Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **BGM CPA, LLC**

(2) EIN: **20-0472826**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		1000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

Report on Internal Control Over Financial Reporting Based on an Audit of Financial Statements

To the Plan Administrator and Trustee
Leamington Co. & Affiliated Employers 401(k) Plan
Minneapolis, Minnesota

In planning and performing our audit of the financial statements of Leamington Co. & Affiliated Employers 401(k) Plan (the Plan) as of and for the year ended December 31, 2023, we considered relevant Plan provisions and the Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the Plan's compliance with those provisions or on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the Plan's compliance with plan provisions or on the effectiveness of the Plan's internal control.

Our consideration of relevant plan provisions and internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all instances that the Plan is not operating in accordance with the Plan's provisions or deficiencies in internal control that might be material weaknesses or significant deficiencies. Therefore, instances that the Plan is not operating in accordance with plan provisions or deficiencies in internal control, including material weaknesses or significant deficiencies, may exist that were not identified.

Instances where the Plan is not operating in accordance with plan provisions may be indicative of a deficiency in internal control. A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A deficiency in design exists when (a) a control necessary to meet the control objective is missing, or (b) an existing control is not properly designed so that, even if the control operates as designed, the control objective would not be met. A deficiency in operation exists when a properly designed control does not operate as designed or when the person performing the control does not possess the necessary authority or competence to perform the control effectively.

A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiencies in the Plan's internal control to be significant deficiencies:

Preparation of Financial Statements and Required Disclosures

All Plans are required to prepare accrual financial statements with all required disclosures in conformity with U.S. generally accepted accounting principles (U.S. GAAP). Without a complete system of internal controls to accomplish this function, the potential of missing disclosures exists. Because the Plan does not have a system of internal controls to accomplish this function, we are required to disclose this as a deficiency in your Plan's internal control to those in charge of governance. As is inherent in many Plans, the Plan and the Plan's sponsor has management and employees who, while knowledgeable, skillful and competent in fulfilling the daily and monthly functions, do not have the time to maintain the current knowledge and expertise to fully apply U.S. GAAP in preparing financial statements and the related disclosures. The Plan's management has determined that it is not cost beneficial to obtain the necessary U.S. GAAP training for retirement benefits department personnel to prepare the once a year function.

Although our firm has assisted with the preparation of your financial statements and related note disclosures, the Plan's management has reviewed the statements and has accepted responsibility for these statements as their own.

This communication is intended solely for the information and use of the Plan Administrator and management, those charged with governance, others within the Plan sponsor and is not intended to be and should not be used by anyone other than these specified parties.

Plan Administrator
Leamington Co. &

Minneapolis, Minnesota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Leamington Co. & Affiliated Employers 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plans' financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet[s] the requirements of ERISA Section 103(a)(3)(C).

Leamington Co. & Affiliated Employers 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

NOTE 1: DESCRIPTION OF PLAN

The following description of the Leamington Co., & Affiliated Employers ("Company") 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan with a 401(k) provision generally covering all employees who are age 18 or older. Employee participation for deferrals can commence with employment, however, employees must complete three months of service to be eligible for matching contributions. Employees covered by a collective bargaining agreement are not eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each participant may contribute up to his or her annual compensation through salary deferrals not to exceed the maximum annual addition amount allowed by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan provides for automatic salary deferrals of 4% for all newly hired employees who do not elect otherwise and also provides for automatic salary deferral increases of 1% annually up to 8% unless the employee elects otherwise. Employees may also make rollover contributions from other qualified plans. The Company may contribute matching contributions at its sole discretion. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of the Company's contribution, Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus earnings thereon is based on years of continuous service. A participant is 100% vested after five years of credited service.

Investment Options

All funds of the Plan are participant directed. Participants may direct the investment of their account balance into one or more of the various funds available. Participants may change their investment options daily.

Notes to Financial Statements
December 31, 2023 and 2022

NOTE 1: DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts under certain defined circumstances in the plan agreement, a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Actual interest rates applied to loans ranges from 3.25% to 8.5%. Principal and interest is paid ratably through monthly payroll deductions.

Payment of Benefits

Upon termination of service, disability or retirement, a participant may elect to receive benefit payments in the form of a lump-sum amount, part lump-sum and part installments, or installments over a fixed period not exceeding life expectancy or joint and survivor expectancy. Upon death, the Plan will pay the account balance to the participant's beneficiary. Terminated participants with vested account balances of \$5,000 or less will receive a lump-sum distribution without the participant's consent. In-service distributions are permitted under certain circumstances. The Plan provides for certain minimum distribution requirements.

Forfeited Accounts

Forfeited non-vested accounts totaled \$6,161 and \$5,718 at December 31, 2023 and 2022, respectively. Forfeitures were used to reduce employer contributions in the amount of \$23,634 and \$21,377 during 2023 and 2022, respectively.

Administration Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Plan Amendments

At December 31, 2023, the Plan was most recently amended on December 12, 2022 related to the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") of 2020. The Plan had adopted the provisions of the CARES Act during the year ended December 31, 2021. See Note 10 for a plan amendment subsequent to year-end. New amendment is effective January 1, 2024.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies of the Plan are summarized below to assist the reader in reviewing the financial statements.

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Fair Value Measurement

Financial assets and liabilities and nonfinancial assets and liabilities recognized or disclosed at fair value in the financial statements on a recurring basis (at least annually) are reported using Fair Value Measurements. See Note 3 for discussion of fair value measurements.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are classified as distributions based upon the terms of the plan document.

Excess Contribution Payable

Excess contributions payable are recorded for refunds to participants resulting from contributions made in excess on Plan guidelines or Internal Revenue Service limitations.

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the use of management's estimates that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Reclassification

Certain reclassifications have been made in the 2022 financial statements to conform to classifications used in 2023.

NOTE 3: FAIR VALUE OF FINANCIAL INVESTMENTS

U.S. GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to inputs used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1. Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2. Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the input must be observable for substantially the full term of the asset or liability.

Level 3. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 or 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Leamington Co. & Affiliated Employers 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

NOTE 3: FAIR VALUE OF FINANCIAL INVESTMENTS (Continued)

Common/Collective Trusts: These investments are public investment securities valued using the NAV provided by Wells Fargo. The NAV is quoted on a private market that is not active; however, the unit price is based on underlying investments which are traded on an active market. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (issuance and redemptions) may occur daily. Were the Plan to initiate a full redemption of the Wells Fargo Collective Stable Return Fund N, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. The investment objective underlying investments of the common/collective trusts vary. The Stable Return Funds seeks to provide safety of principal and consistency of returns with minimal volatility. Index funds seek long term growth of capital by mirroring the investments of specific indexes. Each common/collective trust provides for daily redemptions by the Plan at reported net asset values per share, with no advanced notice requirements.

The preceding described methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2023		
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Fair Value of Investments in Entities That Use NAV

The following table summarizes investments measured at fair value based on NAV per share as a practical expedient as of December 31, 2023 and 2022:

There are no participant redemption restrictions for these investments; the redemption notice is applicable only to the Plan.

NOTE 4: INFORMATION CERTIFIED AND PROVIDED BY FIDELITY MANAGEMENT TRUST COMPANY

The following is a summary of the Plan's asset information as of December 31, 2023 and 2022 and for the year ended December 31, 2023, included throughout the Plan's financial statements and supplemental schedules, that was prepared by or derived from information provided by the trustees and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that information provided to the Plan administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information which appears throughout the financial statements and supplemental schedule related to the following assets:

	<u>2023</u>	<u>2022</u>
Investments at Fair Value:		
Wells Fargo Collective Stable Return Fund N	\$ 1,050,763	\$ 1,364,119
Registered Investment Companies	<u>24,134,654</u>	<u>19,995,188</u>
	<u>\$ 25,185,417</u>	<u>\$ 21,359,307</u>

Fidelity Management Trust Company certified to the completeness and accuracy of \$3,080,700 of net appreciation in the fair value of investments and \$628,928 of interest and dividends for the year ended December 31, 2023.

NOTE 5: PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by Fidelity Management Trust Company who is the trustee of the Plan and, therefore, these transactions qualify as party-in-interest. Fees paid to Fidelity Management Trust Company by the Plan for investment management and administrative services amounted to \$48,783 for the year ended December 31, 2023.

NOTE 6: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7: TAX STATUS

The Plan adopted a volume submitter defined contribution plan of the trustee (Fidelity Management Trust Company). The trustee obtained favorable opinion letter from the Internal Revenue Service; the latest dated June 30, 2020. The volume submitter Plan has been amended since the opinion letter was received. However, the Plan Administrator and trustee believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan Administrator and trustee believe the Plan is qualified and tax-exempt as of the financial statement date.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examination for years prior to 2020.

NOTE 8: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risks associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9: CONCENTRATIONS

The Plan had two funds whose cumulative balances accounted for approximately 34% of total Plan investments at December 31, 2023.

The Plan had two funds whose cumulative balances accounted for approximately 33% of total Plan investments at December 31, 2022.

NOTE 10: SUBSEQUENT EVENTS

The Company evaluated for the occurrence of subsequent events through July 29, 2024, the date which the financial statements were available for issue, see below.

The Plan merged in a new affiliated employer, Liberty National Bank, effective January 1, 2024. Additionally, as a result, the plan was amended effective January 1, 2024 to include Liberty National Bank as an affiliated employer in the Plan.

To the Plan Administrator
Leamington Co. & Affiliated Employers 401(k) Plan
Minneapolis, Minnesota

We have audited the financial statements and supplemental schedule of the Leamington Co. & Affiliated Employers 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), for the year ended December 31, 2023, and we will issue our report thereon dated July 29, 2024. Professional standards require that we provide you with the following information related to our audit.

We have audited the financial statements of the Leamington Co. & Affiliated Employers 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) for the year ended December 31, 2023, and we will issue our report thereon dated July 29, 2024. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated May 1, 2023. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

You are responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Leamington Co. & Affiliated Employers 401(k) Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2023. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the prior period.

Accounting estimates are an integral part of the financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

Plan management's estimate of fair value of the investments which was based on the assumptions listed in Note 3 and the adopted accounting pronouncements ASU 2015-07 and ASU 2015-12. We evaluated the key factors and assumptions used to develop the fair value of the investments in determining that it is reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. You have corrected all such misstatements.

Reportable Findings

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. We identified the following reportable finds:

1. Plan does not have personal with the knowledge or expertise to prepare accrual financial statements and disclosures.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Other Matters

With respect to the ERISA-required supplemental schedules accompanying the financial statements, we made certain inquiries of management and evaluated the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting Disclosures under ERISA, and whether the in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of management of the Leamington Co. & Affiliated Employers 401(k) Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Conditions for plan management to elect an ERISA Section 103(a)(3)(C) audit

This tool is intended to assist plan management in assessing whether the conditions for electing an ERISA Section 103(a)(3)(C) audit have been met. *Note:* This tool uses the term *management* to include the plan administrator as described in the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, as well as other members of management.

Overview

Section 103(a)(3)(C) of the Employee Retirement Income and Security Act (ERISA) allows plan administrators to elect to instruct the auditor not to perform any additional procedures with respect to the investment information prepared and certified by a bank or similar institution or by an insurance company that is regulated, supervised, and subject to periodic examination by a state or federal agency. The "ERISA Section 103(a)(3)(C) audit" election is implemented by [Title 29 U.S. Code of Federal Regulations \(CFR\) Parts 2520.103-8](#) and 103-12, which outline the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA.

In [DOL Information Letter 05-17-2002](#), the DOL observed that, consistent with the obligation of employee benefit plan administrators to file accurate and complete annual reports, it is the responsibility of the plan administrator to determine whether the conditions for electing an ERISA Section 103(a)(3)(C) audit, as set forth in ERISA and the DOL's rules and regulations, have been satisfied. As such, management should take steps to make sure they understand those rules before electing an ERISA Section 103(a)(3)(C) audit. Management should review what is covered by the certification and whether the certifying institution and certification comply with DOL rules and regulations before concluding whether an ERISA Section 103(a)(3)(C) audit is permissible, and whether the certified information may be used to satisfy their obligation to report the appropriate value of the assets in the plan's financial statements. ERISA Section 103(a)(3)(C) audits are not acceptable for plans that file Form 11-K with the Securities and Exchange Commission.

Management should be aware that the DOL and plan auditors have found certifications that did not meet the DOL requirements for an acceptable certification. Appendix A to this tool includes common deficiencies found in certifications, including incomplete certifications, omissions and errors in the certification, and information improperly certified. The DOL established requirements for qualified institutions to certify information to the plan administrator in 29 CFR 2520.103-5 - Transmittal and certification of information to plan administrator for annual reporting purposes.

Obtaining a proper certification from a qualified institution

DOL regulations in [29 CFR 2520.103-8](#) require that the investment information subject to the ERISA Section 103(a)(3)(C) election be prepared and certified by a bank or similar institution or by an insurance company that is regulated, supervised, and subject to periodic examination by a state or federal agency. Broker dealers and investment companies are not qualified institutions; however, some of those institutions may have established separate trust companies that could meet the requirements to be a qualified institution. [DOL Information Letter 05-17-2002](#) contains useful guidance concerning the certification requirements and determining whether the entity certifying investment information is qualified to do so.

DOL regulations in [29 CFR 2520.103-5](#) require that the certification be in writing and signed by a person authorized to represent the qualified institution. The plan administrator's responsibility for the plan's financial statements includes determining that the certification is signed by an authorized person. In addition, the regulations require that the institution certify both the accuracy and completeness of the investment information and provides the following sample certification language for the certifying institution:

The XYZ Bank (Insurance Carrier) hereby certifies that the foregoing statement furnished pursuant to 29 CFR 2520.103-5(c) is complete and accurate.

Certifications that address only accuracy or completeness, but not both, do not comply with the DOL's regulation and therefore are not adequate to allow the plan administrator to elect an ERISA Section 103(a)(3)(C) audit.

As noted in [DOL Information Letter 05-17-2002](#), if there is a question as to whether a party providing a certification as an authorized representative of a financial institution holding plan assets is in fact authorized to represent the financial entity for this purpose, as may be the case where there is not an explicit statement of authority included as part of the certification, the plan administrator must take steps to resolve this question before authorizing an ERISA Section 103(a)(3)(C) audit.

Some certifications may include language that is not included in the example language provided in the regulation, or the related reporting package may include language that calls into question whether the investment information (or certain investment information) is accurate and complete. Plan management should determine whether such a certification meets the requirements for electing an ERISA Section 103(a)(3)(C) audit.

1. Is the investment information prepared and certified by a qualified institution?

Indicate below the type of institution certifying the investment information:

☐ Bank ☐ Insurance company ☒ Trust company

☐ Agent qualified to certify on behalf of a qualified institution (document in the dialogue box below how plan management determined that an agent certifying on behalf of a qualified institution has the authority to do so (for example, obtaining and reading the agency agreement)).

Other type of institution _____

Document below plan management's considerations in assessing whether the entity is qualified to certify the investment information.

Fidelity Management Trust Company (FMTC) is a Massachusetts-chartered trust company regulated, supervised and subject to periodic examinations by a state agency.

Plan management's conclusion:

Is the certification issued by a qualified institution?

☒ Yes

☐ No *Plan management cannot rely on the certification.*

2. Is the certification signed by an authorized representative?

If an explicit statement of authority to represent the certifying institution is not included as part of the certification, explain below the steps taken by plan management to determine the certification was signed by an authorized person.

Certification is signed by Jean M. Moloney, SVP, Testing and Reporting Services, Authorized Signatory for FMTC.

Plan management's conclusion:

Is the certification signed, manually or electronically, by a person authorized to represent the qualified institution?

☒ Yes

☐ No *Plan management cannot rely on the certification without a signature by a person authorized to represent the qualified institution.*

3. Did the qualified institution certify both the accuracy and completeness of investment information?

If there is a question as to whether the qualified institution properly certified both the accuracy and completeness of the investment information, document below the steps taken by plan management to ensure a proper certification has been obtained.

No – there is no question as to whether the qualified institution properly certified the investment information. The certification covers both accuracy and completeness.

Plan management's conclusion:

Does the qualified institution certify both the accuracy and completeness of the investment information submitted?

☒ Yes

☐ No *Plan management cannot rely on the certification and will need to take steps to obtain a proper certification.*

4. Does the certification or the related reporting package include language that qualifies or calls into question whether the investment information (or certain investment information) is accurate and complete?

☐ Yes *Complete the dialogue box below.*

☒ No

If the certification includes qualifying language or the related reporting package includes language that may call into question whether the certification meets the requirements of the regulation, document below plan management's evaluation of, including procedures performed, and conclusions reached about whether the certification is still acceptable for electing an ERISA Section 103(a)(3)(C) audit.

No - The certification does not call into question whether the investment information or certain investment information is accurate and complete. There is no qualifying language present.

Plan management's conclusion:

Does the certification or the related reporting package that includes language that qualifies or calls into question whether the investment information (or certain investment information) is accurate and complete meet the requirements for electing an ERISA Section 103(a)(3)(C) audit?

☒ Yes

☐ No *Plan management cannot rely on the certification and will need to take steps to obtain a proper certification.*

Determination that the certified investment information is appropriately measured

As part of its fiduciary duties, the plan administrator is responsible for determining whether the

financial statements and note disclosures related to investment information are prepared in accordance with the applicable financial reporting framework. Plan investments generally are presented at *fair value* in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*.

As noted in [DOL Information Letter 05-17-2002](#), in addition to determining whether the conditions for limiting the scope of an accountant's examination have been satisfied, plan administrators should take steps to make sure they understand the nature and scope of the certification the institution has provided before concluding that the certified information may be used to satisfy the administrator's obligation to report the appropriate value of the plan's assets. It is important that the plan administrator review the certified investment information to determine that the investments have been valued as of the plan's year-end and that the method for determining their values is in conformity with the applicable financial reporting framework. Although the qualified institution may certify that the investment information is accurate and complete, it does not necessarily mean that the certified investment information actually represents the appropriate values to be reported in the plan's financial statements.

Under ERISA, plan custodians or trustees are required to transmit and certify certain required information, which reflects information that is considered to be part of the qualified institution's "ordinary business records." The typical custodial service provided by trustees and custodians includes reporting values that are based on the best information available to them at the time the trust statements are produced. If the plan is invested solely in assets with readily determinable fair values, such as exchange-traded securities or other marketable securities, the trustee or custodian typically obtains values from nationally recognized pricing services.

However, in cases where the plan invests in assets without readily determinable fair values, the values in the trust statement may be a pass-through of the values provided by the fund issuer or general partner, or provided by a boutique vendor or broker for nonmarketable securities. In those cases, the reported values are based on the best information available to the trustee and custodian at the time the trustee or custodial report is prepared, which may or may not be fair value as of the plan's year end. Plan sponsors may also direct the trustee or custodian to use prices provided by a designated investment manager or fiduciary. The plan sponsor's contract or service agreement with the trustee or custodian will generally indicate how assets are to be valued and accounted for in periodic and annual reporting.

It is important to note that qualified institutions generally do not perform the fair value analysis required by generally accepted accounting principles (including the analysis required when using net asset value as a practical expedient) as part of the asset valuation and certification process. Management's responsibility does not necessarily end with the plan's receipt of the certification from the bank trustee. A fair value measurement analysis, which is beyond the scope of a certifying entity's production of annual statements and ordinary business records, is still required for all investments, especially for alternative investments or those assets that have not been priced by an independent source. This analysis is required to ensure that the value of the plan assets is consistent with the applicable accounting framework and ERISA requirements, regardless of whether the auditor is engaged to perform an ERISA Section 103(a)(3)(C) audit.

Plan management should understand the measurement basis used to report investments in the certified information and may need to make inquiries of the qualified certifying institution of the measurement basis used. In some cases, plan management may need to request the certifying institution to recertify or amend the certification for certain investments at their appropriate year-end values, or to exclude such investments from the certification. If the trustee or custodian amends the certification to exclude certain investments or management determines certain investments are improperly certified, management is responsible for engaging the auditor to perform audit procedures on those investments.

Document below the steps taken to ensure the certified investment information is appropriately

valued for financial statement reporting purposes.

Fidelity Management Trust Company is a qualified trust company and their certification is deemed credible for financial statement reporting purposes.

Plan management's conclusion:

Are the investments certified by the qualified institution properly valued as of the date of the plan's financial statements?

☒ Yes

☐ No *Plan management will need to take steps to obtain the appropriate values as of the plan's year end for the certified investment information.*

Overall conclusion

Have the conditions for electing an ERISA Section 103(a)(3)(C) audit been met?

☒ Yes

☐ No

Common deficiencies in ERISA Section 103(a)(3)(C) certifications

No certification or incomplete certification

- The plan administrator instructs the auditor to perform an ERISA Section 103(a)(3)(C) audit but does not obtain a certification from the qualified certifying institution.
- The plan changed custodians during the year, and neither entity certified the investment information. For example, the Plan used Entity X during the 20X5 plan year but changed to Entity Y on 12/31/X5. Neither Entity X nor Entity Y certified to the assets; for administrative ease the statements of Entity X showed the assets as liquidated and certified as a zero balance at 12/31/X5. Entity Y did not receive the assets until 1/9/X6 so appropriately could not certify as being held by Entity Y at 12/31/X5.
- The plan changed custodians during the year, and only received a certification from one of the custodians.

Omissions, errors, and qualifying language in the certification

- The certification does not include the plan name.
- The certification is not attached to plan investment information, so it's not clear what information is certified.
- The qualified certifying institution certifies to either the completeness or accuracy of the investment information, but not both.
- The certification is not signed.
- The certification is signed by an individual who is not authorized to represent the qualified institution.
- The certification(s) do not cover the entire period under audit.
- The certification does not cover the stated period (for example, the plan was terminated during the year (on 6/30/X6) but the certification states that it is as of and for the period ended 12/31/X6).
- The certification does not include all investments (for example, it covers separate account assets but does not cover general account assets).
- The certification is issued by an entity other than a qualified institution (for example, a recordkeeper that is not a bank, trust company, or insurance company) or similar institution, and is not acting as an agent for a qualified institution (for example, brokerage arms of certain banks/providers or investment companies).
- Qualifying language that conflicts with the assertion that certified information is accurate and complete (for example, a certification containing the following disclaimer language may impair the usefulness of the certification: "Values reflected for publicly-traded assets are from unaffiliated financial industry sources believed to be reliable. Values for non-publicly-traded assets may be determined from other unaffiliated sources. Assets for which a current value is unavailable may be reflected at the last reported price, at par, or may be shown as having nominal or no value. Reported values may not be the price at which an asset may be sold. Asset values are updated as pricing becomes available from external sources and may be updated less frequently than statements are generated.")

Information improperly certified

- Plan investments are certified by two different custodians when only one of them held the assets.
- The incorrect entity certifies the plan's investment information. This can happen when plans change custodians/trustees or merge with another plan. For example, Plan A merged into Plan B on 1/5/X6, and the transfer of Plan A's assets occurred on 1/15/X6. Prior to the merger Entity A was custodian for Plan A, and Entity B was custodian for Plan B; Entity B is the custodian for the merged Plan B. Entity B "backdated" the merger transaction to 12/31/X5 for a smooth transition on recordkeeping and certified all investment information, even though the processing and actual receipt of Plan A's assets had not yet occurred, and Entity A still held those assets.
- The certified statements include assets that are held by a separate custodian.

Incorrect/improper information certified

- The entity certifies current year ESOP units and activity, but the shares are certified at prior year values.
- Plan investments are improperly categorized in the certification (for example, the plan invests in a hedge fund that is listed in the certification as mutual funds).
- The certification includes investments purchased after year-end.
- The certified statements list the incorrect asset value due to errors in cutoff. For example, a plan purchases assets on 12/30/X5 (trade date) but the entity certifies the asset value is zero assuming the transaction will take 2 days to settle, but the actual settlement date was 12/31/X5.
- The certified trust statements include contribution and investment activity from the next period, indicating poor cutoff.

This representation letter is provided in connection with your audit of the financial statements of the Leamington Co. & Affiliated Employers 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

We elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodically examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and that the certified information is appropriately measured, presented and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

We confirm, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves, that as of July 29, 2024:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit arrangement letter dated May 1, 2024, for the preparation and fair presentation of the financial statements referred to above in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
2. We acknowledge our responsibility for administering the plan and determining the plan's transaction that are presented and disclosed in the ERISA plan financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
3. We acknowledge our responsibility for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
4. We acknowledge our responsibility for the design, implementation and maintenance of internal controls to prevent and detect fraud.
5. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable and reflect our judgment based on our knowledge and experience about past and current events, and our assumptions about conditions we expect to exist and courses of action we expect to take.
6. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlines in FASB ASC 820.
7. Related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
8. Transactions with parties in interest, as defined in ERISA Section 3(14) and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements and guarantees, and amounts receivable from or payable to related parties have been appropriately accounted for and disclosed.
9. All events subsequent to the date of the financial statements, and for which U.S. GAAP requires adjustment or disclosure, have been adjusted or disclosed.

10. The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with U.S. GAAP.
11. We have no intention to terminate the Plan.
12. We have properly reported and disclosed amendments to the Plan instrument, if any.
13. We have no knowledge of any uncorrected misstatements in the financial statements.

Supplementary Information

14. We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedules in accordance with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. In this regard:
 - a. We believe such schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
 - b. The methods of measurement or presentation have not changed from those used in the prior period.
 - c. We will only present the ERISA-required supplemental schedules together with the audited financial statements and auditor's report thereon and will not separate the ERISA-required supplemental schedules from the audited financial statements and auditor's report thereon in any document that contains such information.

Information Provided

15. We have provided you with:
 - a. Access to all information of which we are aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation and other matters;
 - b. Additional information that you have requested from us for the purpose of the audit;
 - c. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence;

- d. The currently effective version of the Plan document, the trust agreement or insurance contracts, and all related amendments. The Plan was most recently amended on January 1, 2024;
- e. A draft of the Form 5500 that is substantially complete;
- f. All correspondence, filings, reports and determinations with the Internal Revenue Service (IRS) and the DOL relating to the Plan's compliance with ERISA and the maintenance of its tax-exempt status;
- g. All Plan financial records and related data. In that regard, the payroll information we provided you covered all employees that were eligible to participate in the Plan; and
- h. We certify that for the period from January 1, 2023 to July 29, 2024, there have been no mergers related to the Plan, partial Plan termination, changes in Plan trustees or Plan Administrator, changes in service providers, decisions made to offer Plan Sponsor stock in the Plan, additional company contributions attributable to the Plan year or changes to the contribution policy that have not been previously disclosed to BGM CPA, LLC.

16. All transactions have been recorded in the accounting records and are reflected in the financial statements.

17. We have disclosed to you the results of our assessment of risk that the financial statements may be materially misstated as a result of fraud.

18. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan involving:

- a. Management.
- b. Employees who have significant roles in internal control.
- c. Others where the fraud could have a material effect on the financial statements.

19. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators or others.

20. We are not aware of any pending or threatened litigation and claims whose effects should be considered when preparing the financial statements, and neither we nor the Plan Sponsor, or others acting on behalf of the Plan, have consulted a lawyer concerning litigation and claims or other matters affecting the Plan.
21. We have provided to you all documentation, including correspondence, with lawyers utilized by us for any Plan matters. There are no matters that our lawyer has advised us should be considered when preparing the financial statements.
22. We have disclosed to you the identity of all of the Plan's related parties and parties in interest and all the related-party and party-in-interest relationships and transactions of which we are aware.
23. We have informed you of all significant deficiencies, including material weaknesses, in the design or operation of internal controls that could adversely affect the Plan's ability to record, process, summarize and report financial data.
24. We have no plans or intentions that may materially affect the carrying value or classification of assets or liabilities.
25. The Plan has satisfactory title to all owned assets that are recorded at fair value, and all liens, encumbrances or security interests have been properly disclosed.
26. We have answered your questions about the Plan's tax compliance to the best of our knowledge and belief.
27. There have been no communications, whether written or oral, from regulatory agencies concerning noncompliance with, or deficiencies in the operation of the Plan.
28. We have complied with (a) all aspects of debt and other contractual agreements, including provisions of the Plan, that would have a material effect on the financial statements in the event of noncompliance, (b) the fidelity bonding requirements of ERISA, (c) all participant eligibility and coverage requirements of the Plan, ERISA and the Internal Revenue Code (IRC), and (d) the filing requirements of appropriate agencies, except as follows:
29. We have complied with the DOL's regulations concerning the timely remittance of participants' contributions to trusts containing assets for the Plan.
30. We have disclosed to you all known instances of noncompliance or suspected noncompliance with laws and regulations.

31. The Plan adopted a volume submitter plan of the trustee. The Internal Revenue Service has determined and informed the trustee, by a letter dated June 30, 2020, that the Plan is qualified under the appropriate sections of the IRC. We have operated the plan and trust in a manner that did not jeopardize this tax status.
32. We have reviewed the complementary user entity control considerations of the Service Organization Controls (SOC 1) Report for Fidelity Workplace Services LLC dated December 4, 2023 for the period ended October 31, 2023, and we believe all applicable controls are properly designed and implemented and operating effectively.
33. There are no:
- a. Non-exempt (prohibited) party-in-interest transactions that were not disclosed in the financial statements or supplemental schedule.
 - b. Notes receivable from participants or other receivables or investments in default or considered to be uncollectible that were not disclosed in the financial statements or supplemental schedules.
34. During the course of your audit, you may have accumulated records containing data that should be reflected in our books and records. All such data have been so reflected. Accordingly, copies of such records in your possession are no longer needed by us.
