INDEPENDENT AUDITOR'S REPORT

To the Plan Administrators
Cultivate Solutions 401(k) Plan & Trust
Minot, North Dakota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Cultivate Solutions 401(k) Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Cultivate Solutions 401(k) Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cultivate Solutions 401(k) Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cultivate Solutions 401(k) Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cultivate Solutions 401(k) Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cultivate Solutions 401(k) Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 DESCRIPTION OF PLAN

The following description of the Cultivate Solutions 401(k) Plan & Trust provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Cultivate Solutions 401(k) Plan & Trust includes the following companies for the Plan year ending December 31, 2023: Apple Core Enterprises, Inc., AppleBis, Inc., AppleWest, Inc., Grandapple, Inc., AppleFar, Inc., Apple City, Inc., Apple Union, Inc., Capitol Apple, Inc., Apple Yuma II, Inc., Apple Palm, Inc., Apple Msota, Inc., Applexico, Inc., Apple Jtown, Inc., AppleCentro, Inc., Apple Bmont, Inc., AppleValley, Inc., AppleFar South, Inc., Apple Yuma Foothills, Inc., Apple Dome, Inc., Apple Quinta, Inc., Apple Lake, Inc., Food Management Investors, Inc. dba Cultivate Solutions, LLC, Dakota Kid, LLC, Little Deep Pasta Company, LLC, Prairie Grit Adaptive Sports, The Starving Rooster, Smorbrod, LLC, and Whiskey 9, LLC, collectively the "Company".

Effective January 1, 2021, the Plan Sponsor elected for this plan to be considered a multiple employer plan (MEP).

The Plan is a defined contribution plan covering all employees of the above companies who have one year of service in which they worked 1,000 hours and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan is administered by a committee appointed by the Company. A third party administrator performs general plan administration services. A separate party serves as the provider of the Plan, maintains the records of the participant data and holds the Plan assets.

Contributions

Each participant in the Plan may withhold up to 100% of their compensation. However, the maximum deferral amount may not exceed IRS limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan allows participants to allocate contributions between pre-tax and Roth deferrals.

The Plan is a traditional safe harbor plan, in which the Employer matches 100% of salary deferrals up to the first 3% of plan year compensation, plus 50% of salary deferrals up to the next 2% of plan year compensation. In addition, the Employer may still contribute an additional amount at its own discretion.

Participants may make rollover contributions for amounts representing distributions from other qualified defined benefit plans, defined contribution plans, or individual retirement accounts.

DECEMBER 31, 2023 AND 2022

Participant Accounts

Each participant's account is credited with the participant's contributions, the employer's matching contributions and profit sharing contributions, if any. Plan earnings are allocated based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. The Plan allows for participant-directed investment programs for which separate funds are maintained. The value of each participant's account is determined daily.

Participants' Investment Options

Participants must direct their salary deferral contributions, the employer's matching contributions and profit sharing contributions, if any, to selected investments as offered by the Plan. Participants may change their investment options throughout the year by contacting the Plan's investment advisor or the Plan Sponsor, or through their online account with John Hancock.

Notes Receivable from Participants

Participants may borrow from the Plan in any amount greater than \$1,000 up to a maximum of \$50,000 or 50% of the participant's vested account balance, for a term not to exceed five years (fifteen years in cases where the loan proceeds are used to purchase the participant's principal residence). All loans shall bear a fixed interest rate at 1% above the prime interest rate. Principal and interest are paid ratably during the year through payroll deductions and credited to the participant's account.

Payment of Benefits

Upon termination of service, death, termination of employment due to disability, or retirement, a participant may elect to receive a lump-sum amount equal to the vested value of his or her account. If the vested value of the participant's account is less than \$5,000, the participant will be forced out of the Plan. If a mandatory distribution is being made because a participant's vested interest in the Plan exceeds \$1,000 but does not exceed \$5,000, then the Plan will roll over the distribution to an IRA. If the vested interest is less than \$1,000, the mandatory distribution will be paid in a lump sum.

Hardship distributions and in-service retirement distributions are also permitted for participants who have not separated from service. Participants must have attained age 59 ½ to qualify for in-service retirement distributions.

Generally, certain minimum distributions are required for participants who have separated from service and have reached the required minimum distribution age.

Vesting

Participants are immediately vested in their voluntary contributions and safe harbor matching contributions. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

DECEMBER 31, 2023 AND 2022

Forfeitures

The non-vested portion of a paid participant's balance is used to offset administrative fees or to reduce the employer's matching contribution. At December 31, 2023 and 2022, there were forfeited non-vested amounts of \$4,716 and \$217, respectively. Forfeitures of \$11,650 and \$11,242 were used to offset plan fees during the years ended December 31, 2023 and 2022, respectively. In addition, \$243 were applied to participant accounts to correct contribution errors identified during the year ended December 31, 2023.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Basis of Presentation

The accompanying financial statements are presented in accordance with accounting principles generally accepted in the United States of America, ("GAAP"), as codified by the Financial Accounting Standards Board.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by investment advisors and the Plan Provider. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded as earned on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year and is reflected in the statements of changes in net assets available for benefits.

Contributions

Contributions from Plan participants and matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

CULTIVATE SOLUTIONS 401(K) PLAN & TRUST
NOTES TO THE FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2023 AND 2022

Payment of Benefits

Benefits to participants are recorded when paid.

Administrative Fees

The investment funds in the Plan are subject to investment fees based on a percentage of invested assets, as disclosed in the fund's prospectus. All such fees are charged directly against the fund's investment performance and thus are not separately disclosed in the accompanying financial statements.

Certain administrative expenses paid from Plan assets are reflected in these financial statements. Other administrative expenses that are paid by the Company are not reflected in the accompanying financial statements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Income Taxes

The Plan's policy is to evaluate the likelihood that its uncertain tax positions will prevail upon examination based on the extent to which those positions have substantial support within the Internal Revenue Code and Regulations, Revenue Rulings, court decisions, and other evidence.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2022 excess contributions to the applicable participants prior to March 15, 2023.

NOTE 4 FAIR VALUE MEASUREMENTS

FASB ASC Topic 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under Topic 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets;

Quoted prices for identical or similar assets or liabilities in inactive markets;

Inputs other than quoted prices that are observable for the asset or liability;

Inputs that are derived principally from or corroborated by observable market data by correlation or other means;

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

CULTIVATE SOLUTIONS 401(K) PLAN & TRUST
NOTES TO THE FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2023 AND 2022

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There has been no change to the methodology used at December 31, 2023 and 2022.

Pooled Separate Accounts: Valued at the net asset value (NAV) of shares held by the Plan at year end. The NAV, as provided by the insurance company, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the account less its liabilities. This practical expedient is not used when it is determined to be probable that the account will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the accounts, the investment advisor reserves the right to temporarily delay withdrawal from the account in order to ensure that securities liquidations will be carried out in an orderly business manner.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan does not have any assets to be classified within the fair value hierarchy table. See investments measured using the net asset value per share practical expedient in the following table to reconcile to investments at fair value on the Statements of Net Assets Available for Benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to this Plan.

Aggressive growth pooled separate accounts invest in stocks of companies with potential for rapid growth. These investments seek long term growth of capital.

Conservative pooled separate accounts seek to preserve capital and provide stability of principal while earning current income that exceeds money market rates over the long term.

Growth pooled separate accounts include investments that invest in companies the account manager believes have above-average growth potential. Most underlying holdings are in common stocks. The accounts may make limited use of futures and/or options for the purpose of maintaining equity exposure. These managers are generally willing to pay higher market multiples for the superior growth rates and profitability they anticipate. As a result, stocks in growth portfolios will tend to have higher price/earnings ratios and will generally pay little or no dividends.

Income pooled separate accounts invest in bonds or other fixed-income securities as well as preferred shares and dividend stocks. These investments prioritize current income, often in the form of interest or dividend-paying investments.

Target pooled separate accounts provide investors with a portfolio of a mix of stocks and bonds, as well as cash equivalents, with a variety of objectives.

NOTE 5 CONTRACTS WITH INSURANCE COMPANIES

Effective August 13, 2021, the Plan holds pooled separate accounts through a Group Annuity Contract with John Hancock Life Insurance Company (U.S.A). As of December 31, 2023 and 2022, the long-term credit rating of the issuer was "A+" as reported by A.M. Best. The pooled separate accounts are credited with the earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

NOTE 6 INCOME TAX STATUS

The Plan is a Non-Standardized Pre-Approved Profit Sharing Plan With CODA sponsored by the TPA (Tax Sheltered Compensation (TSC)) and adopted by the Company. The Internal Revenue Service informed the TPA by an opinion letter dated June 30, 2020, that the Non-Standardized Pre-Approved Profit Sharing Plan is acceptable under Section 401 of the Internal Revenue Code. The Plan has not requested its own determination letter from the IRS. The Company and plan administrator believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and the Plan continues to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken a significant uncertain tax position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

NOTE 10 AMENDMENT AND TERMINATION

Although it has not expressed intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a plan termination, the rights to all participants shall remain nonforfeitable. In the event of plan termination, participants will become 100 percent vested in their accounts.

NOTE 11 RISKS AND UNCERTAINTIES

Participants direct the investment of their accounts into various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 12 SUBSEQUENT EVENTS

Effective January 1, 2024, the plan was amended to allow employees of ZZ Food Group, LLC dba JL Beers to participate in the Plan, as long as all eligibility requirements have been met. No other significant events have occurred subsequent to the Plan's year end. Subsequent events have been evaluated through July 10, 2024, which is the date these financial statements were available to be issued.
