Independent Auditors' Report

The Plan Administrator
Entekra LLC Retirement Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Entekra LLC Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of October 11, 2023 (in liquidation) and December 31, 2022 (ongoing), the related statements of changes in net assets available for benefits for the period ended October 11, 2023 (in liquidation) and the year ended December 31, 2022 (ongoing), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of October 11, 2023 and December 31, 2022, and for the period ended October 11, 2023 and the year ended December 31, 2022, stating that the certified investment information provided, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report,

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

As discussed in Note 1(a) to the financial statements, the Plan Sponsor approved a plan of liquidation on June 16, 2023 and management determined liquidation to be imminent. As a result, the Plan changed its basis of accounting from the going concern basis used in presenting the 2022 financial statements to the liquidation basis used in presenting the 2023 financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of delinquent participant contributions for the period ended October 11, 2023 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ENTEKRA LLC RETIREMENT SAVINGS PLAN

Notes to the Financial Statements

October 11, 2023 (In Liquidation) and December 31, 2022 (Ongoing)

(1) Description of plan

The following description of the Entekra LLC Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan was a defined contribution plan established to provide retirement benefits for employees of Entekra LLC (the "Plan Sponsor"). The Plan covered substantially all employees of the Plan Sponsor ("participants"). The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan was terminated on June 16, 2023. All assets of the Plan were distributed as of October 11, 2023. Distributions were made in the form of rollovers or lump-sum payments and are included in benefits paid on the accompanying statement of changes in net assets available for benefits for the period ended October 11, 2023.

(b) Contributions

Prior to Plan termination, each participant could contribute to the plan any whole percentage of his or her compensation from 1% to 50% on a pre-tax basis or after-tax Roth basis, up to the calendar year maximum contribution allowed by the Internal Revenue Code ("IRC"). Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants who had attained age 50 before the close of the taxable year were eligible to make catch-up contributions subject to the IRC limitations. The Plan also included an auto-enrollment feature. Participants were auto-enrolled at a 3% deferral as a pre-tax contribution, unless the participant elected otherwise.

The Plan Sponsor could make qualified nonelective contributions to help satisfy nondiscrimination rules applicable to 401(k) plans.

Plan Sponsor and participant contributions could not exceed the maximum amount deductible for federal income tax purposes.

(c) Participant accounts

Each participant's account was credited (charged) with the participant and Plan Sponsor contributions, investment earnings (losses) and administrative expenses. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

Notes to the Financial Statements

October 11, 2023 (In Liquidation) and December 31, 2022 (Ongoing)

(d) Vesting

Participants were immediately vested in their elective salary deferral and the Plan Sponsor contribution plus actual earnings (losses) thereon.

(e) Participant notes receivable

Participants could borrow from their pre-tax accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes receivable were secured by the balance in the participant's vested account and bore interest at fixed rates, which were commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest were collected ratably through payroll deductions.

(f) Payment of benefits

On termination of service, a participant could elect to receive either a single-sum payment or installment payments over a specified period equal to his or her entire account.

(g) Hardship withdrawals

The Plan permitted distributions in the event of a hardship, as defined in the plan agreement. These distributions were taxable and subjected to a tax penalty equal to 10% of the hardship distribution amount if the participant was younger than age 59½. Hardship withdrawals were limited to the participant's elective account balance.

(h) Administrative expenses

Certain expenses of maintaining the Plan were paid directly by the Plan Sponsor and were excluded from these financial statements. Fees related to the processing of distributions and notes receivable from participants were included in administrative expenses and charged directly to the participant's account. Investment related expenses were included in net appreciation (depreciation) in fair value of investments.

Notes to the Financial Statements

October 11, 2023 (In Liquidation) and December 31, 2022 (Ongoing)

(2) Summary of significant accounting policies

(a) Basis of accounting

As described in Note 1 of the financial statements, the Plan Sponsor terminated the Plan effective June 16, 2023. In accordance with accounting principles generally accepted in the United States of America ("GAAP"), the financial statements of the Plan were prepared under the liquidation basis of accounting for the period ended October 11, 2023. The financial statements of the Plan were prepared under the ongoing basis of accounting for the year ended December 31, 2022.

(b) Investment valuation and income recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by T. Rowe Price Trust Company ("TRP"). See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) Participant notes receivable

Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the plan document.

(d) Payment of benefits

Benefits are recorded when paid.

(e) Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes to the Financial Statements

October 11, 2023 (In Liquidation) and December 31, 2022 (Ongoing)

(f) Events occurring after reporting date

The Plan Sponsor has evaluated events and transactions that occurred between October 11, 2023 and August 5, 2024, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

(3) Certified information

Certain information related to investments and notes receivable from participants reported and disclosed in the accompanying financial statements and supplemental schedule, including the fair value of investments and notes receivable from participants held at December 31, 2022, and net appreciation (depreciation) in fair value of investments, interest and dividend income, and interest on participant notes receivable for the period ended October 11, 2023 and the year ended December 31, 2022, was obtained or derived from information supplied to the Plan Sponsor and certified as complete and accurate by TRP.

(4) Fair value measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

ENTEKRA LLC RETIREMENT SAVINGS PLAN

Notes to the Financial Statements

October 11, 2023 (In Liquidation) and December 31, 2022 (Ongoing)

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022.

- (i) *Mutual funds*: Valued based on the funds' reported closing net asset values of shares held by the Plan as of the last business day of the plan year. The mutual funds are deemed to be actively traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table set forth by level the Plan's assets within the fair value hierarchy as of December 31, 2022:

**Fair Value Measurements as of
December 31, 2022 using the following inputs**

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Assets in the fair value hierarchy - mutual funds	\$ <u>331,800</u>	\$ <u>-</u>	\$ <u>-</u>	331,800
Investments measured at NAV as a practical expedient (a)				<u>338,759</u>
Investments at fair value				\$ <u>670,559</u>

- (a) Certain investments as of December 31, 2022 were measured at net asset value as a practical expedient to estimate fair value and, therefore, have not been classified in the fair value hierarchy.

The following table summarizes investments for which the fair value was measured using the net asset value ("NAV") per share practical expedient as of December 31, 2022. There were no participant redemption restrictions for these investments; the redemption notice period was applicable only to Plan level transactions.

<u>Description</u>	<u>Fair Value</u> <u>12/31/2022</u>	<u>Unfunded</u> <u>Commitments</u>	<u>Frequency (if</u> <u>currently eligible)</u>	<u>Redemption</u> <u>Notice Period</u>
Collective trusts	\$338,759	n/a	Daily	30 days

Notes to the Financial Statements

October 11, 2023 (In Liquidation) and December 31, 2022 (Ongoing)

(5) Income tax status

The Plan Sponsor adopted a pre-approved plan, which received a favorable opinion letter from the Internal Revenue Service ("IRS") on August 19, 2020, which stated that the pre-approved plan was designed in accordance with the applicable sections of the IRC. The Plan itself had not received a determination letter from the IRS stating that the Plan is qualified under Section 401(a) of the IRC. However, the plan administrator believes that the adopted pre-approved plan was designed and is currently being operated in compliance with the applicable requirements of the IRC and was therefore, qualified and exempt from taxation.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of October 11, 2023 and December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(6) Untimely remittance of participant contributions

The Plan Sponsor was required by Department of Labor regulation to remit participant contributions and participant loan repayments as soon as practicable, but by no later than the fifteenth business day following the end of the month in which the amounts were withheld from wages. For certain contributions withheld in 2023 and 2022, the funds were not remitted timely.

(7) Related party and party-in-interest transactions

Certain plan investments were shares of mutual funds and units of collective trusts managed by TRP and, therefore, these transactions qualified as party-in-interest transactions under ERISA. As described in Note 1, the Plan paid expenses to various service providers and held notes receivable from participants which also qualify as party-in-interest transactions.
