INDEPENDENT AUDITOR'S REPORT

To the Trustees

Tom Kadlec & Affiliates 401(k) Profit Sharing Plan
Rochester, Minnesota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Tom Kadlec & Affiliates 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Tom Kadlec & Associates 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Tom Kadlec & Associates 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Trustees

Tom Kadlec & Associates 401(k) Profit Sharing Plan

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Tom Kadlec & Associates 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Tom Kadlec & Associates 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

To the Trustees

Other Matter — Supplemental Schedule Required by ERISA (Continued)

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

1. Description of the Plan

The following description of the Tom Kadlec & Affiliates 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all eligible employees (other than members of a collective bargaining unit and nonresident aliens) of Kadlec Motors, Inc. dba Tom Kadlec Honda, TTT, Inc. dba Tom Kadlec Kia, and TAK of Rochester, Inc. dba ABRA Auto Body & Glass (collectively, the Company). The Plan became effective January 1, 2018 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Most recently, the Plan's operations for the 2020 plan year were amended to adopt the provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act.

Administration – The Plan is administered by plan trustees and advised by an external third party consultant. The Trustee of the Plan's assets is John Hancock Life Insurance Company (the Trustee). The Trustee executes transactions based upon direction from the Plan's administrator and the Plan's participants.

Participation – To be eligible for the Plan, employees must be age twenty-one or older and have completed one year of service, as defined in the Plan document. Plan entry dates are the first day of the first month and seventh month of the plan year.

Contributions – Contributions to the Plan include pre-tax and post-tax (Roth) salary reduction contributions, rollover contributions, catch-up contributions, employer safe harbor matching contributions and the Company's discretionary nonelective and/or matching contributions (if any).

For the years ended December 31, 2023 and 2022, the Company contributed a safe harbor matching contribution of 100% of a participant's elective deferral up to 3% of a participant's compensation, plus 50% of a participant's elective deferral from 3% up to 5% of a participant's compensation. There were no discretionary nonelective contributions made for the years ended December 31, 2023, and 2022.

Participant Accounts - Each participant's account is updated to include the participant's contributions and distributions, if any, and an allocation of (a) the Company's contribution, (b) plan earnings (losses), and (c) plan expenses, as applicable. The Plan uses a daily valuation system for each participant's individually-directed account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The participants' funds are invested in various pooled separate accounts held by the Trustee.

Notes Receivable from Participants – The Plan does not allow for participants to borrow from their fund accounts.

TOM KADLEC & AFFILIATES 401(K) PROFIT SHARING PLAN

Employer discretionary nonelective and/or matching contributions are fully vested after six years of service. A participant is also 100% vested upon death or reaching normal retirement age. Participants are fully vested at all times in all other contribution types. Participants vest in discretionary nonelective and/or matching contributions as follows:

<u>Full Years of Employment</u>	<u>Vested Percentage</u>
0-2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Benefit Payments – On termination of service, disability, death, retirement or reaching normal retirement age, participants or their beneficiaries, as applicable, are eligible to receive a distribution in an amount equal to the participant's vested account balance, or if the balance exceeds \$5,000, elect to defer the benefit payment in accordance with plan guidelines. If the participant's account balance is between \$1,000 and \$5,000, the participant's balance will be paid in the form of a direct rollover to an IRA if no other election is made by the participant. Participant balances that are less than \$1,000 will be paid to the participant in the form of a lump-sum distribution.

Participants are allowed to take in-service distributions from any of their account balances in the Plan after reaching age 59 ½. Participants are also able to take a hardship distribution from their vested account balance in an amount not to exceed the participant's financial hardship, as defined by the Plan document.

The recently adopted CARES Act provision for the Plan year 2020 allows participants under the age of 59 ½ to withdraw up to \$100,000 from their account balances in the Plan if affected by the Coronavirus during 2020. The amount distributed can be recontributed to the participant's account in the Plan within three years of the distribution.

Plan Termination - Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared in accordance with generally accepted accounting principles on the accrual basis from the financial records supplied by John Hancock Life Insurance Company, the Trustee.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Benefit Payments

Benefit payments are recorded upon distribution to participants.

Forfeitures

Forfeited, nonvested amounts may be used to pay administrative expenses of the Plan or to reduce employer contributions. There were no forfeitures during the years ended December 31, 2023 and 2022 and there were no forfeiture balances available to offset plan expenses or to reduce employer contributions as of December 31, 2023 and 2022.

Administrative Expenses

The Company pays certain administrative expenses on behalf of the Plan. Expenses paid by the Plan are included in the statement of changes in net assets available for benefits.

Reclassifications

Certain amounts presented in the prior year have been reclassified in order to be consistent with the current year's presentation.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

2. Summary of Significant Accounting Policies (Continued)

Use of Estimates in Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

3. Financial Information Certified by the Trustee

John Hancock Life Insurance Company (the Trustee) has provided the Plan Administrator with certifications as to the completeness and accuracy of total investments of the Plan held by the Trustee aggregating \$4,313,659 and \$2,920,574 as of December 31, 2023 and 2022, respectively, and the related investment (loss)/income of \$645,242 and (\$523,573), for the years then ended. Such amounts and all related financial data are included in the accompanying financial statements and supplemental schedule based upon the certifications from the Trustee.

Under the terms of the trustee agreement, the Trustee has non-discretionary authority over Plan assets and maintains investment funds on behalf of the Plan. The Trustee has been granted authority to make purchases and sales of investments at the direction of the Company and plan participants and maintains records of all participant and Plan transactions and accounts.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

4. Fair Value Measurements

Accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Observable market-based inputs or unobserved inputs that are corroborated by market data. Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value.

Pooled Separate Accounts: Pooled separate accounts are valued based upon the unit values of such pooled accounts held by the Plan at year end. Unit values are based on the fair value of the underlying assets of the funds derived from inputs principally from or corroborated by observable market data by correlation or other means, although not based upon quoted prices in an active market. The underlying investments of the pooled separate accounts consist of mutual funds, each of which follows a separate investment strategy. Due to the nature of these pooled accounts, there are no unfunded commitments or redemption restrictions.

TOM KADLEC & AFFILIATES 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

4. Fair Value Measurements (Continued)

The methods described on the previous page may produce fair values that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables reflect the Plan's investments within the fair value hierarchy as of December 31, 2023 and 2022:

As of December 31, 2023			
Assets Measured at Fair Value	Fair Value Hierarchy Level		
	Level 1	Level 2	Level 3
Pooled Separate Accounts	\$ 4,313,100	\$4,313,100	\$

5. Party-in-Interest Transactions

Transactions resulting in Plan assets being transferred to or used by a related party are considered prohibited transactions under ERISA unless a specific exemption exists. Certain plan investments include pooled separate accounts that are managed by the John Hancock Life Insurance Company (the Trustee); and therefore, these transactions qualify as party-in-interest transactions. However, the transactions are not considered prohibited transactions as ERISA regulations provide for a specific exemption for such transactions.

Additionally certain employees of the Company provide accounting and administrative services for the Plan for which no fees are charged. These transactions are also permitted under ERISA regulations.

6. Tax Status

The prototype plan document utilized by the Plan obtained its latest IRS opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan evaluates all significant tax positions as required by generally accepted accounting principles in the United States. As of December 31, 2023, the Plan does not believe that it has taken any tax positions that would require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next twelve months.

The Plan's informational returns are subject to examination by the appropriate regulatory authorities as of December 31, 2023, and the Plan's federal informational returns generally remain open for a period of three years.

7. Risks and Uncertainties

The Plan offers a number of investment options to participants that are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect amounts reported in the statements of net assets available for benefits and participant accounts.

8. Subsequent Events

In preparing the financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through July 19, 2024, the date the financial statements were available to be issued.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2024 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.
