Independent Auditors' Report

To the Trustees

KaTom Restaurant Supply, Inc. 401(K) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of KaTom Restaurant Supply, Inc. 401(K) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section

- the amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of KaTom Restaurant Supply, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about KaTom Restaurant Supply, Inc. 401(K) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date these financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of KaTom Restaurant Supply, Inc. 401(K) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about KaTom Restaurant Supply, Inc. 401(K) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2023 Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held at the End of Year, December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by The Trust Company of Tennessee and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
December 31, 2023 and 2022

Note 1 - Description of Plan

The following description of KaTom Restaurant Supply, Inc. 401(k) Profit Sharing Plan & Trust (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions. Copies of this booklet are available from the Company.

General – The Plan is a defined contribution plan sponsored by the Plan Sponsor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All employees, other than certain excluded employees (union employees, nonresident aliens, and leased employees), are eligible to become participants in the Plan on the first day of the month concurrent with or following three months of employment.

Investments – The investments of the Plan are held by The Trust Company of Tennessee, Inc. (the Custodian), who maintains the investments in various mutual funds and the Federated Hermes Capital Preservation collective investment fund. Participants direct the investments in their accounts into the various investment options offered by the Plan. The maximum loss, if any, that would be incurred by the Plan if the counterparties to the Plan’s investments failed to perform is the recorded amount of such investments.

Plan Contributions - Participants may elect to contribute a percentage of their annual compensation or a fixed amount per pay period, on a pre-tax or after-tax basis, as a salary deferral. These deferrals are subject to the annual limitations defined in the Internal Revenue Code (IRC). Participants who have attained the age of 50 before the end of the Plan year are also eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans or individual retirement accounts.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3 percent of eligible compensation, and their contributions invested in a designated fund selected by the plan administrator until changed by the participant.

The Company will make a safe harbor matching contribution to all participants based on the following tiers of salary deferrals: 100% of salary deferrals up to the first 3% of Plan compensation, as defined; and 50% of salary deferrals up to the next 2% of Plan compensation. Participant catch-up contributions are eligible for matching contributions. Each year, the Plan Sponsor may make nonelective profit sharing contributions to the Plan. No such contributions were made during 2023.

Cash contributions receivable, if any, are unsecured.

Participant Accounts – Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Note 1 – Description of Plan (continued)

Vesting - Vesting is the portion of the participant's account that cannot be forfeited. Participants are immediately vested in employer safe-harbor matching and participant contributions, including earnings thereon. Vesting in the Plan Sponsor's discretionary profit sharing contribution portion of each participant's account is based on years of continuous service, and participants become fully vested in the Plan Sponsor's contributions after six years of service as follows:

Years of Vesting Service	Less than 2	2	3	4	5	6 or more
Vesting %	0%	20%	40%	60%	80%	100%

Participants may also become 100% vested as a result of death, total and permanent disability, or reaching normal retirement age at 65.

Participant Loans – Participant loans are not permitted under the terms of the plan document.

Payment of Benefits - On termination of service due to death, disability or retirement, a participant (or a participant's beneficiary in the event of the death of a participant) may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or installment payments. For termination of service due to other reasons, a participant may receive the value of vested interest in his or her account as a lump sum distribution, or installment payments. In-service distributions from a participant's vested account balance may be made provided the participant has reached the age of 59½, has incurred a plan-defined hardship, or has become disabled.

Forfeited Accounts - Forfeitures of terminated participants' non-vested accounts can be used to reduce future Plan Sponsor contributions or pay certain Plan administrative expenses. If a terminated employee is rehired by the Plan Sponsor, then the participant may be entitled to a restoration of certain amounts forfeited, based on provisions in the Plan document. There were no forfeitures available as of December 31, 2023.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting – The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United State of America (U.S. GAAP). Annual returns filed under applicable provisions of ERISA and the IRC are filed on the modified cash basis of accounting.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized appreciation or depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Note 2 – Summary of Significant Accounting Policies - continued

Benefit Payments – Participant contributions are recorded in the period the Company makes payroll deductions from the Plan participants' earnings. Receivables for these contributions are unsecured. Benefit payments are recorded when paid.

Administrative Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses paid by the Plan Sponsor are excluded from these financial statements. Certain investment related expenses are included in net realized and unrealized appreciation in the fair value of investments.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Note 3 – Investments

The plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following investment information was certified by The Trust Company of Tennessee, Inc. and was not subjected to any auditing procedures performed by the independent public accountants:

- a. Total investments as shown in the accompanying statements of net assets available for benefits of \$3,223,306 as of December 31, 2023, and \$1,958,429 as of December 31, 2022
- b. Net investment earnings as shown in the accompanying statement of changes in net assets available for benefits of \$462,149 for the year ended December 31, 2023
- c. All investment-related information in the accompanying supplemental Schedule H, Line 4i — Schedule of Assets (Held at End of Year) as of December 31, 2023

Note 4 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

KaTom Restaurant Supply, Inc. 401(k) Profit Sharing Plan & Trust
Notes to Financial Statements
December 31, 2023 and 2022

Note 4 – Fair Value Measurements – continued

Level 2 — Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds. Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective investment trust: All common/collective trusts, including the Federated Hermes Capital Preservation Fund, which primarily holds investments in fully benefit-responsive contracts, are valued at the net asset value of units of the common/collective trusts as determined by the issuer of the trust based on the fair values of the underlying net assets divided by the number of units outstanding. The net asset value per unit is a quoted price in a market that is not active; therefore, these investments are classified within Level 2 of the fair value hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

Collective investment trust			\$ 7,522	
Total investments at fair value	\$ 1,950,907		\$ 7,522	

Note 5 – Income Tax Status

The Plan Sponsor adopted a prototype plan sponsored by The Trust Company of Tennessee, Inc., which received a favorable opinion letter from the Internal Revenue Service (“IRS”) dated June 30, 2020, which states the prototype plan is designed in accordance with applicable requirements of the IRC, and is, therefore, not subject to tax under present income tax law.

Note 6 – Termination of the Plan

The Company has reserved the right to terminate the Plan or reduce or cease contributions at the discretion of the board of directors or to amend the Plan at any time and in any respect. However, no such action may deprive any participant or beneficiary under the Plan of any vested right.

Note 7 – Risks and Uncertainties

The Plan investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with its investment, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Note 8 – Other Related Party Transactions and Party-In-interest Transactions

Certain Plan investments are held and managed by the Custodian; therefore, these transactions qualify as party-in-interest transactions. Also, certain fees paid by the Plan qualify as party-in-interest transactions. Related party transactions include contributions from the Plan Sponsor.

Note 9 – Reconciliation of Financial Statements to Form 5500

There are no reconciling items between the financial statements and Form 5500 filed with the Department of Labor.

Note 10 – Subsequent Events

Subsequent events were evaluated through July 15, 2024, which is the date the financial statements were available to be issued.
