Independent Auditors' Report

Plan Administrator
Handi-Craft Company Savings and Retirement Plan
St. Louis, Missouri

Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Handi-Craft Company Savings and Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities Of Management For The Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities For The Audit Of The Financial Statements

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required By ERISA

The supplemental schedule of Assets Held at End of Year as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HANDI-CRAFT COMPANY SAVINGS AND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 And 2022

1. Description Of The Plan

The following description of the Handi-Craft Company Savings and Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution retirement savings and profit sharing plan sponsored by Handi-Craft Company (the Employer) under the provisions of Section 401(a) of the Internal Revenue Code (IRC). Employees of Swing-A-Way Manufacturing Company and NILY LLC (also referred to as the Employer) are also eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan was most recently restated as of January 1, 2022.

Benefit Plan Plus (BPP) is the recordkeeper and third party administrator. John Hancock Life Insurance Company (John Hancock) is the custodian for the investments. Edwards Jones is utilized to review the Plan and monitor performance. The Plan also utilizes Wilshire Associates to assist with review and monitoring of investment performance.

Participation

Substantially all employees (that are non-union or non-leased employees) of the Employer are immediately eligible to make deferral contributions upon hire. Participants enter the Plan on the first day of the month after hire. Participants are eligible to share in the Employer matching contributions upon completing 500 hours of service within the first six months of employment. Participants are eligible to receive profit sharing contributions upon completing one year of service of at least 1,000 hours and must work at least 500 hours or be employed on the last day of the Plan year to be eligible for the contribution.

Contributions

Participants may elect to make contributions up to 100% of eligible compensation. Contributions are subject to certain Internal Revenue Service (IRS) limitations. Participants who attain age 50 during the Plan year, may elect to make catch-up contributions. Participants may also make contributions representing distributions from other qualified plans (rollovers).

HANDI-CRAFT COMPANY SAVINGS AND RETIREMENT PLAN

Notes To Financial Statements *(Continued)*

The Employer may elect to make a discretionary matching contribution and/or a discretionary profit sharing contribution. There were no discretionary profit sharing contributions made during 2023 or 2022.

Participant Accounts

Each participant's account is credited with the participant's contributions, Employer contributions and an allocation of Plan earnings and expenses. The allocation of earnings and expenses are determined by the participant's investment selection based on each participant's account balance, as defined in the Plan Document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Forfeitures

Forfeitures may be used to pay administrative expenses or to reduce Employer contributions. During the years ended December 31, 2023 and 2022, forfeitures used were \$5,679 and \$3,336, respectively. As of December 31, 2023 and 2022, there were \$3,950 and \$7,176, respectively, available forfeitures for future use.

Vesting

Participants are immediately vested in their elective deferral contributions plus actual earnings thereon. Participants are 20% vested in Employer contributions for each year of service, beginning after the second year of service until they are fully vested after six years of service. Nonvested amounts are forfeited if an employee terminates prior to full vesting. In the event of death or disability of a participant, the participant will automatically become fully vested.

Investment Options

Upon enrollment in the Plan, participants may direct their contributions and Employer contributions in a variety of investment options.

Payment Of Benefits

Participant's account and earnings thereon are distributed upon retirement, death, disability, or other termination of employment. Participants with account balances less than \$5,000 will automatically be distributed out of the Plan. Benefit payments are only distributed in a lump sum.

Notes To Financial Statements (*Continued*)

In-Service Withdrawals

Active participants who reach age 59-½ may withdraw all or part of their vested account balance. Participants who experience a qualifying financial hardship may withdraw all or part of their vested account resulting from their employee contributions. Hardship withdrawals will be approved only if they conform to the Plan and established IRS safe harbor provisions.

Administrative Expenses

The Employer pays significant administrative expenses of the Plan. Each participant will pay certain administrative expenses based on the percentage of assets held in their investment accounts. The investment expenses are netted against earnings and are included in investment income on the statement of changes in net assets available for benefits.

2. Summary Of Significant Accounting Policies

Basis Of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

Estimates And Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation And Income Recognition

Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Investment contracts held by a defined contribution plan are generally reported at contract value, except those contracts that are not fully benefit-responsive. In that instance, these contracts are required to be reported at fair value. The Plan's investment in the John Hancock Guaranteed Interest Account is not a fully benefit-responsive investment contract and is reported at fair value in the statement of net assets available for benefits.

HANDI-CRAFT COMPANY SAVINGS AND RETIREMENT PLAN

Notes To Financial Statements (*Continued*)

Interest income is recorded as earned on the accrual basis. Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. The net change in fair value of investments in the accompanying statement of changes in net assets available for benefits includes realized gains (losses) and unrealized appreciation (depreciation).

Payment Of Benefits

Benefits are recorded when paid.

Subsequent Events

Management evaluates subsequent events through the date the financial statements are available for issue, which is the date of the Independent Auditors' Report.

3. Certified Financial Information

Financial information relating to the investments and related earnings is included in the financial statements and is based on information provided by John Hancock. The Plan Administrator has obtained certifications from John Hancock as of and for the years ended December 31, 2023 and 2022 that such information is complete and accurate. This information has not been audited by the Plan's independent auditors.

4. Fair Value Measurements

The Plan utilizes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets; |

HANDI-CRAFT COMPANY SAVINGS AND RETIREMENT PLAN

Notes To Financial Statements (*Continued*)

- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Guaranteed Interest Account

Valued at fair value by the insurance company by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer. Because the participants transact at contract value, fair value is determined annually for financial statement reporting purposes only. Certain unobservable inputs are assessed through utilizing discount rates applied.

Pooled Separate Account

Valued at the net asset value (NAV) of units held by the Plan at year end. The NAV, as provided by John Hancock, is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes To Financial Statements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	December 31, 2023			
	Level 1	Level 2	Level 3	Total

Investments measured at net asset value (a)				8,952,487
Total Assets At Fair Value				\$ 8,996,295

- (a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2023 and 2022:

HANDI-CRAFT COMPANY SAVINGS AND RETIREMENT PLAN

Notes To Financial Statements (*Continued*)

The investment strategies of the pooled separate accounts are as follows:

- (1) Target date funds seek high total return through its target retirement date, with a greater focus on income beyond the target retirement date.
- (2) Asset allocation funds seek returns commensurate with the amount of risk that a participant has selected.
- (3) Aggressive growth funds seek long-term growth of capital consistent with prudent investment risk.
- (4) Growth funds seek long-term growth of capital.
- (5) Growth and income funds seek long-term growth of capital. Current income is also a consideration.
- (6) Income funds seek a high level of current income.
- (7) Money markets are invested in highly liquid money market accounts.

The table below sets forth a summary of changes in the fair value of the Plan's Level 3 assets for the years ended December 31, 2023 and 2022:

	Guaranteed Interest Account
Balance - January 1, 2022	\$ 42,105
Interest credited	326
Issuances	1,830
Repayments and settlements	<u>(453)</u>
Balance - December 31, 2022	43,808
Interest credited	364
Issuances	1,914
Repayments and settlements	<u>(983)</u>
Balance - December 31, 2023	<u><u>\$ 45,103</u></u>

There have been no changes in the valuation methodologies used at December 31, 2023 or 2022.

HANDI-CRAFT COMPANY SAVINGS AND RETIREMENT PLAN

Notes To Financial Statements *(Continued)*

5. Income Tax Status

The Plan was amended and restated effective January 1, 2022, through the adoption of a pre-approved plan document. The pre-approved plan document sponsor obtained an opinion letter dated June 30, 2020, which states that the prototype plan document satisfies the applicable provisions of the Code. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's federal tax returns for tax years 2020 and later remain subject to examination by taxing authorities.

6. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right to terminate the Plan at any time subject to the provisions of ERISA. Participants will become 100% vested in their accounts.

7. Party In Interest Transactions

The Plan's investments in guaranteed investment contracts and pooled separate accounts are managed by John Hancock. These transactions qualify as allowable party in interest transactions.

8. Risks And Uncertainties

The Plan invests in various investment securities, which in general are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. Reconciliation Of Financial Statements To Form 5500

The following is a reconciliation of net assets available for benefits from the financial statements at December 31, 2023 and 2022 to Form 5500:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 11,487,474	\$ 9,003,471
Adjustment on guaranteed interest account to contract value	1,174	681
Net assets available for benefits per Form 5500	<u>\$ 11,488,648</u>	<u>\$ 9,004,152</u>

The following is a reconciliation of the increase in net assets available for benefits from the financial statements for the year ended December 31, 2023 to Form 5500:

Net increase per the financial statements	\$ 2,484,003
Change in fair value to contract value for guaranteed interest account	<u>493</u>
Net increase per the Form 5500	<u>\$ 2,484,496</u>

10. Subsequent Events

In January 2024, the Plan Sponsor amended their articles of incorporation to change their name from Handi-Craft Company to Dr. Brown's Company effective April 1, 2024. Concurrent with this amendment, the Plan amended its adoption agreement and changed its name from the Handi-Craft Company Savings and Retirement Plan to Dr. Brown's Company Savings and Retirement Plan.
