## REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Participants and Plan Administrator of  
Jefferies Employees' Profit Sharing Plan

### **Opinion on the Financial Statements**

We have audited the accompanying statements of net assets available for benefits of the Jefferies Employees' Profit Sharing Plan (the Plan) as of November 30, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended November 30, 2023, and the related notes to financial statements (collectively referred to as the financial statements). In our opinion, the financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of November 30, 2023 and 2022, and the changes in net assets available for benefits for the year ended November 30, 2023, in conformity with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on the Plan's financial statements based on our audits. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Plan in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. The Plan is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audits, we are required to obtain an understanding of internal control over financial reporting, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion.

Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

---

**Supplemental Information**

The supplemental schedule of assets (held at end of year) has been subjected to audit procedures performed in conjunction with the audit of the Plan's financial statements. The supplemental information is the responsibility of the Plan's management. Our audit procedures included determining whether the supplemental schedule reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental schedule. In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, as amended. In our opinion, the supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole.

**NOTES TO FINANCIAL STATEMENTS AS OF NOVEMBER 30, 2023 AND 2022**  
**AND FOR THE YEAR ENDED NOVEMBER 30, 2023**

**1. DESCRIPTION OF THE PLAN**

The following description of the Jefferies Employees' Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General** – The Plan is a defined contribution plan sponsored by Jefferies Financial Group, Inc. and subsidiaries (the "Company") covering all U.S. based employees of the Company and employees who have U.S. source income and have completed three full months of service. Jefferies LLC is a direct wholly-owned subsidiary of publicly traded Jefferies Financial Group Inc. ("Jefferies"). The Plan's Administrative Committee controls and manages the operation and administration of the Plan. Fidelity Management Trust Company serves as the trustee of the Plan (the "Trustee"). The Plan became effective in December 1964 and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The Plan was amended effective November 1, 2022, to change the name of the Plan to Jefferies Employees' Profit Sharing Plan (formerly "Jefferies Group LLC Employees' Profit Sharing Plan") and the name of the Plan Sponsor to Jefferies Financial Group, Inc. (formerly "Jefferies Group, LLC", which is now a wholly-owned subsidiary of Jefferies Financial Group, Inc.) as shown above.

**Contributions** – Each year, eligible participants may voluntarily make pre-tax and/or after-tax Roth contributions up to 15% of a participant's annual compensation or a flat dollar amount, as defined in the Plan, subject to certain Internal Revenue Code ("IRC") limitations. Participants may also make voluntary after-tax contributions up to \$37,000 to the Plan. Participants who have attained age 50 on or before December 31, 2023 may make pre-tax and/or Roth catch-up contributions, which are not matched by the Company.

Participants may also direct distributions from other qualified defined benefit plans, defined contribution plans, or Individual Retirement Accounts ("IRAs") that held contributions under a previous employer's tax-qualified plan or contributory IRAs to the Plan.

The Plan provides for a fixed matching contribution by the Company for each dollar contributed by the employee on a pre-tax and after-tax Roth basis. In fiscal 2023, the rate of match was 25%. The Plan also enables employees to share in the profits of the Company by means of the Company's discretionary contributions that can only be made out of profits and are allocated to participants on the basis of their compensation, as defined in the Plan. Additional discretionary matching contributions are allocated to participant accounts based on the level of employee contributions made to the Plan. Contributions are subject to certain limitations. The Company did not authorize a discretionary contribution during fiscal 2023.

**Participant Accounts** – Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, the Company's matching contribution and allocations of the Company's discretionary contributions and Plan earnings, and charged with withdrawals, an allocation of Plan losses and an allocation of administrative expenses, if not paid from the forfeiture or the Revenue Credit Program account. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. In situations where Fidelity recordkeeping revenue earned in connection with plan services exceeds agreed-upon compensation, Fidelity (through a Revenue Credit Account) will deposit any excess revenue, regardless of source, in a plan-level suspense account (i.e., Revenue Credit Account) in the Plan. The Plan's administrator, on behalf of the Administrative Committee, can then direct Fidelity to

pay qualified plan-level expenses or allocate unused credit to eligible participants via funds from this Revenue Credit Account.

**Investments** – Participants direct the investment of their contributions into various investment options offered by the Plan. As of November 30, 2023, as investment options for participants, the Plan currently offers two equity investments, one common collective fund investment, 33 mutual funds, including one money market fund, and a self-directed brokerage account (“BrokerageLink Account”) that is primarily invested in interest-bearing cash accounts and income-oriented and growth-oriented mutual funds.

**Vesting** – Participants are immediately fully vested in their own contributions and the earnings thereon. Vesting in the Company’s contribution portion of their accounts is based on years of continuous service as follows:

| <u>Years of vesting service</u> | <u>Percentage</u> |
|---------------------------------|-------------------|
| Fewer than two years            | - %               |
| Two years                       | 33                |
| Three years                     | 67                |
| Four years                      | 100               |

**Notes Receivable from Participants** – Participants may borrow from their Plan accounts up to a maximum equal to the lesser of (1) \$50,000 less the highest outstanding loan balance for the participant during the prior 12-month period or (2) 50% of their account balance. The loans are secured by the remaining balance in the participant’s account and bear interest at rates commensurate with local prevailing rates at the time funds are borrowed. The interest rate remains unchanged for the duration of the loan. The term of the loan may not exceed five years, except for loans for the purchase of a primary residence, in which case the repayment period cannot exceed ten years. Principal and interest are paid ratably through semi-monthly payroll deductions. Terminated participants who elect to continue their loan terms may elect to remit payments directly to the Trustee.

**Payment of Benefits** – Upon termination of service for any reason, a participant with an account balance greater than \$1,000 may elect to (1) receive a lump-sum distribution in an amount equal to the value of the participant’s vested interest in his or her account, (2) elect a rollover distribution to an eligible retirement plan or eligible individual retirement account in an amount equal to the value of the participant’s vested interest in his or her account, or (3) elect to retain the amount of the vested balance in the Plan until the attainment of age 65. To the extent that a participant’s account is less than \$1,000, the Company will distribute the vested interest in the participant’s account to the participant in the form of a lump-sum payment and if invested in Jefferies Common Stock, the distribution will be made in the form of whole shares of Jefferies Common Stock or cash. The Plan allows for in-service withdrawals for hardship purposes as defined in the Plan document. The Plan also allows in-service withdrawals to employees to withdraw vested balances starting at age 59 1/2 and for all employees to withdraw their voluntary after-tax and rollover contributions at any time.

**Forfeited Accounts** – As of November 30, 2023 and 2022, forfeited non-vested accounts totaled \$15,208 and \$23,188, respectively. These amounts will be used to reduce employer contributions or pay administrative expenses of the Plan. During the year ended November 30, 2023, incoming forfeitures totaled \$899,453, and employer contributions were reduced by \$907,433.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting** – The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

**Use of Estimates** – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Risks and Uncertainties** – The Plan provides for various investment options, including mutual funds, Jefferies Common Stock, common stock, a common collective fund, and a self-directed brokerage account. Investment securities, in general, are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, Plan management believes it is reasonably possible that changes in the values of investment securities will occur in the near term and that such a change could materially affect the amounts reported in the financial statements.

**Concentration of Investments** – The Plan’s investment in Jefferies Common Stock comprises approximately 7% and 9% of the Plan’s investments as of November 30, 2023 and 2022, respectively.

**Investment Valuation and Income Recognition** – The Plan’s investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Jefferies Common Stock and Vitesse Common Stock are valued at the closing price reported on the New York Stock Exchange on the last business day of the Plan year. Shares of mutual funds are traded in active markets and are stated at fair value based upon quoted market prices. The investment in the common collective fund is stated at net asset value (NAV) per share as a practical expedient, which is based on the fair value of the underlying investments.

The Revenue Credit Program provides income in situations where recordkeeping revenue earned in connection with plan services exceeds agreed-upon compensation. Fidelity will deposit any excess revenue, regardless of source, in a plan-level suspense account (i.e., Revenue Credit Account) in the Plan. Revenue credits generated are allocated back to all eligible participants at the plan level based on the participant’s account balance.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as appreciation on investments held at year-end.

Management fees and operating expenses charged to the Plan for investments in the mutual funds and common collective fund are deducted from the NAV of the mutual funds and common collective fund and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of the investment return for such investments.

**Notes Receivable From Participants** – Participant loans are classified as notes receivable from participants on the Statement of Net Assets Available for Benefits and are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan document.

**Administrative Expenses** – All reasonable expenses of administering the Plan are either charged to participants and paid out of Plan assets or paid by the Company. If the expenses are charged to each participant's account, they are charged on a pro rata basis based upon account balances of participants.

**Payment of Benefits** – Benefit payments to participants are recorded upon distribution. There are no amounts allocated to participants who have withdrawn their funds but have not been paid as of November 30, 2023 or 2022.

**3. FAIR VALUE MEASUREMENTS**

Accounting Standard Codification ("ASC") 820, *Fair Value Measurements and Disclosures* ("ASC 820"), provides a single authoritative definition of fair value, sets a framework for measuring fair value, and requires disclosures about fair value measurements. In accordance with ASC 820, the Plan classifies its investments into Level 1, which refers to securities valued using quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

**Transfers Between Levels** — The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported as of the beginning of the reporting period.

The Plan evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended November 30, 2023 and 2022, there were no transfers between levels.

The techniques used to value the Plan's investments are as follows:

- Common stock. Valued utilizing a market approach wherein Plan management uses quoted prices in active markets for identical assets;
- Mutual funds. Valued utilizing a market approach wherein Plan management uses the quoted prices in the active market for identical assets. All of the mutual funds are traded in active markets at their NAV per share. There are no restrictions as to redemption of these investments nor does the Plan have any contractual obligations to further invest in any of the individual mutual funds.
- Common collective fund. Valued based on the NAV of units held by the collective fund. The NAV is based on the observable market prices of the underlying investments within the fund less liabilities. The NAV for the underlying assets of the fund is a readily determinable measure of their fair value and is the basis used by the fund for current transactions.

\* The fair value of this investment is provided above to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

The valuation methods described in Note 2 may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement as of the reporting date.

#### **4. EXEMPT PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are shares of mutual funds managed by the Trustee and qualify as exempt party-in-interest transactions. Fees paid by the Plan for administrative services for the year ended November 30, 2023 were \$90,626.

Fees paid indirectly by the Plan for investment management services are described in the mutual fund prospectus of the designated investment options and are included as a reduction of the return earned on such fund. The Plan pays Fidelity, as trustee and recordkeeper, and these qualify as a party-in-interest transaction.

**JEFFERIES EMPLOYEES' PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS AS OF NOVEMBER 30, 2023 AND 2022**  
**AND FOR THE YEAR ENDED NOVEMBER 30, 2023**

---

As of November 30, 2023 and 2022, the Plan held 1,932,562 and 1,955,514 shares, respectively, of Jefferies Common Stock, with a market value of \$68,493,329 and \$74,292,777, respectively. During the year ended November 30, 2023, the Plan recorded dividend income of \$2,426,301 related to the Jefferies Common Stock. On January 13, 2023, Jefferies Common Stock also recognized a spinoff of the Company's holdings in Vitesse Energy Common Stock whereby holders of Jefferies Common Stock, including participants who held such shares within the Plan, received a reduction in the cost basis of their Jefferies Common Stock investment for the amount of basis received in their new direct holdings in Vitesse. Shareholders received 1 share of Vitesse Energy stock for every 8.49668 shares of Jefferies Stock. Such spinoff was recognized as a dividend which transferred the cost basis from one investment holding to the other. Such spinoff resulted in a cost basis transfer of \$3,504,225 for participants in the Plan, with no reduction in number of shares of Jefferies Common Stock.

During the year ended November 30, 2023, sales of Jefferies Common Stock were \$6,756,988 and the purchases of Jefferies Common Stock were \$3,380,804. Realized losses on the sale of Jefferies Common Stock were \$863,558 for the year ended November 30, 2023.

**5. PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions and their accounts would be distributed in accordance with the Plan document.

**6. TAX STATUS**

The Internal Revenue Service ("IRS") has provided a determination letter dated November 21, 2017 and informed the Company that the Plan, and related trust, were designed in accordance with applicable sections of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**7. SECURE 2.0**

In December 2022, Securing a Strong Retirement Act (SECURE 2.0) was passed into law. The provisions of SECURE 2.0 continue the themes and reforms that began with the 2019 CARES Act. Most of the provisions of SECURE 2.0 will become effective in 2024 and beyond. Therefore, for the year ended November 30, 2023 there is no current impact to the Plan. Since the provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect.

**8. SUBSEQUENT EVENTS**

Plan management has evaluated events and transactions for potential recognition or disclosure through May 24, 2024, which is the date the financial statements were available to be issued.
