DECEMBER 31, 2023 AND 2022

INDEPENDENT AUDITOR'S REPORT

Administrative Committee
Electric Power Research
Institute, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Electric Power Research Institute, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Administrative Committee
Electric Power Research
Institute, Inc. 401(k) Plan

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Electric Power Research Institute, Inc. 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more specific provisions.

A. Plan Inception

The Plan is a defined contribution plan established for the benefit of eligible employees of Electric Power Research Institute, Inc. ("EPRI" or the "Company") on November 1, 2009. The plan administrator believes the Plan is designed and operated in compliance with applicable requirements of the Internal Revenue Code (the "Code") and provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

B. Administration and Expenses

The Company authorized the EPRI 401(k) Committee (the "Committee") to administer the Plan. The Committee designated Vanguard Fiduciary Trust Company ("Vanguard") to serve as directed trustee and third-party administrator responsible for maintaining participant records. Investment fund management fees, record keeping and operating expenses are charged directly to the fund and thereby factored into each fund as a reduction of investment return. Participants may elect to have Vanguard manage their investments, and investment management fees and costs for certain other participant elective transactions are charged to participants. A majority of other costs of maintaining the Plan are paid by the Company.

C. Eligibility

The Plan excludes certain classes of employees including those covered by a collective bargaining agreement, nonresident aliens, temporary employees, student employees, loaned employees, consulting employees and regular employees scheduled to work less than 20 hours per week. There is no age or service requirement for eligible employees to enter the Plan.

D. Contributions

EPRI makes semi-monthly contributions equal to 10% of each eligible participant's compensation up to the maximum annual contribution permitted under provisions of the Code.

Participants may elect to have the Company contribute their eligible pre-tax compensation up to the amount allowable under the Plan document and Code regulations. Participants who elect to have the Company contribute a portion of their pre-tax compensation to the Plan agree to accept an equivalent reduction in taxable compensation. Participants who are age 50 or older may make additional "catch-up" contributions as provided under the Plan and Code provisions. Participants are also allowed to make rollover contributions of amounts received from other tax-qualified retirement plans plus Roth after-tax contributions. Such contributions are deposited in the appropriate investment funds in accordance with the participant's investment directions.

E. Participant Accounts

Participants direct the investment of their accounts among a menu of investments designated by the Committee. Each participant's account is credited with the participant's contributions, rollover contributions, Company contributions and an allocation of Plan earnings or losses and expenses.

ELECTRIC POWER RESEARCH INSTITUTE, INC.

401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

E. Participant Accounts (Continued)

Contributions allocated to the accounts of participants who decline to make an investment election are invested in the Vanguard Target Retirement Fund appropriate for an individual's age and projected date of retirement.

Investments in the custody of TIAA, CREF and AUL are frozen to new investment. Such investments are subject to Plan-level redemption restrictions.

F. Vesting and Forfeitures

Participants are immediately 100% vested in their contributions, rollover contributions and related earnings. Participants vest in their employer contribution accounts at the rate of 33% for each year of service and attain full vesting on completion of three years of service. Forfeitures of terminated participants' non-vested accounts may be used to reduce future Company contributions. For the 2023 Plan year, \$301,000 of forfeitures were used to reduce Company contributions. The balance of unapplied forfeitures totaled approximately \$234,300 and \$207,700 at December 31, 2023 and 2022, respectively.

G. Notes Receivable from Participants

The Plan allows participants to borrow not less than \$1,000 and up to the lesser of \$50,000 or 50% of their vested account balance. A loan is secured by a participant's vested account balance, bears interest at a fixed rate based on available market financing rates at loan inception and must be repaid to the Plan within a five-year period, unless a loan is used for the purchase of a principal residence in which case the maximum repayment period may be extended. Principal and interest are paid ratably through payroll deductions. Notes receivable from participants at December 31, 2023 carry interest rates ranging from 4.25% to 9.50% with maturities through December 2033.

Participant notes are measured at their unpaid principal balance plus accrued interest. Delinquent notes are recorded as a distribution based on the terms of the Plan document.

H. Payment of Benefits

Normal retirement age under the Plan is age 65. The primary form of benefit is a lump sum payment. Upon termination of service, death, disability or retirement, a participant or beneficiary may maintain his or her account in the Plan or elect to receive benefits. Participants may elect to receive their pre-tax deferrals upon attainment of age 59½.

Hardship distributions are permitted under limited circumstances as defined in the Plan and approved by the plan administrator. Benefits are recorded when paid.

I. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to provisions of ERISA. The accounts of participants affected by a partial or complete termination of the Plan are non-forfeitable and will be determined as of the termination date.

401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

B. Investment Valuation and Income Recognition

Investments held by an employee benefit plan are required to be reported at fair value, except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value represents contributions made under a contract, plus earnings, less participant withdrawals and administrative expenses.

Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Mutual fund capital gains distributions are included in dividend income. Net appreciation includes gains and losses on investments bought and sold as well as held during the year.

C. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect reported amounts and disclosures. Actual results may differ from those estimates.

D. Risks and Uncertainties

Plan investments are exposed to various risks such as interest rate, credit, and overall market risk. Due to the level of risk associated with investments, it is at least reasonably possible that changes in equity markets, interest rates or other factors in the near term would materially affect participant accounts and amounts reported in the financial statements.

NOTE 3 - INCOME TAX STATUS

The Company adopted a prototype plan that has received a favorable opinion letter from the Internal Revenue Service. The Company believes the Plan is operated in accordance with and qualifies under applicable requirements of the Code and related state statutes and the trust, which forms a part of the Plan, is exempt from federal income and state franchise taxes.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

ELECTRIC POWER RESEARCH INSTITUTE, INC.

401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 4 - PARTY-IN-INTEREST TRANSACTIONS

Certain investments offered under the Plan are issued by the trustee and custodians or their affiliates. Though purchases and sales of these securities are considered party-in-interest transactions under ERISA regulations, such transactions are permitted under provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 5 - FINANCIAL INFORMATION CERTIFIED BY TRUSTEE AND CUSTODIANS

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2023 was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Plan trustee, Vanguard Fiduciary Trust Company, and custodians, TIAA, CREF and American United Life Insurance Company (AUL).

NOTE 6 - FAIR VALUE MEASUREMENTS

Accounting guidance on measuring fair value establishes a hierarchy which prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy, Level 1 inputs are quoted prices for identical securities in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability. The following tables summarize Plan investments at December 31 based on the inputs used to value them:

2023				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 312,812,585	\$ -	\$ -	\$ 312,812,585

^A In accordance with ASC 820, the Plan's investments in common/collective trusts which are measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

ELECTRIC POWER RESEARCH INSTITUTE, INC.**401(k) PLAN****NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2023 AND 2022****NOTE 6 - FAIR VALUE MEASUREMENTS (Continued)**

The following table reconciles the beginning and ending fair value of Level 3 investments:

	<u>Insurance Company Annuity Contracts</u>
Balance, December 31, 2022	\$ 1,615,881
Purchases	25,868
Sales	(178,114)
Realized Gain	43,630
Unrealized Gain	<u>7,150</u>
Balance, December 31, 2023	<u>\$ 1,514,415</u>

Realized and unrealized gain (loss) included in changes in net assets of Level 3 investments above are reported in net appreciation in fair value of investments in the statement of changes in net assets available for benefits.

Mutual funds are valued at the daily closing price reported by the funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. Mutual funds held by the Plan are deemed to be actively traded. Self-directed brokerage accounts consist primarily of securities that are valued on the basis of readily determinable market prices. The TIAA Traditional Annuity consists of fixed rate individual annuity contracts. Fair value of the contracts is estimated by the custodian using a formula that considers interest paid on contributions received under the contracts (Level 3). Fair value approximates contract value. Liquidity restrictions and the claims paying ability of TIAA could impair the value realized on withdrawal from a contract.

Although the plan administrator believes these valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value could result in a different fair value measurement at the reporting date.

NOTE 7 - FAIR VALUE OF INVESTMENTS THAT CALCULATE NET ASSET VALUE

The following table summarizes the Plan's investment in the Vanguard Target Retirement Trust II Series and the Vanguard Retirement Savings Trust III common/collective trusts for which net asset value per share is used as a practical expedient to report fair value. There are no participant redemption restrictions for this investment; the redemption notice period is applicable only to the Plan.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 8 - TIAA TRADITIONAL ANNUITY

Plan investments held by TIAA are provided under individual annuity contracts between participants and TIAA. Such contracts do not allow for plan level redemptions. Participants may elect to liquidate their investments in CREF mutual funds and transfer the proceeds from custody of CREF, but restrictions apply to participant investments in the TIAA Traditional Annuity. Investments in the custody of TIAA and CREF are frozen to new investment.

The TIAA Traditional Annuity is not a benefit-responsive investment. Interest is credited on contributions at a guaranteed rate of 3% plus additional interest that is determined annually but is not guaranteed. Lump sum cash withdrawals are generally not allowed and surrender charges apply in circumstances when lump sum withdrawals are permitted. Participants generally are required to redeem investments in installments over a 10-year period or five annual installments for withdrawals after termination of employment through election of a five-year fixed-period annuity.

The estimated fair value and average annual return at December 31 were as follows:

	<u>2023</u>		<u>2022</u>	
TIAA Traditional Annuity	\$1,514,415	4.56%	\$1,615,881	4.12%

NOTE 9 - AUL FIXED ACCOUNT

The AUL Fixed Account is a fully benefit-responsive guaranteed interest fund. AUL is contractually obligated to pay a specified interest rate to participants invested in this fund. The fund is valued at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants when they initiate permitted transactions under the terms of the Plan. The AUL Fixed Account is frozen to new investment. This investment is subject to plan level redemption restrictions enforced by the issuer.

The estimated contract value and applicable interest rate at December 31 were as follows:

	<u>2023</u>		<u>2022</u>	
AUL Fixed Account	\$1,147,813	3.75%	\$1,538,346	3.75%

NOTE 10 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through July 10, 2024, the date on which the financial statements were available to be issued. There are no material subsequent events that require recognition or additional disclosure in these financial statements.
