Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **DOEREN MAYHEW**

(2) EIN: **38-2492570**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	☒	☐	452
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)	☐	☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)	☐	☒

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants
TLC Community Credit Union 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the TLC Community Credit Union 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the TLC Community Credit Union 401(k) Plan and to meet our ethical responsibilities in accordance with the ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the TLC Community Credit Union 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the TLC Community Credit Union 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the TLC Community Credit Union 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TLC COMMUNITY CREDIT UNION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Note 1 – Description of the Plan

General

The TLC Community Credit Union 401(k) Plan (the Plan) is a defined contribution plan established by TLC Community Credit Union. The Plan qualifies as a tax-exempt plan under the provisions of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The following description of the Plan is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

Administration

The Plan Sponsor and named Plan Administrator is TLC Community Credit Union (the Credit Union). The Plan's Trustees are officers of the Credit Union. The Plan Administrator is responsible for oversight of the Plan. The Plan Administrator has formed a committee made up of Credit Union officers and members of the human resource department. The committee determines the appropriateness of the Plan's investment offerings and monitors investment performance and fees. The Plan's Custodian is Principal Trust Company. The Investment Custodian holds all of the Plan's assets and executes all of the Plan's transactions. The Plan Sponsor has also retained Principal Life Insurance Company to provide participant recordkeeping and administration services for these respective periods.

Eligibility

The Plan covers all employees employed by the Credit Union, except for nonresident aliens, who have attained age 18 and have been credited with three consecutive months of service.

Contributions to the Plan

Each year, participants may elect to contribute up to 100% of their eligible compensation, as defined in the plan document. The Plan also allows participants to make after-tax Roth contributions. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan at a set percentage unless they affirmatively elect otherwise. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested in a designated fund until changed by the participant. Participants who have attained age 50 before the end of the plan year are eligible to make 'catch-up' contributions. Participants may also contribute amounts representing distributions from other defined benefit or defined contribution plans (rollovers).

The Plan provides for employer matching contributions equal to 50% of the participant's elective deferral, up to 4% of eligible employee compensation. Total matching contributions for the year ended December 31, 2023 were \$132,873, net of forfeitures. The Plan also provides for employer nonelective safe harbor contributions equal to 3% of eligible employee compensation, which totaled \$213,564 for the year ended December 31, 2023. The employer contributed up to 7% of employees' eligible compensation each year, as discretionary profit-sharing contribution was \$480,943, net of forfeitures, for the year ended December 31, 2023.

TLC COMMUNITY CREDIT UNION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Participants direct the investment of both their individual contributions plus their share of employer contributions into the various investment options offered by the Plan. The Credit Union's contributions are allocated in the same manner as that of the participant's elective contributions.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant may elect to receive payment in the form of a lump sum amount, partial withdrawal, or installments. The distributable amount is equal to the value of the participant's vested interest in his or her account, provided the minimum withdrawal is \$5,000. Employees who elect to have their benefit payments deferred continue to share in allocations of investment income and losses but do not share in subsequent allocations of discretionary contributions. The Plan also allows for in-service distributions due to financial hardship, as defined in the plan document.

Vesting

The balance in each participant's salary deferral, qualified nonelective safe harbor contribution matching and rollover accounts is 100% vested at all times.

Employer matching and discretionary contributions are subject to a five year graded vesting schedule based on years of service. Participants are 100% vested after the completion of five years of service or upon death or total and permanent disability.

Participant Accounts

Each participant's account is credited with the participant's contributions and applicable employer contributions. Funds contributed by participants are invested at percentages as directed by participants in any one or more of several investment alternatives. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions. The investment fund income, gains or losses are allocated daily to the applicable participants' accounts in that fund based on the previously reported account balances, adjusted for current period contributions and withdrawals. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Notes Receivable

Participants may borrow up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan transactions are treated as participant-directed investments. Loan terms range from one to five years. Loan terms may exceed five years only in the event the loan proceeds are used to purchase or construct the participant's principal residence. Loans are secured by the balance in the participant's account and bear interest at a rate commensurate with prevailing prime rates. Principal and interest are paid ratably through payroll deductions.

TLC COMMUNITY CREDIT UNION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Participant notes receivable are valued at their unpaid principal plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Delinquent participant notes receivable are reclassified as distributions based upon the terms of the Plan's loan policy.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared using the accrual basis of accounting. Employer contributions and income from investments are recorded when they are earned. Employee contributions are recorded when withheld from pay. Income from investments is recorded when earned. Expenses are recorded in the accounting period in which they are incurred.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Fees and Expenses

Certain administrative expenses, including salaries, accounting, and legal are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of benefit payments are charged directly to the participant's accounts and are included in administration expenses. Direct fees for custodian, recordkeeping services and investment advisory services are paid by the Plan and are also included in administration expenses. Investment related expenses are included in the net appreciation or depreciation in fair value of investments.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Reclassification

Certain amounts reported in the 2022 financial statements have been reclassified to conform with the 2023 presentation. There has been no change in net assets available for benefits.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including July 25, 2024, which is the date the financial statements were available to be issued.

Note 3 – Unaudited Investment Information Certified by the Custodian

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following information has been certified by Principal Trust Company as to its completeness and accuracy and was not subjected to any auditing procedures performed by the Plan's independent auditors:

1. All investment balances reflected in the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022;
2. All investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2023;
3. All investment-related information included in the Supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023; and
4. Notes receivable from participants as of December 31, 2023 and 2022 and the related income on notes receivable from participants for the year ended December 31, 2023.

Note 4 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

TLC COMMUNITY CREDIT UNION

401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methods used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Pooled separate accounts: Investment vehicles established and maintained by an insurance company. These funds have published daily net asset value (NAV) as available by the Trustee/Custodian and transact at that price. The pooled separate accounts held by the Plan are deemed to have readily determinable fair value.

Mutual funds: Registered investment companies held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The tables below segregate all financial assets as of December 31, 2023 and 2022 that are measured at fair value on a recurring basis (at least annually) into the most appropriate level within the fair value hierarchy based on the inputs used to determine the fair value at the measurement date.

The following table presents the Plan's fair value hierarchy for those assets measured at fair value on a recurring basis as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ 11,169,887	\$ -	\$ -	\$ 11,169,887
Mutual funds	925,067	-	-	925,067
Total investments, at fair value	<u>\$ 12,094,954</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 12,094,954</u>

The following table presents the Plan's fair value hierarchy for those assets measured at fair value on a recurring basis as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ 8,190,134	\$ -	\$ -	\$ 8,190,134
Mutual funds	738,897	-	-	738,897
Total investments, at fair value	<u>\$ 8,929,031</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,929,031</u>

TLC COMMUNITY CREDIT UNION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Note 5 – Fully Benefit-Responsive Investment Contract

The Plan entered into a fully benefit-responsive investment contract with Principal Life Insurance Company with regard to the Fixed Income Guaranteed Option Fund, totaling \$345,103 and \$936,587 as of December 31, 2023 and 2022, respectively. Principal Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administration expenses. The issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan and declared for any quarter at the discretion of Principal Life Insurance Company. As of December 31, 2023, the crediting rate for the Fixed Income Guaranteed Option Fund is 1.55%.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal Life Insurance Company represents contributions made under the contract, plus earnings, less participant withdrawals, and administration expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events may limit the ability of the Plan to transact at contract value with Principal. Such events include termination of the contract, spinoffs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment may apply. No events are probable of occurring that might limit the ability of the Plan and participants to transact at contract value with the issuer.

Note 6 – Related Party and Party-in-Interest Transactions

Certain plan investments are managed by Principal Trust Company, who was the Plan's Custodian during 2023. During the year ended December 31, 2023, the Plan paid direct compensation to the Investment Custodian for services rendered. Indirect compensation (that is netted against investment income on the statement of changes in net assets available for benefits) is paid to the Investment Custodian from total annual operating expenses charged on the balance of fund investments, depending on the particular fund. Transactions involving these investments are considered party-in-interest transactions; however, these transactions are not considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

Note 7 – Plan Termination

Although it has not expressed any intent to do so, the Credit Union has the right under the Plan to discontinue its contributions and to terminate the Plan at any time subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in all their employer contributions.

TLC COMMUNITY CREDIT UNION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Note 8 – Tax Status

The Plan is utilizing a non-standardized pre-approved plan, which has been filed with the IRS and has received a favorable opinion letter dated June 30, 2020 from the IRS. The Plan Sponsor has not elected to apply for an individual IRS Determination Letter upon adoption of the Plan nor on any subsequent amendments. However, the Plan Sponsor believes that the Plan is currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code and, therefore, that the Plan is qualified under Section 401(a) and that the related Trust is tax-exempt as of December 31, 2023.

The Plan was restated and amended effective February 17, 2022 to comply with the CARES and SECURE Acts.

The Plan permitted provisions of SECURE Act 2.0 during the year ended December 31, 2023. Written amendments to the plan document to reflect these operational changes will be adopted at a later date in accordance with the deadlines pursuant to applicable laws and IRS guidance.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
