INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Central Plastics, Inc. Employees Savings Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Central Plastics, Inc. Employees Saving Trust (the "Plan"), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at year end) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan

The following description of Central Plastics, Inc. Employees Savings Trust (the "Plan") provides only general information. Participants should refer to the Plan document or Summary Plan Description for a more complete description of the Plan's provisions, which are available from the Plan administrator.

General - The Plan is a defined contribution plan sponsored by Central Plastics, Inc. (the "Company"), for the benefit of all employees of the Company who are age 18 or older and have six consecutive months of service. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* ("ERISA").

The Plan is administered by Company management, they have overall responsibility for the operation and administration of the Plan. Company management determines the appropriateness of the Plan's investment offerings and monitors investment performance. Ascensus Trust Company is the trustee of the Plan and Vanguard serves as Plan custodian.

Contributions - The Plan permits eligible participants through salary deferral election to make annual pre-tax or Roth contributions up to 100% of eligible compensation, subject to certain Internal Revenue Code ("IRC") limitations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at 1% of eligible compensation and their contributions are invested in a designated balanced fund until changed by the participant. The employer matching contributions are discretionary and are determined by the Company. The Company currently contributes 50% of the employee contributions up to a maximum of 2% of the participants' compensation, as defined by the Plan. The Company may also make a discretionary profit sharing contribution to the Plan each year. Only employees who are age 18 or older and have completed six consecutive months of service, and are employed on the last day of the Plan year are eligible for discretionary employer match and profit sharing contributions. No discretionary profit sharing contributions were made for the years ended December 31, 2023 and 2022.

Participant investment account options - Participants direct the investment of all contributions into various investment options offered by the Plan and may change their investment options at any time, subject to the terms of the funding vehicles. The Plan currently offers 24 mutual funds and a money market fund as investment options for participants.

Participant accounts - Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses.

CENTRAL PLASTICS, INC. EMPLOYEES SAVINGS TRUST

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan (continued)

Plan earnings are credited to a participant's account according to the type of funding vehicle in which balances are invested. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Fund managers' fees are charged to participant's accounts as a reduction of the return earned on each investment option.

Vesting - Participants' contributions and amounts rolled over or transferred into the Plan, plus actual earnings are 100% vested immediately. Employer contributions are subject to the following vesting schedule:

<u>Years of Service</u>	<u>Vested %</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Notes receivable from participants - The Plan allows participants to borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant can have one loan currently outstanding from the Plan and the term of the note cannot exceed 5 years unless the loan qualifies as a primary residence loan, which has a term of no more than 15 years. A \$50 annual loan processing fee is charged, in addition to a loan origination fee of \$150 per loan.

The loans are secured by the balance in the participant's account and bear interest at the rate of 1% over the current New York Prime rate as published in the Wall Street Journal. The interest rate shall remain constant for the term of the loan. Principal and interest are paid back to the plan ratably through participant payroll deductions.

Payment of benefits - On termination of service due to death, disability or retirement, a participant (or beneficiary, if applicable) may receive an amount equal to the value of the participant's vested interest in his or her account as a lump sum. For termination of service due to other reasons, a participant will receive the value of the vested interest in his or her account as a lump sum, subject to automatic rollover provisions for amounts up to \$5,000. If a participant's vested interest is greater than \$5,000, even if service is terminated, a distribution is not required until the required minimum distribution rules apply or if the employer chooses to distribute upon the former employee reaching age 62 or normal retirement age.

CENTRAL PLASTICS, INC. EMPLOYEES SAVINGS TRUST

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan (continued)

Forfeited accounts - At December 31, 2023 and 2022, the suspense account totaled \$1,148 and \$821, respectively. There were no transactions in the suspense accounts for the years ended 2023 and 2022, other than earnings. The suspense account holds amounts from various transactions in which funds are remitted back to the Plan and can only be used to offset employer match contributions. Forfeiture accounts can be used to pay administrative expenses under the Plan. If there are excess forfeitures remaining after offsetting plan expenses, the excess forfeitures can be used to reduce future employer contributions. At December 31, 2023 and 2022, forfeited nonvested balances totaled \$2,952 and \$916, respectively. Also, in 2023 and 2022, employer recordkeeping fees were reduced by \$3,994 and \$1,711, respectively, from forfeited nonvested accounts.

(2) Summary of significant accounting policies

Basis of accounting - The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America. Accordingly, they reflect all significant receivables and payables.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition - The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Management determines the Plan's valuation policies utilizing information provided by investment advisors and the custodian. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded when received. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of benefits - Benefits are recorded when paid. There are no benefits requested before year-end that were not paid.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

NOTES TO FINANCIAL STATEMENTS

(2) Summary of significant accounting policies (continued)

Excess contributions refundable - Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding addition to benefit payments paid to participants. The Plan distributed excess contributions from 2023 and 2022 to the applicable participants before March 15, 2024 and 2023, respectively.

Administrative expenses - Certain administrative services and expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees specific to participant transactions are charged against the participant's account balance and are included in administrative expenses.

Investment related expenses are included in net appreciation (depreciation) of fair value of investments. Investment advisory fees are charged to participant accounts as applicable and also included in administrative expenses along with other recordkeeping and administrative expenses on the accompanying statement of changes in net assets available for benefits.

(3) Information prepared and certified by the trustee

The Plan administrator elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Ascensus, as an agent for Ascensus Trust Company, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule of assets (held at end of year) are complete and accurate with respect to investments as of and for the years ended December 31, 2023 and 2022:

- Investments at fair value
- Notes receivable from participants
- Net appreciation (depreciation) in fair value of investments
- Interest income on notes receivable from participants
- Interest and dividends
- Schedule of assets (held at end of year)

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(4) Fair value measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

CENTRAL PLASTICS, INC. EMPLOYEES SAVINGS TRUST

NOTES TO FINANCIAL STATEMENTS

(4) Fair value measurements (continued)

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Mutual funds include a money market fund and are valued at the daily closing price as reported by the respective fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds (including the money market fund) held by the Plan are deemed to be actively traded (Level 1).

The preceding method described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(4) Fair value measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis as of December 31, 2023 and 2022:

Investments at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Money market fund	\$ 186,322	\$ -	\$ -	\$ 186,322
Mutual funds	8,055,226	-	-	8,055,226
Investments at fair value	<u>\$ 8,241,548</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,241,548</u>

Investments at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Money market fund	\$ 139,487	\$ -	\$ -	\$ 139,487
Mutual funds	6,726,199	-	-	6,726,199
Investments at fair value	<u>\$ 6,865,686</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,865,686</u>

(5) Related party and party-in-interest transactions

Plan investments consisted of mutual funds and a money market account managed by Vanguard, the Plan's custodian, for the years ended December 31, 2023 and 2022. Fees paid directly to Vanguard for contract administration, net of credits, were \$13,957 and \$12,663 for years ended December 31, 2023 and 2022, respectively. Fees paid by the Plan for indirect investment management services are included in net appreciation (depreciation) in fair value of investments, as they are paid through revenue sharing, rather than through direct payment.

The Plan also made direct payments to their third-party administrators for recordkeeping and investment advisory services of \$29,344 and \$31,113 for the years ended December 31, 2023 and 2022, respectively. The Company provides certain administrative services at no cost to the Plan.

(6) Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their accounts.

(7) Excess contributions refundable

Contributions received from participants for 2023 and 2022 are net of payments of \$10,135 and \$3,766, respectively, to certain active participants to return to them excess participant contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. At years ended December 31, 2023 and 2022, \$10,135 and \$3,766, respectively, have been included in the accompanying statements of net assets available for benefits as excess contributions refundable.

(8) Reconciliation of financial statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2023 and 2022 to Form 5500:

	<u>December 31,</u>	
	<u>2023</u>	<u>2022</u>

Net assets available for benefits per Schedule H of the Form 5500	<u>\$ 8,467,489</u>	<u>\$ 7,008,745</u>

The following is a reconciliation of the net increase (decrease) per the financial statements for the years ended December 31, 2023 and 2022 to Form 5500:

	<u>Years Ended December 31,</u>	
	<u>2023</u>	<u>2022</u>
Net increase (decrease) per the financial statements	\$ 1,452,375	\$ (2,186,820)

Net income (loss) per Schedule H of the Form 5500	<u>\$ 1,458,744</u>	<u>\$ (2,188,205)</u>

CENTRAL PLASTICS, INC. EMPLOYEES SAVINGS TRUST

NOTES TO FINANCIAL STATEMENTS

(8) **Reconciliation of financial statements to Schedule H of Form 5500** (continued)

The following is a reconciliation of administrative expenses per the financial statements for the years ended December 31, 2023 and 2022 to Form 5500:

	Years Ended December 31,	
	2023	2022
Administrative expenses per the financial statements	\$ 43,301	\$ 43,776
Reclassification for fees included in prior excess contributions refundable	-	20
Administrative expenses per Schedule H of the Form 5500	<u>\$ 43,301</u>	<u>\$ 43,796</u>

(9) **Tax status**

The company adopted a non-standardized preapproved profit sharing plan sponsored by their third-party administrator Ascensus LLC. The IRS has determined that the preapproved 401(k) profit sharing plan is designed in accordance with applicable sections of the IRC and has informed the trustee of such in a letter dated June 30, 2020. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the relevant taxing authority. The Plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

(10) **Risks and uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

CENTRAL PLASTICS, INC. EMPLOYEES SAVINGS TRUST

NOTES TO FINANCIAL STATEMENTS

(11) Corrections

During the 2022 audit, it was noted that deferrals and matching contributions were not made or applied to a number of participants' final paychecks. Management has estimated the corrective amount for deferral and match amounts that should have been remitted into the Plan to be \$1,942, which includes \$1,282 of contributions for missed employee deferrals. As of the date of this report, Management has filed a correction under the Self-Correction Program and the Plan sponsor has remitted these contributions into the Plan. As such, these have been included in the Plan's statement of net assets available for benefits as employer contributions receivable.

(12) Subsequent events

The Plan has evaluated subsequent events through the date of this report, which is the date the financial statements were available to be issued. No significant items were noted during this evaluation that would require disclosure in the financial statements or accompanying footnotes.

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions.)

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)

c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)

d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)

e Was this plan covered by a fidelity bond?

f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?

g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?

h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?

i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)

j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)

k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?

l Has the plan failed to provide any benefit when due under the plan?

m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)

n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☐ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year
