Independent Auditor's Report

Advisory Committee
Fine Line Homes, Inc., 401(k) Retirement Plan
Harrisburg, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of Fine Line Homes, Inc., 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statement comprise the statements of net assets available for benefits as of December 31, 2023 and 2022 and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year then ended December 31, 2023, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from issuance.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to, or is derived from, the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FINE LINE HOMES, INC., 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2023

1. General description of Plan and summary of significant accounting policies:

The following description of the Fine Line Homes, Inc., 401(k) Retirement Plan (the Plan) provides only general information. The Plan agreement provides a more complete description of the Plan's provisions.

The Plan was restated effective January 1, 2021, by adopting Fulton Financial Advisors N.A.'s Non-Standardized Pre-Approved Profit-Sharing Plan (refer to Note 4). There were no significant changes to the terms of the Plan as a result of this change.

The Plan incorporated the CARES/SECURE Acts Interim Amendment in 2023. Fine Line Homes, Inc. (the Sponsor) had previously operationally adopted CARES/SECURE Acts provisions, thus there were no changes to the operations as a result of this amendment.

General:

The Plan was established on October 1, 1989 as a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan, which is for 11 companies under common control, covers all full-time employees who have three months of service and are age 18 or older.

Contributions:

Participants may contribute any amount of eligible compensation, as defined in the Plan, subject to statutory limitations. The companies currently match \$.25 for each \$1 of the participants' contributions up to a maximum of 8% of annual compensation. Additional contributions by the companies may be made at their discretion. The Plan allows Roth 401(k) deferrals to the Plan.

Participants' accounts:

Each participant's account is credited or charged with the participant's contribution, the companies' matching contribution, an allocation of the companies' discretionary contribution, if any, earnings and losses and certain administrative expenses. Allocations are based on participants' earnings or account balances as defined. All investments are participant directed. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in their voluntary contributions, plus actual earnings thereon. Vesting in the companies' contributions and related earnings is dependent upon years of service. A participant is 100% vested after five years of service, at a rate of 20% for each service year.

Notes receivable from participants:

Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum of 50% of their vested account balance or \$50,000, whichever is less. Note terms range from one to five years. If proceeds are for the acquisition of a primary residence, the term may be extended. The notes are secured by the balance in the participant's account and bear a reasonable rate of interest as determined by the Plan administrator at the time of the note. Principal and interest are paid ratably through biweekly payroll deductions.

FINE LINE HOMES, INC., 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2023

1. General description of Plan and summary of significant accounting policies (continued):

Payment of benefits:

Upon termination of service, participants are entitled to receive a lump-sum distribution or payment in monthly, quarterly or annual installments.

Forfeitures:

Forfeitures resulting from terminated participants shall be used to, first, reduce the administrative expenses, and then the companies' contributions. The balance in the forfeiture account at December 31, 2023 and 2022 was \$5,280 and \$3,461, respectively. During 2023, administrative expenses were reduced by \$3,461 from forfeited nonvested accounts.

Termination of Plan:

Although they have not expressed any intent to do so, the companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested.

Contributions:

Contributions are recorded as additions to net assets available for benefits on the accrual basis. The receivables represent unpaid contributions through year end.

Valuation of investments:

Interest-bearing cash (money market funds) is valued at cost, which is fair value. Mutual funds are stated at fair value as determined by quoted market prices.

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Benefits:

Benefits are recorded as a deduction during the period participants are entitled to receive payment, which generally is the period when benefits are paid.

Administrative expenses:

Expenses of maintaining the Plan are paid directly by the employers and are excluded from these financial statements. Forfeitures can be used to offset the expenses of the Plan. Fees related to the administration of lump-sum distributions to participants and notes receivable from participants are charged directly to the participant's account and are included in administrative fees on the statement of changes in net assets available for benefits. Certain fees incurred by the Plan for investment management services and recordkeeping are included in net depreciation in fair value of mutual funds, as they are paid through revenue sharing, rather than a direct payment.

FINE LINE HOMES, INC., 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2023

1. General description of Plan and summary of significant accounting policies (continued):

Use of estimates:

Generally accepted accounting principles require the Plan to inform participants that there is an estimate related to the collectability of notes receivable from participants. The Plan administrator reports notes receivable from participants at face value. Should a participant default on their loan, the outstanding balance of the loan will be deemed a distribution from the Plan to the participant and reported accordingly. Such a default only has an impact on the account of the individual participant who defaulted on their loan within the Plan. There is no impact on the Plan itself or other participant account balances when such a default occurs.

2. Certification of Plan assets and transactions:

The Plan's cash, including interest-bearing cash, and investments were held by Fulton Bank, N.A., the Trustee, and transferred to Matrix Trust Company, the Custodian, effective June 10, 2023. Investment information disclosed in the accompanying financial statements and schedule of assets held at end of year, specifically investments held at December 31, 2023, and net appreciation (depreciation) in fair value of investments, investment income, dividends and other income, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the Trustee and the Custodian.

3. Fair value measurement:

The Plan ranks investments required to be reported at fair value in the three-level hierarchy for fair value measurements based upon the transparency of inputs to the valuation of an asset. Inputs may be observable or unobservable and refer broadly to the assumptions that market participants would use in pricing the asset. Observable inputs reflect the assumptions market participants would use in pricing the asset based on market data obtained from sources independent of the reporting entity. Unobservable inputs reflect the Plan's own assumptions about the assumptions that market participants would use in pricing the asset developed based on the best information available in the circumstances. The three levels of the fair value hierarchy are described below:

Level 1 – Quoted prices in active markets for identical investment.

Level 2 – Other significant observable inputs (including quoted prices for similar investments, interest rates, prepayment speeds, credit risk, etc.). The Plan does not hold any Level 2 investments.

Level 3 – Significant unobservable inputs (including the Plan's own assumptions in determining the fair value of investments). The Plan does not hold any Level 3 investments.

See Note 2 for a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023.

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2023

3. Fair value measurement (continued):

Assets reported at fair value and required to be disclosed according to the fair value measurement hierarchy at December 31, 2023 and 2022 are as follows:

		Fair value measurements using Level 1
<u>2023</u>	<u>Fair value</u>	
Mutual funds	<u>\$ 27,440,752</u>	<u>\$ 27,440,752</u>
Total	<u><u>\$ 27,440,752</u></u>	<u><u>\$ 27,440,752</u></u>
<u>2022</u>		
Money market funds	\$ 1,616,064	\$ 1,616,064
Mutual funds	<u>23,471,249</u>	<u>23,471,249</u>
Total	<u><u>\$ 25,087,313</u></u>	<u><u>\$ 25,087,313</u></u>

4. Income tax status:

The Internal Revenue Service (IRS) determined and informed Fulton Financial Advisors N.A. in a letter dated June 30, 2020, that the Non-Standardized Pre-Approved Profit-Sharing Plan from which the Plan was adopted is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since the determination letter was received; however, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

5. Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

6. Related party and party-in-interest transactions:

Fulton Bank, N.A./Fulton Financial Advisors Division and Matrix Trust Company, the custodians as defined by the Plan, qualifies as a party-in-interest. Certain fees incurred by the Plan for investment management services and recordkeeping are included in net depreciation in fair value of mutual funds, as they are paid through revenue sharing, rather than a direct payment. Additionally, notes receivable from participants are considered related party transactions.
