**To the BPM Profit Sharing
401(k) Plan and Participants
San Francisco, California**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the BPM Profit Sharing 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year then ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of BPM Profit Sharing 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 of the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agrees to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BPM PROFIT SHARING 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022

1. DESCRIPTION OF THE PLAN

The following description of the BPM Profit Sharing 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering the employees of Burr, Pilger, & Mayer, LLP (Employer) and was established December 31, 1990. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

During the 2021 Plan year, one company merged with the Sponsor. The Plan was amended on July 1, 2021 to allow credit to employees for eligibility, vesting, and contribution allocations based on their prior service at the time of the merger.

Administration – The Employer is the administrator of the Plan and, as such, carries out the duties imposed under ERISA. The Employer has delegated certain responsibilities for the operation and administration of the Plan. Administrative and recordkeeping services are provided by Newport Group, Inc., while custodial and trustee services were provided by Newport Trust Company (the Trustee) for the years ended December 31, 2022 and 2021.

As of March 2023, the Plan changed administrative and recordkeeping services from Newport Trust Company to Fidelity Management Trust Company.

Eligibility – All employees age 21 and older are eligible to participate in the Plan on the first day of the month following completion of sixty days of service. An employee who is employed on the last day of the Plan year and has completed more than 1,000 hours of service is eligible for the profit-sharing contribution.

All new participants and any existing participants deferring less than 6% of compensation will be automatically enrolled at a deferral level of 6%, unless electing to opt out or select an alternate deferral amount. On July 1st of each subsequent year, the automatic deferral amount will increase by 2% up to a maximum of 10%.

Contributions – Participants may contribute up to 100% of eligible compensation, subject to IRS limitations, through salary deferrals. Participants may also contribute amounts representing distributions from other qualified retirement plans. Employer matching contributions are discretionary. For the 2022 plan year, the employer provided a matching contribution of an amount equal to 50% of the first 6% of the participant's compensation contributed to the Plan, not to exceed 3% of compensation, as defined in the Plan agreement. The Employer may also make an annual discretionary profit-sharing contribution. The Employer did not make a profit-sharing contribution in 2021. Eligible compensation is defined as gross compensation before deferral of employee contributions, plus any taxable life insurance premiums. Contributions are subject to certain limitations.

Investment options – The Plan offers various investment alternatives through the trustee. Participating employees direct the allocation of their account balances among these investment choices.

BPM PROFIT SHARING 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022

Participant accounts – Employee and matching contributions are credited to participants' accounts following each pay period. If there is a profit-sharing contribution provided in a given year, it is credited to participants' accounts the following year. In addition, participant accounts are credited with the earnings on their investments, as earned. Income and loss is allocated to the participants' accounts based on the ratio of the account balance of the individual participant to the aggregate of all account balances of all participants in the fund within the Plan. The vested balance in a participant's account is the benefit to which the participant would be entitled upon termination or retirement.

Notes receivable from participants – Under the terms of the Plan, participants may borrow from their accounts up to \$50,000 or 50% of their vested account balance, whichever is less. Loans are not allowed for less than \$1,000. The loans are secured by the balance in the participants' accounts. All loans issued with Newport Group, Inc. prior to January 15, 2014, bear interest at the prime rate. Loans issued on or after January 15, 2014, bear interest at 2% in excess of the prime rate on the date the loan is processed. Loan terms range from one to five years or up to thirty years for the purchase of a primary residence. Interest rates on outstanding loans at December 31, 2022, ranged from 3.25% to 9.00% per annum. Principal and interest is paid ratably through semi-monthly payroll deductions.

Payment of benefits – On termination of employment due to death, disability, separation of service, or retirement, a participant or their beneficiary may elect to receive a lump-sum distribution equal to the value of the participant's vested interest in his or her account. Participants with vested account balances greater than \$5,000 may elect to receive the payment directly or roll the balance to an individual retirement account or other eligible retirement plan as soon as administratively feasible. Unless a participant elects to have their vested account balance rolled over into an eligible retirement plan, the Employer will process mandatory distributions, regardless of participant consent, if the vested account balance is less than \$5,000 it will be distributed as a lump-sum distribution in the name of the Participant.

Forfeited accounts – Upon termination of employment, nonvested portions of participant accounts are forfeited. Forfeitures from profit sharing and employer matching contributions may be used to offset Plan expenses or reduce any employer contributions. At December 31, 2022 and 2021, the forfeited balance was \$4 and \$10, respectively. During 2022, the Plan used \$271,452 to reduce employer contributions.

Vesting – Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting of profit-sharing and employer matching contributions is based on years of service in which the participant has completed at least 1,000 hours using the "hours of service" method. The following table is the vesting schedule based on years of service:

<u>Years of Vesting Service</u>	<u>Percentage of Vesting</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

BPM PROFIT SHARING 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022

Costs of administration – Plan expenses may be paid for by the Plan unless paid by the Sponsor. The Plan pays all custodial costs as well as some administrative costs for the record-keeper. For 2022 these costs totaled \$87,209.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting – The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment valuation and income recognition – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Since all the investments are with registered investment companies, quoted market prices are used to value investments. Purchases and sales of securities are recorded on a trade-date basis. Interest income and gains are recorded on the accrual basis. Dividends and capital gain distributions are recorded on ex-dividend dates. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year. See Note 3 for discussion of fair value measurements.

Notes receivable from participants – Participant loans are valued at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

Contributions – Employee contributions are recognized in the period payroll deductions are made. Employer contributions are calculated and recognized based on employee contributions and eligible compensation for the Plan year.

Payments of benefits – Benefits are recorded when paid.

Income taxes – The Plan obtained its latest opinion letter on March 31, 2014, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since the opinion letter was received, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified and that the related trust is tax-exempt.

Use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Accordingly, actual results may differ from those estimates.

Subsequent events have been evaluated for recognition and disclosure through June 17, 2024, the date the financial statements were available to be issued. The Sponsor concluded that no material events have occurred since December 31, 2022 that requires disclosure in the financial statements.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022

3. INVESTMENTS AND FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observed for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within a fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Money market fund and mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: Accounts primarily consist of money market funds, mutual funds, common stocks, and exchange-traded funds, all of which are valued on the basis of readily determinable market prices.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

<u>Assets at Fair Value as of December 31, 2022</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Money market fund	\$ 5,078,177		
Mutual funds	92,477,110		
Self-directed brokerage accounts	1,918,182		
Total	<u>\$ 99,473,469</u>	<u>\$</u>	<u>\$</u>

<u>Assets at Fair Value as of December 31, 2021</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Money market fund	\$ 4,427,059		
Mutual funds	104,750,304		
Self-directed brokerage accounts	2,285,905		
Total	<u>\$ 111,463,268</u>	<u>\$</u>	<u>\$</u>

4. CERTIFIED INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Newport Trust Company (the trustee).

5. PARTY-IN-INTEREST TRANSACTIONS

The Plan's administrative and recordkeeping services are provided by Newport Group, Inc., the parent company of Newport Trust Company. Any purchases and sales of the investments are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan, and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

7. RISKS AND UNCERTAINTIES

The Plan holds various investment securities. Investment securities are exposed to various risks, such as interest rate, market fluctuation and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

As of December 31, 2022 and 2021, approximately 18% and 21%, respectively, of net assets were held in two investment funds.

8. RECONCILIATION TO FORM 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to the Form 5500 at December 31:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 100,304,543	\$ 112,103,823
Less: Participant contribution receivable		(26,972)
Less: Employer contribution receivable	<u>(15,533)</u>	<u>(22,916)</u>
Net assets available for benefits per the Form 5500	<u>\$ 100,289,010</u>	<u>\$ 112,053,935</u>

The following is a reconciliation of the decrease in net assets per the financial statements to the Form 5500 for the year end December 31, 2022:

Net decrease in net assets per the financial statements	\$ (11,799,280)
Add: Employer contribution receivable	26,972
Add: Employee contribution receivable	22,916
Less: Employer contribution receivable	<u>(15,533)</u>
Net decrease in net assets per the Form 5500	<u>\$ (11,764,925)</u>
