INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Avantic Lodging Enterprises Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Avantic Lodging Enterprises Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement and Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Avantic Lodging Enterprises Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ending December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis of Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Avantic Lodging Enterprises Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Avantic Lodging Enterprises Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Avantic Lodging Enterprises Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Avantic Lodging Enterprises Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and other certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the

supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Avantic Lodging Enterprises Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

1. Description of Plan

The following description of the Avantic Lodging Enterprises Inc. (the Company) 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document and adoption agreement for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution plan covering employees of the Company who are age 21 or older and have one year of service. Employees subject to certain bargaining agreements, residents of Puerto Rico, non-resident aliens with no U.S. income, and leased employees are not eligible to participate in the Plan. Plan entry dates are first day of each month.

The Plan was established on December 13, 2019 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees governance of the Plan. The Plan's Administrative Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees. The assets of the Plan are held and invested by Fidelity Management Trust Company (the Trustee).

b. Contributions

Participants may contribute up to 90% of eligible compensation, not to exceed the federal limit of \$22,500. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions not to exceed the federal limit of \$7,500. The Company will make a matching contribution equal to 50% of the participant's deferral contribution with a maximum employer match of 3%. The Company may make an additional profit-sharing contribution at its own discretion. No profit-sharing contribution was made for the year ended December 31, 2023. Participants direct the investment of both participant and employer contributions. Contributions are subject to certain statutory limitations.

The Plan also permits rollover contributions from plans of eligible employees who have not yet satisfied certain age and eligibility service requirements.

All contributions are subject to applicable limitations.

c. Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of the Company's matching contribution, Plan earnings, and administrative fees. Forfeitures in excess of administrative expenses can be allocated to participants' accounts in lieu of Company contributions. Allocations are based on participant earnings or account balances, as defined. The participant is entitled to a benefit equal to his or her vested account balance.

Notes to Financial Statements
December 31, 2023 and 2022

1. Description of Plan (continued)

c. Participant Accounts (continued)

Participants may choose from various funds, as listed in the financial statements, in which to invest their accounts. Participants may change their investment options at any time throughout the year via direct phone access or Internet access to the Plan's third-party administrator.

d. Investment Elections

The participant contributions and the Company matching contributions are allocated to the various investment options offered by the Plan as directed by participants. The Plan currently offers various mutual funds, managed by Fidelity, as investment options for participants.

e. Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Additionally, assets merged from One Hospitality Plan are 100% vested. Vesting in the remainder of their accounts is based on years of continuous service, as follows:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

f. Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms are not to exceed five years, unless the loan is for the acquisition of a principal residence. The loans are secured by the balance in the participant's account and bear interest rates commensurate with local prevailing rates as determined by the plan administrator, ranging from 4.25% - 9.50%.

g. Forfeited Accounts

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$1,247 and \$44, respectively. New forfeitures were \$4,023 and other income was \$27 for the year ended December 31, 2023. Forfeited funds shall first be used to reduce administrative expenses. Any remaining amounts may be used to reduce employer matching contributions. In 2023, \$2,847 were used to reduce employer contributions.

h. Payment of Benefits

On termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Avantic Lodging Enterprises Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

1. Description of Plan (continued)

i. Administrative Expenses

Certain fees for administering the Plan are paid by the Company and, therefore, are not reflected in the Plan's financial statements. Transaction-based fees, investment fees, and other fees charged to participants are paid with Plan assets and are reflected in the financial statements.

j. In-Service Withdrawals

Participants may make withdrawals of any or all of their vested account balances upon attainment of age 59½ or normal retirement age. Participants who are 73 years of age must take required minimum distributions. Distributions from rollovers received into the Plan are allowed. The Plan also allows for hardship withdrawals from the elective deferral portion of the participant's account only. The minimum hardship withdrawal is \$500. Additionally, the Plan allows disability, active military and qualified reservist distributions.

k. Termination of Plan Agreement

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts and distributed in a single lump sum payment.

l. SECURE Act 2.0

In December 2022, the President signed into law the Setting Every Community Up for Retirement Enhancement Act 2.0 (SECURE Act 2.0), which expands retirement coverage and saving opportunities, including changes to defined contribution plans, defined benefit plans, individual retirement accounts, and 529 plans. Some of the most significant changes that impact employee benefit plans include the following:

- Automatic enrollment of participants and escalation features for employee contributions
- Exception for the 10% penalty on early distributions for terminally ill participants
- Increase in part-time workers' access to retirement benefits
- Increasing the age when required minimum distributions need to start
- Larger catch-up contributions for older participants

The changes take effect on a staggered timeline, starting on January 1, 2023, and completing in 2027, with most taking effect in 2023 and 2024.

The Plan must be amended to reflect the changes resulting from Secure Act 2.0 by December 31, 2026.

2. Summary of Accounting Policies

a. Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Avantic Lodging Enterprises Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

2. Summary of Accounting Policies (continued)

b. Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Principal and interest are paid ratably through payroll deductions. Related fees are included in the balance of the note receivable from participants. Delinquent notes receivables from participants are reclassified as distributions based upon the terms of the plan document.

c. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

d. Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Administrative Committee determines the Plan's valuation policies. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

e. Payment of Benefits

Benefits are recorded when paid.

f. Operating Expenses

Officers or employees of the Company perform certain administrative functions. No such officer or employee receives compensation from the Plan. Investment related expenses are included in net appreciation in fair value of investment. Recordkeeping services were paid for by the Plan.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Avantic Lodging Enterprises Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

3. Fair Value Measurements (continued)

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Registered investment companies (mutual funds). Fair value is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded.

Common/collective trusts. The Net Asset Value (NAV) of a common/collective trust is based on the market value of its underlying investments. These trusts are made up of a wide variety of underlying investments such as equities, preferred stock, bonds, real estate and mutual funds. There are no unfunded commitments related to these accounts as of December 31, 2023 and amounts can be redeemed daily without restrictions.

The following table summarizes by level, within the fair value hierarchy, the Plan's investment assets measured at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total Fair Value</u>
Registered investment companies	\$ 3,167,057	-	-	\$ 3,167,057

3. Fair Value Measurements (continued)

The following table summarizes by level, within the fair value hierarchy, the Plan's investment assets measured at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total Fair Value</u>
Registered investment companies	\$ 3,258,192	-	-	\$ 3,258,192

Total	\$ <u>3,258,192</u>	<u>230,314</u>	<u>-</u>	\$ <u>3,488,506</u>

4. Investments - Information Prepared and Certified by Trustee

The Plan has entered into a contract with the Trustee for the investment of funds and the payments of benefits provided by the Plan. The Plan offers investments in a common/collective trust account and various registered investment companies, all of which were maintained and administered by Fidelity.

The plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rule and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified to the completeness and accuracy of all investments and notes receivable reflected on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, the supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2023.

5. Tax Status

The Internal Revenue Service has determined and informed the Trustee by a letter dated June 30, 2020 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC).

Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's third-party administrator believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Notes to Financial Statements
December 31, 2023 and 2022

6. Related Party Transactions

Certain Plan investments are shares of common/collective trusts and registered investment companies managed by Fidelity. Fidelity is the trustee of the Plan assets and, therefore, these transactions qualify as party-in-interest transactions. For the year ended December 31, 2023, the Company paid fees to Fidelity for administering the Plan. Additionally, the Plan paid \$20,826 for recordkeeping services to Fidelity for the year ended December 31, 2023.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

7. Risks and Uncertainties

The Plan invests in various investment securities, including registered investment companies and common/collective trusts which are similar to mutual funds. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. Concentration of Credit Risk

At December 31, 2023, all of the Plan's investments were held by one financial institution.

9. Subsequent Events

The Plan Administrator has evaluated subsequent events through July 29, 2024, the date the financial statements were available to be issued and determined that there have been no events that have occurred that would require adjustment or disclosure.
