To the Plan Administrator and Management of the
Bowtech, LLC 401-k Plan

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of the Bowtech, LLC 401-k Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as of and for the year ended December 31, 2023, in accordance with auditing standards generally accepted in the United States of America (GAAS), we considered the Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements and supplemental schedule, but not for the purpose of expressing our opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Reliance Trust Company that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit also did not include a consideration of internal control relating to the investment information.

A deficiency in internal control exists when the design or operation of a control does not allow management of the Plan (Management) or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first two paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses. In addition, because of inherent limitations in internal control – including the possibility of management override of controls – misstatements due to error or fraud may occur and not be detected by such controls. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

During our audit, we became aware of the following matters that are opportunities for strengthening the Plan's internal control and/or operating efficiency:

Controls over the Plan's processes

During our ERISA 103(a)(3)(C) audit, we noted that several key processes had limited to no internal controls in place by Management. The plan sponsor primarily relies on controls and processes at the third-party administrator; however, there are significant responsibilities that the third-party administrator has assigned to the plan sponsor, including establishing controls to ensure that provided participant information is complete and accurate, reviewing all plan trial balances and participant records regularly, and notifying the third-party administrator of discrepancies with its own records in a timely manner. In order to meet fiduciary responsibilities surrounding employee benefit

plans and improve the overall internal control environment of the Plan, we recommend that Management perform the following:

- Review participant deferrals (including percentages and amounts elected by participants) to help ensure that contributions have been appropriately calculated in accordance with participant elections. Maintain deferral elections, including opt-out documentation for participants electing not to participate in the Plan.
- Formally document the Plan's business discussed at Bowtech, LLC's board of directors or other meetings, including the adoption of Plan amendments, evidence that Management is reviewing and monitoring the Plan's investment performance, the monitoring of service providers, the approval of benefits and discretionary employer contributions, the approval of the annual audit of the Plan's financial statements, and any other relevant Plan activity on a periodic basis.

Communication with those charged with governance

We have audited the financial statements of the Plan in accordance with ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit) as of and for the year ended December 31, 2023, and we will issue our report thereon dated July 24, 2024. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or investment information certified by Reliance Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under GAAS, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter to you dated April 22, 2024. Professional standards also require that we communicate to you the following information related to our audit:

Qualitative aspects of accounting practices: Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed, during the year ended December 31, 2023. We noted no transactions entered into by the Plan during the year ended December 31, 2023 for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by Management and are based on Management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and supplemental schedule and because of the possibility that future events affecting them may differ significantly from those expected. We noted no significant estimates that affected the Plan's financial statements as of and for the year ended December 31, 2023.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were those describing the Plan's provisions.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 procedures: We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditors' report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties encountered in performing the audit: We encountered no difficulties in dealing with Management in performing and completing our audit.

Corrected and uncorrected misstatements: Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of Management. There were no corrected or uncorrected misstatements of the financial statements.

Disagreements with Management: For purposes of this letter, a disagreement with Management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Management representations: We have requested certain representations from Management that are included in the attached management representation letter dated July 24, 2024.

Management consultations with other independent accountants: In some cases, Management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves the application of an accounting principle to the Plan's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all of the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other audit findings or issues: We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with Management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship, and our responses were not a condition to our retention.

Other matters: Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that Management determined meets the requirements of ERISA Section 103(a)(3)(C).

* * * * *

This information is intended solely for the use of the Plan Administrator and Management and is not intended to be, and should not be, used by anyone other than these specified parties.

We would be pleased to discuss the above matters or to respond to any questions, at your convenience.

We would also like to take this opportunity to thank Hilary Cross and the various personnel of Bowtech, LLC for the assistance that they gave us throughout the course of the audit.

This representation letter is provided in connection with your audits of the financial statements and supplemental schedule of the Bowtech, LLC 401-k Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements (collectively, the "financial statements"), for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S.) (GAAP) and whether the supplemental schedule is fairly stated in all material respects in relation to the financial statements as a whole. As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA, we have elected for you to not perform any auditing procedures with respect to information prepared and certified to by Reliance Trust Company, the trustee, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedule. We understand that the form and content of the information in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, has been audited by you in accordance with auditing standards generally accepted in the U.S., and was subjected to tests of the Plan's accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

- 8) All events subsequent to the date of the financial statements and for which GAAP requires adjustment or disclosure have been adjusted or disclosed.
- 9) We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.
- 10) Other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or leases in default, events reportable to the Pension Benefit Guaranty Corporation, or events that may jeopardize the tax status), if any, that legal counsel have advised us that must be disclosed have been properly disclosed.
- 11) Significant estimates and material concentrations have been properly disclosed in accordance with GAAP.
- 12) Financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
- 13) Guarantees, whether written or oral, under which the Plan is contingently liable, have been properly recorded or disclosed in accordance with GAAP.
- 14) The supplemental schedule or financial statements disclose the following (if applicable):
 - a) All non-exempt party-in-interest transactions (as defined in ERISA Section 3(14) and regulations thereunder).
 - b) Investments or loans in default or considered to be uncollectible.
 - c) Reportable transactions (as defined in ERISA Section 103(b)(3)(H) and regulations thereunder).
- 15) We have obtained the service auditors' reports from the Plan's service providers (e.g., Reliance Trust Company, ADP), as applicable. We have reviewed such reports, including the complementary user controls. We have implemented the relevant user controls, and they were in operation for the years ended December 31, 2023 and 2022.
- 16) At the discretion of the Plan's management, certain administrative expenses of the Plan for the years ended December 31, 2023 and 2022 were paid directly by Bowtech, LLC; other administrative expenses were paid by the Plan. There were no administrative fees payable by the Plan as of December 31, 2023 and 2022. Any rebates received from the investment funds that were used by Bowtech, LLC to pay expenses of the Plan were properly chargeable to the Plan.
- 17) We have reviewed the draft financial statements (including the notes and supplemental schedule), accept responsibility for them, and approve of their issuance. The absence of our detailed review would be considered a "material weakness" (reported as such in the management letter), because the

potential exists that a material misstatement of the financial statements could occur and not be prevented or detected by the Plan's internal control.

In order to provide oversight of the financial statement preparation services at an appropriate level, we have established effective review policies and procedures, including the performance of the following functions by appropriate personnel:

- a) We reconciled detailed schedules prepared by Plan personnel, and also schedules and reports received from the trustee, to the draft financial statements and supplemental schedule, as appropriate.
 - b) We reviewed all supporting documentation and explanations for adjusting journal entries, and we approve of such entries. In addition, the adjusting journal entries have been properly reflected in the Plan's financial statements.
 - c) We reviewed and approved schedules and calculations supporting amounts included in the notes to the draft financial statements and supplemental schedule.
 - d) We applied analytical procedures to the draft financial statements and supplemental schedule.
 - e) We performed other procedures, as considered necessary, to help ensure that the draft financial statements and supplemental schedule have been properly prepared and that the draft note disclosures are appropriate and accurate.
- 18) We acknowledge that our election to have an ERISA Section 103(a)(3)(C) audit does not affect our responsibility for the financial statements and for determining the following
- a) The circumstances permit an ERISA Section 103(a)(3)(C) audit.
 - b) A qualified institution has prepared and certified the investment information as described in 29 CFR 2520.103-8.
 - c) The certification meets the 29 CFR 2520.103-5 requirements.
 - d) The certified investment information is appropriately measured, presented, and disclosed in accordance with GAAP.

Information Provided

19) We have provided you with:

- a) Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records (including information obtained from outside of the general and subsidiary ledgers), documentation, and other matters.
 - b) A substantially complete draft of Form 5500.
 - c) Additional information that you have requested from us for the purpose of the audits.
 - d) Unrestricted access to persons within the Plan and the Plan sponsor from whom you determined it necessary to obtain audit evidence.
 - e) All minutes of the meetings of the Plan's management for the period from January 1, 2023 through the date of this letter, and summaries of actions of recent meetings for which minutes have not yet been prepared.
 - f) Current plan instruments, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.
- 20) All material transactions have been recorded in the accounting records and are reflected in the financial statements.
- 21) We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

- 22) We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:
- a) Management,
 - b) Employees who have significant roles in internal control, or
 - c) Others where the fraud could have a material effect on the financial statements.
- 23) We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
- 24) We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and Internal Revenue Service (IRS) regulations) whose effects should be considered when preparing financial statements.
- 25) We have no knowledge of actual or possible litigation, claims, and assessments whose effects should be considered when preparing the financial statements.
- 26) We have disclosed to you the names of all of the Plan's related parties and parties-in-interest and all of the related party and party-in-interest relationships and transactions, including any side agreements.
- 27) The Plan has satisfactory title to all owned assets, which are recorded at fair value, and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.
- 28) We have no:
- a) Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
 - a) Intentions to terminate the Plan.
- 29) Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements.
- 30) The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
- 31) The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are described in Note 4 to the Plan's financial statements. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
- 32) We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurement. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820 .
- 33) All required amendments to and filings of Plan documents with the appropriate agencies have been made. The Plan obtained its latest determination letter on October 6, 2020, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (the IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, we believe that the Plan was qualified and the related trust was tax-exempt as of December 31, 2023 and 2022
- 34) The Plan (and the trust established under the Plan) is qualified under the appropriate section of the IRC, and we intend to continue them as a qualified plan (and trust). The Plan sponsor has operated the

Plan (and trust) in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to IRC Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.

- 35) The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.
- 36) The Plan has complied with the fidelity bonding requirements of ERISA.
- 37) We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
- 38) We have obtained appropriate fee disclosures from covered service providers and have concluded that the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).
- 39) We believe that the form and content of the supplemental schedule are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- 40) With respect to financial statement preparation and other non-attest services performed by Delap LLP, we have:
- Assumed all management responsibilities.
 - Designated an individual (within senior management) with suitable skill, knowledge, and/or experience to oversee such services.
 - Evaluated the adequacy and results of the services performed.
 - Accepted responsibility for the results of such services.
 - Ensured that the Plan's data and records are complete and received sufficient information to oversee the services.
