INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants
Masterpiece Flower Company, LLC 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Masterpiece Flower Company, LLC 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Masterpiece Flower Company, LLC 401(k) Retirement Plan and to meet our ethical responsibilities in accordance with the ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Masterpiece Flower Company, LLC 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Masterpiece Flower Company, LLC 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Masterpiece Flower Company, LLC 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MASTERPIECE FLOWER COMPANY, LLC 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Note 1 - Description of the Plan

General

The Plan is a defined contribution 401(k) plan covering substantially all employees of Henry Mast Greenhouses, Inc., Peak Transportation Solutions, Inc., Masterpiece Transportation, Inc., and Masterpiece Flower Company, LLC (collectively, the Company). The Plan was established January 1, 1993 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The following description of the Plan is provided for general information purposes only. Participants should refer to the Summary Plan Description or the Adoption Agreement, including amendments thereto, for a complete description of the Plan's provisions.

Administration

The Plan Sponsor and named Plan Administrator is Masterpiece Flower Company, LLC. The Plan Administrator is responsible for oversight of the Plan. The Plan Administrator determines the appropriateness of the Plan's investment offerings, monitors investment performance and fees, and reports to the Plan's Trustee. The Plan's Trustee and Investment Custodian is Capital Bank and Trust Company (Capital). The Investment Custodian holds all of the Plan's assets and executes all of the Plan's transactions. The Company has also retained Empower to provide participant recordkeeping and administrative services.

Eligibility

The Plan covers all employees of the Employer, except those who are considered reclassified employees, such as independent contractors or outsourced workers. All eligible employees must be 21 years of age and complete 500 hours of service within a 6 month period, with the entry date being the next quarter after meeting the eligibility requirements.

Contributions

Each year, participants may contribute up to 100% of their pretax annual compensation, as defined in the plan document. The Plan also allows participants to make after-tax Roth contributions. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other defined benefit or defined contribution plans (rollovers).

The Plan contains a safe harbor contribution provision whereby the employer matches 100% of the first 3% of wages deferred by participants and 50% of the next 2% of wages deferred. The Company made safe harbor contributions of \$260,922 in 2023.

The Company may elect to make discretionary non-elective contributions on behalf of the participants. The Company did not make a non-elective contribution for the year ended December 31, 2023.

Participants direct the investment of both their individual contributions plus their share of employer contributions into the various investment options offered by the Plan. The Company's contributions are allocated in the same manner as that of the participant's elective contributions.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

MASTERPIECE FLOWER COMPANY, LLC 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Participant Accounts

Each participant's account is credited with the participant's contributions and employer contributions as well as plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Distribution of Benefits

On termination of service, participants with vested account balances of \$5,000 or less are subject to involuntary cash-outs, in which automatic distribution of their account balance will occur without direct consent. Participants whose vested account balances are less than \$5,000 but exceed \$1,000 are subject to an automatic rollover of their account balance to another qualified account. Participants whose vested account balances exceed \$5,000 may elect a lump sum distribution, periodic equal installment payments, a partial withdrawal, or a rollover of their account balance to another qualified account. Additionally, they may also elect to defer the distribution of their plan balance. Participants who elect to have their benefit payments deferred continue to share in allocations of investment income and losses, but do not share in subsequent allocations of employer contributions. Special rules apply to distributions due to death, disability and retirement. Participants should refer to the full plan document for details.

The Plan allows for in-service distributions upon attainment of age 59½ for all deferral contributions, discretionary employer matching contributions, and rollover contributions for any reason.

Vesting

Participants are immediately vested in their contributions (deferrals and rollovers), non-elective employer safe harbor contributions, non-elective discretionary contributions and earnings thereon.

Forfeitures

Forfeitures consist of excess non-elective employer safe harbor contributions made during the year. Forfeitures can be used to offset plan administration expenses and reduce employer contributions. There were \$807 and \$2,948 of unallocated forfeitures as of December 31, 2023 and 2022, respectively. Forfeitures of \$3,760 were used to offset plan administrative expenses during the year ended December 31, 2023.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared using the accrual basis of accounting. Income from investments is recorded when it is earned. Expenses are recorded in the accounting period in which they are incurred.

MASTERPIECE FLOWER COMPANY, LLC 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment adviser and custodian. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Fees and Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including July 30, 2024, which is the date the financial statements were available to be issued.

Note 3 - Unaudited Investment Information Certified by the Trustee

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following information has been certified by Capital Bank and Trust Company as to its completeness and accuracy and was not subjected to any auditing procedures performed by the Plan's independent auditors:

- All investment balances reflected in the accompanying statements of net assets available for plan benefits as of December 31, 2023 and 2022,
- All investment activity reflected in the statement of changes in net assets available for plan benefits for the year ended December 31, 2023,
- All investment-related information included in the Supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023.

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methods used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Money market funds: Valued at the net asset value (NAV) of shares held by the Plan at year end. The money market funds held by the Plan are deemed to be actively traded.

Mutual Funds: Valued at daily closing prices as reported by the fund. Mutual Funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value and to transact at that price. Mutual Funds held by the Plan are deemed to be actively traded.

The plan investments consist solely of mutual funds and money market funds that are measured on a recurring basis using level 1 inputs for the years ended December 31, 2023 and 2022.

Note 5 - Party-in-Interest Transactions

Certain plan investments are managed by American Funds, an affiliate of Capital Bank and Trust, who is the Plan's Trustee and Investment Custodian. During the year ended December 31, 2023, the Plan paid direct compensation to the Investment Custodian for services rendered. Indirect compensation (that is netted against investment income on the statement of changes in net assets available for benefits) is paid to the Investment Custodian from total annual operating expenses charged on the balance of fund investments, depending on the particular fund. Transactions involving these investments are considered party-in-interest transactions; however, these transactions are not considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions and to terminate the Plan at any time subject to the provisions of ERISA. Upon termination, all participant accounts become 100% vested.

DECEMBER 31, 2023 AND 2022

Note 7 - Plan Amendment and Tax Status

The Plan is utilizing a volume submitter plan, which has been filed with the IRS and has received a favorable opinion dated June 30, 2020 from the IRS. The Plan Sponsor has not elected to apply for an individual IRS Determination Letter upon adoption of the Plan nor on any subsequent amendments. However, the Plan Sponsor believes that the Plan is currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code and, therefore, that the Plan is qualified under Section 401(a) and that the related Trust is tax-exempt as of December 31, 2023.

The Plan permitted provisions of SECURE Act 2.0 during the year ended December 31, 2023. Written amendments to the Plan document to reflect these operational changes will be adopted at a later date in accordance with the deadlines pursuant to applicable laws and IRS guidance.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
