INDEPENDENT AUDITORS' REPORT

To the Plan Participants and the Board of Trustees of
the Rent Express Retirement & Savings Plan
Cidra, Puerto Rico

Opinion

We have audited the accompanying financial statements of Rent Express Retirement & Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Rent Express Retirement & Savings Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Rent Express Retirement & Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rent Express Retirement & Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rent Express Retirement & Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rent Express Retirement & Savings Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Assets Held at End of Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

RENT EXPRESS RETIREMENT & SAVINGS PLAN**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2023 AND 2022****NOTE (1) DESCRIPTION OF PLAN**

The following description of Rent Express Retirement & Savings Plan (the Plan) provides only general information. Financial Statements's users should refer to the Plan agreement for a more complete description of the Plan's provisions.

(A) GENERAL

Rent Express by Berríos, Inc. sponsors Rent Express Retirement & Savings Plan, a defined contribution plan that began on July 1, 2019. The Plan was structured pursuant Section 1165 of the Puerto Rico Internal Revenue Code of 1994 and later modified to comply with Sections 1081.01(a) and (d) of the Puerto Rico Internal Revenue Code of 2011 (PR Code) and to obtain its qualification letter as a tax exempt trust. Rent Express Retirement & Savings Plan obtains its qualification letter under the 2011 Code on February 21, 2020. The Plan is also subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and the Department of Labor and covers full-time employees who have at least one year of service, are age twenty-one or older and were not members of an employee's union. The Plan has auto-enrollment, which means that all employees are participants starting the first payroll period in the first entry date following the completion of the of the eligibility requirements of the plan, unless the employee elects otherwise.

(B) CONTRIBUTIONS

Participants determine their contributions to the plan, which can not be less than 1% of participant's compensation nor exceeds the limits provided under the PR Code section 1081.01(a). When auto-enrollment is activated, and the participant didn't select the specific contribution percentage and investment options desired, a 2% pre-tax contribution will be made commencing the first day of eligibility. The employer will make a matching contribution equals to 25% of the participants' contribution; but not exceeding 4% of the participant's salary during any matching period.

Each Plan year, the employer may make profit sharing contributions in addition to any matching contribution for all eligible participants. These contributions may be made in one or more installments for the Plan year, in such amounts as the Sponsor may determine, if any, and will be allocated to the participants as a uniform dollar amount.

A participant may, at any time, elect to not make pre-tax contributions to the plan; or change its contribution percentage and investment options.

(C) PARTICIPANT ACCOUNTS

According to the Plan agreement, each participant's account is credited with the participant's contribution, the Employer's contribution (matching and profit sharing), and an allocation of the Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account when credited only with those contributions actually received. The Statement of Net Assets Available for Benefits, however, is prepared on accrual basis.

NOTE (1) DESCRIPTION OF PLAN (CONTINUED)

(D) VESTING

Participants are 100% vested immediately in their contributions and rollover contributions plus actual earnings thereon. Vesting in the employer's matching and profit sharing contributions of their accounts is based on years of continuous service. A participant is 100% vested after completing three years of credited continuous service. The participant will be 0% vested on employer's matching and profit sharing contributions until completing the years of service specified above.

(E) PLAN INVESTMENTS

Participants direct the investment of the contributions into various investment options offered by the Plan, which actually includes mutual funds, money market funds and a key guaranteed portfolio fund. Each participant is solely responsible for the investment of the Plan's account by giving the directions in writing to the Plan Sponsor, who transmit them to the Plan's third party Administrator, or changing them online directly on his account. Investment directions may be provided or changed by the participants on a daily basis. The Plan will not invest in qualifying Employer securities. The employer's matching and profit sharing contributions are invested in the same investment options and allocation rates selected by participants to invest their contributions.

Since the creation of the Plan, the contributions have been managed by Empower Retirement Advisory Services (the third party Administrator). The third party Administrator, as per instructions received from the participant, invested cash received and send distributions to the Plan's participants, also is incharge of the Plan's recordkeeping, held the Plan's investments, and represents participants directed accounts.

(F) NOTES RECEIVABLE FROM PARTICIPANTS

The participants may borrow from their fund accounts subject to the Plan's loan rules and the applicable PR-Code provisions, which are a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. General purpose loan terms are from twelve (12) to sixty (60) months, while a loan to buy participant's principal residence terms varies from sixty-one (61) to three hundred and sixty (360) months. The loans bear interest at 1% over the prime rate published by the Wall Street Journal, the first day of the months previous to the loan origination date. Principal and interest is paid ratably through weekly payroll deductions. Loans are secured by the balance in the participant's account. Participants should have only one loan at a time and refinancing is not permitted.

(G) PAYMENT OF BENEFITS

Payment of benefits are recorded when paid which usually is on termination of service due to death, disability, as defined under the Federal Social Security Act, or retirement a participant is eligible to receive an amount equal to the value of the participant's vested balance of his/her account either as a lump-sum amount or as annual installments over certain period as agreed by participant. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. A participant will be fully vested and may retire upon reaching 60 years of age. The Plan provides for early retirement upon reaching 55 years of age.

In-service withdrawals will only be allowed in case of financial hardship and for any reason after 59.5 years of age. This applies to all kind of contributions made to the Plan.

(H) FORFEITED ACCOUNTS

Forfeited non-vested accounts may be used to cover plan administration expenses, applied to reduce employer contributions required, and/or reallocated to participants as additional profit sharing contribution.

NOTE (1) DESCRIPTION OF PLAN (CONTINUED)

(I) CONCENTRATIONS

The Plan's participants are employed by Rent Express by Berríos, Inc.

NOTE (2) BASIS OF FINANCIAL STATEMENT PRESENTATION AND SUMMARY OF ACCOUNTING POLICIES

The basis of financial statement presentation and the summary of significant accounting policies, which are presented to assist in understanding the financial statements and notes, are representation of management, who is responsible for their integrity and objectivity. These accounting policies conform to generally accepted accounting principles used in the United States of America (U.S. GAAP).

(A) ACCOUNTING METHODS FOR FINANCIAL STATEMENTS

The financial statements of the Plan are prepared using the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. As of December 31, 2023 and 2022, the Plan had no fully benefit-responsive investment contract.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note (4) for discussion of the fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLES FROM PARTICIPANTS

The notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participants' loans are reclassified as distributions based upon the terms of the plan document.

PAYMENTS OF BENEFITS

Benefits are recorded when paid.

OPERATING EXPENSES

Certain expenses of maintaining the plan are paid directly by the plan's sponsor and are excluded from this financial statements. Other expenses are paid directly by the Plan using the forfeiture balance and are included as administrative expenses on the "Statement of Changes in Net Assets Available for Benefits", if any. Fees related to the administration of notes receivable from participants and investments' related expenses are charged directly to participant's account and are presented as "Fees Charged to Participants" in the above mentioned financial statements.

NOTE (2) BASIS OF FINANCIAL STATEMENT PRESENTATION AND SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

(B) USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities. It also requires that disclosure be made of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(C) DATE OF MANAGEMENT'S REVIEW

The Plan follows the provisions of FASB ASC topic "Subsequent Events", which establishes general standards to be applied in accounting for, and disclosure of events that occur after the balance sheet date but before consolidated financial statements are issued or available to be issued. This standard introduces the concept of "financial statements available to be issued", which are financial statements that are complete in form and format, that complies with U.S. GAAP and have obtained all approvals required for issuance.

FASB ASC topic "Subsequent Events" requires the disclosure of the date through which an entity has evaluated subsequent events and the basis for the date, whether it is the date the consolidated financial statements were issued or were available to be issued. This topic should be applied to the accounting and disclosure of subsequent events not addressed on other applicable U.S. GAAP.

Plan's management evaluated subsequent events until July 22, 2024, date in which financial statements are available to be issued.

NOTE (3) PARTICIPANT DIRECTED INVESTMENTS

Investments included in Plan's net assets consisted of the following:

	<u>2023</u>	<u>2022</u>
Mutual Funds	\$ 443,205	\$ 312,299
Forfeitures / Asset Holding Account	4,992	2,026
Key Guaranteed Portfolio Fund	<u>1,669</u>	<u>923</u>
Total Investment	<u>\$ 449,866</u>	<u>\$ 315,248</u>

NOTE (4) FAIR VALUE MEASUREMENTS

The Plan follows the provisions of FASB ASC topic, "Fair Value Measurements and Disclosures", which defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE (4) FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Security and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables sets forth by level, within the fair value hierarchy, the Plan's investments assets at fair value at December 31, 2023 and 2022.

	-----Assets Fair Value as of December 31, 2023-----			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 443,205	\$ -	\$ -	\$ 443,205

	<u>\$ 312,299</u>	<u>\$ 2,949</u>	<u>\$ -</u>	<u>\$ 315,248</u>

NOTE (5) GUARANTEED INVESTMENT FUND

The Key Guaranteed Portfolio Fund is a general account considered as not benefit responsive, which provides a guarantee of principal and interest rate. The account is credited with participant contributions and earnings on the underlying investments; also, it is charged for participant loans, transfer to other funds within the Plan and withdrawals from benefits; certain conditions and limitations described in the Plan's Document applies to the withdrawals. The entire general account assets of Great-West Life & Annuity Insurance Company ("Great-West") back these guarantees. This fund credits interest daily in a portfolio basis. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rate is reset quarterly.

NOTE (6) RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

The Key Guaranteed Portfolio Fund and various mutual funds offered to participants are managed by Empower Retirement, which is the recordkeeper as defined by the plan; also, Advised Assets Group is incharge of the investment management; Independent Financial Group, LLC and Pariter Securities, LLC are investment advisors. These service providing companies received direct compensation from the Plan; therefore, transactions with these companies qualify as party-in-interest transactions. Fees paid by the Plan's sponsor for investment management, advisory, recordkeeping, and audit services amounted to \$9,286 and \$6,721 for the years ended December 31, 2023, and 2022, respectively. (See note (9))

NOTE (7) PLAN TERMINATION

Although it has not expressed any intent to do so, the sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

NOTE (8) TAX STATUS

This Plan is qualified under the U.S. Internal Revenue Code as exempt from federal income taxes. It is a non-domiciled U.S. plan, which is qualified under Sections 1081.01(a) and (d) of the 2011 Code. The Plan is sponsored by Puerto Rico employer and covers only Puerto Rico residents. The trust forming part of the plan is exempt from income tax under Section 1081.01(a) and (d) and contributions from the employer to the trust are deductible as provided in section 1033.09 of the 2011 Code.

NOTE (9) PLAN ADMINISTRATIVE EXPENSES

For the years ended December 31, 2023 and 2022, Plan's Sponsor was responsible for the administrative expenses incurred.

NOTE (10) RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE (11) PROFIT SHARING CONTRIBUTION

As described on Pension Plan Agreement and in note 1(B), each plan year, the employer may contribute a profit sharing amount in addition to any matching contribution for all eligible participants. As of February 14, 2024 and March 24, 2023, Plan's sponsor decided not to made any profit sharing contribution for the years ended December 31, 2023 and 2022.

NOTE (12) EFFECTS OF THE CORONAVIRUS DISEASE

During the month of December 2019, a respiratory disease started to spread, caused by a virus called "Coronavirus" or COVID-19.

The Governor of the Commonwealth of Puerto Rico issued a lock-down starting on March 15, 2020. After that, several administrative orders were issued to implement emergency measures to slow the spread of the disease. On March 7, 2022, Administrative Order OE-2022-019 was issued to eliminate most of the restrictions imposed before due to the pandemic. On May 5, 2023, the World Health Organization issued a declaration ending global health emergency designation for COVID-19.
