INDEPENDENT AUDITOR'S REPORT

To the Trustees
T.C.T. 401(k) Profit Sharing Plan
Olympia, Washington

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the accompanying financial statements T.C.T. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section—

- the amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of T.C.T. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about T.C.T. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of T.C.T. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about T.C.T. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2023 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) at December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

The financial statements of T.C.T. 401(k) Profit Sharing Plan as of December 31, 2022, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated July 25, 2023 indicated that in their opinion (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedules, other than the information in the 2022 supplemental schedules that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2022 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1. Description of the Plan

The following description of the T.C.T. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement, as amended, for a more complete description of Plan provisions. The Plan is subject to the Employee Retirement Income Security Act for 1974 (ERISA).

General:

The Plan is a contributory defined contribution plan covering all eligible employees of Thurston County Title Company (T.C.T., the Plan Sponsor). To be eligible for the Plan, employees must complete six months of service. All employees covered by a collective bargaining agreement, leased employees, or non-resident aliens are not eligible to participate in the Plan. Eligible employees may enter the Plan on the first day of the Plan year or the seventh month of the Plan year coinciding with or following the date eligibility requirements are met. On December 29, 2022, the SECURE 2.0 Act of 2022 was signed into law, which provides both required and optional future enhancements to tax qualified retirement plans and their participants. The provisions of the SECURE 2.0 Act may be effective and operationalized prior to formally amending the Plan document. The Plan has until the last day of the first plan year beginning on or after January 1, 2025 to formally amend the Plan documents. The Plan is implementing the required provisions in accordance with the applicable effective dates and is also continually evaluating the optional provisions.

Contributions:

Each year, participants may contribute up to 100 percent of eligible compensation or the maximum amount allowed by law. Participant contributions may be made as pre-tax or roth. Participants may also contribute amounts representing distributions from other qualified plans (rollovers).

T.C.T. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
For the year ended December 31, 2023

NOTE 1. (Continued)

The Plan Sponsor may contribute a discretionary matching contribution. To be eligible for the discretionary matching contribution an employee must have completed at least 1,000 hours of service and be employed on the last day of the Plan year. The discretionary matching contribution for the year ended December 31, 2023 was 60 percent of participant deferrals up to 4 percent of eligible compensation.

Participant Accounts and Investment Options:

Contributions from Plan participants and the related Plan Sponsor matching contributions are recorded in the year in which the employee contributions are withheld from compensation. Contributions to participant accounts are deposited into participant-directed funds at Capital Bank and Trust Company. Participants direct the investment of their contributions into various investment options offered by the Plan. The Sponsor periodically reviews the investment fund options available to participants and drops or adds investment funds as warranted.

Each participant's account is credited with the participant's contribution and allocation of the Sponsor's and Plan earnings. Allocations are based on participant earnings or account balances as defined.

Notes Receivable from Participants:

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50 percent of their vested account balance or \$50,000. Loan transactions are treated as a transfer between investment funds and the Participant Loan fund. Loan terms range from one to five years, or more, if for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at 1 percent over prime rate at the time of the loan initiation. Interest rates range from 4.25 percent to 9.50 percent as of December 31, 2023. Principal and interest is paid ratably through payroll deductions.

Vesting:

Participants are 100 percent vested in participant salary contributions, rollovers, and the related earnings at all times. Vesting in all other Plan Sponsor contributions plus earnings is based on years of credited service. Generally, a participant is 100 percent vested in Plan Sponsor contributions after six years of credited service or upon age 65, retirement, death, disability or termination of the Plan.

NOTES TO FINANCIAL STATEMENTS
For the year ended December 31, 2023

NOTE 1. (Continued)

Forfeitures:

Nonvested account balances forfeited into the Plan for the years ended December 31, 2023 and 2022 were \$12,790 and \$6,962, respectively.

Forfeitures of terminated participants' nonvested account balances can be used to reduce the Plan Sponsor's contributions or pay Plan expenses. For the year ended December 31, 2023, forfeitures of \$13,062 were used to pay Plan expenses.

Payment of Benefits:

Upon termination of service due to disability, death, or retirement, a participant whose vested account balance is over \$5,000 may elect to leave their vested account balance invested in the Plan or receive a lump-sum amount equal to the value of their account. Terminated participants with a vested account balance less than \$5,000 will automatically be paid as defined in the Plan Document. In-service withdrawals upon attainment of age 59 1/2 and hardship distributions are allowed in accordance with the terms of the Plan.

NOTE 2. Summary of Significant Accounting Policies

Basis of Presentation:

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America and present the net assets available for Plan benefits and the changes in those net assets.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets at the date of the financial statements and the reported amounts of additions and deductions of net assets available for benefits during the reporting period. Actual results may differ from those estimates.

Investment Valuation and Income Recognition:

The investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

**T.C.T. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
For the year ended December 31, 2023**

NOTE 2. (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants:

Notes receivable from participants are measured at the unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are classified as distributions based upon the terms of the Plan documents.

Payment of Benefits:

Benefits are recorded when paid.

Administrative and Investment Management Expenses:

The Plan's expenses are paid either by the Plan or Plan Sponsor, as determined by the trustees, plan document, or service provider agreements. Expenses that are paid directly by the Plan Sponsor are excluded from these financial statements and are not intended to be reimbursed by the Plan. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation or depreciation of fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

Reclassification:

Certain amounts presented in the preceding year have been reclassified to conform with the financial statement presentation in the current year. The reclassifications have no effect on net increase in net assets available for benefits or net assets available for benefits as previously stated.

Date Through Which Subsequent Events Evaluated:

The date to which events occurring after December 31, 2023, the date of the most recent statement of net assets available for benefits, have been evaluated for possible adjustment to the financial statements or disclosure is August 2, 2024, which is the date on which the financial statements were available to be issued.

T.C.T. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
For the year ended December 31, 2023

NOTE 3. Risk and Uncertainties

The Plan is exposed to market and credit risk due to the various foreign and domestic investment securities that may be selected by the participant in any combination. Investment securities are exposed to various risks such as foreign currency exchange rate, interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balance and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 4. Information Certified by the Custodian

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, was obtained by management and agreed to or derived from information certified as complete and accurate as of December 31, 2023 and 2022, and for the year ended December 31, 2023 by Capital Bank and Trust Company as follows:

	2023	2022
Statements of Net Assets available for Benefits:		
Investments, at fair value	\$ 9,512,038	\$ 8,871,801
Note receivable from participants	44,576	12,441
Statement of Changes in Net Assets available for Benefits:		
Net investment income	(1,337,517)	
Interest income on notes receivable from participants	2,053	
Supplemental Schedule of Assets (Held at End of Year):		
Total investments	9,512,038	
Participant loans	44,576	

NOTE 5. Fair Value Measurements

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that are accessible at the measurement date for identical assets or liabilities that the Plan has the ability to access.

T.C.T. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
For the year ended December 31, 2023

NOTE 5. (Continued)

Level 2	Inputs to valuation methodology other than Level 1 inputs that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of assets or liabilities.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022:

Money and Mutual Funds (Registered Investment Companies): Valued at the daily closing price as reported by the fund. Money and mutual funds held by the Plan are open-end money and mutual funds that are registered with the SEC. The funds are required to publish their daily net asset value (NAV) and transact at that price.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation techniques and inputs are appropriate and consistent with other market participants, the use of different techniques and inputs or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's assets at fair value as of December 31 are as follows:

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Money and Mutual Funds	\$ 9,679,363	\$ —	\$ —	\$ 9,679,363
TOTAL ASSETS AT FAIR VALUE	\$ 9,679,363	\$ —	\$ —	\$ 9,679,363

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Money and Mutual Funds	\$ 9,078,353	\$ —	\$ —	\$ 9,078,353
TOTAL ASSETS AT FAIR VALUE	\$ 9,078,353	\$ —	\$ —	\$ 9,078,353

NOTE 6. Party-in-Interest Transactions and Administration of Plan Assets

A party-in-interest is defined as a fiduciary or employee of the Plan, any person who provides service to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee organization, or a relative of such persons mentioned.

The Plan's investment options are held in participant directed accounts at American Funds by Capital Group. Capital Bank and Trust Company is the custodian of the Plan and an affiliate of American Funds by Capital Group and, therefore, transactions with these entities qualify as party in interest transactions.

As described in Note 2, the Plan paid certain expenses related to plan operations and investment activities to various service providers. These transactions are party-in-interest transactions.

The Plan Sponsor and participating companies are party-in-interests. Certain administrative functions are performed by employees of the Plan Sponsor. No such employee receives compensation from the Plan. The Plan Sponsor has the discretion to appoint or remove any trustee or agent of the Plan. The trustees have the full power to administer the Plan and apply all of its provisions on behalf of the Plan Sponsor.

NOTE 7. Tax Status

The Plan Sponsor adopted a Non-Standardized Pre-Approved Profit Sharing Plan With CODA sponsored by Definiti LLC, which received a favorable opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020. Although the Plan has not received an opinion letter specific to the Plan itself, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and is currently being operated in compliance with applicable requirements of the IRC; therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Management evaluated the Plan's tax positions and concluded that the Plan has maintained its tax-exempt status and has taken no material uncertain tax positions that require adjustments to the financial statements; therefore, no provision or liability for income taxes has been included in the financial statements.

NOTE 8. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.
