INDEPENDENT AUDITORS' REPORT

Members of the Retirement Committee and Participants of Usui 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Usui 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL's") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2023 and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit section:

- The amounts and disclosures in the accompanying Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the Financial Statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-5 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated September 5, 2023 indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principals generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined to meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of Usui 401(k) Plan (the “Plan”) provides only general information. Refer to Plan documents for a more complete description of Plan provisions.

General

The Plan is a defined contribution plan, adopted June 1, 1993, covering all full-time employees as defined by the Plan of Usui International Corp (the “Company”) and restated effective February 24, 2022. The Plan is subject to the provisions of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

The Plan provides for employee salary deferral contributions up to a maximum of 75 percent of annual compensation subject to maximum tax-deferred limitations established by the Internal Revenue Code. Participants may also make contributions to the Plan on an after-tax basis or in the form of a rollover of funds from another qualified plan.

The Plan provides for employer matching contributions of 50 percent of the participant's contribution, not to exceed 6 percent of the employee's deferred compensation.

Participant Accounts

Each participant account is credited with participant contributions and allocations of (a) the Company's contribution and (b) Plan net earnings and losses and charged with an allocation of the Plan's administrative expense. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately 100 percent vested in employee salary, rollover, and employer matching contributions and any income or loss thereon.

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Generally, the loan term may not exceed five years however a longer repayment period may be permitted for the purchase of a principal residence. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Interest rates range from 4.25% to 9.50% for notes receivable from participants outstanding at December 31, 2023.

**USUI 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Notes Receivable from Participants (Continued)

Principal and interest are paid ratably through payroll deductions. The Plan charges a small processing and handling fee to participants who borrow funds from their accounts. If an employee defaults on a participant note and fails to catch up the loan payments within a specified administrative period, the note balance will be deemed a distribution of the participant's account.

Forfeited Accounts

Forfeitures of terminated participants' non-vested accounts can be used to reduce employer contributions and pay plan expenses of the Company. At December 31, 2023 and 2022, the balance of forfeitures was insignificant.

Payment of Benefits

On termination of service due to death, disability, retirement, or the participant's termination of employment, the participant may elect to receive the value of the participant's vested interest in his or her account as a single lump-sum payment or as installments over the participant's life expectancy (or the participant's and the beneficiary's life expectancies). Active employees may withdraw vested funds upon attainment of age 59 ½ or for reasons of financial hardship as defined in the Plan. If the participant's vested balance is less than \$5,000, the participant will receive a single lump-sum payment as soon as administratively possible following the event that entitles the participant to a distribution.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting. The Plan follows accounting standards set by the Financial Accounting Standards Board ("FASB"). The FASB sets accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements requires the Plan's management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investments Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrator determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company.

**USUI 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investments Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Risks and Uncertainties

The Plan provides for various investment options. These investments are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

At December 31, 2023, one investment comprised approximately 10% of total investments at fair value, respectively.

Plan Expenses

Certain administrative expenses of the Plan are paid by the Plan as provided in the Plan agreement. Certain other administrative expenses of the Plan are paid by the Company. Investment fees are paid by the plan in the form of reductions of net investment income earned by Plan participants.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 3 – INVESTMENTS (Unaudited)

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company ("Fidelity"), the trustee, has provided certification that the financial information included in the financial statements and supplemental schedule as of December 31, 2023 and for the year then ended provided to the Plan is complete and accurate. The information as to investment assets and transactions therein, and investment income included in the accompanying financial statements and supplemental schedule as of December 31, 2023 and for the year then ended is covered by such certification and has not been audited by independent auditors.

NOTE 4 – FAIR VALUE MEASUREMENTS

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described below:

Basis of Fair Value Measurement

Level 1 – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 – Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 – Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Registered Investment Companies

Shares of registered investment companies represent investments with various investment managers. The fair values of these investments are determined by reference to the registered investment companies' underlying assets, which are principally marketable equity and fixed income securities. These registered investment companies are traded on national securities exchanges and are valued at the NAV as of December 31, 2023 and 2022. It is not probable that the shares of registered investment companies will be sold at amounts that differ materially from the NAV of shares held.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Basis of Fair Value Measurement (Continued)

Common Collective Trust

The collective trust fund is valued at the NAV based on the last reported sales price of the underlying investments held. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust fund, the investment adviser reserves the right to temporarily delay withdrawal from the fund in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level within the fair value hierarchy the Plan investment assets and investment liabilities at fair value, as of December 31, 2023 and 2022.

	2023				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>NAV (*)</u>	<u>Total</u>
Mutual Funds	\$ 19,641,846	\$ -	\$ -	\$ -	\$ 19,641,846
Common Collective Trust	-	-	-	1,521,093	1,521,093
Total Investments at Fair Value	<u>\$ 19,641,846</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,521,093</u>	<u>\$ 21,162,939</u>

	2022				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>NAV (*)</u>	<u>Total</u>
Mutual Funds	\$ 15,224,289	\$ -	\$ -	\$ -	\$ 15,224,289
Common Collective Trust	-	-	-	1,462,621	1,462,621
Total Investments at Fair Value	<u>\$ 15,224,289</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,462,621</u>	<u>\$ 16,686,910</u>

(*) Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in the tables above are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

NOTE 5 – RELATED PARTIES AND PARTY-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. These parties include investment advisory, recordkeeping and accounting services.

All investments are managed by Fidelity, the trustee of the Plan. These transactions qualify as party-in-interest transactions. Notes receivable from participants are defined by ERISA as party-in-interest transactions.

**USUI 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 – INCOME TAX STATUS

The Plan is based on the Volume Submitter Profit Sharing Plan with CODA, which received an opinion letter dated March 31, 2014 from the IRS stating the Plan was designed in accordance with the provisions of the IRC. Accordingly, the Plan's net investment income is exempt from income taxes. Once qualified, the Plan is required to operate in conformity with the Internal Revenue Code ("IRC") to maintain its qualification. The Plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC.

NOTE 8 – SECURE ACT 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2023 financial statements.

NOTE 9 – SUBSEQUENT EVENTS

Management has evaluated subsequent events through July 25, 2024, the date the financial statements were available to be issued.
