Plan Administrators
Tri-County Equipment, Inc. 401(k) Plan
Sandusky, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Tri-County Equipment, Inc. 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022 and the related statement of changes in net assets available for benefits for the year ended December 31, 2023 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with U.S. generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

WEINLANDER FITZHUGH
Certified Public Accountants & Advisors

In performing an audit in accordance with U.S. generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtaining an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2023 is presented for the purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with U.S. generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirement of ERISA Section 103(a)(3)(C).

401(k) PLAN
Notes to Financial Statements
For the Years Ended December 31, 2023 and 2022

NOTE 1 - PLAN DESCRIPTION

The following description of the Tri-County Equipment, Inc. 401(k) Plan (Plan) is provided for general information purposes only. More complete information regarding the Plan's provisions may be found in the plan document.

General. The Plan is a multiple-employer defined contribution plan established under the provision of Section 401(a) of the Internal Revenue Code (IRC), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees. All full-time employees of Tri-County Equipment, Inc. and Wadsworth Farms, Inc. (Companies) who have completed one year of service, as defined, are eligible to participate, provided they are at least 21 years of age. The Plan was most recently restated effective January 1, 2022. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Plan Administration. The Plan is administered by the 401(k) Profit Sharing Plan Committee. The Plan's record keeper and insurance company, John Hancock Life Insurance Company, is responsible for the custody and management of the Plan's assets.

Coronavirus Aid, Relief and Economic Security (CARES) Act. During 2020, the Plan implemented certain CARES Act provisions to allow for special coronavirus related distributions, an increase in Plan loan amounts, and waiver of 2020 required minimum distributions. Effective January 1, 2022, the Plan was amended to adopt these provisions.

Contributions. Eligible employees can contribute up to the maximum percentage of compensation and dollar amount permissible under Section 402(g) of the IRC not to exceed the limits of Code Sections 401(k), 404 and 415. The Companies provide a matching contribution equal to 25% of the first 6% of the participant's gross compensation to the extent deferred. The Companies may also provide a discretionary profit sharing contribution. The participant contributions and the Company contributions may be allocated to various investments as the participant directs.

Vesting. Participants begin graduated vesting 20% after one year of service and are vested 100% in the Plan after six years.

Payment of Benefits. On retirement, death, disability or termination of service, a participant (or the participant's beneficiary in the event of death) may elect to receive a lump-sum or partial distribution equal to the participant's account balance. If a participant's account balance is less than \$5,000, their account may be distributed as soon as possible following a termination that entitles the participant to a distribution. Once a participant reaches the age of 73, there are minimum distribution requirements. A participant can also receive in-service distributions from their account balance if they reach the age of 59 ½.

Participants may request that all or a portion of their account be distributed in the case of financial hardship, as defined in the Plan document. The Companies must approve any such hardship withdrawals.

Participant Accounts. Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions and related employer matching contributions, as well as the participant's share of the Plan's income and any related administrative expenses. Allocations of income and expenses are based on the proportion that each participant's account balance bears to the total of all participant account balances.

TRI-COUNTY EQUIPMENT, INC.
401(k) PLAN
Notes to Financial Statements
For the Years Ended December 31, 2023 and 2022

NOTE 1 - PLAN DESCRIPTION (CONTINUED)

Forfeited Accounts. Forfeited nonvested accounts are used to offset employer contributions. The amount of forfeitures used to offset employer contributions was \$2,600 for 2023. There was \$8,924 of unallocated forfeitures as of December 31, 2023.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The accompanying financial statements are prepared on the accrual basis of accounting. The preparation of the financial statements in conformity with U.S. generally accepted accounting principles requires the Plan's management to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

Income Recognition

Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisor and insurance company. See Note 5 for more information.

Net Appreciation (Depreciation) in Fair Value of Investments

Net realized and unrealized appreciation (depreciation) is recorded in the accompanying statement of changes in net assets available for benefits as net appreciation in fair value of investments.

Brokerage fees are added to the acquisition costs of assets purchased and subtracted from the proceeds of assets sold.

Risks and Uncertainties

The Plan provides for investment options in pooled separate accounts with John Hancock Life Insurance Company. The underlying investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that the changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

401(k) PLAN
Notes to Financial Statements
For the Years Ended December 31, 2023 and 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Companies and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. Administrative expenses of the plan are allocated to participant accounts.

Events Occurring After Reporting Date

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through the date of the accompanying Independent Auditor's Report, which is the date the financial statements were available to be issued.

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN'S INSURANCE COMPANY

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Life Insurance Company, the insurance company, has certified that the investment assets, transactions, income and supplemental schedule included in the accompanying financial statements is complete and accurate. The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 4 - INVESTMENTS

There were no investments which were both acquired and disposed of within the respective plan year that are required to be disclosed.

NOTE 5 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, establishes a framework for measuring value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

NOTE 5 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.
Level 2	Quoted prices in markets that are not considered to be active or financial statements for which all significant inputs are observable, either directly or indirectly.
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following tables present by level, within the fair value hierarchy, the Plan's investment assets at fair value, as of December 31:

<u>2023</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled separate accounts	<u>\$ 9,974,383</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 9,974,383</u>

<u>2022</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled separate accounts	<u>\$ 8,688,683</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 8,688,683</u>

The following is a description of the valuation methodologies used for assets measured at fair value:

Pooled separate accounts: Valued at the net asset value (NAV) of units held by the Plan at year end as provided by John Hancock Life Insurance Company. The unit value for each separate account is calculated based on the value of the underlying investments. All underlying investment options are valued daily.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are units of pooled separate accounts managed by John Hancock Life Insurance Company. John Hancock Life Insurance Company is the record keeper and insurance company as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management fees and services amounted to \$2,200 for the year ended December 31, 2023. Fees paid to the Third Party Administrator amounted to \$5,767 for the year ended December 31, 2023.

Edward Jones and Wilshire Associates provides investment advisory services to the Plan participants. Fees paid by the Plan for investment advisory fees and services amounted to \$25,194 for the year ended December 31, 2023.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any interest to do so, the Companies have the right under the Plan to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will receive the balance in their participant's account.

NOTE 8 - INCOME TAX STATUS

The Companies adopted a Prototype Non-Standardized Profit Sharing Plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service (IRS) on November 30, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. The plan has been amended since receiving the opinion letter. The Companies believe that the Plan currently is designed and being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt as of December 31, 2023. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. generally accepted accounting principles require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE 9 – UNCERTAINTIES

As a result of current global events, economic uncertainties have arisen which have resulted in significant volatility of financial markets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.
