Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of 403(B) Thrift Plan of Family Service Rochester, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the 403(B) Thrift Plan of Family Service Rochester, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(B) Thrift Plan of Family Service Rochester, Inc.'s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the 403(B) Thrift Plan of Family Service Rochester, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(B) Thrift Plan of Family Service Rochester, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions as of and for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matter — Supplemental Schedules Required by ERISA (Continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

1. Plan Description and Summary of Significant Accounting Policies

The following description of the 403(B) Thrift Plan of Family Service Rochester, Inc. (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - On November 1, 2004, the Organization adopted a 403(b) plan covering substantially all employees (other than nonresident aliens and individuals treated as independent contractors) of Family Service Rochester, Inc. (the Organization). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Administration - The Plan is administered by Family Service Rochester, Inc., the Plan Sponsor. The Plan Sponsor has discretion over the Plan. The Custodian of the Plan's assets is Mutual of America Life Insurance Company (the Custodian). The Custodian executes Plan transactions based upon direction from the Plan's administrator and the Plan's participants.

Basis of Accounting - The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Participation - The Plan allows eligible employees to become participants for the purpose of employee salary reduction contributions immediately upon hire. Payroll deductions begin with the first pay period after the election to participate has been made. Employees are eligible for employer matching contributions, if such contributions have been elected by the Organization, after they have completed 1,000 hours of introductory service period with the Organization.

Contributions - Each year, participants may contribute, on a pre-tax or post-tax basis, up to 100% of compensation not to exceed the limits of the Internal Revenue Code (IRC), as defined in the Plan. Participants who have attained the age of 50 before the end of the Plan year are also eligible to make catch-up contributions in any amount up to the limits prescribed by law. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their account into various investment options offered by the Plan.

The Plan Sponsor makes matching contributions, and may make discretionary contributions for all participants who were active participants at any time during the Plan Year. Matching contributions of \$205,228 and \$180,091 were made to the Plan for 2023 and 2022, respectively. There were no discretionary contributions to the plan for the years ended December 31, 2023 or 2022.

403(B) THRIFT PLAN OF FAMILY SERVICE ROCHESTER, INC.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

1. Plan Description and Summary of Significant Accounting Policies (Continued)

Participant Accounts – Each participant's account is updated to include the participant's contribution and an allocation of (a) the Employer's matching contributions, (b) plan earnings (losses), and (c) plan expenses, as applicable. The Plan uses a daily valuation system for each participant's individually directed account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

The Plan provides for participants to direct the funds in which their account balances are invested. The participants' funds are invested in various pooled separate and guaranteed investment accounts held by the Custodian.

Vesting – Participants are immediately vested in their contributions and safe harbor nonelective contributions plus actual earnings thereon.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Participants may only have one loan outstanding at any point in time. Loan terms may be up to five years for general purpose loans and longer terms allowed related to purchase of a primary residence. The loans are secured by the vested balance in the participant's account. Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the plan document. The interest rate on loans outstanding as of December 31, 2023 and 2022 was 5.85% and 3.25%, respectively. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits - On termination of service, disability, death, retirement or reaching normal retirement age, participants or their beneficiaries, as applicable, are eligible to receive a distribution in an amount equal to their vested account balance. A participant may also withdraw the total balance of their accounts once they have attained age 59-1/2, experienced a qualified hardship or completed at least five years of participation under this plan.

If the participants' vested account balance is less than \$1,000, the Plan will distribute their vested account balance in lump-sum payment with or without the participant's authorization. If the participant's vested account balance exceeds \$1,000, the participant may also elect to take a lump-sum distribution, distribute their account balance in substantially equal payments over time, distribute their balance on an ad hoc basis, or leave their vested account balance in the Plan.

Benefit payments are recorded upon distribution to participants.

Plan Termination - Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

1. Plan Description and Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion on fair value measurements.

All purchases and sales of securities have been recorded on a trade-date basis. Income is recorded as earned. The increase or decrease in the fair value of investments represents the net difference between the current value of securities held at the beginning of the year or cost of securities purchased during the year and the current value of securities held at the end of the year.

Expenses - Expenses of maintaining the Plan are paid by the Plan Sponsor and the Plan. Administrative expenses paid by the Plan are included in the statements of changes in net assets available for benefits.

Forfeitures - Forfeited nonvested amounts can be used to pay administrative expenses of the Plan. There were no forfeitures and no forfeited nonvested accounts used during the years ended December 31, 2023 and 2022.

Use of Estimates in Preparation of Financial Statements - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Reclassifications – Certain amounts presented in the prior year have been reclassified in order to be consistent with the current year's presentation.

2. Financial Information Certified by the Custodian

The Administrator of the Plan appointed Mutual of America Life Insurance Company (Mutual) as Custodian of the Plan's assets. Mutual has supplied the Plan Administrator with certifications as to the completeness and accuracy of Plan investments and notes receivable from participants aggregating \$7,721,745 and \$6,795,124 as of December 31, 2023 and 2022, respectively, and the related investment income (loss) and interest on notes receivable from participants of \$1,163,093 and (\$1,235,837) for the years ended December 31, 2023 and 2022, respectively. Such amounts and all related financial data are included in the accompanying financial statements and supplemental schedules based on the certifications from the Custodian.

403(B) THRIFT PLAN OF FAMILY SERVICE ROCHESTER, INC.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

2. Financial Information Certified by the Custodian (Continued)

Under the terms of the Custodial agreement, the Custodian manages investment funds and executes investment transactions on behalf of the Plan. The Custodian has been granted discretionary authority concerning the purchases and sales of the investments of the investment funds.

3. Fair Value Measurements

Accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Observable market-based inputs or unobservable inputs that are corroborated by market data. Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

403(B) THRIFT PLAN OF FAMILY SERVICE ROCHESTER, INC.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

3. Fair Value Measurements (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value:

Pooled separate accounts: Pooled separate accounts are valued based upon the unit values of such pooled accounts held by the Plan at year end. Unit values are based on the fair value of the underlying assets of funds derived from inputs principally from or corroborated by observable market data by correlation or other means, although not based upon quoted prices in an active market. The underlying investments of the pooled separate accounts consist of mutual funds, each of which follows a separate investment strategy. Due to the nature of these pooled accounts, there are no unfunded commitments or redemption restrictions.

The methods described above may produce fair values that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables reflect the Plan's investments within the fair value hierarchy:

As of December 31, 2023				
Assets Measured at Fair Value	Fair Value Hierarchy Level			
	Level 1	Level 2	Level 3	
Pooled Separate Accounts	\$ 7,495,311	\$	\$ 7,495,311	\$

As of December 31, 2022				
Assets Measured at Fair Value	Fair Value Hierarchy Level			
	Level 1	Level 2	Level 3	
Pooled Separate Accounts	\$ 6,429,764	\$	\$ 6,429,764	\$

403(B) THRIFT PLAN OF FAMILY SERVICE ROCHESTER, INC.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

4. Party-in-Interest Transactions

Transactions resulting in Plan assets being transferred to or used by a related party are considered prohibited transactions under ERISA unless a specific exemption exists. Certain Plan investments and transactions are with pooled separate accounts and a guaranteed investment account that are managed by Mutual of America Life Insurance Company (the Custodian); and therefore, these transactions qualify as party-in-interest transactions. However, the transactions are not considered prohibited transactions as ERISA regulations provide for a specific exemption for such transactions.

The Plan issues loans to participants, which are secured by the participant account balances. These qualify as party-in-interest transactions but are permitted under ERISA regulations. Additionally, certain employees of the Company provide certain accounting and administrative services to the Plan for which no fee is charged. These transactions are also permitted under ERISA regulations.

5. Tax Status

The prototype plan document utilized by the Plan obtained its latest IRS opinion letter on March 2, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. The Plan evaluates all significant tax positions as required by generally accepted accounting principles in the United States. As of December 31, 2023, the Plan does not believe that it has taken any tax positions that require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next twelve months.

The Plan's informational returns are subject to examination by the appropriate regulatory authorities as of December 31, 2023, and the Plan's federal informational returns generally remain open for a period of three years.

403(B) THRIFT PLAN OF FAMILY SERVICE ROCHESTER, INC.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

6. Risks and Uncertainties

The Plan offers a number of investment options to participants that are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect amounts reported in the statements of net assets available for benefits and participant accounts.

7. Other Matters

In 2023, it was determined that \$233,661 of employee deferral contributions were not remitted to the Plan within the time period prescribed in the Code of Federal Regulations (CFR).

8. Subsequent Events

The plan was amended as of January 1, 2024, to change the name of the Plan to Family Service Rochester, Inc Safe Harbor 403(b) Plan.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2024 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through July 26, 2024, the date the financial statements were available to be issued.
