The Board of Directors
Medical Data Systems, Inc. 401(K) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Medical Data Systems, Inc. 401(K) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

(Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MEDICAL DATA SYSTEMS, INC. 401(K) PLAN

Notes to Financial Statements

December 31, 2023 and 2022

(1) Description of Plan

The following description of the Medical Data Systems, Inc. 401(K) Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

(a) General

The Plan, which commenced on January 1, 2001, is a defined contribution retirement plan covering substantially all employees, except for seasonal employees of Medical Data Systems, Inc. (the Sponsor). Employees are eligible to become participants and enter the Plan immediately after completing three consecutive months of eligibility service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

(b) Contributions

Employees may elect pretax contributions of up to 90% of their eligible annual compensation, as defined in the Plan Agreement, subject to certain IRS limitations. The Plan also allows employees to elect Roth after-tax contributions and provides for new eligible participants to be automatically enrolled with a pretax deferral of 3%. The Plan provides for an employer matching contribution equal to 50% of eligible employees' contributions of the first 6% of each employee's eligible compensation, as determined each payroll period. Contributions are made to the various funds as designated by the employee.

The Plan also provides for an employer profit sharing contribution, at the discretion of the Sponsor's Board of Directors. No profit sharing contributions were made during 2023 or 2022.

The Plan allows for the Sponsor to make additional qualified non-elective contributions to non-highly compensated employees at its discretion, subject to certain IRS limitations, on a social security integrated basis. No qualified non-elective contributions were made for 2023 or 2022.

(c) Participant Accounts

Each participant's account is credited with the participant's contribution, the participant's pro rata share of the sponsor's contribution, and an allocation of the Plan earnings and expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

(Continued)

MEDICAL DATA SYSTEMS, INC. 401(K) PLAN

Notes to Financial Statements

(d) Notes Receivable from Participants

Loans are available from the participant's account as invested in any of the funds. All participant loans are secured by the participant's vested interest in the assets of the Plan and loans are to be repaid through payroll deductions. A participant may receive a loan from the Plan in an amount of not less than \$500. The maximum amount that may be borrowed, when aggregated with all outstanding loans of the participant from the Plan, shall not exceed specific limits set forth in the Plan. All loans are to be repaid over a term not to exceed 5 years (30 years for principal residence purchase) and bear interest at a reasonable rate. The interest rates charged ranged from 5.25% to 10.5% during 2023 and 5.25% to 9.5% during 2022.

(e) Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting for the remainder of their accounts is based on years of continuous service. A participant is 100 percent vested at the normal retirement age of 65, death, disability, and after five years of credited service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
less than 2	0%
2	25%
3	50%
4	75%
5	100%

(f) Payment of Benefits

Upon retirement or disability, a participant will be paid a single lump sum payment equal to their account balance. Participants may withdraw certain amounts from the Plan under hardship withdrawal provisions or upon reaching the age of 59 ½ years while employed with the Sponsor.

(g) Forfeitures

Forfeited non-vested accounts, inclusive of investment earnings, will be used to reduce future Sponsor contributions. As of December 31, 2023 and 2022, the Plan had forfeited non-vested accounts amounting to \$10. During the years ended December 31, 2023 and 2022 employer contributions were reduced by \$48,526 and \$100,939, respectively, from forfeited nonvested accounts.

MEDICAL DATA SYSTEMS, INC. 401(K) PLAN

Notes to Financial Statements

(2) *Summary of Significant Accounting Policies***(a) *Basis of Accounting***

The Plan's financial statements are prepared using the accrual basis of accounting. Purchases and sales of investments are recorded on a trade-date basis.

(b) *Valuation of Investments*

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Net appreciation includes realized gains and losses on investments bought and sold during the year as well as unrealized gains and losses on investments held during the year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

(c) *Notes Receivable from Participants*

Notes receivable from participants are stated at their unpaid principal balances plus any accrued unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

(d) *Payment of Benefits*

Benefits are recorded when paid.

(e) *Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported changes in net assets during the reporting period. Actual results could differ from those estimates.

MEDICAL DATA SYSTEMS, INC. 401(K) PLAN

Notes to Financial Statements

(3) Investments (Unaudited)

The Plan's Sponsor has received certifications as to the accuracy, completeness, and valuation of investments and related investment activity from Reliance Trust Company as of and for the years ended December 31, 2023 and 2022.

Investments are participant-directed and consist of mutual funds and common collective trust funds totaling \$6,005,127 and \$4,831,585 as of December 31, 2023 and 2022, respectively. See note 4.

(4) Fair Value of Investments

The Plan follows the provisions of the Fair Value Measurements and Disclosures Topic of the FASB ASC, which established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds – Valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end.

Common collective trust – Valued at net asset value of shares of the underlying investments held by the fund manager at year end. The Plan's common collective trust fund is not considered fully benefit responsive.

(Continued)

MEDICAL DATA SYSTEMS, INC. 401(K) PLAN

Notes to Financial Statements

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

2023				
	Level 1	Level 2	Level 3	Total
Mutual funds:				
Income funds	\$ 347,058	—	—	347,058

Total assets at fair value	\$ 5,788,475	216,652	—	6,005,127

Common collective trust	—	330,371	—	330,371
Total assets at fair value	\$ 4,501,214	330,371	—	4,831,585

(5) *Administrative Expenses*

Recordkeeping and certain administrative expenses of the Plan are paid voluntarily by the Sponsor. These expenses amounted to \$13,000 and \$12,500 for the years ended December 31, 2023 and 2022, respectively.

(6) *Tax Status*

The Plan is qualified under Section 401(a) of the Internal Revenue Code (IRC) and is exempt from Federal income taxes. The Plan is based on a prototype plan developed by Automatic Data Processing, Inc., which has received a favorable opinion letter from the Internal Revenue Service (IRS) dated July 8, 2014.

The Plan is subject to routine audits by various taxing jurisdictions. The Plan's open audit periods are 2020 through 2023.

The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Notes to Financial Statements

(7) *Plan Termination*

Although it has not expressed intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

(8) *Risks and Uncertainties*

The Plan invests in various investment funds that are subject to various risks that determine the values of the funds. Due to the level of risk associated with certain financial instruments and the level of uncertainty related to changes in the value of these investments, it is at least reasonably possible that changes in market conditions in the near term could materially affect participants' account balances and the value of investments reported in the financial statements.

(9) *Subsequent Events*

In preparing these financial statements, management has evaluated subsequent events and transactions for potential disclosure through July 31, 2024, the date the financial statements were available to be issued.
