inputs that are derived principally from or corroborated by observable market data by correlation or other means.
  - If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Registered Investment Companies: Shares of registered investment companies are valued at the daily closing price as reported by the fund. The funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission and are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

*Continued...*

# KREISCHER MILLER CAPITAL ACCUMULATION PLAN

## Notes to Financial Statements December 31, 2023 and 2022

### (4) Fair Value Measurements, Continued

Collective investment trusts: The Plan invests in certain collective index funds, managed by flexPATH Strategies, LLC, within the Wilmington Trust Collective Investment Trust. These underlying collective trusts are valued based upon the net asset value (NAV) of units of the collective trusts as reported to the Plan by the trusts. Net asset value is used as a practical expedient to estimate fair value because it is unlikely that the trust would sell the investment for an amount different than the reported net asset value. The units of each share class of the collective trusts are valued daily based on closing market prices of the underlying investments. The NAV per unit is computed by dividing the total assets of the trust, less its liabilities, by the total number of units outstanding as of the valuation date. Investment income earned is reinvested in the trust and included in the determination of unit values.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

| Description                              | Assets at Fair Value as of December 31, 2023 |         |         |                      |

### 5. Related Party Transactions

Certain Plan investments are managed by T. Rowe Price. T. Rowe Price Trust Company, a wholly-owned affiliate of T. Rowe Price, is the custodian of the plan assets and, therefore, transactions with T. Rowe Price qualify as party-in-interest transactions under ERISA that are exempt from prohibited transaction rules. In addition, the Plan's sponsor has elected to pay certain administrative expenses of the Plan. Expenses paid by the Plan's sponsor represent fees for administrative expenses.

### 6. Plan Termination

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

## Notes to Financial Statements December 31, 2023 and 2022

---

### **7. Tax Status**

The Company has adopted a Pre-Approved Profit-Sharing Plan sponsored by T. Rowe Price Trust Company. The Pre-Approved Profit-Sharing Plan received a favorable opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, as to the Plan's qualified status. The Pre-Approved Profit-Sharing Plan opinion letter has been relied upon by this Plan. The IRS has ruled the Pre-Approved Profit-Sharing Plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letter; however, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### **8. Risks and Uncertainties**

The Plan provides for various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

### **9. Subsequent Events**

Effective January 1, 2024, the Plan was amended to add Shazia Stagliana, PC as a participating Employer to the Plan.

Effective January 1, 2024, the Plan amended their Participant Loan Program to meet the requirements specified under Department of Labor Regulation §2550.408b-1, as modified by Department of Labor Advisory Opinion 89-30A, regarding written loan programs.

Effective January 1, 2024, the Plan was amended and restated to reflect the amendments listed above.
