INDEPENDENT AUDITORS' REPORT

To the 14 W Administrative Services, LLC 401(k) Savings & Retirement Plan
and its Participants:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the 14 W Administrative Services, LLC 401(k) Savings & Retirement Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the 14 W Administrative Services, LLC 401(k) Savings & Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the 14 W Administrative Services, LLC 401(k) Savings & Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the 14 W Administrative Services, LLC 401(k) Savings & Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the 14 W Administrative Services, LLC 401(k) Savings & Retirement Plan's internal control. Accordingly, no such opinion is expressed.

- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the 14 W Administrative Services, LLC 401(k) Savings & Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

14 W ADMINISTRATIVE SERVICES, LLC 401(k) SAVINGS & RETIREMENT PLAN

Notes to the Financial Statements For the Years Ended December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN

The following description of the 14 W Administrative Services, LLC 401(k) Savings & Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, which was established by 14 W Administrative Services, LLC (the Company; formerly Agora, Inc.) effective July 1, 1988. The Plan is a standardized prototype salary reduction plan covering all employees of 14 W Administrative Services, LLC as well as employees of affiliates of 14 W Administrative Services, LLC who adopt the Plan as a participating company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Prior to February 1, 2019, the Plan allowed employees to become eligible on the first day of the calendar quarter of the Plan year coinciding with, or the next calendar quarter following, the attainment of age 21 and completion of six months of service, as defined by the Plan. Effective February 1, 2019, the Plan was amended to reduce the service requirement from six months of service to three months of service. Additionally, eligible employees may enter the plan on the first day of each month.

Participant Contributions

Participants may contribute up to 75% of their annual compensation, as defined by the Plan, not to exceed the maximum allowable contribution under the Internal Revenue Code (the Code), which totaled \$22,500 and \$20,500 for the years ended December 31, 2023 and December 31, 2022, respectively. Participants who have attained age 50 before the end of the Plan year may make additional catch-up contributions, subject to limitations imposed by the Code, which totaled \$7,500 and \$6,500 for the years ended December 31, 2023 and 2022, respectively. Participants may also make Roth elective contributions and after-tax contributions. A participant's Roth elective contributions and after-tax contributions are allocated to a separate account maintained for such contributions. Participants are also permitted to make rollover contributions from other qualified plans into the Plan.

Effective October 1, 2014, newly eligible employees are automatically enrolled in the Plan upon meeting eligibility requirements. Unless the participant elects otherwise, each participant is automatically enrolled at a deferral rate of 6% of his or her pre-tax compensation.

401(k) SAVINGS & RETIREMENT PLAN

Notes to the Financial Statements

For the Years Ended December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN – cont'd.

Company Contributions

The Company may, at its discretion, make matching and additional discretionary contributions to the Plan on behalf of each eligible participant. An employee is eligible for a Company matching contribution if the employee contributes to the Plan. The Company elected to match 50% of the first 6% of participant contributions during the years ended December 31, 2023 and 2022. The Company has elected not to match employee catch-up contributions. The Company's matching contributions are based upon year-to-date compensation and deferrals. As the Company's matching contributions are made each pay period, a true-up is required. The true-up amount totaled \$148,351 and \$203,518 as of December 31, 2023 and 2022, respectively. As of December 31, 2023 and 2022, Company contributions receivable including the true-up matching contribution totaled \$148,351 and \$203,518, respectively, on the accompanying statements of net assets available for benefits. For the years ended December 31, 2023 and 2022, the Company's matching contributions, net of forfeitures applied, totaled \$1,333,465 and \$1,999,038, respectively.

Participants are eligible to receive additional discretionary Company contributions if they are employed on the last day of the Plan year and have completed at least three months of service, as defined by the Plan. For the years ended December 31, 2023 and 2022, the Company did not make additional discretionary contributions.

Participant Accounts

Each participant's account is participant-directed and credited with the participant's contributions and distributions and allocations of: (a) Company contributions, (b) Plan earnings and losses and (c) administrative expenses. Allocations of earnings, losses, and administrative expenses are based on the proportion of each participant's account balance to the total of all account balances within the respective fund.

Vesting

Participants are immediately vested in participant contributions plus earnings thereon. Participants vest in Company matching and additional discretionary contributions and earnings thereon based on years of service, as defined by the Plan, according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Upon termination of service due to death, disability, early retirement at age 55 and 6 years of service, or retirement at age 65, an employee becomes 100% vested in their matching and discretionary contribution accounts.

Notes to the Financial Statements

For the Years Ended December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN – cont'd.

Forfeitures

Forfeitures of Company contributions may be applied to reduce future Company contributions and/or to pay administrative expenses. The Plan applied forfeitures of \$202,581 and \$0 to offset Company contributions and administrative expenses for the years ended December 31, 2023 and 2022, respectively. Forfeitures available to offset future Company matching contributions and pay administrative expenses totaled \$207,432 and \$321,804 as of December 31, 2023 and 2022, respectively.

Payment of Benefits

Upon termination of service due to death, disability, retirement at age 65, early retirement at age 55 and 6 years of service, or attainment of age 59 ½, a participant or their beneficiary, in the event of death, may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, or periodic installments, as defined by the Plan. Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, amounts contributed by the participant may be withdrawn for a hardship purpose. Distributions are subject to the applicable provisions of the Plan. Certain income tax penalties may apply to withdrawals or distributions prior to age 59 ½. As of December 31, 2023 and 2022, there were no assets of the Plan allocated to participants who had elected to withdraw from the Plan but had not received such distributions prior to year-end.

Notes Receivable from Participants

Participants may borrow up to 50% of the vested account balance, not to exceed \$50,000, without regard to the intended use of the funds. The minimum note amount is \$1,000 and a participant may hold only one outstanding note at any given time. The notes are collateralized by the participant's vested account balance and are accounted for as a specific investment of the borrowing participant's account. Note repayments are to be made each pay period through payroll deductions. The interest rate for the duration of the note is comparable to those offered by financial institutions at the time of note origination. Notes for reasons other than the purchase of a primary residence are to be repaid within five years. Effective April 4, 2021, note repayments can be made directly to Fidelity Management Trust Company.

The Plan paid direct expenses totaling \$66,500 and \$3,964 during the years ended December 31, 2023 and 2022, respectively. Loan and distribution fees are paid by the Plan and its participants. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to net assets available for benefits and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for investments in assets that are exposed to risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities may occur that materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes are treated as distributions based on the terms of the Plan agreement.

Fair Value Measurement

FASB Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont’d.

Fair Value Measurement – cont’d.

The following is a description of the valuation methodologies used for assets measured at fair value:

Interest bearing cash: Valued at amortized cost, which approximates fair value.

Interests in registered investment companies: Valued at the closing price reported in the active market in which the funds are traded.

Government bonds and corporate bonds: Valued at the closing price reported in the active market on which the individual securities are traded and on observable inputs other than quoted market prices.

Common and Preferred stock: Valued at the closing price reported in the active market on which the individual securities are traded.

Interest in common/collective trust: Valued at the net asset value (NAV) as determined by the issuer.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2023 and 2022.

The following table sets forth by level, within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total

(a) In accordance with ASC 820-10, certain investments that are measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

In accordance with the fair value measurements and disclosure guidance, the following table presents the category, fair value, redemption frequency, redemption notice period, and unfunded commitments for Plan investments, the fair value of which are estimated using the net asset value per share, as of December 31,:

	2023	2022	Redemption Frequency	Redemption Notice Period	Unfunded Commitments

Subsequent Events

The Plan evaluated for disclosure any subsequent events through July 25, 2024, the date the financial statements were available to be issued, and determined there were no subsequent events that required disclosure, except as disclosed in Note 6.

3. INVESTMENTS

All investment information disclosed in the accompanying financial statements and supplemental schedule, including assets held at December 31, 2023 and 2022, and interest and dividend income and net appreciation (depreciation) in fair value of investments for the years ended December 31, 2023 and 2022, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Trustee of the Plan, Fidelity Management Trust Company (FMTC or the Trustee).

4. PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in shares of investment funds managed by parties related to FMTC. The Plan allows participants to take out loans against their vested account balances. The Company provides certain accounting and administrative services to the Plan for which no fees are charged. Such transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

5. INCOME TAX STATUS

The Plan has adopted a standardized prototype plan with a deferral arrangement which received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. The Plan recognizes interest and penalties accrued on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of December 31, 2023 and 2022. As the Plan is tax exempt and has no unrelated business income, these provisions of ASC 740 do not have an impact on the Plan's financial statements.

The Plan is subject to routine audits by the Internal Revenue Service and Department of Labor; however, there are currently no audits for any periods in progress.

6. PLAN TERMINATION

Although it has not expressed the intent to do so, the Company has the right under the Plan to discontinue, modify, amend or terminate the Plan in total, or in part, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

During 2023, the Company experienced an event that triggered a partial Plan termination. As a result of the partial Plan termination, affected participants became 100% vested in their accounts, as they were no longer required to be in accordance with the vesting schedule in Note 1 relating to the Company's matching and additional discretionary contributions. During the year ended December 31, 2023, the Plan determined that due to the triggering of the partial Plan termination, \$63,064 of previously forfeited funds were to be returned to certain affected participants. On June 5, 2024, \$63,064 of previously forfeited contributions were added back to participants' accounts.

During 2022, the Company experienced an event that triggered a partial Plan termination. As a result of the partial Plan termination, affected participants became 100% vested in their accounts, as they were no longer required to be in accordance with the vesting schedule in Note 1 relating to the Company's matching and additional discretionary contributions. During the year ended December 31, 2022, the Plan determined that due to the triggering of the partial Plan termination, \$159,180 of previously forfeited funds were to be returned to certain affected participants. On March 15, 2023, \$159,180 of previously forfeited contributions were added back to participants' accounts.

7. OTHER INCOME

Various investment related expenses were remitted back to the Plan and held in an unallocated revenue sharing account. A total of \$104,199 and \$42,195 was remitted back to the Plan during the years ended December 31, 2023 and 2022, respectively, and are included in other income on the accompanying statements of changes in net assets available for benefits.
