INDEPENDENT AUDITOR'S REPORT

To the Plan Trustees and Participants
Glenn Thurman, Inc. 401(k) Profit Sharing Plan
Balch Springs, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Glenn Thurman, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Glenn Thurman, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Glenn Thurman, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Glenn Thurman, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Glenn Thurman, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Glenn Thurman, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 ("supplemental schedule") is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Employer has delegated certain responsibilities for the operation and administration of the Plan. The Employer has contracted with Empower Annuity Insurance Company of America (the "Custodian") to be responsible for Plan asset custody, executing investment transactions on behalf of the Plan and its participants and to be responsible for record keeping of participants' accounts. 1. DESCRIPTION OF PLAN (continued)

Participants may elect to make contributions of up to 100% of eligible pre-tax compensation as defined in the plan document. Participants age 50 or older are permitted to make additional catch-up contributions. Participant contributions are subject to maximum annual additions permitted under provisions of the IRC.

Participants are also allowed to make rollover contributions of amounts received from other tax-qualified retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with the participant's investment directions.

The Company makes safe harbor matching contributions and matches one hundred percent (100%) of employee contributions to the Plan, limited to three percent (3%) of compensation, and an additional fifty percent (50%) of employee contributions to the Plan, limited to two percent (2%) of compensation. In addition, the Company may, at the discretion of the Company's board of directors, make discretionary non-elective contributions. The Company made no discretionary non-elective contributions for the year ended December 31, 2023.

Participant accounts

Each participant's account is credited with the participant's contributions, rollover contributions, safe harbor contributions, non-elective contributions, if any and Plan earnings, and charged with Plan losses and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the plan document. Participants direct the investment of their contributions into various investment options offered by the Plan.

1. DESCRIPTION OF PLAN (continued)

Vesting (continued)

The Company's matching contributions, any discretionary non-elective contributions, and any income thereon, made prior to January 1, 2015 is subject to the vesting schedule as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
1 year	0 %

Participant notes receivable

The Plan allows participants to borrow not less than \$1,000 and up to the lesser of \$50,000 or 50% of their account balance. The notes receivable ("notes" or "loans") are secured by the participant's vested account balance. No more than two loans may be outstanding at any one time, with the second loan available only for the purchase of a primary residence. All loans must be repaid within a five-year period or up to 15-years for the purchase of a primary residence. Under the terms of the Plan, all loans shall bear a reasonable rate of interest equal to the prime rate plus 2%. Principal and interest are paid ratably through payroll deductions. As of December 31, 2023, the rates of interest on outstanding notes ranged from 5.25% to 10.50%. Participant loans outstanding as of December 31, 2023, have various maturity dates through December 2028.

Payment of benefits

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance. Upon a participant's termination of service due to death, disability, or retirement, the participant may take a distribution from the Plan in the form of a lump sum or periodic payment. Cash out provisions of the Plan allows the Plan upon termination of employment, to distribute vested account balances of less than or equal to \$5,000 without the participant's consent. Account balances exceeding \$1,000 but less than or equal to \$5,000 may be distributed to an Individual Retirement Account for the benefit of the participant designated by the plan administrator. Account balances less than or equal to \$1,000 may be distributed as a lump sum distribution. Hardship distributions of pre-tax elective distributions are permitted.

December 31, 2023 and 2022

1. DESCRIPTION OF PLAN (continued)

Administrative expenses

Administrative expenses cover the routine expenses for services of lawyers, accountants, third party administrators, and other advisors. The Plan requires that certain expenses related to the Plan be paid directly by the Employer, but permits certain expenses incurred to administer the Plan to be paid from Plan assets.

Certain Plan investments are shares of pooled separate accounts and a guaranteed interest account managed by affiliates of the Custodian for which certain fees paid to the Custodian for investment management services are incorporated into the expense ratios of the Plan's individual funds and paid directly from fund earnings, thus impacting Plan earnings.

Forfeitures

Forfeitures of terminated participants' non-vested account balances may be used to reduce administrative expenses and/or Company contributions. Forfeited accounts for the year ended December 31, 2022 totaled \$1,505, which was used in its entirety, to reduce administrative expenses. Forfeited accounts for the year ended December 31, 2023 total \$757 and was not used in 2023 to reduce administrative expenses or Company contribution. This amount remains available to reduce administrative expenses or Company contribution.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting and financial statement presentation

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent liabilities. Actual results could differ from these estimates.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefit and changes therein.

Glenn Thurman, Inc. 401(k) Profit Sharing Plan
Notes to Financial Statements
December 31, 2023 and 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment valuation and income recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value represents the amount participants would receive under the terms of the contract (Note 5).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on sale on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses have been recorded as of December 31, 2023. Delinquent participant loans are recorded as deemed distributions based upon the terms of the plan document.

Contributions and contribution receivables

Contributions from participants are recorded based on the date the contributions have been separated from a participant's pay by the Company, which is the pay date. Employer safe harbor matching contributions and non-elective contributions, if any, are recorded in the year they are earned and to coincide with the year in which the Company records the contribution in its general ledger. The Plan records receivables for contributions based upon contributions recorded in the Plan year but received by the Plan subsequent to year end. Rollover contributions from participants are recorded based on the date the contributions are received by the Custodian.

Payment of benefits

Benefit payments are recorded when paid.

Administrative expenses

Administrative expenses are recorded when incurred.

Notes to Financial Statements
December 31, 2023 and 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Subsequent events

The Plan Administrator has evaluated subsequent events through July 31, 2024, the date the financial statements were available to be issued. Plan management is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The plan administrator, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of ERISA. Accordingly, the Custodian, determined to be a qualified institution by the plan administrator, has certified to the completeness and accuracy of:

- Investments and notes receivable from participants as shown in the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, and schedule of assets (held at end of year) as of December 31, 2023, ("supplemental schedule").
- Net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants as shown in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2023.

Accordingly, as requested by the Plan administrator, the Plan's independent auditor performed no audit procedures on the certified information other than to agree the certified information to the related information included in the Plan's financial statements and supplemental schedule.

4. FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are as follows:

Level 1: Quoted prices in active markets for identical assets or liabilities that the Plan has ability to access.

Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full-term of the assets or liabilities.

4. FAIR VALUE MEASUREMENTS (continued)

Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

In instances where the determination of fair value measurement is based on inputs from the different levels of the fair value hierarchy, the level in the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

Pooled separate accounts (PSAs) are individually valued daily based on the market value of the underlying fund minus an expense load divided by the number of shares in the fund. PSAs are included in the fair value hierarchy table as level 2 investments.

The Plan's investment in a Guaranteed Interest Account (GIA) is valued at contract value and is not disclosed within the fair value hierarchy under U.S. GAAP.

As of December 31, 2023 and 2022, there were no restrictions on redemptions or unfunded commitments for any of the major classes of assets.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Pooled separate accounts	<u>\$ -</u>	<u>\$ 7,101,013</u>	<u>\$ -</u>	<u>\$ 7,101,013</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Pooled separate accounts	<u>\$ -</u>	<u>\$ 6,754,468</u>	<u>\$ -</u>	<u>\$ 6,754,468</u>

Certain prior year amounts has been reclassified to conform with current year presentation. PSAs for 2022 were classified as net asset value at practical expedient and have been reclassified to Level 2 to conform with current year presentation.

5. GROUP ANNUITY CONTRACT

The Plan has a Group Annuity Contract (the "contract") with the Custodian under which the Custodian maintains certain participant directed contributions in the GIA, which is commingled with the general assets of the Custodian. The GIA is considered a fully benefit-responsive guaranteed interest contract and is reported at contract value on the Plan's financial statements, as determined by the Custodian. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The GIA can be terminated by the Custodian if the total fair value of the investments or the annual contribution amounts fall below minimum levels as stated in the contract. The GIA can also be terminated by either the Plan or Custodian for additional reasons as defined in the contract. Certain events, such as the premature termination of the GIA by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value with the Custodian. The plan administrator believes the occurrence of such events (which would also limit the Plan's ability to transact at contract value with Plan participants) is not probable.

The average crediting interest rate for the contract at December 31, 2023 and 2022, was 1.23% and 0.94%, respectively. Interest earned on the GIA value is compounded daily to the effective annual interest rate. The interest rate to be credited to the contract holder will be determined by Custodian prior to the last day of the previous calendar quarter.

6. TAX STATUS

The Plan has adopted the Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA Plan sponsored by TPA. The Internal Revenue Service has informed the TPA by the letter dated June 30, 2020, that its plan document is designed in accordance with applicable sections of the IRC and is appropriate for use by employers for the benefit of their employees. The plan administrator believes that the Plan, is currently designed and being operated in accordance with the applicable requirements of the IRC, and therefore, believes that the Plan is qualified and is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would have various options for the disposition of their 100% vested accounts as defined in the plan document.

8. RELATED PARTY AND PARTIES-IN-INTEREST

ERISA defines parties-in-interest similarly to the definition of a related party under U.S. GAAP, except that ERISA's definition is broader and includes all entities and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. Management did not identify any related parties to the Plan that were not also considered to be parties-in-interest. The Plan did not enter into any material related party transactions during the Plan year related to compensation arrangements, expense allowances, or similar items.

8. RELATED PARTY AND PARTIES-IN-INTEREST (continued)

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, and an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association or relatives of such persons.

Plan investments are PSAs and a GIA managed by affiliates of the Custodian. Certain fees paid to the Custodian and others for investment management services are incorporated into the expense ratios of the Plan's individual funds and paid directly from fund earnings, thus impacting Plan earnings.

The Custodian retains as compensation, any interest on amounts earned while certain transactions are pending. This applies to both contributions and distributions. Earnings are at institutional money market rates.
