INDEPENDENT AUDITOR'S REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of **Mary E. Bivins Foundation 401(k) Plan** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Part IV (4i) – Schedule of Assets (Held at End of Year) as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS
December 31, 2023**

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Mary E. Bivins Foundation (the Foundation) 401(k) Plan (the Plan) is provided for general information purposes only. For more complete information, participants should refer to the current Plan documents.

General

The Plan is a defined contribution retirement plan which provides for the participation of full-time employees of the Foundation and associated organizations, including Lee Bivins Foundation, Betty Bivins Childers Foundation, and Bivins Village I & II, who have completed three months of service and attained the age of 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended, and is intended to qualify under Section 401(k) of the Internal Revenue Code (IRC).

John Hancock Life Insurance Company, the Plan's investment custodian, is responsible for executing all investment transactions. Amarillo National Bank serves as the Plan's trustee.

Contributions

Participants may make salary deferral contributions through payroll deductions of up to 100% of annual compensation, limited to certain amounts under the IRC. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Each pay period the Foundation contributes 3% of eligible compensation to the Plan as safe-harbor contributions which are invested as directed by the Plan's participants. Additional employer profit sharing amounts of 1% and 3% of compensation for employees and senior management, respectively, may be contributed at the option of the Foundation's Board of Directors and are also directed by the Plan's participants. Employees must attain the age of 21, complete 1,000 hours during the year, and be employed on the last day of the plan year to be eligible for employer profit sharing contributions. Participant and Employer contributions are subject to the provisions of the IRC and related regulations.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Employer's contributions, and (b) Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their salary deferral contributions and the Employer's safe-harbor matching contributions, plus actual earnings thereon. Participants vest in the Employer's additional profit sharing contribution plus actual earnings thereon gradually beginning with their 2nd year of service (20%) ending at their 6th year of service (100%).

401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS
December 31, 2023**

NOTE 1 - DESCRIPTION OF PLAN (continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. Loan terms range from 1 to 5 years. The loan interest rate, determined at the time of loan funding, is set at a rate determined by the Plan Administrator based on rates that would be charged by persons in the business of lending money for loans under similar circumstances. There were no participant loans receivable as of December 31, 2023 and 2022.

Benefits Paid to Participants

Benefits are recorded when paid. On termination of service for any reason, a participant may elect to receive the value of the vested interest in his/her account as a lump-sum distribution. In certain hardship situations, as described in the Plan adoption agreement, participants may withdraw part of their account balances while actively employed, but such withdrawals are limited to the amount dictated by the hardship. Participants' withdrawals are permitted from all participant accounts with a 100% vested balance.

Forfeitures

At December 31, 2023 and 2022, forfeited non-vested accounts totaled approximately \$6,000 and \$15,000, respectively. Forfeited balances of terminated participants' non-vested accounts are used to reduce the Employer profit sharing contribution in the year subsequent to the year in which the forfeitures occur. Forfeitures of approximately \$15,000 were utilized to pay plan expenses.

Investment Options

Upon enrollment in the Plan, a participant may direct his/her contributions in any of the investment options currently offered by John Hancock Life Insurance Company, and as determined and approved by the Foundation's Board of Directors. Participants may change their investments daily.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with generally accepted accounting principles.

Administrative Expenses

Certain administrative costs including the trustee's fees and third-party custodian fees are paid by the Plan. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

**MARY E. BIVINS FOUNDATION
401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS
December 31, 2023**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In accordance with stating the investments at fair value, net unrealized appreciation or depreciation for the year is reflected in the statement of changes in net assets available for benefits.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Effective June 30, 2001, individual life insurance coverage was no longer an available investment option. However, individuals electing to have 25% of the Foundation's annual contribution to purchase life insurance prior to that date were still allowed to do so. For the years ended December 31, 2023 and 2022, the cash surrender values of these contracts were approximately \$7,000 and \$8,000 respectively. As allowed in the American Institute of Certified Public Accountants (AICPA) Audit and Accounting Guides for Employee Benefit Plans, these allocated contracts have been excluded from Plan assets in the accompanying financial statements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the Plan document.

Contributions

Contributions from Plan participants and the matching contributions from the employer are recorded in the year in which the employee contributions are withheld from compensation.

Subsequent Events

The Plan Administrator has evaluated subsequent events through July 29, 2024, the date the financial statements were available to be issued.

**MARY E. BIVINS FOUNDATION
401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS
December 31, 2023**

NOTE 3 - INFORMATION CERTIFIED BY JOHN HANCOCK LIFE INSURANCE COMPANY

The following is a summary of the asset information as of December 31, 2023 and 2022, included in the Plan's financial statements and supplemental schedule that was prepared by or derived from information provided by the custodian John Hancock Life Insurance Company and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the custodian that the information provided to the Plan Administrator by the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following Plan assets:

	<u>2023</u>	<u>2022</u>
Investments at fair value:		
Uninvested Cash	\$ 6,055	\$ 15,333
Pooled separate accounts	\$ 2,683,538	\$ 2,661,364

The custodian also certified to the completeness and accuracy of \$359,393 of net appreciation in fair value of investments for the year ended December 31, 2023.

NOTE 4 - INVESTMENTS

Investments in pooled separate accounts (PSA's) are valued based on the net asset value (NAV) of participation units held through sub-accounts of an insurance company. The NAV is used as a practical expedient to estimate fair value. The NAV is based upon the fair value of the underlying securities in the PSA's which consist of securities listed on national securities exchanges. The Plan has investments in PSA's that invest in securities of large capitalization companies, non-U.S. and U.S. equity securities, and small companies. The funds seek to achieve long-term capital appreciation with various degrees of risk by investment, primarily in securities of emerging or other growth-oriented companies. For all the PSA's, the redemption frequency is daily and there are no unfunded commitments. The investments are redeemable at the adjusted net asset value under agreements with the insurance company. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by John Hancock Life Insurance Company. John Hancock Life Insurance Company is the custodian and recordkeeper for the Plan and, therefore, these transactions qualify as party in interest transactions.

John Hancock Life Insurance Company provides certain administrative services to the Plan pursuant to a Recordkeeping Agreement (RA) between the Company and John Hancock Life Insurance Company. John Hancock Life Insurance Company receives revenue from mutual fund service providers for services John Hancock Life Insurance Company provides to the funds. This revenue is used to offset certain amounts owed to John Hancock Life Insurance Company for its administrative services to the Plan.

**MARY E. BIVINS FOUNDATION
401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS
December 31, 2023**

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS (continued)

If the revenue received by John Hancock Life Insurance Company from such mutual fund service providers exceeds the amount owed under the RA, John Hancock Life Insurance Company remits the excess to the Plan's trust on a periodic basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2023, there were no excess amounts. The Plan or Plan Sponsor may make a payment to John Hancock Life Insurance Company for administrative expenses not covered by revenue sharing. Plan administrative expenses paid to the contract administrator for 2023 was approximately \$35,000.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Foundation reserves the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, participants will become 100% vested in their accounts and the Plan assets will be distributed in a manner approved by the Internal Revenue Service.

In 2021, the Company discontinued its operations at Bivins Pointe which resulted in a partial plan termination. This affected 50 participants, 30 of whom have taken distributions from the Plan of approximately \$345,000 in the previous year. All participants affected by the partial plan termination became fully vested in their accounts prior to distributions being taken. During 2023 and 2022, another 25 and 32 participants, respectively, have taken distributions from the plan of approximately \$393,000 and \$468,000, respectively.

NOTE 7 - TAX STATUS

The Plan has not received a determination letter on their adoption of the pre-approved plan. In accordance with Revenue Procedure 2003-6, the Plan administrator has chosen to rely on the opinion letter, dated June 30, 2020 that has been issued to the pre-approved plan. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax exempt status and has taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years before 2020.

**MARY E. BIVINS FOUNDATION
401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS
December 31, 2023**

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible those changes in the values of investment securities will occur in the near term and those changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
