To the Retirement Plan Committee of

HEALTH SERVICES HOLDINGS, INC. 401(k) PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of **Health Services Holdings, Inc. 401(k) Plan** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

(1) Description of the Plan

The following description of the *Health Services Holdings, Inc. 401(k) Plan* (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

- A. General** - The Plan is a prototype defined contribution plan which covers all employees who meet specified service requirements of Health Services Holdings, Inc. (the "Sponsor"). The Plan is subject to the Employee Retirement Income Security Act of 1974 ("ERISA"). Eligibility requirements of the Plan are three months of service and attaining the age of 21.

Effective January 1, 2024, the Plan was amended to change the name of the Plan to the Health Services Advisory Group, Inc. 401(k) Plan.

- B. Contributions** - Contributions to the Plan are made as directed by the participants. Participants may contribute from 1% to 100% of their compensation on a pre-tax basis, as defined by the Plan, subject to certain limitations prescribed by the Internal Revenue Service ("IRS"). Roth elective deferrals are permitted under the Plan and are treated in the same manner as elective deferrals for all Plan purposes. Participants may also contribute amounts representing distributions from other qualified pension plans.

The Sponsor may make discretionary matching contributions to the Plan. For 2023, the Sponsor made discretionary matching contributions of participant deferrals equal to 100% of the first 4% of compensation deferred. The Plan also contains provisions for profit-sharing contributions. Contributions under the profit-sharing portion of the Plan are made at the discretion of the Sponsor. There were no profit-sharing contributions authorized for 2023.

Effective January 1, 2024, the Plan was amended to change the employer matching contributions from a discretionary to a stated formula equal to 100% of the first 4% of compensation deferred.

- C. Participant accounts** - Each participant's account is credited with the participants' contributions, Sponsor's matching contributions, and an allocation of the Sponsor's profit-sharing contributions, Plan earnings, and forfeitures. Allocations are based on participant contributions or account balances. Allocations of the Sponsor's profit-sharing contributions are made to participants employed on the last day of the Plan year. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

- D. Vesting** - Participants are immediately vested in their voluntary and rollover contributions, plus accrued earnings thereon. Participants vest in the Sponsor's matching and profit-sharing contributions, plus actual earnings thereon, based on years of service as follows:

<u>Years of Service for Vesting</u>	<u>Percentage</u>
Less than 2	0%

HEALTH SERVICES HOLDINGS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

(1) Description of the Plan (continued)

- E. Payment of benefits** - In general, distributions from the Plan will be made in one lump-sum payment in cash. If the value of a participant's vested benefit is more than \$5,000 on termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum payment amount equal to the value of his or her account, or annual installments over a certain period, and in no event exceeding the life expectancy of the participant as determined at the time of distribution. If the value of a participant's vested benefit is \$5,000 or less, a lump sum payment will be made to the participant.

The Plan provides for the payment of benefits in amounts up to the entire vested balance in a participant's account upon one of the following:

- a. Termination of employment
- b. Death or disability of participant
- c. Attainment of age 59½
- d. Demonstrated hardship

- F. Notes receivable from participants** - The Plan makes loans available to all participants and their beneficiaries on a uniform and non-discriminating basis. Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Note receivable must be repaid over a term not to exceed five years from the date the proceeds are received unless the entire proceeds are used to purchase the participant's primary residence, in which case the repayment period may extend to 30 years, from the date of issuance. The notes receivable are secured by the balance in the participant's account and bear interest at a fixed rate, as determined by the Plan loan administrator, on the date the note receivable is made. All notes receivable to participants are repaid through payroll deductions.

- G. Forfeitures** - Forfeitures of nonvested accounts are utilized to pay administrative expenses and employer contributions as required by the Plan agreement. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$7,767 and \$868, respectively. During the year ended December 31, 2023, \$309 and \$32,197 of forfeited nonvested accounts were used to pay administrative expenses and fund employer contributions, respectively.

- H. Administrative expenses** - The Sponsor has elected to pay certain administrative expenses on behalf of the Plan during 2023. The Plan has no obligation to reimburse the Sponsor for such expenses. Participant loan origination fees are charged to the account of the participant requesting the loan.

- I. Termination of the Plan** - Although it has not expressed any intent to do so, the Sponsor has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event the Plan is terminated, participants become 100% vested in the Sponsor's matching and profit-sharing contributions.

(2) Significant accounting policies

The significant accounting policies followed by the Plan are as follows:

Basis of accounting - The accompanying financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America. Accordingly, income and contributions are recognized when earned and expenses are recorded when incurred.

HEALTH SERVICES HOLDINGS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

(2) Significant accounting policies (continued)

Management's use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management of the Plan to make estimates and assumptions that affect the reported amounts of net assets and the reported amounts of additions to and deductions from net assets. Actual results may differ from those estimates.

Risks and uncertainties - The Plan provides for various investment fund options which, in turn, invest in any combination of stocks, bonds and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. The Plan's exposure to credit losses in the event of nonperformance of investments is limited to the carrying value of such investments. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Investment valuation and income recognition - Mutual funds are reported at fair value, and the pooled separate accounts and common/collective trusts are reported at net asset value ("NAV") as a practical expedient. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Following is a description of the valuation methodologies used for the investments held by the Plan. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- Mutual funds - Stated at net asset values, which are readily determinable fair values of those shares as they are published daily and are the basis for current transactions.
- Common/collective trusts ("CCTs") and pooled separate accounts - CCTs and pooled separate accounts are based upon the current fair values of the underlying assets of the funds, or the equivalent of net asset value, which is a practical expedient for estimating fair value. These investments have no unfunded commitments as of December 31, 2023 and 2022, and can be redeemed daily with no redemption notice period or other redemption restrictions.

Fair value measurement - The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820 are described below:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. If a Level 1 input is available, it must be used.
- Level 2: Inputs other than quoted prices that are observable for assets or liabilities, either directly or indirectly. Examples include matrix pricing utilizing yield curves, prepayment speeds, credit risks, etc.; quoted prices for similar assets in active markets; and inputs derived from observable market data by correlation or other means.
- Level 3: Unobservable inputs, which contain assumptions by the party valuing those assets or liabilities. For Level 3 inputs, there is no market data or correlations with market assumptions. Examples would include limited partnership interests, closely held stock, etc.

HEALTH SERVICES HOLDINGS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

(2) Significant accounting policies (continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Payment of benefits - Benefits are recorded when paid.

Subsequent events - Plan management has evaluated subsequent events through August 6, 2024, which is the date the financial statements of the Plan were available to be issued.

(3) Income tax status

The IRS issued an opinion letter dated June 30, 2020 stating that the Plan was designed in accordance with the applicable Internal Revenue Code ("IRC") requirements as of that date. The Plan administrator and the Company believe that the Plan is currently operated in compliance with the applicable requirements of the IRC and that the Plan was qualified and the related trust was tax exempt as of and for the year ended December 31, 2023.

(4) Investments

The following table sets forth by level, within the fair value hierarchy or otherwise measured, the Plan's investments as of December 31, 2023:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$ 14,012,517	\$ 14,012,517	\$ -	\$ -

Total	<u>\$ 63,854,019</u>	<u>\$ 14,012,517</u>	<u>\$ -</u>	<u>\$ -</u>

The following table sets forth by level, within the fair value hierarchy or otherwise measured, the Plan's investments as of December 31, 2022:

* Certain investments that are measured using net asset value per share (or its equivalent) as a practical expedient for fair value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

(5) **Party-in-interest transactions**

Certain Plan investments are managed by Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company ("Principal"), the Plan's trustee, as defined by the Plan. Principal provided the Plan with contract administration and investment management services, which qualify as party-in-interest transactions.

Total administrative fees and expenses paid by the Plan to parties-in-interest for the year ended December 31, 2023 totaled \$137,145 related to investment management and record keeping services.

(6) **Information certified by the trustee**

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, Principal has certified that the following information included in the accompanying financial statements and supplemental schedule are complete and accurate:

- Investments
- Notes receivable from participants
- Interest income on notes receivable from participants
- Interest and dividends on investments
- Net appreciation in fair value of investments
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform any auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.
