Independent Auditor's Report

Administrative Committee
Acme Brick Company 401(k) Retirement & Savings Plan

Opinion

We have audited the financial statements of Acme Brick Company 401(k) Retirement & Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the year ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) for the year ended December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Independent Auditor's Report

Administrative Committee
Acme Brick Company 401(k) Retirement & Savings Plan

Opinion

We have audited the financial statements of Acme Brick Company 401(k) Retirement & Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the year ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) for the year ended December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

ACME BRICK COMPANY 401(k) RETIREMENT & SAVINGS PLAN

Notes to Financial Statements
Year Ended December 31, 2023

1. DESCRIPTION OF PLAN

The following description of the Acme Brick Company (the “Company”) 401(k) Retirement & Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

- a. *General.* The Plan is a defined contribution plan which covers all employees. Employees are eligible to participate in the Plan as of the first day of the month on or after each employee has completed sixty (60) days of service and reached the age of eighteen (18). Employees hired on or after July 1, 2019 are automatically enrolled in the Plan at a deferral rate of 3% after the two aforementioned criteria are met and after a 30-day grace period to opt out. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Company’s Board of Directors is responsible for oversight of the Plan. The Administrative Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Company’s Board of Directors.
- b. *Contributions.* Employees may make voluntary pre-tax contributions or after-tax Roth 401(k) contributions through salary deferrals, limited to 65% of each employee's eligible earnings, but not more than the maximum allowed by law. Contributions for employees hired on or after July 1, 2019 are automatically increased at a rate of 1% per year up to 5%. Employee contributions are subject to Internal Revenue Code (the “Code”) limitations. The maximum contribution allowed by the Plan was \$22,500 in 2023. Employees who are 50 or older as of December 31, 2023 and reach either the maximum before-tax contribution limit of 65% or maximum contribution allowed by the Plan may make catch-up contributions. The catch-up contribution limit was \$7,500 for 2023 and is eligible for Company matching.

For the year ended December 31, 2023, Company matching contributions are equal to 50% of the sum of each employee's voluntary pre-tax contributions and after-tax Roth contributions up to five percent of the employee's eligible earnings. The Company’s Board of Directors determines the matching percentage. Company matching contributions totaled \$1,799,772 for the year ended December 31, 2023. Forfeiture balances of \$140,000 will be applied against the 4th quarter amount due of \$514,507 in 2024.

Any employee of the Company may roll over distributions made from a previous employer’s qualified retirement plan into the Plan.

- c. *Participant Accounts.* Each participant’s account is credited with the employee’s contributions and an allocation of the Company’s contributions and investment earnings. Allocations are based on participants’ earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.
- d. *Vesting.* Participants have a fully vested, nonforfeitable right to employee contributions. Company matching contributions are allocated to all participants and become fully vested after participants have completed three years of vested service. A participant’s account balance shall be 100% vested upon normal retirement age (65), disability or death. Effective January 1, 2020, company matching contributions are fully vested for any participant whose separation from service is the result of a reduction in force. One year of vested service is credited for each calendar year in which a participant has at least 1,000 hours of service. Forfeitures of the Company match may be used to pay Plan expenses or fund other matching contributions; however, the forfeiture

Year Ended December 31 ,2023

amount is credited back to participants upon re-employment with the Company. Forfeiture balances as of December 31, 2023 were approximately \$137,000. Forfeiture balances as of December 31, 2022 were approximately \$115,000.

- e. *Investment Options.* All employee contributions and Company matching contributions are participant directed among various mutual funds, target date funds, stable value and money market funds and Berkshire Hathaway Inc. (“Berkshire”) Class B common stock. Automatic enrollment contributions are defaulted to target date funds.
- f. *Payment of Benefits* Withdrawals of vested contributions from the Plan by participants can be made at normal retirement (age 65), when a participant dies, becomes disabled or a break in service occurs. There is no plan provision for early retirement (age 55). Distributions upon withdrawal are made in accordance with the Plan document.
- g. *Hardship Distributions.* A participant may receive a hardship distribution from salary reduction contributions and rollover contributions if the distribution is: (1) on account of uninsured medical expenses incurred by the participant, their spouse or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant; (3) for the payment of post-secondary tuition expenses for the participant, their spouse or dependents; (4) needed to prevent eviction of the participant from his or her principal residence or foreclosure upon the mortgage of the participant’s principal residence; (5) for burial or funeral expenses for the participant’s parent, spouse, children or dependents; or, (6) for expenses for the repair of damage to the participant’s principal residence caused by fire, storm, or other casualty.
- h. *Notes receivable from participants.* Participants are allowed to apply for and receive loans from their vested account balance, subject to certain requirements, including the provision that they may not have more than one outstanding loan at a time. The minimum loan amount is \$1,000 and the maximum is 50% of the participant’s combined Employee pre-tax, after-tax and after-tax Roth accounts, but never more than \$50,000 minus the highest outstanding balance of the participant’s total Plan loans during the last 12 months. The loans are secured by the balance in the participant’s account. A reasonable rate of interest is charged on loans. Currently, the Plan charges interest at the federal Prime rate plus 2%.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- a. *Basis of accounting.* The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”).
- b. *Estimates.* The preparation of the financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period and disclosures of contingent assets and liabilities at the date of the financial statements. Actual results may, in some instances, differ from previously estimated amounts.
- c. *Investments.* The Plan’s investments are stated at fair value. Shares of mutual funds and common stock are valued based on published market prices, which represent the net asset value of shares held by the Plan at the end of year. Gains and losses on the sale of investments are accounted for on an average cost basis. The Plan presents net changes in the fair value of mutual funds and common stock, which consists of realized gains and losses, unrealized appreciation (depreciation), and any income or capital gain distributions from such investments in the accompanying statement of changes in net assets available for benefits. Shares in the Putnam

Stable Value Fund are valued based on the fair value of the underlying investments as determined by Putnam Management. The Plan presents net changes in the fair value of the Putnam Stable Value Fund, which consists of realized gains and losses, unrealized appreciation (depreciation), and any income or capital gain distributions from such investments in the accompanying statement of changes in net assets available for benefits. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

- d. *Notes receivable from participants.* Participant loans are valued at unpaid principal balance plus accrued interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.
- e. *Contributions.* Contributions by participants and participating employers are accounted for on the accrual basis once determined.
- f. *Benefit payments.* Benefit payments are recorded when paid.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification Topic No. 820, *Fair Value Measurement*, are described as follows:

- Level 1 — inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 — inputs to the valuation methodology include:
 - quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 — inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022. These methodologies were consistently applied to all investments of the Plan.

Cash and cash equivalents

Demand deposit funds are carried at amortized cost which approximates fair value. The investments are classified within Level 2 of the valuation hierarchy.

ACME BRICK COMPANY 401(k) RETIREMENT & SAVINGS PLAN

Notes to Financial Statements - Continued

Common stock

Common stock is valued at the closing price reported on the active market on which the individual securities are traded. All common stock is classified within Level 1 of the valuation hierarchy.

Common/collective trust funds

The common/collective trust funds ("CCT") are valued using Net Asset Value ("NAV") per share as a practical expedient. NAV is based on the fair value of the underlying investments held by the fund less its liabilities. In accordance with GAAP, since each CCT is measured using the NAV per share practical expedient, the CCT's are not classified in the fair value hierarchy. The fair value amounts for the CCT's presented in the table below are intended to permit reconciliation to the amounts presented in the Statements of Net Assets Available for Benefits.

Mutual funds

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. All mutual funds are classified within Level 1 of the valuation hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022. The Plan has no assets classified within Level 3 of the valuation hierarchy.

4. TAX STATUS OF PLAN

Effective July 15, 2022, the Plan sponsor adopted a prototype plan sponsored by Bank of America Merrill Lynch. The prototype plan received an opinion letter dated June 30, 2020 in which the Internal Revenue Service (“IRS”) stated that the prototype plan was in compliance with the applicable requirements of the Code. In addition, the opinion letter stated that an employer who adopts this prototype plan may rely on the prototype plan opinion letter with respect to the qualification of its plan under the Code. Therefore, the Plan’s Administrative Committee believes that the Plan is being operated in compliance with the applicable provisions of the Code.

The Plan’s Administrative Committee evaluates tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan’s Administrative Committee has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. EXCESS PARTICIPANTS’ CONTRIBUTIONS REFUNDABLE

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2023 excess contributions to applicable participants prior to March 15, 2024. The Plan distributed the 2022 excess contributions to applicable participants prior to March 15, 2023.

6. ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant’s account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination, all participants would become 100% vested in their employer contributions and Plan assets would be distributed accordingly.

8. RELATED PARTIES AND PARTIES-IN-INTEREST

The Plan holds investments in the common stock of Berkshire, the Company's parent; a retirement bank account managed by Bank of America, N.A., which acted as trustee for only those investments as defined by the Plan; and, notes receivable from participant loans. Transactions in such investments qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the accompanying financial statements to the Form 5500:

	<u>December 31, 2023</u>	<u>December 31, 2022</u>
Net assets available for benefits per the financial statements	\$ 128,253,679	\$ 113,126,772
Amounts allocated to withdrawing participants	<u>(5,059)</u>	<u>(795)</u>
Net assets available for benefits per the Form 5500	<u>\$ 128,248,620</u>	<u>\$ 113,125,977</u>

	<u>Year Ended December 31, 2023</u>
Net decrease in net assets available for benefits per the financial statements	\$ 15,126,907
Amounts allocated to withdrawing participants at December 31, 2023	<u>(5,059)</u>
Amounts allocated to withdrawing participants at December 31, 2022	<u>795</u>
Change in net assets available for benefits per the Form 5500	<u>\$ 15,122,643</u>

The reconciling items noted above are due to the difference in the method of accounting used under government reporting requirements in preparing the Form 5500 as compared to the Plan's financial statements.

10. RISKS AND UNCERTAINTIES

The Plan provides for various investment options in a variety of mutual funds, common collective trust funds and Berkshire common stock. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the Plan's financial statements.
