INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
CHC 401(k) Plan
Pittsburgh, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of CHC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of CHC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CHC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CHC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CHC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CHC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(the Companies). Employees are eligible to participate in the Plan if they completed 1,000 hours of service within their first year of employment and have attained age 21. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees governance of the Plan.

Contributions - Participants in the 401(k) Plan are required to elect to defer, by periodic salary deduction, an amount neither less than one percent, nor more than ninety percent of their basic compensation. The Companies, at their discretion, may contribute on behalf of each participant. CHC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Note 1 - Description of the Plan (continued)

Payment of Benefits – On termination of service due to retirement or disability for a vested account balance over \$5,000, a participant may elect to receive either a lump-sum amount equal to the value of their vested interest in the account, installments over a period of not more than an assumed life expectancy, or partial withdrawals. Vested account balances under \$5,000 may only be distributed in a single lump-sum payment.

In general, a death benefit will be paid to a beneficiary as a lump-sum payment. A death benefit may also be paid over a period of time provided that time does not extend beyond an assumed life expectancy.

Plan Termination - The Plan Sponsor has the right to terminate the Plan in the event it is concluded that it is impossible or inadvisable to continue the Plan. In the event of a termination of the Plan, the participants, retired participants, and beneficiaries will become fully vested and entitled to receive the amounts then credited to their accounts in the Trust Fund.

Note 2 - Significant Accounting Policies

Basis of Presentation - The accompanying financial statements include the accounts of the CHC 401(k) Plan. A contracted trust company holds the assets of the Plan. The financial statements of the Plan are prepared on the accrual basis of accounting.

New Accounting Pronouncements - In June 2016, the FASB issued Accounting Standards Update No. 2016-13—Financial Instruments—Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments. Topic 326 amends guidance on reporting credit losses for assets held at amortized cost basis and available for sale debt securities. For assets held at amortized cost basis, Topic 326 eliminates the probable initial recognition threshold in current GAAP and, instead, requires an entity to reflect its current estimate of all expected credit losses. The allowance for credit losses is a valuation account that is deducted from the amortized cost basis of the financial assets to present the net amount expected to be collected. For available for sale debt securities, credit losses should be measured in a manner similar to current GAAP, however Topic 326 will require that credit losses be presented as an allowance rather than as a write-down. This Accounting Standards Update affects entities holding financial assets and net investment in leases that are not accounted for at fair value through net income. The amendments affect loans, debt securities, trade receivables, net investments in leases, off balance sheet credit exposures, reinsurance receivables, and any other financial assets not excluded from the scope that have the contractual right to receive cash. The adoption of this standard did not have a material impact on the Plan's business, financial position, results of operations or liquidity.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Note 2 - Significant Accounting Policies (continued)

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Allowance for Credit Losses – The Plan provides an allowance for credit losses based on management's evaluation of year-end receivables. No allowance was deemed necessary at December 31, 2023 and 2022.

Operating Expenses - The Plan Sponsor and employers absorb certain administrative fees. Expenses that are paid by the Plan Sponsor and employers are excluded from these financial statements.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Accordingly, actual results may differ from those estimates.

Note 3 - Fair Value Measurements

Fair value is defined as a market-based measurement. The objective of a fair value measurement is to estimate the price at which an orderly transaction to sell the asset or to transfer the liability would take place between market participants at the measurement date under current market conditions (that is, an exit price at the measurement date from the perspective of a market participant that holds the assets or owes the liability). A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market (or in its absence, the most advantageous market) for the asset or liability.

CHC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Note 3 - Fair Value Measurements (continued)

For some assets and liabilities, observable market transactions or market information may be available. For other assets and liabilities, observable market transactions and market information might not be available. When a price for an identical asset or liability is not observable, a reporting entity will measure fair value using another valuation technique that maximizes the use of relevant observable inputs and minimizes the use of unobservable inputs. Because fair value is a market-based measurement, it is measured using the assumptions that market participants would use when pricing the asset or liability, including assumptions about risk. As a result, a reporting entity's intention to hold an asset or settle or otherwise fulfill a liability is not relevant when measuring fair value.

Three levels of inputs may be used to measure fair value:

Level 1 - Unadjusted quoted prices in active markets for identical assets or liabilities in active markets that the reporting entity has the ability to access at the measurement date.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active and other inputs that are observable or can be corroborated by observable market data. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022:

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Note 3 - Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets	December 31, 2023		December 31, 2022	
	Level 1	Fair Value	Level 1	Fair Value
Mutual funds	\$ 62,798,897	\$ 62,798,897	\$ 68,121,792	\$ 68,121,792
Investments at fair value	<u>\$ 62,798,897</u>	<u>\$ 62,798,897</u>	<u>\$ 68,121,792</u>	<u>\$ 68,121,792</u>

Note 4 - Forfeited Accounts

During 2023 and 2022, employers' contributions were reduced by approximately \$76,000 and \$103,000, respectively, from forfeited nonvested accounts.

Note 5 - Income Tax Status

The Company has adopted a prototype plan sponsored by ADP. The prototype plan received an opinion letter dated October 6, 2020 in which the Internal Revenue Service (IRS) stated that the prototype plan was in compliance with the applicable requirements of the Internal Revenue Code (the Code). In addition, the opinion letter stated that an employer who adopts this prototype plan may rely on the prototype plan opinion letter with respect to the qualification of its plan under the Code. Therefore, the Plan Administrator believes that the Plan continues to be designed and operated in all material respects in compliance with the applicable requirements of the Code.

CHC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Note 5 - Income Tax Status (continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.

Note 6 - Investment Income

In accordance with the Contract Agreements, interest, dividends and realized gains and losses are automatically re-invested. The net change in fair values of investments consists of the net change in appreciation (depreciation) in current value, purchases of investments, and gains and losses on sales of investments.

Note 7 - Information Prepared and Certified by Trustee (Unaudited)

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, interest and dividends for the years ended December 31, 2023 and 2022, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Reliance Trust Company (the trustee of the Plan).

During 2023 and 2022, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value by approximately \$11,285,000 and (\$13,750,000), respectively.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Financial instruments that potentially subject the Plan to concentrations of credit risk consist of receivables. Receivables are principally due from employers and participants.

Note 9 - Corrective Distributions

The Plan is subject to ERISA and tax requirements for design and operation. The requirements relate to minimum participation, coverage, vesting, and funding, as well as contributions, distributions, and nondiscrimination. During 2023 and 2022, the Plan made corrective distributions of approximately \$130,000 and \$152,000, respectively, to participants in order to comply with the applicable regulations. Additionally, accrued corrective distributions of approximately \$162,000 were made during 2024. Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2023 and 2022 excess contributions to the applicable participants prior to March 15, 2024 and March 15, 2023, respectively.

Note 10 - Plan Amendments, Adoptions and Resolutions

Beginning 2022, the Plan allows for a one time qualified birth and adoption distribution (QBAD) up to \$5,000 for each child.

Effective January 1, 2022, Board resolutions were adopted to allow eligible employees of Grane PBM, Inc. to participate in the Plan.

As of June 1, 2022, the plan documents were amended and restated to comply with the changes in IRS Notice 2017-37.

Note 10 - Plan Amendments, Adoptions and Resolutions (continued)

Effective June 1, 2022, Board resolutions were adopted to allow eligible employees of Florida Executive Business Advisors, Inc. to participate in the Plan.

Effective July 1, 2022, Board resolutions were adopted to cease participation in the Plan from Executive Business Advisors, Inc.

The Plan implemented the provisions in the Secure 2.0 Act regarding the increase in age for required minimum distributions.

Several affiliated employers sold their assets under an asset purchase agreement on June 30, 2023 (the "Sale Event"). As a result, these participating employers ceased to have employees on July 1, 2023. The affiliated employers simultaneously revoked their participation in the Plan as noted below. The revocation of participation of the affiliated employers resulted in a partial plan termination. As such, any employee affected by the Sale Event had their accounts fully vested at the time of termination.

Effective July 1, 2023, Board resolutions were adopted to cease participation in the Plan from Altoona Center for Nursing Care, LLC, Colonial Park Care Center, LLC, Ebensburg Care Center, LLC, Greensburg Care Center, LLC, HarmarVillage Care Center, LLC, Harmon House Care Center, LLC, Highland Park Care Center, LLC, Kittanning Care Center, LLC, Laurelwood Care Center, LLC, Providence Care Center, LLC, Preferred Laundry Services, Inc., Riverside Nursing Centers, Inc. and Woodhaven Care Center, LLC.

Effective August 1, 2023, Board resolutions were adopted to cease participation in the Plan from Apex Rehab Solutions, Inc.

Effective September 1, 2023, Board resolutions were adopted to cease participation in the Plan from Trade Facility Services, LP.

Effective September 1, 2023, Board resolutions were adopted to allow eligible employees of Restoration Systems, Inc. to participate in the Plan.

Effective October 1, 2023, Board resolutions were adopted to cease participation in the Plan from Grane Healthcare Co.

Note 11 - Subsequent Events

Plan management has evaluated subsequent events through July 30, 2024, the date the financial statements were available to be issued.
