INDEPENDENT AUDITOR'S REPORT

The Plan Administrators
The Santaluz Club Inc. Employees Savings Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Santaluz Club Inc. Employees Savings Trust ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules presented on pages 12 and 13 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit

of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following description of The Santaluz Club Inc. Employees Savings Trust ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provision.

General

The Plan is a defined contribution plan covering all eligible employees of the Santaluz Club, Inc. (the "Club", the "Sponsor"), as defined in the Plan agreement, the Sponsor. The Plan provides for retirement benefits for its participants. The Plan is designed to qualify under Section 401(k) of the Internal Revenue Code (the "Code"), as amended. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Participation and Eligibility

Participation in the Plan is voluntary. An employee is eligible to participate in the Plan after the completion of a minimum hours of service as described in the Plan. An eligible employee may elect to participate following satisfaction of the Plan's service requirements. A participant must attain the minimum age to participate in the Plan.

Contributions

Participants may contribute a percentage of pretax annual compensation, as defined by the Plan. The Plan offers various mutual funds as investment options for the participants. The Club may contribute to the Plan out of its current operating cash flow at the discretion of the Club's Board of Directors. Participants may contribute distributions from other qualified defined benefit or defined contribution plans as a "rollover" distribution into the Plan. The Club may make discretionary contributions as authorized by its Board of Directors.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Club's contribution, (b) Plan earnings, and (c) forfeitures of terminated participant's nonvested accounts, if any, and charged with an allocation of administrative expenses. Allocations are based on participant's earnings or account balance, as defined. The benefit which the participant is entitled is the benefit that can be provided from the participant's accumulated vested account. The Sponsor matches the participant contribution to the Plan up to 3% of eligible compensation.

Vesting

Participants are immediately fully vested in their contributions, rollover contributions and the related net investment earnings or losses. Participants become vested in the Club's matching contributions and the Club's discretionary contributions, if any, in accordance with the Plan agreement.

Forfeitures

A participant's non-vested balance is forfeited at the time of termination of employment. Forfeitures are used to reduce future employer contributions or to pay administrative expenses of the Plan. At December 31, 2023 and 2022, there were no forfeited nonvested amounts.

THE SANTALUZ CLUB INC. EMPLOYEES SAVINGS TRUST

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan, continued

Payment of Benefits

On termination of employment, participants with a vested Plan account may elect to receive a lump sum amount equal to the value of their account, or may defer distribution until retirement, as defined by the Plan agreement. Employees electing to defer their distribution continue to participate in the Plan's net investment earnings or losses.

Withdrawals of Contributions

A participant demonstrating a financial hardship may withdraw any amount of their account value consisting of the participant's contributions.

Participant Loans

The Plan allows loans to participants. The loan cannot exceed the lesser of 50% of the participant's vested account or the amount established by the Plan or the Internal Revenue Code limitation. All loans must be repaid over a period not to exceed five years and at termination of employment. The loans are secured by the balance in the participant's account. Interest on plan loans is recorded upon receipt and is required to be paid with each principal payment.

Investment Options

The Plan maintains the retirement assets with a Trust company that provides a selection of mutual funds and bond funds. This company serves as custodian and Trustee of the Plan. Assets in the separate investment allocation account are held by the Trustee on behalf of the Plan in one or more of the Trustee's separate investment accounts.

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants, and net appreciation in fair value of investments, interest and dividends was obtained or derived from information supplied to the plan administrator and certified as complete and accurate the trustee of the Plan

The participants direct their account balances between stock funds and bond funds and may change their account distribution in accordance with the terms of the Trust agreement.

2. Summary of Accounting Policies

A. Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

B. Investment Valuation and Income Recognition.

Investment contracts held by a defined contribution plan are required to be reported at fair value. The value of investments held as of each accounting date is determined based on the fair value of each underlying fund's investments principally using quoted market values from national exchanges. Purchases and sales of investments are reflected on a trade-date basis. The statement of changes in net assets available for Plan benefits includes the net appreciation (depreciation) in the fair value of investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

THE SANTALUZ CLUB INC. EMPLOYEES SAVINGS TRUST

NOTES TO FINANCIAL STATEMENTS

2. Summary of Accounting Policies, continued

B. Investment Valuation and Income Recognition, continued

Pooled separate accounts are reported at the closing net asset value per unit of participation as determined by the Plan's Custodian based upon the respective fund/portfolio as of the last business day of the Plan year. The purchase or redemption price of the units is determined based on the current net asset value per unit of participation. The value per unit is determined by the Custodian using the market values of the underlying assets or the fair values as determined by the Custodian in the absence of an available market price.

C. Payment of benefits.

Benefits are recorded as paid.

D. Contributions

Participant contributions are recorded in the period in which the Club makes payroll deductions from Plan participants. The Club's matching contribution is recorded in the related Plan year as a contribution receivable.

E. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

F. Expenses

Certain expenses of maintaining the Plan are paid directly by the Club and are excluded from these financial statements. Expenses related to the administration of the pooled separate accounts are paid by the respective accounts and are reflected in the overall investment return of such funds or reimbursed from the non-vested fund balance. Any expenses resulting from fund transfers or from withdrawals or loan origination may be deducted from participants' account balances.

G. Estimates

The preparation of financial statements requires management of the Plan to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

H. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is a least reasonable possible that changes in the values of investment securities will occur in the near term and that such changes can materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

I. Subsequent Events

Management of the plan has evaluated subsequent events through the date at which the financial statements were available to be issued, July 5, 2024.

NOTES TO FINANCIAL STATEMENTS

3. Information Prepared and Certified by the Trustee

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2023 and 2022 was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust (the trustee of the Plan).

	<u>2023</u>	<u>2022</u>
Investments at fair value	\$ 5,667,214	4,469,576
Net appreciation (depreciation) in fair value of investments	777,064	(1,075,803)
Interest and dividends	171,185	130,982
Interest income on notes receivable from participants	4,187	1,988

4. Fair Value Measurements

Accounting standards establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities, entitled level 1 measurements, and the lowest priority to unobservable inputs, entitled level 3 inputs. Level 2 inputs include quoted prices for similar assets or liabilities in active markets and inputs other than quoted prices that are derived or observable for the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value end.

Mutual funds: Valued at fair value using the fair value hierarchy.

These methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. The Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>At December 31, 2023</u>

	<u>\$ 4,469,576</u>	<u></u>	<u></u>	<u>4,469,576</u>

5. Income Tax Status

The Internal Revenue Service has determined and informed the Trustee of the Plan that the prototype plan is designed in accordance with applicable sections of the Internal Revenue Code ("the Code"). The prototype plan may be amended to comply with regulations or laws as issued. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. The Plan is subject to routine tax audits by taxing jurisdictions. There are currently no Plan audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

6. Plan Termination

Although it has not expressed any intent to do so, the Club has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

7. Loans

The Plan allows the participant to borrow a specified percentage of their account balance. Loans bear interest and are repayable in accordance with the terms specified by the Plan. The Plan reserves the right to change the ability to borrow or the loan terms. Interest income is recognized on a monthly basis based upon the annual interest rate.

8. Related Party Transactions

Certain plan investments are shares of mutual funds managed by T. Rowe Price. T. Rowe Price is a related party to the Trustee of the Plan assets and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investment, as they are paid through revenue sharing, rather than a direct payment.
