INDEPENDENT AUDITORS' REPORT

To the Plan Sponsor of
Definition 6, Inc. Employees' Retirement Savings Plan
Atlanta, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Definition 6, Inc. Employees' Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of September 1, 2023 and December 31, 2022, and the related statement of changes in net assets available for benefits for the period ended September 1, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Definition 6, Inc. Employees' Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 1, 2023 and December 31, 2022, and for the period ended September 1, 2023, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Definition 6, Inc. Employees' Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Definition 6, Inc. Employees' Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibility for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Definition 6, Inc. Employees' Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Definition 6, Inc. Employees' Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

DEFINITION 6, INC.
EMPLOYEES' RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 1, 2023 AND DECEMBER 31, 2022

Note A
Description of Plan

The following description of the Definition 6, Inc. Employees' Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan established on September 1, 1998, by Michon, Inc. dba Definition 6 (the Company, Plan Sponsor, or Plan Administrator). During 2022, the Company was acquired by Kelso & Company and was subsequently merged with Emtec, Inc. in September 2022. The Plan has been amended and restated throughout the years to comply with tax regulation. The Plan was last restated effective January 1, 2021 to comply with the IRS Cycle 3 restatement remedial amendment period. The plan provisions cover substantially all eligible employees of the Company, except union employees and nonresident aliens. Effective January 1, 2020, the Plan requires no age minimum and a two month service requirement for plan participation. Prior to January 1, 2020, the Plan required no age or service minimums for eligibility to participate. The Plan is subject to requirements of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Merger:

Effective September 1, 2023, due to the acquisition and merger of the Company discussed above, the Plan merged into the Emtec Global Services, LLC 401(k) Profit Sharing Plan. As a result, all investments were transferred from the Plan into the Emtec Global Services, LLC 401(k) Profit Sharing Plan.

Contributions:

Each year, participants may elect to contribute up to a maximum dollar amount as established by the Internal Revenue Service, as defined in the Plan. Participants age 50 or older may also make catch-up contributions to the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company may make discretionary matching contributions and/or profit sharing contributions. For 2023, the Company did not make any discretionary matching or profit sharing contributions.

All eligible employees that do not have a deferral election on file, as well as all newly eligible employees who have not elected a deferral percentage or opted out of the Plan, will automatically have compensation deferred at a rate starting at 3%. Upon enrollment in the Plan, a participant may direct employee and Company contributions to any of the Plan's investment options. Participants may change their investment options daily.

Note A
Description of Plan (Continued)

Participant Accounts:

Each participant's account is credited with the participant's contributions and an allocation of the Company's contribution and Plan earnings (losses) and is charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as define. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

Forfeited Accounts:

Upon termination of employment, participants forfeit their nonvested balances. Forfeited balances of terminated participants' nonvested accounts are used to reduce future company contributions. During the period ended September 1, 2023 and year ended December 31, 2022, there were no forfeitures and no forfeitures were used to reduce Company contributions.

Payment of Benefits:

A participant is entitled to receive a lump-sum amount equal to the vested value of his or her account upon termination of service, retirement, disability or death. A participant may request a withdrawal from the Plan while still under the employment of the Company for reasons of financial hardship, as defined in the Plan document.

Notes Receivable from Participants:

Participants may borrow from the Plan in any amount greater than $1,000 up to 50% of the participant's vested account balance, not to exceed $50,000. Note terms are for a period not exceeding five years unless for the purchase of a principal residence, in which case the note repayment period may not extend beyond thirty years. Notes are secured by the balance in the participant's account and bear interest at an agreed-upon percentage based on prevailing market rates. Principal and interest is paid through payroll deductions. Participants are allowed two outstanding notes.

Note A
Description of Plan (Continued)

Administrative Expenses:

The Company pays most of the Plan's administrative expenses, including audit fees. The Company reserves the right to elect to pay, or have the Plan pay, administrative costs in the future. Participants who invest in certain funds may be charged a short-term redemption fee if they do not keep their investment in that fund for at least 90 days. These fees are paid by the participant.

Note B
Significant Accounting Policies

Basis of Accounting:

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with U.S. GAAP.

Payment of Benefits:

Benefits are recorded when paid.

Use of Estimates:

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan document.

Contributions:

Participant contributions are recognized in the period the participant contribution is withheld from compensation.

Note B
Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Administrative Committee determines the Plan's valuation policies. See Note I for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the period.

Subsequent Events:

The Plan has evaluated subsequent events through July 30, 2024, which is the date these financial statements were available to be issued.

Note C
Related Party Activity

The Plan invests in shares of pooled separate accounts and a stable value/collective trust fund managed by John Hancock Life Insurance Company (USA). John Hancock Life Insurance Company (USA) is the trustee/custodian as defined by the plan and therefore, these transactions qualify as party-in-interest transactions. Direct fees paid to John Hancock Life Insurance Company (USA) totaled $19,719 for the period ended September 1, 2023. In addition, advisory fees totaling $20,116 were paid to Marietta Wealth Management, LLC, the advisor of the Plan. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note D
Information Prepared and Certified by the Trustee

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including investments and notes receivable from participants held at September 1, 2023 and December 31, 2022, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the period ended September 1, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company (U.S.A) (the trustee of the Plan).

Note E
Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

Note F
Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

Note G
Income Tax Status

On June 30, 2020, the Internal Revenue Service ("IRS") stated that the non-standardized profit-sharing plan with CODA adopted by the Plan, as then designated, qualifies under Section 401(a) of the IRC. The Plan administrator timely adopted the approved Plan. The Plan administrator believes that the Plan is currently being operated in accordance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the plan and recognizes a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note H
Fair Value Measurements

The Plan's investments are valued at fair value based on a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has ability to access.

Note H
Fair Value Measurements (Continued)

Level 2 Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at September 1, 2023 and December 31, 2022.

Pooled Separate Accounts: Pooled separate accounts (PSAs) invest in mutual funds. The fair value of the mutual funds is a publicly quoted pricing input and is used in determining the net asset value (NAV) of the PSAs, which is not publicly quoted. NAV is used as a practical expedient to estimate fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note H
Fair Value Measurements (Continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 (none at September 1, 2023):

	December 31, 2022			
Description	Level 1	Level 2	Level 3	Total
Pooled separate accounts (a)	$ -	$ -	$ -	$ 6,759,195

(a) The pooled separate accounts are measured using NAV as a practical expedient. In accordance with the guidance in ASU 2015-07 which has been adopted by the Plan, these investments have not been classified in the fair value hierarchy table. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note I
Fair Value of Investments in Entities That Use Net Asset Value

The following table summarizes investments measured at fair value based on net asset value (NAVs) per share as of December 31, 2022 (none at September 1, 2023).

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Pooled separate accounts	$ 6,759,195	N/A	Max 2 per month	N/A***

***Although there is no notice period limitation for redemptions, participants who take redemptions from individual funds are not allowed to transfer back into those funds until the 30-day holding period has expired. New contributions are allowed during this time period. For the stable value fund portion of the pooled separate accounts, all withdrawals initiated by a participating plan or its sponsor (participating plan directed withdrawal) and all participant withdrawals deemed to be participating plan directed withdrawals shall be effected no later than 12 months from the date that withdrawal instructions are received. Upon the delivery of withdrawal instructions, the participating plan shall have the option to either (i) receive such withdrawal on the normal funding date, subject to the application of a market value adjustment factor, or (ii) receive the withdrawal without a market value adjustment.
