To the Board of Directors of
Curtis Lumber Co., Inc.
Employees' Savings and Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Curtis Lumber Co., Inc. Employees' Savings and Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Curtis Lumber Co., Inc. Employees' Savings and Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Curtis Lumber Co., Inc. Employees' Savings and Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Curtis Lumber Co., Inc. Employees' Savings and Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

INDEPENDENT AUDITOR'S REPORT

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Curtis Lumber Co., Inc. Employees' Savings and Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Curtis Lumber Co., Inc. Employees' Savings and Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITOR'S REPORT

Other Matter - Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule, that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CURTIS LUMBER CO., INC. EMPLOYEES' SAVINGS AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following description of the Employees' Savings and Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution and profit sharing plan that qualifies as a cash or deferred arrangement under Section 401(k) of the Internal Revenue Code. Effective October 1, 2023, the Plan is extended to all employees of Curtis Lumber Co., Inc. (Company and Plan Sponsor) who have completed at least 30 days of service. Prior to October 1, 2023, the Plan was extended to all employees of the Company who had completed at least 90 days of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions and Contributions Receivable

Participants may elect to contribute, on a pre-tax basis (elective deferrals), from 1% to 80% of their pay up to a maximum calendar year limit. The Company may make a qualified matching contribution to the Plan on behalf of the participants equal to a discretionary percentage of the employees' salary deferrals. The matching contribution may also be limited to salary deferrals of a certain amount or a certain percentage of the employees' compensation. In 2023 and 2022, the matching contribution was 50% of employee deferrals up to 5% of employees' compensation. Employer matching contributions amounted to \$1,000,079 and \$939,819 for the years ended December 31, 2023 and 2022, respectively.

At its discretion, the Company may also contribute a profit sharing contribution to the Plan for each employee that meets the eligibility requirements. For the years ended December 31, 2023 and 2022, the Company's profit sharing contribution amounted to \$378,292 and \$501,125, respectively.

Investments

The Plan currently offers twenty-seven (27) mutual funds through a regulated investment company and one common collective trust fund. Participants may change their investment options daily.

Participant Accounts

Each participant's account is credited with the participant's contributions, along with an allocation of (a) the Company's contributions, and (b) Plan earnings and losses. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The entitled benefit is the participant's account balance subject to vesting.

Vesting

Participants are immediately vested in their voluntary contribution, plus actual earnings/losses thereon. Vesting in the Company profit sharing contribution and employer matching contribution portion of individual accounts, plus earnings thereon, is based on years of continuous service. For the employer matching contribution and the profit sharing contribution, a participant becomes 100% vested after three years of service. The Company does not have an incremental vesting schedule therefore participants are fully vested after they complete the minimum years of service.

1. DESCRIPTION OF PLAN (Continued)

Vesting (Continued)

The nonvested portion of a participant's account shall be forfeited as of the end of the Plan year in which the participant has 5 or more consecutive 1-year breaks in service or at the time of distribution of the participant's vested interest, if earlier.

Forfeitures

Forfeitures are used to offset the employer contributions. During 2023 and 2022, forfeitures from nonvested accounts were \$37,174 and \$35,110, respectively. As of December 31, 2023 and 2022, the balance of forfeited nonvested accounts available to be used to reduce future employer contributions was \$34,625 and \$46,376, respectively. In 2023 and 2022, employer contributions were reduced by \$49,722 and \$31,742 from forfeited nonvested accounts, respectively.

Benefits

The Plan provides for normal retirement benefits upon reaching age 65 and has provisions for early retirement, disability, and termination benefits. The Plan provides for payments of benefits in an amount equal to the participant's vested portion of the Company contributions and investment income, plus any employee contributions and related investment income. Benefits may be paid as a lump sum payment in cash or in equal installments over a period of assumed life expectancy at the time of distribution.

Notes Receivable from Participants

Participants may borrow from their account up to a maximum amount that is equal to the lesser of \$50,000 or 50 percent of their account balance. Loan transactions are treated as a transfer from the investment fund to the participant notes fund. Generally, loan terms range from several months to 5 years. If the loan is used to purchase a primary residence, the loan may be repaid over a reasonable period of time that may be longer than 5 years. The loans are secured by the balance in the participant's account and bear interest at the prime rate of interest plus 1%. Principal and interest are paid ratably through payroll deductions, which cannot be less frequently than quarterly.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America require management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes in those assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the plan document.

Financial Instruments Measured at Fair Value

The Plan has financial instruments which are recorded at fair value in the accompanying statements of net assets available for benefits. The Plan makes estimates regarding the valuation of assets and liabilities measured at fair value in the financial statements. These assets and liabilities include the investments in mutual funds. The collective investment trust is measured using the net asset value (NAV) per share practical expedient as determined by the issuer based on current fair values of the underlying assets of the fund as of December 31, 2023 and 2022.

Fair Value Measurement - Definition and Hierarchy

The Plan uses various valuation techniques in determining fair value and classifies into a three level hierarchy based on the nature of the inputs. Level 1 valuations are based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Level 2 valuations are based on inputs, other than quoted prices included within Level 1 that are observable either directly or indirectly. Level 3 valuations are based on inputs that are unobservable and significant to the overall fair value measurement. The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the net asset value of shares held by the Plan at year end based on quoted market prices.

Collective investment trust: Valued based on the fair value using the NAV practical expedient as determined by the issuer based on the current fair values of the underlying assets of the fund.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Risks and Uncertainties

The Plan provides for various investment options in a variety of investment securities. Investment securities are exposed to various risks, such as interest rate risk, financial market risk and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amount reported in the statements of net assets available for benefits.

Payment of Benefits

Benefits to terminated participants are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administration

The Profit Sharing Plan Committee of Curtis Lumber Co., Inc. is responsible for the administration of the Plan. The majority of the direct administrative costs are absorbed by the Plan Sponsor.

3. FAIR VALUE MEASUREMENTS

At December 31, 2023, the Plan's investments are measured at fair value on a recurring basis and are valued within the fair value hierarchy as follows:

	Fair Value Measurements at the End of the Reporting Period Using:			<u>Total</u>
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)	
Mutual funds	<u>\$60,659,128</u>	<u>\$ -</u>	<u>\$ -</u>	\$60,659,128
