INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of
DanHil Containers II, Ltd. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of DanHil Containers II, Ltd. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of DanHil Containers II, Ltd. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of DanHil Containers

II, Ltd. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about DanHil Containers II, Ltd. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DanHil Containers II, Ltd. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about DanHil Containers II, Ltd. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets (Held at End of Year) for the year ended December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DANHIL CONTAINERS II, LTD. 401(k) PROFIT SHARING PLAN

Notes to the Financial Statements

For the Years Ended December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN

General – The DanHil Containers II, Ltd. 401(k) Profit Sharing Plan is a defined contribution retirement plan covering substantially all employees of DanHil Containers II, Ltd. who have six months of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan includes DanHil Containers II, Ltd., a Texas Partnership together with its affiliated company, DanHil Containers III LLC/DBA Budget Box.

Contributions – Each year, participants may contribute pretax annual compensation up to the full amount of their salary, including bonuses, provided it does not exceed the maximum allowed by the Internal Revenue Code. Effective January 1, 2015, participants are able to contribute Roth 401(k) deferrals, which are subject to federal income taxes in the year of deferral. An employee is eligible to participate in the plan on the first day of the plan year or on the first day of the seventh month of the plan year. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions up to the maximum amount allowed by law. Once an employee is participating in the plan, they can change their elections at any time. Participants may also contribute amounts representing distributions from other qualified deferred compensation plans. Once employees are eligible to participate in the plan, the employer will automatically withhold a portion of eligible compensation each pay period. If an employee would like to opt out, they must complete and submit a salary deferral agreement. Participants direct the investment of their contributions into various investment options offered by the Plan. For the period January 1, 2021 through June 30, 2022, the Company contributed 50% of the first 4% of compensation that a participant contributes to the Plan, no more than 2% of the base salary. Beginning on July 1, 2022, the Company contributed 50% of the first 6% of compensation that a participant contributes to the Plan, no more than 3% of the base salary. The matching contribution is invested in the same manner as the employee's elective contributions. Additional discretionary amounts may be contributed by the Company at the option of the Company's Board of Directors.

Participant Accounts – Each participant's account is credited with the participant's contribution and the Company's matching contribution and allocations of (a) the Company's contribution, and (b) Plan earnings, and charged with (a) any withdrawals or payments from the participant's account and (b) the participant's proportionate share of any decrease in the fair market value of the Fund since the last valuation date. Allocations of the Company's discretionary contribution are based on participants' compensation, contributions, and allocations of plan earnings are directed by the participants according to their investment selections. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are fully vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Benefits vest on a graded scale of 20% after two years and 20% after each of years three through six, so that a participant is 100% vested after six years of credited service.

Payment of Benefits – On termination of service due to death, disability, or retirement, the participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installments permitted only for participants or beneficiaries who must receive a required minimum distribution. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. Hardship distributions are permitted in amounts up to the lesser of 100% of the participant's vested interest or the amount necessary to satisfy the participant's heavy financial need. In-service distributions are permitted for participants who have reached either age 59½ or normal retirement age.

DANHIL CONTAINERS II, LTD. 401(k) PROFIT SHARING PLAN

Notes to the Financial Statements

For the Years Ended December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Forfeited Amounts – Forfeitures for the years ended December 31, 2023 and 2022 totaled \$22,010 and \$16,288, respectively. As of December 31, 2023 and 2022, forfeited nonvested accounts totaled \$36,963 and \$14,288, respectively. These accounts will be used to reduce future employer contributions to the Plan or may use forfeitures to pay Plan expenses. Also, employer contributions were reduced by \$-0- and \$2,000 for the plan years ended December 31, 2023 and 2022, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared under the accrual method of accounting.

Nature of Investments – For the year ended December 31, 2023 and 2022, investments consist of assets held by Reliance Trust Company. The Standard Insurance Company has been appointed to provide all administrative services necessary to support the insurance contract issued.

Use of Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold during the year and on investments held during the year.

Excess Contributions Refundable – Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as liability with a corresponding reduction to contributions. The Plan distributed the 2023 excess contributions to the applicable participants prior to March 15, 2024.

Payment of Benefits – Benefits are recorded when paid.

Expenses – Administrative expenses of the Plan are paid by the Plan, as provided in the Plan document. Expenses that are paid by the Company are excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) of fair value of investments.

Recently Adopted Accounting Pronouncement

In June 2016, the Financial Accounting Standards Board ("FABS") issued Accounting Standards Codification ("ASC") 326, Financial Instruments – Credit Losses. The standard was effective for the year ends beginning after December 15, 2022. The Plan adopted the requirements of the new standard effective January 1, 2023 and applied the standard retrospectively to both years presented, the years ended December 31, 2023 and 2022.

NOTE 3 – INVESTMENTS AT FAIR VALUE

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows.

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. Gains and losses (realized and unrealized) included in changes in net assets available for benefits are reported in net appreciation/depreciation in fair value of investments.

NOTE 4 – NONPARTICIPANT-DIRECTED INVESTMENTS

Information about the net assets and the significant components of the changes in net assets relating to the nonparticipant-directed investments is as follows:

	December 31, 2023	December 31, 2022
Net Assets:		
Mutual Funds	\$ 961,991	\$ 814,739
	<u>\$ 961,991</u>	<u>\$ 814,739</u>
Changes in Net Assets:		Year Ended December 31, 2023
Contributions		\$ 47,090
Net Appreciation		114,454
Benefits paid to participants		(17,550)
Transfers		3,733
Fees / Expenses		(475)
		<u>\$ 147,252</u>

NOTE 5 – INVESTMENT AT CONTRACT VALUE

As of December 31, 2023 and 2022, the Plan's group annuity contract with Standard Insurance Company is a fully benefit-responsive contract. Under the terms of the contracts, participant-initiated transactions for the purpose of receiving benefits allowed under the plan, such as retirement, death, disability, hardship, required minimum distribution, allowable in-service withdrawal, are completed at contract value without conditions, limits, or restrictions.

Contract value represents contributions made, less withdrawals and administrative expenses, plus interest credited. Daily liquidity at contract value is available for participant contributions and withdrawals. The Plan's Standard Stable Asset A's contract value is a generally liability against Standard Insurance Company on the Plan's behalf. Certain events may limit the ability of the Plan to transact at contract value. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment or other withdrawal restriction may apply. The plan sponsor may choose to pay the market value adjustment directly, if applicable, so that the participants' contract values are not affected.

The contract value of the investment contract at December 31, 2023 and 2022 was \$2,060,755 and \$1,718,373, respectively. The crediting rate (calculated as the percentage increase in the fund's net asset value of the Standard Stable Asset A over the plan year) as of December 31, 2023 and 2022 is 2.78% and 1.06%, respectively.

For the Years Ended December 31, 2023 and 2022

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all amounts credited to the accounts of participants are vested and become non-forfeitable.

NOTE 7 – TAX STATUS

In its latest determination letter dated March 31, 2014, the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan had taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The plan is subject to routine audits by the Internal Revenue Service; however, there are currently no audits for any tax periods in progress. The Plan's annual returns for 2022, 2021, and 2020 are subject to examination by the Internal Revenue Service, generally for three years after they were filed.

NOTE 8 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information was obtained from data that has been prepared and certified as complete and accurate by the trustee.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan's invests in various investment securities which are inherently exposed to various risks such as interest rate fluctuations, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 10 – PARTIES IN INTEREST

For the year ended December 31, 2023, certain plan investments are managed by Reliance Trust Company. Reliance Trust Company is the trustee. During the year ended December 31, 2022, certain plan investments were managed by American United Life Insurance Company (AUL). AUL was the trustee for a portion of 2022. Paylocity is the payroll processor.

Employers participating in the Plan are DanHil Containers II, Ltd. and DanHil Containers III LLC/DBA Budget Box.

Jeff Daniel is the Plan Administrator. Deborah Moon is the Chief Financial Officer and Jerry Garcia is the Human Resources Director. Ludwick, Montgomery, & Stapp, P.C. is the auditor.

NOTE 11 – SUBSEQUENT EVENTS/DATE OF MANAGEMENT'S REVIEW

Subsequent events were evaluated through July 24, 2024, which is the date the financial statements were available to be issued.
