## INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator  
Charter Communications Inc. 401(k) Savings Plan  
St. Louis, Missouri

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audits**

We have performed audits of the accompanying financial statements of Charter Communications Inc. 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Charter Communications Inc. 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Charter Communications Inc. 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Charter Communications Inc. 401(k) Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audits of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Charter Communications Inc. 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Charter Communications Inc. 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Notes to Financial Statements**  
**December 31, 2023 and 2022**  
**(dollars in thousands, except where indicated)**

**(1) Description of Plan**

The following description of the Charter Communications, Inc. 401(k) Savings Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

***General***

The Plan is a defined contribution, single employer plan administered by Charter Communications, Inc. ("Charter," "Company," "Plan Administrator," or "Plan Sponsor") under the provisions of Section 401(a) of the Internal Revenue Code, as amended ("IRC"), which includes a qualified deferred arrangement as defined in Section 401(k) of the IRC, for the benefit of eligible employees of Charter as defined in the Plan agreement. The Plan covers employees of Charter and its subsidiaries, collectively referred to herein as the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

***Plan Administration***

Fidelity Management Trust Company ("Fidelity"), the Recordkeeper and Trustee, as defined below, holds the Plan's investment assets and executes investment transactions.

***Master Trust***

The assets of the Plan, along with the assets of the Charter Communications, Inc. Retirement Accumulation Plan (the "RAP"), are invested in the Charter Communications, Inc. Defined Contribution Plans Master Trust (the "Master Trust"), for which the trustee is Fidelity (the "Trustee"). The Plan and the RAP are the only participating plans in the Master Trust. The Master Trust, through its investment managers, invests in a variety of investment funds ("Investment Funds").

***Eligibility***

Employees of the Company become eligible to participate in the Plan on the first day of the calendar month coinciding with or following one month of employment. Participants are permitted to enroll at any time and their deferral will be effective once eligibility requirements are met, or as soon as administratively possible following enrollment.

***Contributions***

Employees are automatically enrolled into the Plan at a 4% pre-tax contribution rate. Employees may choose to opt-out of the automatic enrollment, or may change their contribution to the Plan up to maximum limits of their eligible compensation, as defined in the Plan agreement, limited by requirements of the IRC. Highly compensated employees', as defined in the Plan agreement, contribution rates may be restricted, if necessary, in order to satisfy the annual nondiscrimination testing requirements.

The eligibility and/or participation levels of those employees represented by a collective bargaining representative shall be governed solely by the results of good faith negotiation between the Company and such employees and/or by the express terms of any collective bargaining agreement resulting therefrom.

The matching contribution equals 100% of the amount of the salary reduction the participant elects to defer (up to 6% of the participant's eligible payroll compensation), excluding any catch-up contributions. Participants may change their salary deferral contribution amounts or terminate their salary deferral contributions at any time.

Catch-up contributions of \$7.5 thousand per year are allowed for Plan participants that are age 50 or older. The Plan, in accordance with the IRC, could not recognize compensation in excess of \$330 thousand for 2023 for purposes of deferral (which amounts will be adjusted in future years for cost-of-living increases).

***Participant Accounts***

Each participant may designate the percentage of contributions to be allocated to each of the available Investment Funds.

Each participant's account is credited with the participant's contribution, the Company's contribution and an allocation of earnings. Allocations of earnings are based on account balances on a pro rata basis, as described in the Plan agreement. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

***Vesting***

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Company contributions and the earnings thereon generally vest based upon a number of full years of service within a period of service, as defined in the Plan, as follows:

| <b><u>Number of Full Years within Period of Service</u></b> | <b><u>Vested<br/>Percentage</u></b> |
|-------------------------------------------------------------|-------------------------------------|
| Less than 3                                                 | —%                                  |
| 3 or more                                                   | 100%                                |

Nonvested amounts are forfeited if an employee terminates prior to fully vesting. In the event of the death or disability of a participant, the participant will automatically become fully vested.

***Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of \$1 thousand up to a maximum equal to the lesser of \$50 thousand, adjusted for the highest outstanding loan balance during the prior twelve month period, or one-half of the total value of their vested account balance, excluding the Company's contributions. Rollover contributions are included in the collateral for loans. The loan term may not exceed five years except for the purpose of purchasing a principal residence, in which case the term may not exceed ten years. Interest rates are determined as the prime rate plus 1% and range from 3.25% to 9.5% on loans outstanding as of December 31, 2023.

***Payment of Benefits***

A lump sum cash distribution is the default distribution of a participant's vested portion of their account; however, upon termination of service or attainment of normal retirement age, there is no requirement for participants to commence payment of their vested benefit prior to age 73. Once a participant terminates employment, partial withdrawals of the employee's account may be requested subject to certain criteria. Benefits distributed from all Investment Funds are paid in cash, except for benefits distributed from the Charter Stock Fund, which, at the option of the participant, are distributed in shares of common stock of Charter valued pursuant to the terms of the Plan. Fractional shares are paid in cash.

***Forfeitures***

Forfeited amounts may be used to reduce the amount of employer contributions and/or to reduce administrative expenses to the Plan. The total amount of unallocated forfeitures at December 31, 2023 and 2022 was \$1.5 million and \$1.2 million, respectively. Forfeitures used to reduce the amount of employer contributions during the year ended December 31, 2023 were \$35.3 million.

***Investments***

As of December 31, 2023, the Investment Funds available under the Plan consisted of three core actively managed funds, four passive index funds, ten target retirement date funds, and a mutual fund window (a self-directed brokerage account).

Participant contributions, Company contributions and rollover contributions are generally invested in specific increments in the Investment Funds. Participants are able to transfer account balances among the Investment Funds.

**(2) Summary of Significant Accounting Policies**

***Basis of Presentation***

The accompanying financial statements have been prepared on the accrual basis of accounting.

***Use of Estimates***

The preparation of financial statements in conformity with U.S. generally accepted accounting principles ("GAAP") requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

***Investment Valuation and Income Recognition***

Investments held by the Plan are stated at fair value, except for fully-benefit responsive investment contracts which are stated at contract value. Fair value is the price which would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 5 for further discussion and disclosures related to fair value measurements. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully-benefit responsive investment contracts because contract value is the amount participants normally receive if they were to initiate permitted transactions under the terms of the Plan. See Note 7 for further discussion and disclosures related to contract value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded at December 31, 2023 or 2022.

***Administrative Expenses***

Salaries and related benefits of employees under the Plan are provided by the Company. Other administrative expenses, primarily transaction fees and account fees, are paid by the Plan for active employees. Costs associated with the origination of loans are paid by the participants obtaining such loans. Investment related expenses are included in net investment gain (loss) in the Statement of Changes in Net Assets Available for Benefits.

***Payment of Benefits***

Benefit payments are recorded when paid.

***Subsequent Events***

The Plan has evaluated subsequent events through June 27, 2024, the date the financial statements were available to be issued.

**(3) Information Certified by the Trustee**

The Plan Administrator has elected a method of annual reporting in compliance with ERISA. Accordingly, certain information related to investments disclosed in the accompanying Statements of Net Assets Available for Benefits, including investments held and notes receivable from participants at December 31, 2023 and 2022 and in the accompanying Statement of Changes in Net Assets Available for Benefits, including net investment gain for the year ended December 31, 2023, was obtained or derived from information supplied to the Plan and certified as complete and accurate by the Trustee.

**(4) Investments**

As described in Note 1, the Master Trust was established to hold the assets of the Plan and the RAP. The Plan and the RAP are the only participating plans in the Master Trust. Investment income, realized gains (losses) on sales of investments, unrealized appreciation (depreciation) of investments, other receivables and other liabilities are allocated to the segregated asset portfolios within the Master Trust. In accordance with GAAP, the net change in value from participation in the Master Trust is reported as one line item in the Statement of Changes in Net Assets Available for Benefits and the Plan's interest in the Master Trust is reported at fair value and contract value in the Statements of Net Assets Available for Benefits.

The net assets available to participating plans in the Master Trust as of December 31, 2023 and 2022 are summarized below:

|                                                          | December 31,            |                                                |                         |                                                |

**(5) Fair Value Measurement**

Accounting guidance provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1 - inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.
- Level 2 - inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.
- Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. The net asset value ("NAV") expedient is used for certain investments as of December 31, 2023 and 2022. There have been no changes in the methodologies used at December 31, 2023 and 2022.

**Cash and cash equivalents.** Consists of money market funds which are stated at cost which approximate fair value.

**Charter Communications, Inc. common stock and other common stocks.** Valued at the closing price reported on the active market on which the individual securities are traded. No single industry comprised a significant portion of common stock held by the Master Trust as of December 31, 2023 or 2022.

**Mutual funds.** Valued at the daily closing price as reported by the fund. Mutual funds held by the Master Trust are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Master Trust are deemed to be actively traded.

(dollars in thousands, except where indicated)

**Collective trust funds.** Primarily consists of short-term investment strategies comprised of instruments issued or fully guaranteed by the U.S. government and/or its agencies. Valued using the NAV provided by the manager of the fund. The NAV is based on the fair value of the underlying assets owned by the fund, less liabilities, and then divided by the number of units outstanding.

The Master Trust's investment assets as of December 31, 2023 and 2022 are classified within Level 1 of the fair value hierarchy and it does not hold any investments classified as Level 2 or 3. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement. See Note 4.

#### (6) Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes the Master Trust's investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2023 and 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Master Trust.

#### (7) Fully Benefit-Responsive Investment Contracts

The Master Trust holds a portfolio of synthetic investment contracts, the Capital Preservation Fund. A synthetic investment contract is an agreement under which debt obligations (such as fixed-income asset-backed and mortgage-backed securities) are purchased and then a contract is entered into with a financial institution to provide for liquidity and an adjustable rate of return thereon (a "Wrapper"), which, when taken together with the underlying securities, generally results in a guaranteed return of principal and accrued interest. These contracts met the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by the participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses. Total synthetic contracts as of December 31, 2023 and 2022 totaled \$420.4 million and \$445.4 million, respectively, of which the Plan holds \$402.4 million and \$426.7 million, respectively.

The key difference between a synthetic investment contract and a traditional investment contract is that the Master Trust owns the underlying assets of the synthetic investment contract. A synthetic investment contract includes a wrapper contract, which is an agreement for the wrap issuer, such as a bank or insurance company, to make payments to the Master Trust in certain circumstances. The wrapper contract typically includes certain conditions and limitations on the underlying assets owned by the Master Trust. With traditional investment contracts, the Master Trust owns only the contract itself. Synthetic and traditional investment contracts are designed to accrue interest based on crediting rates established by the contract issuers.

The synthetic investment contracts held by the Master Trust are designed to pay all participant-initiated transactions at contract value. However, certain events might limit the ability of the Master Trust to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the IRC or the failure of the trust to be tax-exempt under section 501(a) of the IRC;
2. Premature termination of the contracts;
3. Plan termination or merger;
4. Changes to the Plan's prohibition on competing investment option;
5. Bankruptcy of the Plan sponsor or other plan sponsor events that significantly affect the Plan's normal operations.

**Charter Communications, Inc. 401(k) Savings Plan**  
**Notes to Financial Statements**  
**December 31, 2023 and 2022**  
**(dollars in thousands, except where indicated)**

No events are probable of occurring that might limit the ability of the Master Trust to transact at contract value with the contract issuers and that also would limit the ability of the Master Trust to transact at contract value with the participants.

In addition, certain events allows the issuer to terminate the contracts with the Master Trust and settle an amount different from contract value. Those events may be different under each contract. Examples of such events include:

1. An uncured violation of the Plan's investment guidelines;
2. A breach of material obligation under the contract;
3. A material misrepresentation;
4. A material amendment to the agreements without the consent of the issuer.

**(8) Transactions with Parties-in-Interest**

Certain Master Trust investments are shares of mutual funds managed by the Trustee. Transactions related to these investments qualify as party-in-interest transactions.

**(9) Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their employer contributions.

**(10) Tax Status**

The Fidelity Investment volume submitter document was replaced with a custom plan document. The Plan received a favorable determination letter from the Internal Revenue Service ("IRS") dated December 28, 2016 indicating it is in compliance with the applicable requirements of the IRC and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. Subsequent to this determination by the IRS, the Plan has been amended. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan, as amended and restated, is qualified and the related trust is tax exempt.

GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**(11) Risks and Uncertainties**

The Master Trust invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

## INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator  
Charter Communications Inc. 401(k) Savings Plan  
St. Louis, Missouri

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audits**

We have performed audits of the accompanying financial statements of Charter Communications Inc. 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Charter Communications Inc. 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Charter Communications Inc. 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Charter Communications Inc. 401(k) Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audits of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Charter Communications Inc. 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Charter Communications Inc. 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).
