INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
John Brown University Pension Plan
Siloam Springs, Arkansas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of John Brown University Pension Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Auditors' Responsibilities for the Audit of the Financial Statements, continued

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedules of Schedule H, Line 4a—Schedule of Delinquent Participant Contributions and Schedule H, Line 4i—Schedule of Assets Held at End of Year as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by or certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

JOHN BROWN UNIVERSITY PENSION PLAN

Notes to Financial Statements

December 31, 2023 and 2022

1. DESCRIPTION OF PLAN:

The following description of the John Brown University Pension Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering all eligible employees of John Brown University (the University). Other than student employees, non-resident aliens, employees who work less than 20 hours a week, and collective bargaining employees, all employees are eligible to make elective deferrals to the Plan. To become eligible for the employer matching and nondiscretionary contributions, participants must have one year of service, reach the age of 21, and work more than 1,000 hours during a 12-month period. Certain employees defined by the Plan document are eligible immediately for the employer match without meeting the listed requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS

Each year, participants may contribute up to a maximum of 100 percent of their annual compensation, as defined in the Plan and subject to the annual limits of the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year or have at least 15 years of service with the University are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

During the year ended December 31, 2023, the University contributed 3% of eligible compensation for any participant who met or exceeded a 3% participant deferral contribution. In addition, the University contributed a nondiscretionary contribution of 4% of eligible compensation to all eligible participants, regardless if the participant elected any deferral contributions.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and allocations of (a) the University's contribution and (b) Plan earnings and charged with an allocation of Plan expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are vested immediately in their contributions and in the University's contribution portion of their accounts and actual earnings thereon.

JOHN BROWN UNIVERSITY PENSION PLAN

Notes to Financial Statements

December 31, 2023 and 2022

1. DESCRIPTION OF PLAN, continued:

PLAN LOANS

Participants may borrow from TIAA at a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at the USA Today published prime rate. Beginning April 1, 2019, Plan loans are no longer allowed to be issued by the Plan document. As of December 31, 2023 and 2022, loans totaling \$8,042 and \$56,120, respectively, are secured by participant accounts. These loans are payable by the participants to TIAA and are therefore not assets of the Plan.

PARTICIPANT LOANS

Effective April 1, 2019, participants may apply for a loan from their participant account. The total of the loans that a participant has outstanding is limited to the lesser of \$50,000 or 50 percent of the participant's account balance. Participant loans bear interest at a rate determined by the Plan administrator. Each loan shall be amortized in level payments, not less frequently than quarterly, over a maximum of 5 years (with certain exceptions for loans used to acquire a principal residence). Participant loans are reported as notes receivable from participants on the statements of net assets available for benefits.

PAYMENT OF BENEFITS

Upon termination of service due to death, disability, or retirement, participants with vested account balances greater than \$5,000 generally receive payments in the form of a lifetime annuity or, if married, as a joint and survivor annuity. Other forms of payment are available, providing that the participant and spouse, if married, waive the annuity form of payment. Participants with vested account balances of \$5,000 or less may receive a single lump-sum payment.

2. SIGNIFICANT ACCOUNTING POLICIES:

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

ESTIMATES

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

JOHN BROWN UNIVERSITY PENSION PLAN

Notes to Financial Statements

December 31, 2023 and 2022

2. SIGNIFICANT ACCOUNTING POLICIES, continued:

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements and Note 5 for a discussion on fully benefit-responsive investment contracts.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Effective January 1, 2017, participants may borrow from their participant accounts. The notes are secured by the balance in the participant's account and bear interest at rates of 4.25%-9.50%. The outstanding notes receivable balances totaled \$202,697 and \$236,401, as of December 31, 2023 and 2022, respectively.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

General administrative expenses are paid by the University, while other certain administrative expenses are paid by the Plan, see additional disclosures in Note 8. Certain employees of the University perform administrative services on behalf of the Plan and are not compensated by the Plan for these services.

3. INFORMATION CERTIFIED BY THE QUALIFIED INSTITUTION:

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Teachers Insurance and Annuity Association of America ("TIAA") and College Retirement Equity Fund ("CREF") have certified the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, and the supplemental Schedule H, Line 4i-Schedule of Assets (Held at End of Year), as of December 31, 2023, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2023. TIAA Trust, N.A. is the custodian of the portion of Plan assets invested in mutual fund shares and has authorized TIAA to certify investments held by TIAA Trust, N.A. TIAA and CREF are insurance carriers of the remaining assets in the Plan.

JOHN BROWN UNIVERSITY PENSION PLAN

Notes to Financial Statements

December 31, 2023 and 2022

4. FAIR VALUE MEASUREMENTS:

The Plan uses appropriate valuation techniques to determine fair value based on inputs available. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs were not available.

The following table presents the fair value measurements of assets and liabilities recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31:

		Fair Value Measurements Using:		
		Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
		Fair Value		
Investments at December 31, 2023:

Notes to Financial Statements

December 31, 2023 and 2022

4. FAIR VALUE MEASUREMENTS, continued:

The fair value of mutual funds is based on quoted prices in active markets for identical assets. Variable annuity contracts are primarily valued using market quotations or prices obtained from independent pricing sources. Fixed annuity contracts are reported at contract value, which approximates fair value. The contract value equals the accumulated cash contributions and interest credited to the Plan's contracts, less any withdrawals. The fair value of the pooled separate account units are principally derived from the market value of the underlying real estate holdings or other real estate-related investments. Real estate holdings are valued principally using external appraisals.

The following table provides further details for the Level 3 fair value measurements at December 31, 2023:

Purchases	\$ 973,732
Sales	\$ (1,941,359)

Quantitative information about Level 3 fair value measurements:

	Fair Value At December 31, 2023	Valuation Technique	Significant Unobservable Inputs	Range (Weighted Average)
TIAA Traditional Annuity	\$ 5,295,452	Discounted cash flow	Risk-adjusted discount rate applied	6.75%
	Fair Value At December 31, 2022	Valuation Technique	Significant Unobservable Inputs	Range (Weighted Average)
TIAA Traditional Annuity	\$ 6,088,613	Discounted cash flow	Risk-adjusted discount rate applied	6.25%

JOHN BROWN UNIVERSITY PENSION PLAN

Notes to Financial Statements

December 31, 2023 and 2022

5. GUARANTEED INVESTMENT CONTRACTS WITH INSURANCE COMPANY:

The Plan has benefit-responsive guaranteed investment contracts with TIAA. TIAA maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by TIAA, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contracts that are fully benefit-responsive at December 31, 2023 and 2022, was \$212,306 and \$247,193, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than three percent. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The guaranteed investment contracts do not permit the insurance company to terminate the agreements prior to the scheduled maturity date.

6. PLAN TERMINATION:

Although it has not expressed any intent to do so, the University has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

JOHN BROWN UNIVERSITY PENSION PLAN

Notes to Financial Statements

December 31, 2023 and 2022

7. TAX STATUS:

The Plan has adopted a volume submitter plan document sponsored by TIAA. The volume submitter plan document has obtained an opinion letter from the Internal Revenue Service (IRS) dated August 8, 2017, which states that the volume submitter document satisfies the applicable provisions of the Internal Revenue Code. The Plan has not received a determination letter from the IRS; however, the Plan administrator and the Plan's counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

8. PARTIES-IN-INTEREST:

Certain investments for the Plan are shares of funds managed by TIAA. TIAA performs recordkeeping services for the Plan; therefore, these transactions qualify as party-in-interest transactions. Fees paid to TIAA by the Plan for the investment management services amounted to \$66,750, for the year ended December 31, 2023.

The following assets were managed by the custodians of the Plan and qualify as party-in-interest transactions:

	<u>TIAA and CREF</u>
Held at December 31, 2023:	
Investments, at fair value	\$ 21,922,175
Investments, at contract	212,306
Notes receivable from participants	<u>202,697</u>
	<u><u>\$ 22,337,178</u></u>
Held at December 31, 2022:	
Investments, at fair value	\$ 20,921,574
Investments, at contract	247,193
Notes receivable from participants	<u>236,401</u>
	<u><u>\$ 21,405,168</u></u>

JOHN BROWN UNIVERSITY PENSION PLAN

Notes to Financial Statements

December 31, 2023 and 2022

9. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. SUBSEQUENT EVENTS:

Subsequent events were evaluated through July 30, 2024, which is the date the financial statements were available to be issued. Subsequent events after that date have not been evaluated.
