INDEPENDENT AUDITOR'S REPORT

Retirement and Savings Plan Committee
Hood Industries Retirement and Savings Plan
Hattiesburg, Mississippi

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Hood Industries Retirement and Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplement schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosures under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HOOD INDUSTRIES RETIREMENT AND SAVINGS PLAN

Years Ended December 31, 2023 and 2022

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of the Plan

The following description of the Hood Industries Retirement and Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution safe-harbor plan, which covers substantially all employees of Hood Industries, Inc. (the "Company") who are eighteen or older. An employee may begin participation in the Plan on the first day of January or July following the date on which the employee meets the requirement for eligibility. Participation ceases upon termination of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

The Plan allows for participants to make pretax contributions, including catch-up contributions, to the Plan subject to the limitations set forth in the Internal Revenue Code (the "Code"). Such contributions may not be less than one percent of total eligible compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company contributes qualified matching contributions ("QMAC") equal to 100 percent of the first 3 percent and 50 percent of the next 2 percent of eligible compensation contributed by the participant. The Company may elect to contribute a discretionary profit-sharing contribution to each participant's account. For 2023 and 2022, there were no discretionary contributions. Employees are not required to contribute to the Plan to receive discretionary profit-sharing contributions.

Participants may also transfer to the Plan certain vested account balances from other qualified plans, subject to regulatory requirements. Transfers from the Plan represent distributions to other qualified plans within the controlled group. Rollovers represent distributions from qualified plans not sponsored by entities within the controlled group.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company QMAC as well as allocations of the Company's discretionary profit-sharing contributions and Plan earnings and losses and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

All participants are immediately vested in their voluntary contributions, QMAC and allocated earnings or losses thereon.

HOOD INDUSTRIES RETIREMENT AND SAVINGS PLAN

Years Ended December 31, 2023 and 2022

NOTES TO FINANCIAL STATEMENTS

Note 1. Continued

Participants' interests in any Company contributions and allocated earnings or losses thereon, other than QMAC, vest according to the following schedule:

Years of Service	Interest Vested
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Participants must obtain 1,000 hours of service to be credited with one year of vesting service. Regardless of the years of service, the participant's Company contribution accounts become fully vested in the event of death, disability or the attainment of normal retirement age (age 65).

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to the lesser of \$50,000 reduced by the balance of an outstanding loan or 50 percent of the fair value of the participant's vested account balance. Note terms range from one to five years, unless used for the purchase of a principal residence and are collateralized by the balance in the participant's account. The notes bear interest at rates ranging from 5.25 percent to 10.50 percent for the year ended December 31, 2023, and 5.25 percent to 9.50 percent for the year ended December 31, 2022. Loan interest rates are set commensurate with rates available for bank loans of comparable risk with similar terms. Principal and interest is paid ratably through weekly payroll deductions for hourly employees and semi-monthly payroll deductions for salaried employees.

Payment of Benefits

Benefits are generally payable on termination, retirement, death or disability. Benefits may be paid by either a lump-sum amount equal to the value of the participant's vested interest, periodic payments over an actuarially determined period or rolled over into a qualified plan, subject to regulatory requirements. After attaining age 59 ½, a participant may elect to receive an in-service distribution for all or a portion of their vested balance. Hardship distributions are also available from participants' elective deferral accounts, including earnings on such deferrals, subject to regulatory requirements.

Forfeitures

Forfeitures, which result from employees withdrawing from the Plan prior to fully vesting in Company contributions other than QMAC, are used to reduce future Company contributions or pay Plan expenses. There were no forfeited nonvested accounts held by the Plan as of December 31, 2023 and 2022. During 2023 and 2022, forfeited amounts applied to administrative expenses and used to reduce employer contributions totaled \$1 and \$44, respectively.

HOOD INDUSTRIES RETIREMENT AND SAVINGS PLAN

Years Ended December 31, 2023 and 2022

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Accounting Policies

Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized and unrealized gains and losses in the Plan's investments are included in net appreciation (depreciation) of investments in the statements of changes in net assets available for benefits.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Contributions

Contributions from Plan participants and matching contributions, if any, from the Company are recorded in the year in which the participant wages are earned. All participant and employer contributions are participant directed.

Administrative Expenses

Administrative expenses of the Plan, to the extent that the Company does not pay such expenses, are paid by the Plan. Expenses that are paid by the Company are excluded from these financial statements. Expenses that relate to a specific participant are assessed against such participant as provided for in the Plan document.

HOOD INDUSTRIES RETIREMENT AND SAVINGS PLAN

Years Ended December 31, 2023 and 2022

NOTES TO FINANCIAL STATEMENTS

Note 3. Information Certified and Provided by Principal

Certain information related to investments disclosed in the accompanying financial statements at December 31, 2023 and 2022 and supplemental schedule of assets (held at end of year) at December 31, 2023, and net appreciation (depreciation) of investments and dividend income for the years ended December 31, 2023 and 2022 was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Principal Life Insurance Group and Principal Trust Company (collectively, "Principal"), the custodians of the Plan.

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under Accounting Standards Codification Topic 820 are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include:
 - quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value, on a recurring basis. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded (Level 1).

Pooled separate accounts: Pooled separate accounts held by the Plan are invested in domestic and international stocks, mutual funds or fixed securities. These are primarily valued at NAV per share based on quoted market prices of underlying investments (Level 2).

HOOD INDUSTRIES RETIREMENT AND SAVINGS PLAN

Years Ended December 31, 2023 and 2022

NOTES TO FINANCIAL STATEMENTS

Note 4. Continued

Collective investment trusts: The collective investment trusts include the Principal Stable Value Preferred Fund ("Fund") and Principal LifeTime Hybrid Collective Investment Trusts ("CITs") (Level 2).

The Fund invests in conventional, synthetic and separate account investment contracts issued by life insurance companies, banks and other financial institutions. The objective of the Fund is to provide preservation of capital with relatively stable returns. The Fund is valued at NAV, as reported by investment managers of the Fund and are supported by unit prices of actual purchase and sale transactions occurring as of or close to the financial statement date resulting in a readily determinable fair value. Participant transactions and redemptions (purchases and sales) may occur daily. Withdrawals, other than for benefit payments and participant transfers to noncompeting options, require twelve month advance written notice. As of December 31, 2023 and 2022, there were no unfunded commitments.

CITs invest in a collective trust fund as well as a variety of separate accounts and mutual funds that seek total return consisting of long-term growth of capital and current income, consistent with the investment strategy of an investor with a specific target retirement date. These are valued at NAV per unit held by the Plan at year-end as reported by the custodians, which is based on the fair value of the underlying investments held by the fund less its liabilities.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 7,156,030	\$ -	\$ -	\$ 7,156,030
Pooled separate accounts	-	316,771	-	316,771

Total investments at fair value	\$ 7,156,030	\$ 60,158,293	\$ -	\$ 67,314,323

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 5,689,191	\$ -	\$ -	\$ 5,689,191

HOOD INDUSTRIES RETIREMENT AND SAVINGS PLAN

Years Ended December 31, 2023 and 2022

NOTES TO FINANCIAL STATEMENTS

Note 5. Related Party Transactions and Party-In-Interest Transactions

Certain Plan investments are units or shares of pooled separate accounts and collective investment trusts managed by Principal, the custodian of the Plan. Therefore, these transactions qualify as party-in-interest transactions. Administrative fees paid by the Plan to Principal totaled \$119,945 and \$209,522 for the years ended December 31, 2023 and 2022, respectively.

Note 6. Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right under the Plan agreement to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the accounts of all participants would become fully vested and the assets of the Plan, after payment of expenses, would be distributed to the participants.

Note 7. Income Tax Status

The Company has adopted a prototype Plan sponsored by Principal, which received its latest opinion letter dated March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Code. The prototype plan has been amended since receiving the opinion letter. The Plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the Code.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9. Subsequent Events

The Plan has evaluated subsequent events through July 25, 2024, the date these financial statements were available to be issued.
