**GOVERNMENTAL SERVICES 401(K) PLAN**

AUDIT REPORT  
December 31, 2023 and 2022

A Business Partner, Wherever You are in the World

## INDEPENDENT AUDITOR'S REPORT

To the Investment Committee and Administrator of the  
Swift & Staley Governmental Services 401(k) Plan:

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the financial statements of Swift & Staley Governmental Services 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### ***Opinion on the Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matters - Supplemental Schedules Required by ERISA***

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year), as of the year ended December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **NOTE 1 – PLAN DESCRIPTION**

The following is a brief description of the Swift & Staley Governmental Services 401(k) Plan (the “Plan”) and is provided for general information purposes only. The Plan document, related adoption agreements and individual statements provided to each Plan participant should be referred to for more complete information.

### **A. GENERAL**

The Plan is a qualified defined contribution plan covering eligible employees of Swift & Staley, Inc. (the “Company”). The Company formed an Employee Stock Ownership Plan (“ESOP”) effective January 1, 2017. The Plan does not invest in the Company’s stock as such the Plan is not an ESOP as the term is defined in the Internal Revenue Code (“IRC”) section 4975(e)(7) and regulations thereunder. The Plan provides deferred compensation benefits and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan investments are administered and held in a trust by the Plan’s investment custodians, Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, through September 30, 2022, and Capital Bank and Trust Company starting October 3, 2022 (collectively, the “Investment Custodians”), which also serve as the custodians and recordkeepers of the Plan. The Plan Administrator is responsible for overseeing and ensuring compliance with the Plan document. The Investment Custodians, recordkeepers and the Plan administrator are appointed by the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

### **B. ELIGIBILITY**

The Plan covers all eligible employees of the Company upon hire for salary deferrals and safe harbor matching contributions except those employees who are: (1) Union employees whose employment is governed by a collective bargaining agreement (“CBA”) unless such agreement provides for participation in the Plan, (2) nonresident aliens, (3) leased employees, (4) part-time, temporary or seasonal employees working less than 1,000 hours in any Plan year that have not completed one year of service, (5) Interns and (6) Independent contractors.

### **C. PARTICIPANT CONTRIBUTIONS**

Eligible compensation for Plan purposes is compensation before salary deferrals to this plan or any other plan. Reimbursements or other expense allowances, fringe benefits, moving expenses, deferred compensation and welfare benefits are excluded from eligible compensation. Additionally, compensation paid after termination is generally excluded for Plan purposes.

For 2023, the maximum amount of compensation that may be considered for deferral purposes by participants and employer contributions is \$330,000. For 2023, total participant contributions are limited to a maximum of \$22,500. Additionally, for 2023, individuals who are at least 50 years of age can make a “catch-up” contribution not to exceed \$7,500. The maximum annual addition for 2023 that may be contributed or allocated to a participant’s account under the Plan shall not exceed the lesser of 100% of a participant’s compensation or \$66,000.

**D. EMPLOYER CONTRIBUTIONS**

The Company provides for Safe Harbor matching contributions dollar for dollar up to a maximum of 4% of the eligible compensation for all employees. Additionally, under the CBA with United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Services Workers International Union and Local 550, “non-grandfathered” employees, as defined, will receive a non-elective contribution of 5.8% of their eligible compensation subject to compensation limits per the IRC described above.

**E. ROLLOVER CONTRIBUTIONS**

A Plan participant may make a transfer to the Plan of a benefit from a qualified retirement plan of another employer, referred to as a rollover, with certain restrictions.

**F. PARTICIPANT ACCOUNTS**

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan administrator establishes and maintains a separate account for each participant, which is credited with rollover and voluntary contributions the participants make, Company contributions, and Plan earnings, gains, losses and expenses. Income earned and net appreciation or depreciation on Plan investments, for a given investment, are allocated in proportion to the participant's account balances in that fund. A participant is entitled to the amount in his or her vested Plan account.

**G. NOTES RECEIVABLE FROM PARTICIPANTS**

Each participant may borrow up to the lesser of 50% of the participant's vested interest in the account or \$50,000. Participants are not allowed to have more than three loans outstanding at a time. The notes are secured by the vested balance in the participant's account. No note shall be less than \$1,000. The notes shall bear a reasonable rate of interest as determined by the Plan administrator. Any such borrowings are to be repaid within five years, unless the note is for the purchase of a principal residence for which the repayment period may not extend beyond 30 years. Principal and interest are to be repaid by payroll deductions.

**H. PAYMENT OF BENEFITS**

The normal retirement age is defined as when the participant reaches the age of 65. At the normal retirement date, death, or termination of service, a participant (or participant's beneficiary in the event of death) is entitled to 100% of their account balance. The Plan does not provide for a retirement date prior to the normal retirement date. A participant, who becomes disabled, as defined in the Plan document, is eligible for a disability retirement, as defined.

Upon retirement, hardship, termination, death or disability, or attainment of age 59 ½, vested benefits are distributed at the participant's or beneficiary's election via a lump sum distribution. For those participants taking withdrawals in excess of the Required Minimum Distributions per the IRC can elect various forms of installments. On termination of service, participants or beneficiaries with an account balance of less than \$1,000 will automatically receive a lump-sum distribution in the first Plan year beginning the year after employment is terminated. If the account balance is over \$1,000 but does not exceed \$5,000, the distribution will be rolled over automatically to an IRA if the participant does not elect to receive or rollover the distribution. If the account balance is greater than \$5,000, participants or beneficiaries may elect to receive the benefit in a single lump-sum payment or partial installments. Spousal beneficiaries may make a direct rollover to an IRA.

**I. PLAN EXPENSES**

Administrative expenses, including preparation fees for filing the annual return with the Internal Revenue Service, costs associated with the annual audit of the plan, and record-keeping and custodian fees are to be paid out of the Plan or by the Company. Administrative expenses that are to be paid from the Plan are first paid from forfeitures, if any, and any remaining amounts are paid from the Plan's trust funds and allocated to all participants on a pro rata basis.

**J. PLAN TERMINATION**

The Company reserves the right to alter, amend, or terminate the Plan. In the event of Plan termination, participants will be entitled to a full distribution of their account balance. Presently, there is no intention on the part of the Company to terminate the Plan.

**K. VESTING**

Participants are fully vested immediately upon entry into the Plan.

**NOTE 2 – ACCOUNTING POLICIES**

**A. FINANCIAL REPORTING FRAMEWORK**

The accompanying financial statements are prepared according to accounting principles generally accepted in the United States of America ("GAAP"), as promulgated by the Financial Accounting Standards Board ("FASB") in the Accounting Standards Codification ("ASC").

**B. BASIS OF ACCOUNTING**

The financial statements of the Plan are prepared under the accrual method of accounting.

**C. ESTIMATES**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

**D. INVESTMENT VALUATION AND INCOME RECOGNITION**

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year. Dividends and interest income are recorded when received.

**NOTE 2 – ACCOUNTING POLICIES – (CONTINUED) –**

**E. NOTES RECEIVABLE FROM PARTICIPANTS**

Notes receivable from participants are measured at the unpaid principal balance, plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. The Plan Administrator will offset a participant's vested account balance by the outstanding balance of the loan in the case of defaults. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

**F. PAYMENT OF BENEFITS**

Benefit payments to participants or beneficiaries are recorded when paid.

**G. RISKS AND UNCERTAINTIES**

The Plan provides for various investment options. Investment securities are exposed to various risks including but not limited to, interest rate, market, and credit risks. Due to the level of risk, associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

**H. SUBSEQUENT EVENTS**

The Plan evaluated subsequent events through July 29, 2024, which is the financial statement issuance date. All items which are required for disclosure have been included in the accompanying financial statements and notes thereto.

**NOTE 3 – FORFEITURES**

According to the Plan document, forfeitures are to be used to pay for administrative expenses and to be applied to future employer matching contributions. Forfeited, non-vested account balances amounted to \$36,318 and \$35,184, as of December 31, 2023 and 2022, respectively. For the year ended December 31, 2023, employer contributions were reduced by approximately \$1,306, in applied forfeitures.

**NOTE 4 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEES**

The Plan's investments are held in a trust fund administered by the Investment Custodians, the trustees of the Plan. The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the Trustees.

- Investments and notes receivable from participants, as shown in the statements of net assets available for benefits as December 31, 2023 and 2022.
- Investment income (loss), interest income on notes receivable from participants, and other income as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2023.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

*Notes to the Financial Statements*

*As of December 31, 2023 and 2022, and for the Year Ended December 31, 2023*

**NOTE 5 – TAX STATUS**

The Plan obtained its latest determination letter on March 22, 2021, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 6 – FAIR VALUE MEASUREMENTS**

FASB ASC 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements).

In accordance with the framework, the Plan groups assets and liabilities measured at fair value into three levels based on the markets in which the assets and liabilities are traded and the reliability of the assumptions used to determine fair value. These levels are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- *Mutual Funds* — valued based on the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*As of December 31, 2023 and 2022, and for the Year Ended December 31, 2023*

**NOTE 6 – FAIR VALUE MEASUREMENTS – (CONTINUED) –**

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial institutions could result in a different fair value measurement at the reporting date.

The following table classifies the investments measured at fair value on a recurring basis by level within the fair value hierarchy as of December 31, 2023:

|                            | <u>Level 1</u>       | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u>         |

**NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are shares in mutual funds managed by the Investment Custodians therefore, these transactions qualify as party-in-interest transactions. As of December 31, 2023 and 2022, there were investments that qualify as party-in-interest transactions totaling \$6,433,749 and \$5,784,042, respectively. The Plan also has notes receivable from participants that qualify as party-in-interest transactions. The total of the notes receivable from participants were and \$363,853 and \$390,978 for the years ended December 31, 2023 and 2022, respectively.
