INDEPENDENT AUDITORS' REPORT

Plan Administrator
CTC Trading Group, LLC 401k Plan and Retirement Trust
Chicago, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the CTC TRADING GROUP, LLC 401K PLAN AND RETIREMENT TRUST (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the CTC TRADING GROUP, LLC 401K PLAN AND RETIREMENT TRUST financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Fidelity Management Trust Company, a qualified institution, as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by Fidelity Management Trust Company, a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the CTC TRADING GROUP, LLC 401K PLAN AND RETIREMENT TRUST and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the CTC TRADING GROUP, LLC 401K PLAN AND RETIREMENT TRUST's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the CTC TRADING GROUP, LLC 401K PLAN AND RETIREMENT TRUST's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the CTC TRADING GROUP, LLC 401K PLAN AND RETIREMENT TRUST's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule listed in the accompanying table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by Fidelity Management Trust Company, a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

NOTE 1—PLAN DESCRIPTION

CTC Trading Group, LLC 401(k) Plan and Retirement Trust (the “Plan”) is a defined contribution plan offered by CTC Trading Group, LLC (the Company), designed to operate under the provisions of Section 401(k) of the Internal Revenue Code (“IRC”). The Plan was amended effective as of July 29, 2022. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. The following description of the Plan provides only summary information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

ELIGIBILITY

Employees age 21 or older (other than those covered by a collective bargaining agreement, non-resident aliens who do not receive any earned income from the Company which constitutes United States income, and interns) are eligible to participate in the Plan.

CONTRIBUTIONS

Each year, participants may elect to contribute pre-tax and/or after-tax Roth annual compensation as defined in the Plan to a maximum of \$22,500 for 2023 and \$20,500 for 2022. Participants who are at least age 50 may make additional “catch-up” contributions to a maximum of \$7,500 for 2023 and \$6,500 for 2022. Participants may also roll over amounts representing distributions from other qualified plans. Participants may also make after-tax voluntary contributions not to exceed \$10,000.

Based on the discretion of the Board of Directors, the Company may, subject to certain limitations, make a matching contribution to the Plan for each participant in accordance with the terms of the Plan document. For 2023 and 2022, the Company made a matching contribution of 50% of a participant’s deferral on compensation, not to exceed 5% of eligible compensation for each eligible participant. In order to receive a matching contribution, an employee must have worked at least 1,000 hours during the year and have been employed on the last day of the year.

The Company may also elect to make a discretionary profit-sharing contribution based on the class of each participant. Company’s discretionary profit-sharing contributions (net of forfeitures used) were \$9,156,417 for 2023 and \$7,555,950 for 2022. In order to receive a profit-sharing contribution, an employee must have worked at least 1,000 hours during the year and have been employed on the last day of the year.

PARTICIPANT ACCOUNTS

Each participant’s account is credited with the participant’s contribution, the Company’s discretionary matching contribution, and an allocation of the Company’s discretionary profit-sharing contribution, if applicable, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant contributions, plan compensation, or account balances, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Participants direct the investment of their accounts into various options offered by the Plan.

VESTING

Participants are 100% vested in their elective deferral contributions plus actual earnings thereon. Vesting in the Company’s contributions portion of their accounts, plus actual earnings thereon, is based on years of continuous service. A participant receives vesting of 25% per year of service and is 100% vested after four years of credited service.

NOTES TO FINANCIAL STATEMENTS

NOTE 1—PLAN DESCRIPTION (Continued)

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account. The loans bear a reasonable rate of interest as determined by the Plan Administrator based on prevailing interest rates at the times the loans are taken. Principal and interest are paid ratable through payroll deductions.

PAYMENT OF BENEFITS

Upon termination of service due to retirement, disability or death, a participant may elect to receive a lump-sum payment equal to the value of the participant's vested interest in his or her account or in partial withdrawals. Participants may receive distributions from their accounts while they are still employed by the Company under certain circumstances such as financial hardship and required minimum distributions.

FORFEITURES

Forfeited non-vested accounts are used to reduce future employer contributions. During 2023 and 2022, employer contributions were reduced by \$19,011 and \$26,639, respectively. Forfeitures available for future use are \$187,569 as of December 31, 2023 and \$28,244 as of December 31, 2022.

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements have been prepared using the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments at December 31, 2023 and 2022 were held by Fidelity Management Trust Company ("Fidelity"). All investments are valued at market value as of December 31, 2023 and 2022.

Purchases and sales of securities are reflected on a trade-date basis. Realized gains and losses on the sale of securities are computed on a specific identification basis.

Interest income is recognized on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) on investments held represents the change in market value of the investments from the beginning of the Plan year (or date the investments were purchased, if later) to the end of the Plan year.

NOTES TO FINANCIAL STATEMENTS

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**NOTES RECEIVABLE FROM PARTICIPANTS**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE 3—FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

NOTES TO FINANCIAL STATEMENTS

NOTE 3—FAIR VALUE MEASUREMENTS (Continued)*Level 1 Fair Value Measurements*

Mutual funds are valued at quoted net asset values of the shares held by the Plan at year-end.

Level 2 and Level 3 Fair Value Measurements

Level 2 and Level 3 fair value measurements are not applicable to the Plan for 2023 and 2022.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while management believes the Plan's valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	<u>Fair Value</u>	<u>Fair Value Measurements at Reporting Date Using:</u> (Total)
<u>December 31, 2023</u>		
Mutual Funds in Fair Value Hierarchy (Level 1).....	<u>\$ 267,456,428</u>	<u>\$ 267,456,428</u>
Investments Measured at Net Asset Value*	<u>—</u>	<u>10,894,278</u>
Total Assets at Fair Value	<u>\$ 267,456,428</u>	<u>\$ 278,350,706</u>

*In accordance with subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent), which approximate fair value, have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 4—INFORMATION CERTIFIED BY TRUSTEE AND CUSTODIAN

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C). Accordingly, Fidelity, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and schedule is complete and accurate.

- a. Investments, as shown in the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022.
- b. Investment income, as shown in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022.
- c. The schedule of assets (held at end of year) as of December 31, 2023, as shown on Schedule H - Line 4i.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 5—RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Company provides certain accounting and administrative services to the Plan for which no fees are charged. In addition, the majority of the expenses of the Plan are paid by the Company.

Plan investments are managed by Fidelity, the trustee of the Plan. Various fees are paid to Fidelity for these services, some of which are deducted from plan earnings. The Plan's investment advisor was also paid various fees from the Plan. Both Fidelity and the investment advisor are parties-in-interest.

NOTE 6—PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan at any time subject to the provisions of ERISA. If the Company should decide to terminate the Plan, participants would become 100% vested in the Company contribution portion of their accounts.

NOTES TO FINANCIAL STATEMENTS

NOTE 7—TAX STATUS

Effective as of July 29, 2022, the Plan adopted a Fidelity pre-approved defined contribution plan. The Internal Revenue Service (IRS) has informed Fidelity by a letter dated June 30, 2020, that the form of the Plan is acceptable for use by employers for the benefit of their employees under IRC Section 401. The Plan Administrator and the Plan's tax counsel believe that the Plan is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8—RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9—SUBSEQUENT EVENTS

Management has evaluated subsequent events through July 11, 2024, the date which the financial statements were available for issue. There were no subsequent events which require disclosure.
