Independent Auditor's Report

To the Plan Administrator and Plan Sponsor of the
Elway Dealers 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Elway Dealers 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Elway Dealers 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal controls. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held at End of Year (December 31, 2023) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ELWAY DEALERS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. Description of the Plan

The foregoing description of the Elway Dealers 401(k) Plan (the Plan) provides only general information. The Elway Dealers group (the Company) consists of three automobile dealers and three powersports dealers in the Denver, Colorado area; and two other powersports dealers in Laramie, Wyoming and Lincoln, Nebraska. Reference to the Plan document should be made for a more complete description of the Plan's provisions.

- a. General - The Plan is a defined contribution plan covering all full-time employees of the Company who have completed 90 days of employment and meet the participation eligibility requirements. The effective date of the Plan was August 1, 2004.
- b. Contributions - Contributions to the Plan may be made by the participants and the Company. Participants may elect to defer up to the maximum amount allowable under the Internal Revenue Code. Participants direct how all contribution amounts are invested in accordance with Department of Labor Section 404 (c)(4) Legislation. The Company may make a matching and/or discretionary non-elective contribution, at the option of the Company. This contribution is determined each year by the Company.
- c. Participant Accounts - Each participant's account is credited with the participant's contribution and allocation of (a) the Company's discretionary contribution, and (b) Plan earnings. Allocations are based on the participant's Compensation, as defined.
- d. Vesting - Participants are immediately vested in their salary deferral elections and the actual earnings thereon. Vesting in the remainder of the accounts is based on years of continuous service. A participant is 100% vested after six years of service. Upon the death or total and permanent disability, as defined, of a participant prior to his retirement date, all amounts credited to such participant's account are 100% vested.
- e. Payment of benefits - A participant may elect to receive either a lump-sum distribution in cash; equal annual cash installments over the lesser of ten year or the life expectancy of the participant and his/her designated beneficiary; or a transfer of the account to another eligible retirement plan.
- f. Forfeited Accounts - Forfeitures may be first used to pay any administrative expenses of the Plan, with any remaining forfeitures used to reduce any matching contribution.
- g. Participant Loans - Loans may be made to eligible participants, as defined, limited to the lesser of \$50,000 reduced by the highest outstanding balance of loans from the Plan to the participant in the preceding year or 50% of the present value of the vested benefit of the Participant under the Plan. The loans must be repaid in not less than quarterly installments over a period of five years unless the loan was used to purchase a personal residence upon which the five-year period may be extended.
- h. Plan termination - The Company has the right under the Plan to discontinue contributions at any time and terminate the Plan, subject to the provisions of ERISA. The Plan's sponsor has no current intent to terminate the Plan.

ELWAY DEALERS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022 (continued)

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis.

Investment Valuation and Income Recognition

The investments in pooled separate accounts and the guaranteed interest contract are stated at fair value. The investments in participant loans receivable are stated at cost, which is equivalent to or approximates fair value. Purchases and sales of securities are recorded on a trade-date basis. Investment income is recorded on the accrual basis.

Administrative Expenses

The Company pays substantially all administrative costs of the Plan.

Payment of Benefits

Benefits are recorded when paid.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent Events

Subsequent events have been evaluated through July 24, 2024, which is the date the financial statements were issued.

3. Fair Value Measurements

Financial Accounting Standards Board Statement ASC 820-10, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy in ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

ELWAY DEALERS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2023 and 2022 (continued)

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled Separate Accounts	\$ --	\$ 11,088,590	\$ --	\$ 11,088,590
Guaranteed Interest Contract	--	376,487	--	376,487
Total	<u>\$ --</u>	<u>\$ 11,465,077</u>	<u>\$ --</u>	<u>\$ 11,465,077</u>

Assets at Fair Value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled Separate Accounts	\$ --	\$ 9,237,938	\$ --	\$ 9,237,938
Guaranteed Interest Contract	--	448,672	--	448,672
Total	<u>\$ --</u>	<u>\$ 9,686,610</u>	<u>\$ --</u>	<u>\$ 9,686,610</u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2023 are reported in net appreciation in fair value of investments.

4. Investments

All Plan investments were held by Empower Annuity Insurance Company, a regulated insurance company, at December 31, 2023. Empower has certified the accuracy and completeness of investments, investment income, net appreciation (depreciation) in fair value of investments, and benefits paid to participants.

5. Income Tax Status

The Plan obtained a tax determination letter dated April 2, 2012, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

6. Related Party Transactions

Certain Plan investments are shares of mutual fund accounts of Empower Annuity Insurance Company. Empower Annuity Insurance Company is the custodian of the Plan as defined by the Plan document and therefore, the transactions qualify as party-in-interest transactions.
