INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Mercy Flight, Inc. 401(k) Plan
Buffalo, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Mercy Flight, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Mercy Flight, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mercy Flight, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mercy Flight, Inc. 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mercy Flight, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mercy Flight, Inc. 401(k) Plan's ability to continue as a going concern within one year after the financial statements are available to be issued.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules, listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or are derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MERCY FLIGHT, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023, AND 2022 AND FOR THE YEAR ENDED DECEMBER 31, 2023

1. PLAN DESCRIPTION

The following brief description of the Mercy Flight, Inc. 401(k) Plan (the “Plan”) is provided for general purposes only. Participants should refer to the Plan document for more detailed information.

General Information – The Plan was established on January 1, 2010 as a discretionary contribution plan covering all employees of Mercy Flight, Inc. (the “Organization” or “Plan Sponsor”). Effective January 12, 2021, the Plan document was restated to adopt provisions as a qualified automatic contribution arrangement Safe Harbor 401(k) Plan. Employees who have attained the age of eighteen and have completed six months of service for the Organization may contribute to the Plan and are eligible to receive Safe Harbor matching contributions. Once employees have completed one year of service, they are eligible to receive additional employer discretionary matching contributions.

Contributions – Participants may elect to make salary contributions each year, up to the Internal Revenue Service’s statutory limitations. The Plan Sponsor made Safe Harbor matching contributions totaling \$316,899 for the year ended December 31, 2023. Unless otherwise directed by the participant, eligible employees are automatically enrolled in the Plan at a contribution rate of 6%.

Participant Accounts – Individual accounts are maintained for each Plan participant. Participant accounts are increased by participant contributions, Plan Sponsor matching contributions, and the participant’s share of Plan earnings (allocated daily). Participant accounts are decreased by participant distributions and the participant’s share of Plan expenses and losses. The allocation of earnings and losses to participant accounts is based upon the value of an individual account in relation to the total assets of the Plan. Upon retirement or termination, a participant is entitled to the vested balance in his or her account.

Vesting – Vesting in the qualified Safe Harbor matching contributions, and earnings thereon, are based on a graded vesting schedule with participants 100% vested after two years. Vesting in the additional discretionary matching contributions, and earnings thereon, are based on a graded vesting schedule with participants 100% vested after five years. Participants are immediately vested in their voluntary contributions and earnings thereon. Regardless of years of service, participants are fully vested upon disability or death.

Payment of Benefits – A participant will be eligible for payment of benefits upon attaining normal retirement age, or death, prior to termination or severance date. On termination of service, a participant’s account balance remains in the Plan.

Upon the request of the participant, the participant will receive a lump sum amount equal to the vested value of his or her account.

Plan Termination – Although it has not expressed any intent to do so, the Plan Sponsor has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in the employer’s contributions and associated interest and earnings.

1. **PLAN DESCRIPTION (continued)**

Forfeitures – Participants not fully vested in employer contributions upon termination of employment forfeit their non-vested balances. Forfeitures may be used to pay plan expenses, used to reduce any nonelective contributions, or used to reduce any matching contributions. For the year ended December 31, 2023, forfeitures \$7,762 were utilized to offset employer matching contributions. At December 31, 2023 and 2022, there were \$7,163 and \$5,827 of forfeitures available, respectively.

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition – The Plan determines the fair value of assets and liabilities which are subject to reporting at fair value based on standards established within accounting principles generally accepted in the United States of America. These standards establish a hierarchy for the determination of fair value, as well as disclosure requirements relative to those assets and liabilities. The hierarchy identifies three levels of input. Level 1 inputs are generally quoted market prices for identical assets or liabilities, which are actively traded on an exchange. Level 2 inputs generally consist of market prices for identical assets which are not actively traded or market prices of similar assets or liabilities which are actively traded, on an exchange. Level 3 inputs are referred to as unobservable inputs and consist primarily of information derived by management where Level 1 and Level 2 inputs are not available. These may include such things as present value of expected future cash flows or other valuation methodologies. Under the hierarchy, Level 1 inputs are the most preferred followed by Level 2 and Level 3. Level 3 inputs are to be used when neither Level 1 nor Level 2 inputs are available. An investment's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value as of December 31, 2023 and 2022:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds are deemed to be actively traded.

Collective trust funds: Valued at the NAV as a practical expedient to fair value based on the fair value of underlying investments at year-end. The funds generally have no redemption restrictions or unfunded capital commitments.

Stable Value Fund: The fund primarily holds guaranteed and other similar investment contracts, which are fully-benefit responsive. This investment has been valued based on net asset values of the underlying investments in the fund. The fund has been measured at fair value using the NAV practical expedient.

Payment of Benefits – Benefit payments to participants are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administrative Expenses – Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to requests for distributions and recordkeeping fees are charged directly to the participant’s accounts and are included in administrative expenses. Investment expenses are included in the net appreciation in the fair value of the investment.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures that are included in these financial statements. Actual results could differ from management’s estimates and assumptions.

Subsequent Events – Management has evaluated the effects of all subsequent events through July 30, 2024, the date the financial statements were available to be issued, to determine if events or transactions occurring through that date require potential adjustment or disclosure in the financial statements.

3. FAIR VALUE MEASUREMENTS

The Plan uses fair value measurements to record fair value adjustments to certain assets and to determine fair value disclosures (as discussed in Note 2). The following table sets forth, by level within the fair value hierarchy, the Plan’s assets that are measured at fair value as of December 31, 2023 and 2022 with the exception of the collective trust funds and stable value fund, which are measured at fair value using the NAV practical expedient. The fair value for the collective trust funds and stable value fund are provided below to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

	2023	2022
<i>Level 1:</i>		
Mutual funds	\$ 5,723,642	\$ 4,378,444
<i>Investments measured at NAV:</i>		
Collective trust funds	150,111	100,859
Stable value fund	<u>534,494</u>	<u>520,268</u>
Total investments at fair value	<u>\$ 6,408,247</u>	<u>\$ 4,999,571</u>

4. TRANSACTIONS WITH PARTIES IN INTEREST

Putnam Investments is trustee to the Putnam Stable Value Fund and the underlying funds of the collective trust funds the Plan is invested in as of December 31, 2023 and 2022. Putnam Investments and Empower Trust Company LLC (“Empower”), the custodian of the Plan, are entities under common ownership. As such, these transactions qualify as party in interest transactions. Certain legal and accounting services were provided at the expense of the Plan Sponsor. Fees paid during the year for other services rendered by parties in interest were based on customary and reasonable rates for such services.

5. INCOME TAX STATUS

The Plan is utilizing a prototype plan developed by ERISA Consultants, which received a favorable determination letter from the IRS stating that the Plan is qualified under applicable sections of the Internal Revenue Code ("IRC") and therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualifications. The Plan was amended subsequent to the IRS determination letter. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan is qualified and the related trust is tax exempt.

6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. CERTIFIED INVESTMENT INFORMATION

The following is a summary of unaudited information regarding the Plan and included in the Plan's financial statements and supplemental schedules. The information was prepared by Empower, and furnished to the Plan Sponsor. The custodian has certified that the following information is complete and accurate:

a. Current value of assets held by custodians at December 31:

	2023	2022
Mutual funds	\$ 5,723,642	\$ 4,378,444
Collective trust funds	150,111	100,859
Stable value fund	534,494	520,268

b. Additions to net assets available for plan benefits for the year ended December 31, 2023:

Net appreciation in fair value of investments	\$ 655,907
Interest and dividends earned on investments	182,093

c. Fair value of investments reported in Note 3, with the exception of the classification within the fair value hierarchy.
