REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Plan Administrator
Centerspace 401(k) Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We have performed audits of the financial statements of Centerspace 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter – supplemental schedule required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CENTERSPACE 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

Note 1 - Description of the Plan

The following description of the Centerspace 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Summary Plan Description and Plan Agreement for a more complete description of the Plan’s provisions.

General

The Plan was initially adopted on January 1, 1995 by Centerspace, LP, a North Dakota Limited Partnership, which is a subsidiary of Centerspace, a North Dakota real estate investment trust (collectively, the “Company”), and provides certain benefits to the employees of the Company. Effective January 1, 2021, the Company amended and restated the Plan to adopt the Empower Trust Company, LLC (formerly known as Great-West Trust Company, LLC) Defined Contribution Pre-Approved Plan (the “Pre-Approved Plan”).

The Company is the Employer and Plan Sponsor. The fiscal year of the Plan is the calendar year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Eligibility

Employees may participate in the Plan if they are at least 18 years of age. Prior to January 1, 2023, part-time, temporary or seasonal employees whose regularly scheduled service is less than 1,000 hours of service per Plan Year are not eligible. Union employees and certain nonresident aliens are not eligible. Effective January 1, 2023, the Plan was amended to establish a 90 day waiting period for newly hired employees and modify the eligibility requirements for part-time employees by removing the requirement of 1,000 hours of service per Plan Year. Seasonal and temporary employees, including interns, are not eligible to participate in the Plan.

Participant Contributions

The Plan allows participants to make salary deferral contributions (pre-tax deferrals and/or Roth deferrals) to the Plan in an amount within the annual maximum allowed by the Internal Revenue Code, from 1 percent to 100 percent (in 1 percent increments) of compensation. Newly hired employees will be automatically enrolled in the Plan with a 5% deferral rate per pay period. The deferrals contributed to the Plan by highly-compensated employees will be compared with the deferrals of employees who are not highly compensated, and may be subject to certain limits. The Plan also allows participants who are eligible to make deferral contributions and will have attained age 50 before the close of the Plan year to make catch-up elective deferrals.

Employer Matching Contributions

The Employer has elected to make a safe harbor matching contribution of 100% on participant deferrals, up to 5% of a participant’s eligible compensation. This matching contribution is made in cash to the participant’s Plan account and is invested as directed by the participant.

Discretionary Employer Contributions

Discretionary employer contributions are non-elective and made based on the discretion of management of the Company. To qualify for a discretionary employer contribution, a participant must satisfy certain eligibility requirements. A participant must be employed on the last day of the Plan Year and have completed at least 1,000 hours of service during the Plan Year in order to receive a discretionary employer contribution. Discretionary employer contributions are also made to eligible participants upon death or retirement. Discretionary employer contributions are allocated among all eligible Plan participants using a pro rata formula based on eligible Plan participant compensation compared to all eligible participants’ compensation. Participants may choose to invest discretionary employer contributions allocated to their individual accounts in any or all of the available investment options. There were no discretionary employer contributions for the years ended December 31, 2023 and 2022.

CENTERSPACE 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

Rollovers

At the discretion of the Plan Administrator, the Plan permits eligible employees to rollover funds from a previous employer's tax-qualified plan or tax-qualified individual retirement account. The Plan also permits rollovers from life insurance and annuity contracts. See Note 2 for a discussion of investment contracts with insurance companies.

Participant Accounts

The Employer remits all authorized contributions made by the participants to the Trustee, Empower Trust Company, LLC, to be held in trust and invested for the respective accounts of the participants, pursuant to the terms of a trust agreement included in the basic plan document, as amended. Individual accounts are maintained for each participant of the Plan by the Plan's recordkeeper, Empower Retirement, LLC. Each participant's account is credited with deferred savings contributions, employer matching contributions, discretionary employer contributions, rollover contributions and allocated investment earnings and losses, and is charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

All funds of the Plan are participant directed. Participants may direct the investment of their account balance into various funds and may transfer assets in their accounts between funds on a daily basis.

Vesting

Participants are immediately vested in their accounts with respect to participant contributions, employer safe harbor matching contributions, eligible rollovers/transfers, and earnings thereon. Generally, all of a participant's years of service with the Employer count toward determining the vested percentage for discretionary employer contributions; however, participants must work at least 1,000 hours during each Plan Year to earn a year of vesting service. Participants vest in discretionary employer contributions and earnings thereon based upon the following schedule:

Years of Vesting Service	Vested Percentage
Less than One	0%
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Distributions and Withdrawals

On termination of service due to separation of employment, death, disability or retirement, a participant or the participant's beneficiary/beneficiaries is entitled to receive their vested account balance in accordance with the Plan, based on the method of payment elected by the participant or designated beneficiary/beneficiaries. Generally, the Plan allows lump sum, partial payment and installment payment options for payout, if the vested account balance is more than \$5,000; however, if the vested account balance is less than \$5,000 and the Employer is not instructed what to do with the Plan balance, the participant must take the payout in the form of a lump sum. Penalties and restrictions may apply to payouts taken from the Plan before a participant has reached the age of 59 1/2.

A participant may make in-service withdrawals (hardship or age 59 1/2) under certain conditions. Distributions from a participant's Transfer/Rollover Account may be elected at any time.

CENTERSPACE 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

Notes Receivable from Participants

Participants may apply for a loan with an interest rate equal to 1% above the current Wall Street Journal published prime rate. Loans may be made for a minimum of \$1,000 with the maximum being 50% of the vested balance but not to exceed \$50,000, less the highest outstanding balance in the previous twelve months. Notes receivable from participants as of December 31, 2023, bore interest rates of 4.25% to 9.50%. Notes receivable from participants as of December 31, 2022, bore interest rates of 4.25% to 8.00%. Loan terms may be for a maximum of 5 years for general purpose loans.

Notes receivable from participants are valued at unpaid principal plus any accrued but unpaid interest.

Each loan is secured through the vested balance in the participant's Plan account. If a participant defaults on his or her loan by failing to make timely repayments, the outstanding principal and interest due on the loan is treated as a deemed distribution and reported as a taxable distribution to the participant as soon as administratively practicable in the year of default. If the participant has an outstanding loan and takes a distribution of his or her Plan benefit, the outstanding principal and interest due on the loan is deducted from the account balance before an amount is distributed to the participant.

Forfeited Accounts

Amounts forfeited by non-vested participants who terminated employment were \$21,220 and \$21,173 for the years ended December 31, 2023 and 2022, respectively. Forfeited non-vested accounts may be applied, at the Employer's discretion, to the payment of the Plan's administrative expenses or be used to reduce future employer contributions to the Plan. For the years ended December 31, 2023 and 2022, forfeitures used for administrative expenses were \$23,934 and \$11,411, respectively. Forfeitures available for future use totaled \$11,138 and \$13,424 as of December 31, 2023 and 2022, respectively.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions, at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants would become 100 percent vested in their discretionary employer contributions.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

Investment Valuation and Income Recognition

The Plan's investments in mutual funds and collective trust funds are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment advisor, with oversight from the Plan's Retirement Plan Committee, determines the Plan's valuation policies utilizing information provided by the Trustee. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefit Payments

Distributions to Plan participants are recorded when paid.

CENTERSPACE 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

Administrative Expenses

Administrative expenses of the Plan related to legal and audit fees are paid by the Company. Various administrative expenses of the Plan related to Trustee and recordkeeping are paid by the Plan. Fees or commissions associated with each of the investment options are paid by participants as a deduction from the amount invested or an offset to investment earnings.

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 3 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily published closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission.

Collective trust funds: Investments in the collective trust funds are stated at NAV. The NAV is based on the fair value of the underlying investments held by the funds, less its liabilities. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Redemptions are permitted daily and there are no unfunded commitments. Participant transactions (purchases and sales) may occur daily without restriction. Were the Plan to initiate a full redemption of the Putnam Stable Value collective trust, the investment

advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the valuation methods are considered appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value:

2023	Level 1	Level 2	Level 3	Total
Mutual funds	8,772,134	—	—	8,772,134
Total investments in the fair value hierarchy	8,772,134	—	—	8,772,134
Investments measured at net asset value (Collective trust funds)				12,933,981
Total investments measured at fair value				\$ 21,706,115

2022	Level 1	Level 2	Level 3	Total
Mutual funds	7,200,784	—	—	7,200,784
Total investments in the fair value hierarchy	7,200,784	—	—	7,200,784
Investments measured at net asset value (Collective trust funds)				9,542,581
Total investments measured at fair value				\$ 16,743,365

Note 4 - Information Certified by the Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, LLC, the Trustee of the Plan for the years ended December 31, 2023 and 2022, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Investment income (loss) as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022.
- Schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2023.

Note 5 - Federal Income Taxes

As noted above, effective January 1, 2021, the Company restated and adopted the Pre-Approved Plan. The Pre-Approved Plan received a favorable opinion letter from the Internal Revenue Service ("IRS") on June 30, 2020 regarding its compliance, in form, with the qualification requirements of Section 401 of the Internal Revenue Code (the "Code") for exemption from federal income taxes in accordance with applicable sections of the Code. The Company is permitted to rely on the opinion letter issued by the IRS to Great-West Trust Company, LLC, and the Company believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. Accordingly, no provision for income taxes has been made in the accompanying financial statements. The Company intends to take all necessary steps to maintain the Plan's qualified tax status.

CENTERSPACE 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

US GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

Note 6 - Related Party and Party-in-Interest Transactions

The Company has been designated as the Plan Administrator and Plan Sponsor. These services are provided at no expense to the Plan. Administrative expenses including audit and legal fees are paid for by the Plan Sponsor. Certain Plan assets are invested in trust managed by the Trustee of the Plan. Therefore, these transactions qualify as related party and/or party-in-interest transactions.

Note 7 - Subsequent Events

The Plan evaluated its December 31, 2023 financial statements for subsequent events through July 30, 2024, the date the financial statements were available to be issued. Effective April 1, 2024, the Plan was amended to increase the threshold requiring a lump sum payout to a participant upon termination of service when the Employer is not instructed what to do with the Plan balance, from \$5,000 to \$7,000.
