INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants
Blum, Inc. Employees 401(k) Plan
Stanley, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Blum, Inc. Employees 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Blum, Inc. Employees 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Fidelity Management Trust Company as of December 31, 2023 and 2022, and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Blum, Inc. Employees 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Blum, Inc. Employees 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an

opinion on the effectiveness of Blum, Inc. Employees 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Blum, Inc. Employees 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BLUM, INC.
EMPLOYEES 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF THE PLAN:

The following brief description of the Blum, Inc. Employees 401(k) Plan (the Plan) is provided for general informational purposes only. The sponsor of the Plan is Blum Inc. (the Company/Employer) and the trustee is Fidelity Management Trust Company (Fidelity). The Company absorbs the costs of Plan administration related to legal, accounting, record keeping, insurance bonding, and general administration. Participants should refer to the plan agreement for more complete information.

General - The Plan is a defined contribution plan covering all employees of the Company who have completed three months of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is not covered by the Pension Benefit Guarantee Corporation. Additionally, the Plan assets have no other form of insurance. The Employer allows eligible employees to enter the plan on January 1, April 1, July 1, and October 1.

Contributions - Each year, participants may contribute their pretax annual compensation up to statutory limits. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they have affirmatively elected not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation unless changed by the participant. The automatic deferral increases 1% per year to a maximum of 10% unless affirmatively changed by the participant. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Employer may contribute to the Plan a discretionary matching contribution equal to a percentage of the deferred compensation of all participants eligible to share in allocations. Generally, participant forfeitures are applied to employer contributions. For the year ended December 31, 2023, the Employer matched the employee's aggregate salary reduction contribution under a safe harbor percentage which is 100% of the participant's elective deferrals up to six percent of the employee's compensation. For the year ended December 31, 2022, the Employer matched the participant's aggregate salary reduction contribution up to six percent of the employee's compensation at a matching rate of 50%. Contributions are subject to certain limitations under current tax law.

Participant accounts - Each participant's account is credited with the participant's contribution and the Company's matching contribution. Earnings and losses are allocated to each participant's account based on the ratio of the participant's account balance to the total account balance of all participants in the same investment. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants' contributions are 100% vested at all times. All participants who attain normal retirement age are also fully vested in the contributions and earnings from participants and from the Employer. Otherwise, amounts contributed by the Employer and related earnings are vested according to the following percentages and comply with the Economic Growth and Tax Relief Reconciliation Act of 2001:

<u>Years of Service</u>	<u>Vesting %</u>
0 through 2	0%
3 or more	100%

Notes receivable from participants - Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or fifty percent of their account balance. Loan transactions are treated as a transfer to (from) the investment fund and from (to) the Participant Notes fund. The loans are secured by the balance in the participant's account and bear interest at market rates. Principal and interest are paid ratably through payroll deductions over the terms of the loan.

Payment of benefits - Participants are eligible for the payment of benefits in the event of separation of service, death or disability, retirement and severe financial hardship, as well as for in-service disbursements once the participant has achieved the of age 59½. Upon termination of employment with the Company, any participant account with a vested account balance that is less than \$5,000 will automatically be paid to the participant as a lump sum distribution unless otherwise directed by the terminated employee/participant.

Administrative expenses - Plan expenses and professional fees are paid out of the Plan's assets unless paid by the Company.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of accounting - The financial statements of the Plan are prepared under the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Investment valuation and income recognition – Investments of the Plan consist of Fidelity's funds held in mutual funds and common and collective trust funds, which are stated at fair value. See Note 4 for discussion of fair value measurement.

Notes receivable from participants – Notes receivable from participants are measured at their unpaid principal balance. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of benefits - Benefits are recorded when paid.

Use of estimates – The preparation of financial statements in accordance with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

3. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE:

The plan administrator has elected the alternative method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, the trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

December 31,	2023	2022
Assets:		
Money market funds	\$146,419	\$ -
Mutual funds	41,433,431	32,604,081

Investment income:		
Interest on money market funds	\$5,424	\$ -
Interest and dividends on mutual funds	715,857	1,616,513
Interest and dividends on common/collective trust	75,096	58,264
Net realized gains on mutual funds	335,010	-
Net appreciation in fair value of mutual funds	5,702,859	-
Net appreciation in value of' common/collective trust	123,735	-
	<u>\$6,957,981</u>	<u>\$1,674,777</u>
Interest on notes receivable from participants	<u>\$6,561</u>	<u>\$7,143</u>
Investment loss:		
Net realized losses on mutual funds	\$ -	\$3,893,272
Net depreciation in value of mutual funds	-	5,699,582
Net depreciation in fair value of common/collective trust	-	419,964
	<u>\$ -</u>	<u>\$10,012,818</u>

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Certain plan investments are funds managed by Fidelity. Fidelity is the trustee of the Plan, and therefore, these transactions qualify as party-in-interest transactions.

4. FAIR VALUE MEASUREMENTS:

The Plan's investments are reported at fair value in the accompanying statements of net assets available for plan benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets or liabilities and have the highest priority; Level 2 inputs consist of observable information and data and have the second highest priority; Level 3 inputs consist of unobservable information and data and have the lowest priority. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The asset fair value measurement level with the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Money market funds: Valued based on quoted net asset values of the shares held by the Plan at year-end.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trust: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022.

At December 31, 2023 -	Level 1	Level 2	Level 3	Total
Money market funds	\$146,419	\$ -	\$ -	\$146,419
Mutual funds	41,433,431	-	-	41,433,431
Investments measured at NAV				4,003,735
Total investments at fair value				<u>\$45,583,585</u>

At December 31, 2022 -	Level 1	Level 2	Level 3	Total
Mutual funds	\$32,604,081	\$ -	\$ -	\$32,604,081
Investments measured at NAV				5,047,793
Total investments at fair value				<u>\$37,651,874</u>

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2023 and 2022:

	Fair Value at 12/31/2023	Fair Value at 12/31/2022	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Stable value bond	\$4,003,735	\$5,047,793	n/a	Daily	30 days

5. PARTIES-IN-INTEREST:

In addition to the party-in-interest transactions with Fidelity as referenced in Note 3, other party-in-interest transactions occurred with the Plan's auditors and an investment advisor. The Employer pays the auditor's fees.

6. INCOME TAX STATUS:

The Plan was adopted from a Basic Prototype Plan. An opinion letter was issued by the National Office of the Internal Revenue Service as evidence of the acceptability of the form of the Prototype Plan under Code Section 401. An employer who adopts the Prototype Plan will be considered to have a qualified plan only if the conditions of the Prototype opinion letter are satisfied. The Plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in

progress. The Plan administrator believes it is no longer subject to income tax examination on its tax filings for years prior to 2020.

There are no material differences between the financial statements and the Forms 5500 for the years ended December 31, 2023 and 2022.

7. PLAN TERMINATION:

Although it has not expressed any intention to do so, the Employer has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

8. FORFEITURES:

As of December 31, 2023 and 2022, the Plan had forfeiture amounts of approximately \$33,000 and \$25,000, respectively, available to reduce future employer matching contributions and to pay administrative expenses. The Company utilized approximately \$25,800 and \$37,200 of forfeiture amounts during the years ended December 31, 2023 and 2022, respectively.

9. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

10. SUBSEQUENT EVENTS:

Other events and transactions occurring after December 31, 2023 have been evaluated to determine their proper recognition and disclosure in the financial statements. Subsequent events and transactions were evaluated through July 18, 2024, which represents the date the financial statements were available to be issued.
