Independent Auditor's Report

To the Plan Administrator
Kikiktagruk Inupiat Corporation 401(k) Profit Sharing Plan
Anchorage, Alaska

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Kikiktagruk Inupiat Corporation 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BDO USA, P.C., a Virginia professional corporation, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2023, and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the

audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Kikiktagruk Inupiat Corporation 401(k) Profit Sharing Plan

Notes to Financial Statements

1. Description of Plan

The following description of the Kikiktagruk Inupiat Corporation 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan was formed on November 1, 1994 and was most recently restated effective March 1, 2022. The Plan is a defined contribution plan that covers substantially all employees of Kikiktagruk Inupiat Corporation and its subsidiaries (the Company or Employer), as defined below. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended, (ERISA) and the Internal Revenue Code (IRC).

Custodian and Administration of the Plan

The custodian of the Plan is John Hancock Life Insurance Company (U.S.A) (John Hancock). The administrator of the Plan is the Company. The custodian holds all assets of the Plan in accordance with the service provider contract with the Company. The administrator determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Eligibility

Employees who are age twenty-one or older, and who are not members of an excluded employee group, as defined below, are eligible to make deferrals to the Plan. Excluded employees are union employees whose employment is governed by a collective bargaining agreement under which retirement benefits were the subject of good faith bargaining, unless the collective bargaining agreement requires the employee to be included within the Plan, and certain nonresident aliens who have no earned income from sources within United States.

Contributions

Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined, into the Plan. Participants can contribute on a before-tax basis, an after-tax basis (Roth), or a combination thereof, subject to annual Internal Revenue Service (IRS) limitations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contributions plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled into the Plan, unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a default investment that the Plan administrator has selected. The automatic contribution arrangement does not apply to the union employees. There is no auto-escalation clause based the Plan document.

The Employer makes matching contribution of 50% of a participant's effective deferrals, up to 8% of eligible compensation. During the year ended December 31, 2023, there were \$310,024 of employer matching contributions made to the Plan. In addition, the Employer may make a discretionary profit-sharing contribution. In order to share in the profit-sharing contribution for a

Kikiktagruk Inupiat Corporation 401(k) Profit Sharing Plan

Notes to Financial Statements

Plan year, employees must be employed on the last day of the Plan year and complete at least 1,000 hours of service during the plan year. There were no discretionary profit-sharing contributions made to the Plan during the year ended December 31, 2023. The Employer may make contributions to the Plan to help satisfy the fringe benefit requirements of the law to the employees who perform work for the Employer subject to prevailing wage laws. There were no discretionary prevailing wage contributions made to the Plan during the year ended December 31, 2023.

Participant Accounts

Each participant account is credited with the participant's contributions, contributions from the Company, as well as allocations of the Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their account balances a minimum of \$1,000, up to a maximum equal to the lesser of (i) \$50,000 or (ii) 50% of the present value of the participant's account balance. Loan terms range from one to five years or longer if funds are used for the purchase of a principal residence. The loans are collateralized by the participant's account balance. Principal and interest are paid to the Plan through payroll deductions. The Plan administrator determines a reasonable rate of interest by reviewing the interest rates charged for similar types of loans by other lenders. The interest rate is fixed for the duration of the loan. The maximum number of Plan loans that participants may have outstanding at any time is one. These loans are subject to certain restrictions as defined by the Plan Document and applicable restrictions under the IRC.

Vesting

Participants are vested immediately in their elective deferrals and earnings thereon. Vesting in the Employer's matching and profit-sharing contribution portion of their account was previously based on years of continuous service. A participant was 25% vested after one year of service, 50% vested after two years of service and 100% vested after 3 years of credited service. Participants were immediately vested in the Company's contributions made to satisfy the fringe benefit requirements of the prevailing wage laws and contributions required by certain collective bargaining agreements. In the event of death, permanent disability or retirement, a participant's employer contribution account was fully vested. Effective March 1, 2022, all employer contributions are immediately 100% vested.

Benefit Payments

Vested benefits will normally be distributed to the participant or the participant's beneficiary upon termination of employment, death, disability, or retirement. In-service distributions are allowed for participants 59½ and older. Distributions are allowed in a single lump sum payment or in the form of partial withdrawals of at least \$1,000. If a vested benefit does not exceed \$5,000, a single lump sum payment will be distributed or rolled over to an IRA for the benefit of a participant, without participant's consent. Financial hardship withdrawals are permitted, as defined in the Plan Agreement.

Kikiktagruk Inupiat Corporation 401(k) Profit Sharing Plan

Notes to Financial Statements

Forfeited Accounts

Forfeitures may be used to pay administrative expenses and reduce future employer contributions. As of December 31, 2023 and 2022, no unallocated forfeiture amounts were available. During the year ended December 31, 2023, no forfeitures were used by the Plan.

2. Summary of Accounting Policies

Basis of Presentation

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines the valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on the investments bought and sold as well as held during the year.

Contributions

Participant contributions and any related employer matching contributions are recognized in the period during which the Company makes the respective payroll deduction from the participant's compensation. Profit-sharing contributions are recorded in the relevant period in accordance with the terms in the Plan document.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent loans are treated as distributions based upon the terms of the Plan Agreement. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the

Kikiktagruk Inupiat Corporation 401(k) Profit Sharing Plan

Notes to Financial Statements

2023 and 2022 excess contributions to the applicable participants prior to March 15, 2024 and 2023, respectively.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses of the Plan are paid by the Company, except for certain expenses that are charged to participant accounts, including loan, withdrawal fees, plan administrative fees, and investment management fees. Certain investment expenses which are charged within investments are presented net of the appreciation (depreciation) in fair value of investments. All other expenses of the Plan for the year ended December 31, 2023 were paid by the Company and are excluded from these financial statements.

3. Fair Value Measurements

Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodology used at December 31, 2023 or 2022. The following is a description of the valuation methodology used for assets measured at fair value:

Pooled Separate Accounts (PSAs): Pooled separate accounts are valued at the net asset value of the units held. The NAV is based on the fair value of the underlying investments held by the PSA

less its liabilities. The fair value of the underlying investments, which can consist of a single mutual fund or multiple securities, is determined using market quotations or prices obtained from independent pricing sources. The NAV, as provided by John Hancock, is used as a practical expedient to estimate fair value. NAV would not be used if it was probable that the investment would not be traded at NAV. The PSAs provide for daily redemptions by the Plan at reported NAV with no advance notice. There are no unfunded commitments related to these investments.

The preceding method described may produce a fair value calculation which may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

In accordance with Subtopic 820-10, the pooled separate accounts have not been classified in the fair value hierarchy since they are measured at net asset value per share (or its equivalent).

Fair Value of Investments that Calculate Net Asset Value (NAV)

The following table summarizes the pooled separate accounts measured at fair value based on NAV per unit as of December 31, 2023 and 2022.

	Fair Value at December 31, 2023	Fair Value at December 31, 2022
Target Risk (a)	\$ 2,666,492	\$ 1,962,816

5. Tax Status

The Plan uses a pre-approved plan document sponsored by Pension Plan Specialists, PC. Pension Plan Specialists, PC received an opinion letter from the IRS, dated June 30, 2020, which states that the pre-approved plan document, as then designed, satisfies the applicable provisions of the IRC. Although the Plan has been amended since the date of the opinion letter, Plan management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no IRS examinations for any tax periods in progress.

6. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will remain 100% vested in their accounts.

7. Related-Party Transactions and Party-in-Interest Transactions

Plan investments are managed by John Hancock. Distribution and loan processing fees are paid to John Hancock by participants. The Plan paid for investment advisory fees and recordkeeping services fees which qualify as party-in-interest transactions as defined by ERISA. Certain management fees in the form of an expense ratio charged to each investment option are paid by the Plan and deducted from earnings on investments. The Plan also issues loans to participants which are secured by the vested balance of the participant's accounts. These transactions are permitted under provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA.
