INDEPENDENT AUDITOR'S REPORT

To the Administrator of the
America's Catch Incorporated 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of America's Catch Incorporated 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of America's Catch Incorporated 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of America's Catch Incorporated 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about America's Catch Incorporated 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of America's Catch Incorporated 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about America's Catch Incorporated 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year End) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AMERICA'S CATCH INCORPORATED 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the America's Catch Incorporated 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- a. *General* - The Plan is a restatement of an existing Plan to comply with current law and was originally effective January 1, 1989, but unless designated otherwise, is effective July 1, 2021. The Plan is a defined contribution plan covering substantially all full-time employees of America's Catch, Inc., Delta Hybrid Farms, Inc., and America's Catch Catfish Farms, Inc. (collectively referred to as "the Company"), who have completed one year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
- b. *Contributions* - Each year, participants may make contributions to the Plan in the form of salary reductions equal to the lesser of \$22,500 in 2023 and \$20,500 in 2022 (plus an additional \$6,500, if over 50) or 100% of defined compensation. For 2023 and 2022, the Company contributes 50% of the first 6% of base compensation that a participant contributes to the Plan. Participants may elect to make voluntary contributions under the Plan in amounts determined by the Plan administrator with the consent of the Custodian.
- c. *Participant Accounts* - For each participant, accounts are established for salary reduction contributions, matching contributions and voluntary contributions. Each participant's account is credited with the participant's salary reduction contributions, voluntary contributions and investment earnings and allocation of the Company's contributions and forfeitures of terminated participants' non-vested accounts and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. Each participant designates how salary reduction contributions and matching contributions are invested among the investment funds made available under the Plan by the Custodian. Any other contributions are invested in accordance with instructions of the Custodian. The benefit to which a participant is entitled is the benefit that can be provided from the participant's accounts.
- d. *Vesting* - Participants are immediately vested in their salary reduction contributions and voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of service. A participant is twenty percent vested after two years, with a 20% increase each succeeding year until becoming fully vested after the sixth year of service.
- e. *Investment Options* - Upon enrollment in the Plan, a participant may direct contributions in several investment options, as established by the Custodian:

Mutual funds, stable value funds, and exchange traded fund (ETFs)-representing value, equity, growth, fixed income, and index funds
- f. *Notes Receivable from Participants* - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the fair market value of the participant's vested account balance. Note receivable transactions are treated as a transfer to (from) the investment fund from (to) the participant loan fund. Notes have terms ranging from one to five years. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. Interest rates range from 4.25% to 9.50%. Principal and interest are paid ratably through monthly payroll deductions.

AMERICA'S CATCH INCORPORATED 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN (Cont'd)

- g. *Withdrawals from Accounts* - The Plan allows participants to make in-service withdrawals from their accounts under conditions of hardship or upon attaining age 59½. Participants are permitted to borrow amounts from the Plan. The total of any outstanding note balances, including accrued interest, cannot exceed the value of the vested portion of the participant's accounts.
- h. *Payment of Benefits* - On termination of service, a participant may elect to receive a lump sum payment equal to the value of his or her account. Other methods of payment are permitted by the Plan. At December 31, 2023 and 2022, account balances for terminated participants amounted to \$235,906 and \$165,369, respectively.
- i. *Forfeited Accounts* - At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$46,701 and \$27,757, respectively. Forfeited amounts, if any, will be reallocated to other participants in the following year.
- j. *Excess contributions payable* - Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2023 excess contributions to the applicable participants in 2024 and distributed the 2022 excess contributions to the applicable participants in 2023.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid, interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make note repayments and the plan administrator considers the note to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation, depreciation (-) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (Continued)

Expenses

The Plan's audit expenses are paid by the plan sponsor, which is a party-in-interest. These expenses are excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) in the fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

NOTE 3 - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2023 and 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Mid Atlantic Trust Company (the trustee of the Plan). The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the trustee:

	<u>2023</u>	<u>2022</u>
Investments at fair value:		
Mutual funds and EFTs	\$ 3,270,545	\$ 2,636,266
Stable value funds	249,522	536,857
Investment income or loss (-)	472,980	-529,527

NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair market value in the accompanying statements of net assets available for benefit. The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

	<u>Fair Value</u>	<u>Fair Value Measurements Using Quoted Prices in Active Markets for Identical Assets (Level 1)</u>
December 31, 2023:		
Mutual funds and ETFs	\$ 3,270,545	\$ 3,270,545
Stable value funds	249,522	249,522
Total	<u>\$ 3,520,067</u>	<u>\$ 3,520,067</u>
December 31, 2022:

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or Level 3 inputs were available to the Plan.

Level 1 Fair Value Measurements

The fair value of mutual funds and stable value funds are based on quoted market prices and net asset values of the shares held by the Plan at year-end. Cash is valued at present value.

NOTE 5 - INVESTMENTS

The Plan's investments (including investments bought, sold and held during the year) appreciated, depreciated (-) in value during 2023 and 2022 as follows:

	<u>2023</u>	<u>2022</u>
Mutual Funds, ETFs, and stable value	\$ 460,812	\$ -543,632
Net change in fair value	<u>\$ 460,812</u>	<u>\$ -543,632</u>

NOTE 6 - CONCENTRATIONS

The industries in which the employers operate are primarily concentrated into a small geographical area within Mississippi.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to reduce, suspend or discontinue contributions to the Plan at any time or to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become one hundred percent vested in their accounts. See Note 10.

NOTE 8 - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2021.

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2023 AND 2022**

NOTE 9 – RELATED PARTIES AND PARTIES-IN-INTEREST TRANSACTIONS

For December 31, 2023, plan administrative expenses amounted to \$44,727. For December 31, 2022, plan administrative expenses amounted to \$48,297.

Certain Plan investments are shares of mutual funds managed by BankPlus. BankPlus is the fiduciary and investment advisor to the Plan; therefore, the transactions qualify as parties-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$16,676 and \$18,159 for December 31, 2023 and 2022, respectively. At the Plan Sponsor's discretion at the beginning of the 2022 Plan year, fees are now deducted from Plan Assets and will no longer be paid by the Sponsor.

Fees were paid to EPIC Retirement Plan Services, which is the third party administrator and therefore a party-in-interest. Plan expenses for Epic's services amounted to \$28,051 and \$30,138 for the years ended December 31, 2023 and 2022, respectively.

NOTE 10 – SUMMARY OF SIGNIFICANT PLAN AMENDMENTS

On July 1, 2021, a participating employer was sold to an independent buyer. The participants employed by Scott Petroleum Corporation were spun off this Plan on July 1, 2021, and admitted into the buyer's plan on that effective date.

This Plan, previously referred to as Scott Petroleum Inc. 401(k) Plan is now named American's Catch Incorporated 401(k) Plan and will continue to operate with the remaining employees.

NOTE 11 – SUBSEQUENT EVENTS

Management has evaluated subsequent events through July 29, 2024, the date the financial statements were available for issue, and has determined that no events have occurred subsequent to the statement of net assets available for benefits date that would require adjustment to, or disclosure in, the financial statements.

NOTE 12 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statement of net assets available for benefits.

NOTE 13 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2023 and 2022 to Schedule H of Form 5500:
