Independent Auditors' Report

The Trustees
Cranfill Sumner LLP 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Cranfill Sumner LLP 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CRANFILL SUMNER LLP
401(k) PLAN

Notes to Financial Statements

December 31, 2023 and 2022

(1) Description of Plan

The following description of Cranfill Sumner LLP 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan became effective on October 1, 1992 as a profit sharing 401(k) plan. The Plan is sponsored by Cranfill Sumner LLP (the "Partnership"). The Plan covers all employees who have attained the age of 21, have completed one year of service, and have met certain hours of service requirements. Effective January 1, 2023, the Plan was amended to cover all employees who complete at least 360 hours of service during the first 90 days of employment. If an employee does not work at least 360 hours during the first 90 days of employment, then they will satisfy the Plan's minimum service requirement once one year of service has been completed. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

(b) Contributions

Each year, participants may contribute up to 100 percent of pretax annual compensation, as defined in the Plan, up to limits allowed by law. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and a savings account as investment options for participants. Contributions are subject to certain limitations.

Each year, the Partnership will contribute to the Plan an amount of safe harbor contributions on behalf of each eligible employee who is a non-highly compensated employee totaling 3.00% of the participant's eligible compensation.

The Partnership can also elect on an annual basis to make a non-elective contribution to the Plan, which is allocated to the separate accounts maintained for each participant. Allocations are based on participants' proportionate share of the total compensation paid during the Plan year to all participants in a group. Each qualifying participant shall constitute a separate allocation group. The difference in amounts contributed between the groups will be limited by nondiscrimination standards in the law. For 2023 and 2022, the non-elective contributions were 3.00% of compensation.

Participants can deposit "rollovers" (distributions from other qualified plans).

(c) Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of the Partnership's contribution, plan earnings (losses) and administrative expenses. Allocations are based upon participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

CRANFILL SUMNER LLP
401(k) PLAN

Notes to Financial Statements, Continued

December 31, 2023 and 2022

(1) Description of Plan, Continued

(d) Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Each participant acquires a vested and non-forfeitable percentage of their account balance of employer contributions and earnings based upon years of service. A participant vests 20% per year after two years of service and is 100% vested after six years of service.

(e) Notes Receivable From Participants

Participants can borrow a minimum of \$1,000 from their individual fund account, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Such transactions qualify as party-in-interest transactions. Notes are secured by the balance in the participant's account and bear a reasonable rate of interest. Principal and interest are paid ratably through monthly payroll deductions.

(f) Payment of Benefits

On termination of service due to death, disability or retirement (age 62), a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, may elect to roll over the account, or may elect to receive benefit installments as dictated by Internal Revenue Code, if the account balance exceeds \$1,000. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

(g) Forfeited Accounts

Forfeited non-vested accounts totaled \$2,417 and \$0 as of December 31, 2023 and 2022, respectively. Forfeitures are used to reduce the Plan's ordinary and necessary administrative expenses. In 2023 and 2022, respectively, \$13,187 and \$4,853 of forfeitures were used to pay Plan expenses.

(2) Summary of Significant Accounting Policies

(a) Basis of Presentation

The accompanying financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America and present the net assets available for plan benefits and changes in those net assets on an accrual basis.

(b) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(c) Fair Value Measurements

For determining fair value measurements, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. Management follows an established framework for measuring fair value. That framework provides a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The three levels of inputs that may be used to measure fair value are described below:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3: one or more significant inputs or significant value drivers that are unobservable or based on market assumptions

(d) Investment Valuation and Income Recognition

Investments in mutual funds managed by the Plan's custodian are valued on the last business day of the year based on the current market values (quoted prices in active markets) of the funds.

The Plan presents in the statement of changes in net assets available for plan benefits the net appreciation (depreciation) in the value of its investments which consists of realized gains or losses and the unrealized appreciation (depreciation) on investments held at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. There are no unfunded commitments as of December 31, 2023 and 2022.

(e) Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest on notes receivable totaled \$21,665 and \$11,336 in 2023 and 2022, respectively.

(f) Payment of Benefits

Benefits are recorded as expense when paid.

(g) Excess Contributions

Amounts payable to participants totaling \$51,624 and \$0 as of December 31, 2023 and 2022, respectively, for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to employee contributions. The Plan distributed the 2023 excess contributions to the applicable participants subsequent to year end.

(3) Administrative Expenses and Investment Costs

The Partnership paid for certain administrative expenses, such as audit fees, on behalf of the Plan for 2023 and 2022. The amounts paid by the Partnership are not included in the statements of changes in net assets available for plan benefits.

Certain investment management fees are charged to the individual funds in the Plan and are included in the net appreciation (depreciation) in the fair value of investments.

(4) Federal Income Taxes

The Internal Revenue Service ("IRS") has determined and informed the Plan sponsor by a letter dated December 31, 2018, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("Code"). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. No provision for income taxes has been included in the Plan's financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

During 2023 and 2022 the Plan's investments, (including investments bought, sold, and held during the year), appreciated in value \$5,635,010 and depreciated in value \$10,961,826, respectively. In addition, interest and dividends on investments totaled \$1,783,265 and \$1,929,874 for 2023 and 2022, respectively.

(6) Plan Termination

Although it has not expressed any intent to do so, the Partnership has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

(7) Risks and Uncertainties and Concentrations

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits.

(8) Related Party Transactions

As of December 31, 2023 and 2022, the Plan had employer contributions receivable from the Partnership of \$494,929 and \$324,089, respectively. Both amounts were paid to the Plan in the following year. As of December 31, 2023 and 2022, the Plan had employee contributions receivable from the Partnership of \$79,330 and \$0, respectively. Amounts were paid to the Plan in the following year.

(9) Subsequent Events

The date to which events occurring after December 31, 2023, the date of the most recent statement of net assets available for plan benefits, have been evaluated for possible adjustment to the financial statements or disclosure is July 29, 2024, the date the financial statements were available to be issued.
