Independent Auditor's Report

To the Plan Administrator
KAAPA Ethanol Holdings, LLC 401(k) & Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of KAAPA Ethanol Holdings, LLC 401(k) & Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the KAAPA Ethanol Holdings, LLC 401(k) & Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of KAAPA Ethanol Holdings, LLC 401(k) & Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Independent Auditor's Report

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about KAAPA Ethanol Holdings, LLC 401(k) & Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of KAAPA Ethanol Holdings, LLC 401(k) & Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about KAAPA Ethanol Holdings, LLC 401(k) & Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Independent Auditor's Report

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H Part IV Line 4i - Schedule of assets (held at year end) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KAAPA Ethanol Holdings, LLC 401(k) & Profit Sharing Plan

Notes to the Financial Statements

December 31, 2023 and 2022

1. Description of Plan

The following brief description of the KAAPA Ethanol Holdings, LLC 401(k) & Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more complete information regarding the Plan's definitions, benefits, and eligibility requirements and other matters.

General

The Plan is a defined contribution plan covering eligible employees who are not non resident aliens or not subject to a collective bargaining agreement of KAAPA Ethanol Holdings, LLC and subsidiaries (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), and the Internal Revenue Code ("IRC").

Eligibility

Effective January 1, 2023, the Plan was amended to establish that employees are eligible to participate in the Plan after completing three consecutive months of service with at least 400 hours from their date of hire. Eligible employees may enter the Plan quarterly on January 1, April 1, July 1, and October 1, if eligibility requirements are met, or on the date when the eligibility requirements are met as defined by the Plan.

Prior to January 1, 2023, employees were eligible to participate in the Plan after completing six consecutive months of service with at least 800 hours from their date of hire. Eligible employees were able to enter the Plan semiannually on January 1 and July 1, if eligibility requirements were met, or on the date when the eligibility requirements are met as defined by the Plan.

Contributions

Participants may contribute up to 100 percent of their annual earnings to the Plan, as defined by the Plan, subject to the IRC limitations. Participants may roll over amounts representing distributions from other qualified plans into the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions

The Plan makes Safe Harbor contributions to the individual account of each eligible employee based on the contributing participant's elective deferral percentage. The Plan contributes 100% for elective deferral percentages up to 3% and 50% for deferral percentages greater than 3% but less than or equal to 5%.

The Plan, at its discretion, may annually contribute a percentage of each participant's pre-tax annual base compensation in the form of profit sharing contributions. The Plan did not contribute any profit sharing contributions for the year ended December 31, 2023. Contributions are subject to a compensation ceiling and annual limitations prescribed by the IRC.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Plan's Safe Harbor contribution and the allocation of Plan earnings or losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Certain expenses and administrative costs incurred in connection with the general administration of the Plan are paid out by the Company.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants are also immediately vested in the Employer Safe Harbor contribution. Employer profit sharing contributions and matching contributions are subject to a graded vesting schedule and are fully vested after six years of service.

Notes to the Financial Statements

December 31, 2023 and 2022

1. Description of Plan (Continued)

Forfeited Accounts

If a participant terminates employment before becoming fully vested in their account balance, the forfeited portion of the account balance is used to reduce future Employer contributions to the Plan. Forfeiture amounts totaled \$12,630 and \$0 as of December 31, 2023 and 2022, respectively. No forfeitures were used during the year ended December 31, 2023.

Investment Allocation

Assets of the Plan are held in various funds as determined by the Plan. All accounts are participant directed. Participants may change their investment allocation daily.

Notes Receivable From Participants

Participants are permitted to borrow up to 50% of their vested account balance with a minimum of \$1,000 up to a maximum loan amount of \$50,000 or one-half of the participant's vested balance in the Plan, whichever is less. Only two notes may be outstanding at any given time. The notes are secured by a portion of the participant's vested account balance. The terms require principal and interest payments semi-monthly. The interest rate on notes shall be determined by the Plan Administrator based on terms as described in the Plan document. Loan terms can range up to five years but can be ten years if the loan is used for the purchase of a principal residence.

Payment of Benefits

Benefits may be withdrawn from the Plan upon termination of service due to death, disability, retirement, or termination of employment. A participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. The distribution will be in the form of a lump-sum payment if the participant's vested benefit is \$1,000 or less, unless the participant timely elects a direct rollover of the vested account balance. Pre-retirement distributions are allowed under the Plan after attaining the age of 59 1/2. A participant may withdraw any contributions that were rolled into the Plan at any time. Hardship withdrawals, as defined in the Plan document, are allowed for pre-tax elective deferrals. Certain mandatory distribution provisions may apply for smaller account balances of terminated employees. Benefit payments are recorded when paid.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Accounting Estimates

Management uses estimates and assumptions in preparing these financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the changes therein, and the disclosure of contingent assets and liabilities. The most significant estimate relates to the valuation of investments. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized gains and losses on investments bought and sold during the year, as well as unrealized gains and losses on investments held during the year, are presented in the net appreciation in fair value of investments.

2. Summary of Significant Accounting Policies (Continued)

Administrative Expenses

Substantially all administrative expenses are paid by the Company. Investment transaction fees are paid by the Plan.

Notes Receivable

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.

Fair Value of Financial Instruments

The Plan's accounting for fair value measurements of assets and liabilities that are recognized or disclosed at fair value in the financial statements on a recurring or nonrecurring basis adheres to the Financial Accounting Standards Board (FASB) fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

- Level 1 Inputs: Unadjusted quoted prices in active markets for identical assets or liabilities accessible to the Plan at the measurement date.
- Level 2 Inputs: Other than quoted prices included in Level 1 inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the asset or liability.
- Level 3 Inputs: Unobservable inputs for the asset or liability used to measure fair value to the extent that observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset or liability at measurement date.

The level in the fair value hierarchy within which a fair measurement in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Value is quoted daily from publicly traded closing prices.

Collective trust: Valued using the net asset value (NAV) as a practical expedient to fair value of the units held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Recently Issued Regulations

In December 2022, Securing a Strong Retirement Act (SECURE 2.0) was passed into law. The provisions of SECURE 2.0 continue the themes and reform that began with the 2020 CARES act. Most of the provisions of SECURE 2.0 will become effective in 2024 and beyond. Therefore, there is no current impact to the Plan. Since the provisions include both required and optional elements, the Plan Administrator in the process of determining which provisions are going to be adopted.

2. Summary of Significant Accounting Policies (Continued)

Subsequent Events

Effective July 15, 2024, the plan changed trustees from Ascensus Trust Company and Newport Trust Company to John Hancock Trust Company. On July 24, 2024, the majority of the assets were transferred to John Hancock Trust Company.

The Plan has evaluated subsequent events for recording or disclosure in the financial statements through July 29, 2024, the date which the financial statements were available to be issued.

3. Party-In-Interest Transactions

Certain Plan investments are shares of mutual funds and the common/collective trust fund, and are managed by the Trustees. Transactions with the Trustees of the Plan are party-in-interest transactions. Fees paid by the Plan for investment management services amounted to approximately \$8,000 for the year ended December 31, 2023.

4. Tax Status

The Plan obtained its latest determination letter on June 30, 2020 in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan was amended since the plan received the opinion letter. However, the Plan's Administrator and the Plan's tax counsel believe the Plan is currently designed and operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRC. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Risks and Uncertainties

The Plan invests in various investment securities. The Plan's investments are exposed to various risk factors, such as interest rates, market conditions and credit risk. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investment securities, it is possible that changes in risk factors in the near term could materially affect the amounts reported in the financial statements.

7. Plan Termination

Although the Plan has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants will become fully vested in their Employer contributions and the Plan assets will be distributed according to the provisions of the Plan documents.

8. Certification of Investment Information

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Ascensus Trust Company and Newport Trust Company (the trustees) have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Schedule H, Part IV, Line 4i - Schedule of Assets (Held at Year End) as of December 31, 2023.

Accordingly, as permitted under such election, the Plan Administrator instructed its independent auditors not to perform, and they did not perform, any auditing procedures with respect to the following information certified by the Ascensus Trust Company, except for comparing the information with the related information included in the financial statements and supplemental schedule.
