INDEPENDENT AUDITOR'S REPORT

**To the Administrative Committee
Co-op 401(k) Plan sponsored by Dairy One Cooperative, Inc.
Ithaca, New York**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements Co-op 401(k) Plan sponsored by Dairy One Cooperative, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Co-op 401(k) Plan sponsored by Dairy One Cooperative, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Co-op 401(k) Plan sponsored by Dairy One Cooperative, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Co-op 401(k) Plan sponsored by Dairy One Cooperative, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Co-op 401(k) Plan sponsored by Dairy One Cooperative, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Co-op 401(k) Plan sponsored by Dairy One Cooperative, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a - Schedule of Delinquent Participant Contributions and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Co-op 401(k) Plan sponsored by Dairy One Cooperative, Inc. (the “Plan”) provides only general information. Participants should refer to the plan document and adoption agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan sponsored by Dairy One Cooperative, Inc. (the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). All employees who are age 18 or older are eligible after completing one year of service or at least 30 consecutive days of eligibility service. Entry dates are the first day of the month following completion of eligibility requirements. The Administrative Committee is responsible for oversight of the Plan. The plan administrator determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Plan’s Administrative Committee.

The Plan is part of the Co-op 401(k) Trust (the “Trust”), which was established for the investment of assets of the Plan along with several other Co-op sponsored retirement plans in the United States. The assets of the Plan are held by Charles Schwab Trust Bank, the trustee, and are held in a separate subaccount of the Trust.

Contributions

Participants may make salary savings contributions in an amount up to 50% of their compensation on a pre-tax basis as defined by the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an automatic enrollment provision whereby newly eligible employees are automatically enrolled into the Plan at a deferral rate set at 3% of eligible compensation. The auto enrollment provision includes an automatic deferral escalation of 1% each year with a cap of 6%. Under the Plan, the Company makes safe harbor contributions in an amount equal to the sum of 3% of each participant’s compensation for the plan year. The Company also makes a matching contribution equal to 50% up to 6% of a participant’s compensation. The Plan also permits the Company to make a discretionary profit-sharing contribution, which is allocated by the ratio each eligible participant’s compensation bears to the total compensation of all eligible participants. No discretionary profit-sharing contributions were made for the years ended December 31, 2022 and 2021. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and the Company’s contributions, as well as allocations of the Company’s discretionary profit-sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Vesting

Participants are immediately vested in their contributions and the Company's safe harbor and discretionary profit-sharing contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their account is based on years of continuous service. A participant is 100% vested after five years of credited service. Participants will become 100% vested if they reach their normal retirement date (age 65) or they leave employment due to permanent disability, or death, even if 5 years of service is not completed.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or up to 50% of the participant's vested account balance. The notes are secured by the balance in the participant's account and bear interest at the local prevailing rates. Principal and interest are paid ratably through regular payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a 10-year period. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. In-service withdrawals are permitted for participants that have attained age 59 ½ or for financial hardship.

Forfeited Accounts

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$3,858 and \$2,010, respectively. These accounts are first used to pay administrative expenses and any remaining amounts can be used to reduce future employer contributions. During the year ended December 31, 2022, no forfeited non-vested accounts were utilized to reduce employer contributions or pay administrative expenses.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisers and insurance companies. See Note 3 for discussion of fair value measurements.

Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 4 for discussion of fully benefit-responsive investment contracts.

The Plan held investments in Co-op 401(k) Stable Asset Fund ("the Fund"), a separately managed account, which is managed for the Plan by an investment manager. The Fund is comprised of one collective trust fund, three synthetic guaranteed investment contracts, and one guaranteed investment contract. The Plan separately accounts for each of the underlying investments of the Fund for financial statement reporting purposes.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Investment Concentration

The Plan holds certain investments that represent 10% or more of the Plan's total investments at December 31:

	2022	2021
Mutual funds:		
PIMCO Total Return Fund Institutional Class	\$ 3,466,476	\$ 4,101,538
T. Rowe Price Mid-Cap Growth Fund	*	4,375,180
Vanguard Institutional Index Fund Institutional Plus Shares	5,885,657	7,052,453
Vanguard International Growth Fund Admiral Shares	*	4,098,701

* Investment did not represent 10% or more of Plan's total investments in respective year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation in fair value of investments. Accrued expenses relate to investment management and wrapper contract fees outstanding at plan year end.

Subsequent Events

The Plan has evaluated subsequent events through July 29, 2024, the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1), and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Funds: Composed primarily of fully benefit-responsive investment contracts that are valued at net asset value (NAV) of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 29,289,201	\$ -	\$ -	\$ 29,289,201
Total assets in the fair value hierarchy	29,289,201	-	-	29,289,201
Total investments measured at NAV*	-	-	-	41,690
Investments at fair value	<u>\$ 29,289,201</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 29,330,891</u>
Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 36,283,110	\$ -	\$ -	\$ 36,283,110
Total assets in the fair value hierarchy	36,283,110	-	-	36,283,110
Total investments measured at NAV*	-	-	-	45,558
Investments at fair value	<u>\$ 36,283,110</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 36,328,668</u>

*In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED

Fair Value of Investment that Calculates Net Asset Value

The following table summarizes an investment for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for this investment; the redemption notice period is applicable only to the Plan.

<u>December 31, 2022</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>
Wells Fargo/BlackRock Short-Term Investment Fund S	\$ 41,690	None	Daily	Daily
<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>
Wells Fargo/BlackRock Short-Term Investment Fund S	\$ 45,558	None	Daily	Daily

NOTE 4 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Co-op 401(k) Stable Asset Fund holds investments in a guaranteed investment contract ("GIC") and three synthetic guaranteed investment contracts ("synthetic GICs"). These investment contracts meet the fully benefit-responsive investment contract criteria, and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

CO-OP 401(k) PLAN SPONSORED BY DAIRY ONE COOPERATIVE, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 4 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS - CONTINUED

The following represents the disaggregation of contract value between types of investment contracts held by the Plan at December 31:

	<u>2022</u>	<u>2021</u>
Synthetic guaranteed investment contracts	\$ 2,401,640	\$ 2,420,698
Traditional guaranteed investment contract	<u>736,870</u>	<u>742,445</u>
Total fully benefit-responsive investment contracts	<u>\$ 3,138,510</u>	<u>\$ 3,163,143</u>

Traditional GICs are backed by the general account of the contract issuer. The Fund deposits a lump sum with the issuer and receives a guaranteed interest rate for a specified period. Interest is accrued on either a simple or fully compounded basis, and is paid either periodically or at the end of the contract term. Synthetic GICs include wrapper contracts that provide a guarantee that the credit rate will not fall below 0%. Cash flow volatility (for example, timing of benefit payments) as well as asset underperformance can be passed through to the Plan through adjustment to future contract crediting rates. Formulas are provided in each contract that adjust renewal crediting rates to recognize the difference between fair value and the book value of the underlying assets. Crediting rates are reviewed monthly for resetting. The issuers guarantee that all qualified participant withdrawals will be at contract value (principal plus accrued interest).

A security-backed contract is an investment contract issued by an insurance company or other financial institution, backed by a portfolio of bonds that are owned by the Fund. The portfolio underlying the contract is maintained separately from the contract issuer's general assets, usually by a third-party custodian. The interest crediting rate of a security-backed contract is based on the contract value, and the fair value, duration, and yield to maturity of the underlying portfolio. These contracts typically allow for realized and unrealized gains and losses on the underlying assets to be amortized, usually over the duration of the underlying investments, through adjustments to the future interest crediting rate, rather than reflected immediately in the net assets of the Fund. The issuer guarantees that all qualified participant withdrawals will be at contract value.

The Plan's ability to receive amounts due is dependent on the issuers' ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Risks arise when entering into any investment contract due to the potential inability of the issuer to meet the terms of the contract. In addition, security-backed contracts have the risk of default or the lack of liquidity of the underlying portfolio assets.

CO-OP 401(k) PLAN SPONSORED BY DAIRY ONE COOPERATIVE, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 4 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS - CONTINUED

Certain events may limit the ability of the plan sponsor and/or plan participants to transact at contract value with the issuers: (1) material amendments to the Fund's structure or administration; (2) changes to the participating plan's competing investment options including the elimination of equity wash provisions; (3) complete or partial termination of the Fund, including a merger with another fund, (4) the failure of the Fund to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA; (5) the redemption of all or a portion of the interests in the Fund held by a participating plan at the direction of the participating plan sponsor, including withdrawals due to the removal of a specifically identifiable group of employees from coverage under the participating plan (such as a group layoff or early retirement incentive program), the closing or sale of a subsidiary, employing unit, or affiliate, the bankruptcy or insolvency of a plan sponsor, the merger of the Plan with another plan, or the plan sponsor's establishment of another tax qualified defined contribution plan; (6) any change in law, regulation, ruling, administrative or judicial position, or accounting requirement, applicable to the Fund or participating plans; (7) the delivery of any communication to plan participants designed to influence a participant not to invest in the Fund. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

GICs and synthetic GICs generally do not permit issuers to terminate the agreement prior to the scheduled maturity date. Security-backed contracts generally are evergreen contracts that contain termination provisions, allowing the Fund or the contract issuer to terminate with notice, at any time at fair value, and providing for automatic termination of the contract if the contract value or the fair value of the underlying portfolio equals zero. The issuer is obligated to pay the excess contract value when the fair value of the underlying portfolio equals zero.

In addition, if the Fund defaults in its obligations under the security-backed contract (including the issuer's determination that the agreement constitutes a non-exempt prohibited transaction as defined under ERISA), and such default is not corrected within the time permitted by the contract, then the contract may be terminated by the issuer and the Fund will receive the fair value as of the date of termination.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer matching contributions.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 6 - TAX STATUS

The Plan has adopted a non-standardized pre-approved profit-sharing plan with CODA sponsored by Fox Rothschild LLP. The IRS has determined and informed the Plan by a letter dated June 30, 2020, that the Plan and related Trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified and is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more than likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Trust Bank (the trustee of the Plan).

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

CO-OP 401(k) PLAN SPONSORED BY DAIRY ONE COOPERATIVE, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 9 - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Fees incurred by the Plan for the investment management services are included in net depreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. Additionally, the Plan issues loans to participants which are secured by the participant's account balance. These transactions qualify as party-in-interest transactions. Other transactions, which may be considered related-party or party-in-interest transactions, relate to normal plan management and administrative services, and the related payment of fees.

NOTE 10 - TRANSFER OF PLAN ASSETS FROM OTHER PLAN

On January 1, 2022, Agricultural Consulting Service (ACS) merged with Dairy One Cooperative, Inc (Plan Sponsor). As a result of the merger, employees of ACS became employees of Dairy One Cooperative, Inc as the surviving entity. All participants in the 401(k) Plan sponsored by ACS became 100% vested in that plan upon termination and were provided the option to have their account balance rolled into the Co-op 401(k) Plan sponsored by Dairy One Cooperative, Inc. An aggregate of \$1,480,332 was transferred into the Plan during the year ended December 31, 2022 and is included in transfers in from other plan on the statement of changes in net assets available for benefits.

NOTE 11 - DELINQUENT PARTICIPANT CONTRIBUTIONS

The Company did not remit certain participant contributions and loan repayments to the Plan totaling \$43,181 for the year ended December 31, 2022, on a timely basis as defined by the Department of Labor. The delinquent participant contributions resulted in prohibited transactions which are separately reported on Schedule H, Line 4a - Schedule of Delinquent Participant Contributions. The third-party administrator will calculate lost earnings resulting from the delay in contributions. Additionally, the Company did not remit certain discretionary employer match contributions to the Plan totaling \$27,700 for the year ended December 31, 2022, on a timely basis as defined by the Department of Labor. The third-party administrator will calculate lost earnings resulting from the delay in employer discretionary contributions.

The amount of lost earnings for delinquent participant and employer contributions are not considered to be material to the Plan, and therefore, are not included in these financial statements.
