INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Aderans USA Savings & Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Aderans USA Savings & Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Aderans USA Savings & Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Aderans USA Savings & Retirement Plan's ability to continue as a going concern for one year after the date financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Aderans USA Savings & Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Aderans USA Savings & Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ADERANS USA SAVINGS & RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Aderans USA Savings & Retirement Plan (the “Plan”), provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

1. General

The Plan is a contributory profit sharing plan under Sections 401(a) and 401(k) of the Internal Revenue Code (IRC) covering eligible employees of Bosley, Inc., Aderans Research Institute, Aderans Hair Goods, Inc., Aderans America Holdings, Inc., Hair Club for Men, LLC (DE) U.S. Operations, HCA Advertising Services, Inc., Hair Club for Men, Ltd., Inc. (FL) Intellectual Property, NHR Group, Inc., Amekor Industries, Inc., Estetica Designs, Inc., TTEM, LLC, Pennsylvania Partners of Philadelphia, Inc. and In Vogue, Inc. (collectively, the “Employer”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. Eligibility

An employee is eligible to make contributions to the Plan and to receive a discretionary Employer profit sharing contribution on the first day of the month following the completion of three months of consecutive service and attainment of age 18. Effective January 1, 2023, participants are eligible to receive a discretionary Employer matching contribution upon the completion of one year of service. Prior to January 1, 2023, participants were required to work 1,000 hours during the plan year to receive this Employer contribution.

The Plan contains an automatic enrollment provision that allows the Employer to withhold 6% from a newly eligible employee’s compensation as an employee contribution to the Plan, unless the employee elects a greater or lesser percentage (including zero) through a salary reduction agreement. A participant’s auto deferral rate will automatically increase by 1%, up to a maximum of 10%, on the first day of each plan year.

Employees covered under a collective bargaining agreement, temporary and seasonal employees whose regularly scheduled service is less than 500 hours in a year, and non-resident aliens, if any, are excluded from participation in the Plan. Highly compensated employees of certain participating employers are ineligible for employer matching contributions.

3. Contributions

Participants may elect to contribute, on a tax-deferred basis and/or make Roth contributions, up to the maximum deferral limit per Section 402(g)(1) of the IRC. Additional “catch-up” contributions may be made beginning in the plan year in which a participant will be at least age 50 by the end of the plan year.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE A - DESCRIPTION OF THE PLAN (Continued)

3. Contributions (Continued)

The Employer may make discretionary matching contributions equal to a percentage of the participant's deferred compensation as determined by each participating employer. During the year ended December 31, 2023, the Employer made discretionary matching contributions totaling \$1,056,902 to certain participants. In addition, the Employer may make a discretionary profit sharing contribution for participants employed at the end of the year and who had 1,000 hours of service during the plan year. No profit sharing contributions were made for the year ended December 31, 2023.

4. Participant Accounts

Each participant's account is credited with the participant's contributions, Employer discretionary matching contributions, and allocations of plan earnings. Employer discretionary profit sharing contributions, if any, are allocated to each participant in the ratio that each participant's total compensation bears to all participants' total compensation. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

5. Investment Options

Participants may direct employee and Employer contributions, as desired, in any of a variety of investment options held by Empower Trust Company, LLC and Empower Annuity Insurance Company of America (collectively "Empower"), the custodian and trustee, respectively, as selected by the Employer. Participants may change their investment options daily.

6. Forfeitures

Forfeitures of terminated participants' non-vested accounts may be used to reduce future Employer contributions and to pay reasonable Plan expenses. As of December 31, 2023 and 2022, outstanding forfeitures available totaled \$16,258 and \$44,728, respectively, and are included in net assets available for benefits.

ADERANS USA SAVINGS & RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE A - DESCRIPTION OF THE PLAN (Continued)

7. Benefit Payments

Upon termination of employment, a participant may receive a lump-sum amount equal to the value of his or her vested account balance or a partial withdrawal. When a participant attains normal retirement, incurs total and permanent disability, or dies while employed, the participant or beneficiary is entitled to 100% of the participant's account balance. Additionally, participants may receive distributions upon attaining age 59 ½ or for financial hardship if certain criteria are met.

8. Vesting

Participant contributions, and Employer discretionary matching contributions, and actual earnings thereon are fully vested at all times. Certain participant accounts that were merged into the Plan in previous years are 100% vested in all contributions.

Vesting of the discretionary Employer profit sharing contribution portions of participant accounts, plus actual earnings thereon, is based upon the participant's years of service with the Employer as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

9. Notes Receivable from Participants

Active participants may borrow a minimum of \$1,000 up to 50% of their vested balance (not to exceed \$50,000 less the highest outstanding loan balance during the previous 12 months). A general-purpose loan has a repayment term of 12 to 60 months. Loans for the purchase of a principal residence have a repayment term of 61 to 180 months. The interest rate is 1% over the prime rate as published in the Wall Street Journal. Participants may not have more than two loans outstanding at one time and previously defaulted loans are not allowed to be refinanced.

10. Plan Termination

Although it has not expressed such intent, the Employer reserves the right, at any time, to discontinue its contributions and to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, all participants would become fully vested in their employer contributions. The assets of the Plan would be distributed to the participants based on each individual participant's interest in the Plan.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. **Basis of Accounting**

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

2. **Plan Administration**

The Employer is the plan sponsor and the plan administrator. The plan administrator is responsible for carrying out the duties imposed under ERISA.

3. **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

4. **Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value (except for the fully benefit-responsive investment contract which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Plan management determines the Plan's valuation policies utilizing information provided by the investment advisers, custodian, and trustee. See Note D for further discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation/depreciation includes gains and losses on investments bought and sold as well as held during the year.

5. **Payment of Benefits**

Benefits are recorded when paid.

6. **Administrative Expenses**

Administrative expenses incurred by the custodian and trustee in performance of their duties are paid from the assets of the Plan. Fees related to the administration of notes receivable from participants and other participant specific fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation/depreciation in fair value of investments.

ADERANS USA SAVINGS & RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

6. Administrative Expenses (Continued)

The plan administrator has an agreement with the recordkeeper which provides for an expense budget account (EBA). The EBA is funded by the recordkeeper's shared revenues from certain investments. At the direction of the Employer, these funds may be used to pay reasonable plan related expenses or can be allocated to plan participants at the end of the year. Shared revenues totaling \$112,664 and expenses paid from the EBA totaling \$161,830 are included other income and administrative expenses, respectively, in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023.

7. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

NOTE C - INFORMATION CERTIFIED BY CUSTODIAN AND TRUSTEE

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Empower, the custodian and trustee, as complete and accurate, except for comparing such information certified by the custodian and trustee to information included in the Plan's financial statements and supplemental schedule:

- Investments and notes receivable from participants reflected in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022
- Net investment income and interest income on notes receivable from participants reflected in the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023
- Investments and notes receivable from participants reflected in the Schedule of Assets (Held at End of Year)

ADERANS USA SAVINGS & RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE D - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

ADERANS USA SAVINGS & RETIREMENT PLAN

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Assets in the fair value hierarchy:				
Mututal funds	\$ 64,680,093	\$ -	\$ -	\$ 64,680,093

Investments at fair value	<u>\$ 55,839,987</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 55,839,987</u>

NOTE E - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds an investment that meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus credited interest, less participant withdrawals, and administrative expenses. The following represents the traditional investment contract held by the Plan:

	<u>December 31,</u>	
	<u>2023</u>	<u>2022</u>
EI Fixed Account - Series Class I (EI Account)	\$ 2,268,735	\$ 1,549,695

The EI Account held by the Plan is backed by Empower Annuity Insurance Company of America's ("Empower Annuity") general account. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The crediting interest rate may not be less than 0% and is reset quarterly. Although plan participants generally may withdraw assets from the EI Account without restrictions, the custodian may impose a hold period up to 36 months or a market value adjustment on payments due to certain plan-level events. As of December 31, 2023, no events are probable of occurring that might limit the ability of the Plan to transact at contract value with the custodian and that also would limit the ability of the Plan to transact at contract value with the participants.

ADERANS USA SAVINGS & RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE E - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (Continued)

The Employer is not allowed to offer competing funds unless mutually agreed upon by Empower Annuity and the Employer, in which case amounts withdrawn from the EI Account must be transferred to a noncompeting fund and remain there for at least 90 days before transferring to a competing fund.

NOTE F - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Empower is the trustee, custodian and recordkeeper of the Plan. Transactions with these entities qualify as party-in-interest transactions. Notes receivable from plan participants and the related interest income are also considered party-in-interest transactions.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE H - TAX STATUS

The Employer adopted a non-standardized pre-approved profit sharing plan ("pre-approved plan") which received a favorable opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020. The Plan has been amended since receiving the opinion letter. However, the plan administrator and the Plan's advisors believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. Administration errors, if any, which are insignificant or operational in nature, are handled by the plan administrator in accordance with applicable IRS correction policies. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE I - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through August 2, 2024, the date the financial statements were available to be issued.
