INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
S.E.A.L. Security 401(k)/Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of S.E.A.L. Security 401(k)/Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2022, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2(a).

- The information in the accompanying financial statements related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 2(a) of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion on the 2022 financial statements is not modified with respect to this matter.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - 2022 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule 1, as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

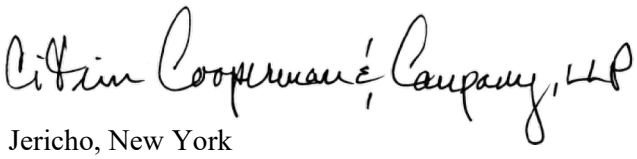

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

The financial statements of the Plan as of December 31, 2021 were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated November 22, 2022 indicated that in their opinion (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with the modified cash basis of accounting, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedules, other than the information in the 2021 supplemental schedules that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2021 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the S.E.A.L. Security 401(k)/Profit Sharing Plan and Trust (the "Plan") for employees of S.E.A.L. Security LLC and Silverman Associates (collectively, the "Company") is provided for general purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan, which was established in 1998, is a qualified defined contribution plan with a cash or deferred arrangement in accordance with the provisions of the Internal Revenue Code of 1986, as amended by subsequent acts (IRC), and the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Company has reserved the right to amend or discontinue the Plan at any time.

The Plan is in the process of operationally being amended to implement certain changes permitted by the Coronavirus Aid, Relief, and Economic Security Act and the Setting Every Community Up for Retirement Enhancement Act of 2019, which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related distributions, suspend required minimum distributions, and delay the commencement date for required minimum distributions. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and Internal Revenue Service (IRS) guidance.

(b) Eligibility and Participant Contributions

The Plan was amended on September 1, 2014 to allow for all employees, except leased employees, to be immediately eligible for membership in the Plan. Participants may make a total contribution of up to 100% of salary on a pretax basis, but no more than the amount permitted by law, which limited participant contributions to $20,500 for the year ended December 31, 2022. Participants over the age of 50 were allowed an additional catch-up contribution of $6,500 for the year ended December 31, 2022, which is the maximum allowed under the provision of the IRC. Prior to September 1, 2014, employees had to complete one year of service to be eligible for the Plan. Participants may also make Roth 401(k) contributions and contribute amounts representing distributions from other qualified defined benefit and defined contribution plans (rollovers).

(c) Employer Contributions

The Company may elect to make an annual profit sharing contribution to the Plan. The amount of such contribution will be determined by the board of directors of the Company. To be eligible for a profit sharing contribution, employees must reach age 18 and have one year of service. There was no profit sharing contribution made during the year ended December 31, 2022. Effective January 1, 2022, the Company also provides for a fully vested 100% matching contribution on up to the first 3% of plan compensation deferred by a participant, plus 50% of the amount deferred between 3% and 5% of plan compensation. For the year ended December 31, 2022, the Company made matching contributions of $77,656.

(continued)

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

(d) Participant Accounts and Vesting

Each participant has a fully vested interest in his or her elective deferrals, matching contribution, and rollover contributions, plus or minus any earnings or losses, if any. Prior to January 1, 2022, the Plan maintained a graduated vesting schedule for employer contributions, whereby all participants were fully vested after six years of service, or in the event of death, disability, or attainment of normal retirement age (65 years).

Each participant's account is credited with the participant's contribution, including rollovers, and earnings thereon, the related company matching contributions, and earnings thereon, and allocations of the Company's discretionary profit sharing contribution, if any, and earnings thereon. Each participant's account is charged with an allocation of administrative expenses. Allocations are based on participant account balances as a percentage of total participant account balances, as specified in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

(e) Hardship Withdrawals

The Plan permits for hardship withdrawals limited to the lesser of the amount required to meet the need created by the hardship or the participant's vested account balance. Permissible circumstances for hardship withdrawals include education, purchase of a principal residence, medical expenses, and to prevent foreclosure on a principal residence.

(f) Notes Receivable from Participants

A participant may borrow from his or her participant 401(k) account, subject to certain further restrictions in the Plan. Loans must be for a minimum of $1,000 and will generally be limited to 50% of the participant's vested balance. All loans to participants, when added to the outstanding balance of all other loans from the Plan, will be limited to the lesser of $50,000 or 50% of the participant's vested balance, as defined in the plan document. Loans, together with the interest required to be paid thereon, must be repaid within five years unless they are used to acquire a principal residence, in which case, the repayment period will be within a reasonable time as determined at the time the loan is made. The interest rate range on all existing loans was 4.25% to 6.50% during the years ended December 31, 2022 and 2021. All loans are secured by the participant's interest in his or her account balance.

(g) Payment of Benefits

Subject to certain restrictions in the Plan, on termination of service, a participant may elect to receive a lump-sum payment equal to the participant's vested account balance, or installments over a designated period not to exceed the joint life of the participant and his or her beneficiary, or the life expectancy of the participant.

(h) Administrative Expenses

The Plan is administered by the Company. Administrative expenses are paid by the Plan as well as by the Company.

(continued)

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

(i) Investment Options

The trustees of the Plan determine and approve investment options set up for the Plan. Upon enrollment in the Plan, a participant can direct contributions into various investment options offered by the Plan. The Plan's assets are held in trust by a custodian. The custodian invests monies according to participant directions.

(j) Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

(k) Forfeiture Credits

Forfeiture credits represent amounts forfeited by participants who terminate their participation prior to full vesting. These amounts may be allocated to other participants or used against administrative expenses of the Plan. For the year ended December 31, 2022, there were no forfeitures. There were no unapplied forfeiture credits at December 31, 2022 and 2021.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting

The accompanying financial statements have been prepared on the modified cash basis of accounting; consequently, certain items, principally employee contributions, accrued interest and dividends, and corrective distributions are recognized in the period when received or paid, the determination of additions to, and deductions from, net assets available for plan benefits in different reporting periods than they would be if the financial statements were prepared in conformity with accounting principles generally accepted in the United States of America. Investments are stated at fair value based on quoted market prices which is a modification of the cash basis method of accounting, whereby investments would be stated at their original cost. Additionally, interest on participant loans is accrued and added to the principal balance.

(b) Valuation of Investments and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements. The net appreciation in fair value of investments consists of both the realized gains or losses and unrealized appreciation or depreciation of these investments.

(c) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

(continued)

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (Continued)

(d) Accounting Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingencies, if any, at the date of the financial statements and the reported amounts of additions and deductions from net assets available for plan benefits during the year then ended. Actual results could differ from those estimates.

(e) Subsequent Events

The Plan has evaluated subsequent events after December 31, 2022 through July 30, 2024, the date that the financial statements were available to be issued.

NOTE 3 - INFORMATION CERTIFIED BY CUSTODIAN

The plan administrator has elected the method of annual reporting and compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan's custodian, John Hancock, has certified that the following data, included in the accompanying financial statements and supplementary information, is complete and accurate:

	2022	2021
Investments, at fair value:		
Pooled separate accounts	$ 1,338,149	$ 2,290,631
Total investments, at fair value	$ 1,338,149	$ 2,290,631

During the year ended December 31, 2022, the Plan's investments (including investments bought, sold, and held during the year) depreciated in value by $371,023.

Notes receivable from participants was $68,983 and $78,580 as of December 31, 2022 and 2021, respectively. During the year ended December 31, 2022, the Plan received interest income in the amount of $4,189 from these notes receivable from participants.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Based on the observability of the inputs used in the valuation techniques, the Plan is required to provide the following information according to the fair value hierarchy. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). Financial assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories:

- Level 1 - Valuation is based upon quoted prices for identical instruments traded in active markets.

(continued)

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

- Level 2 - Valuation is based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market.
- Level 3 - Unobservable inputs supported by little or no market activity for financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021:

- Pooled separate accounts (PSA) - Valued at net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the investments held by the PSA, less its liability. This practical expedient is not used when it is determined to be probable that the PSA will sell the investment for an amount different than the reported NAV.

In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy.

The preceding method may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(continued)

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for this investment. The redemption period is applicable only to the Plan.

December 31, 2022				
Investment	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled separate accounts	$ 1,338,149	N/A	Daily	One day

December 31, 2021				
Investment	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled separate accounts	$ 2,290,631	N/A	Daily	One day

NOTE 5 - TAX STATUS

The Plan adopted an Alliant Insurance Service Inc. volume submitter plan (VSP). The IRS has determined and informed Alliant Insurance Service Inc., by a letter dated June 30, 2020, that the VSP and related trust are designed in accordance with applicable sections of the IRC. The Plan has been amended since the determination letter was received. However, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently operating in compliance with the applicable requirements of the IRC.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds managed by John Hancock, the custodian, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Certain administrative fees related to the administration of the Plan were paid by the Company, which qualify as party-in-interest transactions. Administrative expenses paid by the Plan to John Hancock amounted to $11,630 for the year ended December 31, 2022.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the accompanying statements of net assets available for benefits.
