Independent Auditors' Report

To the Plan Administrator
Bush Auto Group Retirement Fund
West Chester, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Bush Auto Group Retirement Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Bush Auto Group Retirement Fund's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bush Auto Group Retirement Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - 2022 Financial Statements Restated

As discussed in Note B to the financial statements, the 2022 financial statements have been restated to correct a misstatement related to excess contributions. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bush Auto Group Retirement Fund's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bush Auto Group Retirement Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bush Auto Group Retirement Fund's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter -- Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Plan Administrator
Bush Auto Group Retirement Fund
West Chester, Pennsylvania

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - DESCRIPTION OF PLAN

The following description of the Bush Auto Group Retirement Fund (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, sponsored by Infinity of West Chester, Inc. (the "Company"), is a qualified defined contribution multiple employer plan which allows eligible employees of Infinity of West Chester, Inc., Infinity of Ardmore, Inc., Chester County Nissan LLC dba Exton Nissan, Nissan 422 LLC, and Bush Auto Brokers, LLC, the participating employers, to contribute on a pretax or Roth basis towards their own retirement, and permits additional contributions by the Company. In order for employees to be eligible to participate in the Plan, they must be at least 21 years of age and fulfill one year of service, as defined in the plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The Company has appointed an individual as Plan trustee. On December 31, 2023 and 2022, the assets of the Plan were held by Nationwide Trust Company.

Contributions

Each year, eligible participants may contribute up to the maximum dollar amount permissible under the Internal Revenue Code. Participant deferrals cannot exceed the maximum contribution allowed by law which is $22,500 for 2023. The Company's matching contribution will be 25% of participant's deferral up to a maximum of 4% for eligible participants. Participants who are age 50 and older and contribute the maximum permitted under the Plan may elect to defer additional amounts (called "catch-up contributions") of up to $7,500 in 2023. Salary deferrals that are catch-up contributions will not be matched. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers).

Discretionary matching contributions may be made at the discretion of the Company not to exceed 4% of participant's compensation. There were no Company discretionary contributions for the year ended December 31, 2023.

Participation

An employee may become a participant of the Plan on the first day of the Plan Year or the first day of the seventh month coincident with or next following the date the employee attains age 21 and completes one (1) Year of Eligibility Service. Year of Eligibility means an Eligibility Computation Period during which an employee works a consecutive twelve-month period beginning with the employee's first day of employment and in which the employee completes at least 1,000 hours of service.

NOTE A - DESCRIPTION OF PLAN (Continued)

Participant Accounts

A separate investment account is maintained for each Plan participant. Participants may direct the investment of their accounts into various funds specified by the Plan. Participant accounts are credited with the participant's contribution, an allocation of the Company's matching contribution and an allocation of plan earnings/(losses) and are charged with an allocation of administrative expenses, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Upon enrollment in the Plan, participants may direct their contributions and Employer contributions in a variety of investment options.

Vesting

Participants are immediately 100% vested in their own contributions to the plan plus earnings/(losses). Vesting in the Company's match and non-elective discretionary contributions and earnings is as follows:

Years of Service	Percent Vested
Less than three years	0%
Three or more years	100%

Regardless of the vesting schedule, a participant will become fully vested upon death, disability, and at normal retirement age.

Forfeitures

Employees who terminate employment and are not vested will forfeit the nonvested portion of their account balance to the Plan as specified in the Adoption Agreement. Forfeitures will be applied to reduce employer contributions or pay plan expenses. As of December 31, 2023 and 2022, forfeited nonvested accounts totaled $7. Forfeitures are maintained in an account separate from the individual participant accounts. During 2023, no forfeitures were used to pay plan expenses.

NOTE A - DESCRIPTION OF PLAN (Continued)

Loans

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loans must be fully repaid through payroll deductions within 5 years unless the loan is used to purchase the participant's primary residence. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1.50%. Interest rate on existing loans range from 4.75% to 10.00%, as of December 31, 2023. Principal and interest are paid ratably through payroll deductions. The maximum number of loans outstanding at any one time is one.

Payment of Benefits

Participants are eligible to receive a distribution of the vested portion of their individual account balance in the event of death, disability, termination of employment, a proven hardship, retirement, or attainment of age 59-1/2 while still employed. A participant (or participant's beneficiary in the event of death) receives an amount equal to the value of the participant's vested interest in their account in the form of a lump-sum payment. The normal retirement age under this Plan is 65.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their share of Company discretionary matching and profit sharing contributions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (GAAP).

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

See the independent auditors' report.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Valuation of Investments

Plan investments in mutual funds are stated at fair value at December 31, 2023 and 2022. Quoted market prices are used to value investments. Net appreciation or depreciation of investments is reported on the statement of changes in net assets available for benefits and consists of realized gains and losses and the unrealized appreciation or depreciation of these investments. All underlying investments options are valued daily. This daily price is considered the selling price for transfers and withdrawals and is calculated each day the principal market is open and available to any participant in the Plan.

Purchases and sales of mutual funds are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded as of the ex-dividend date.

Investment Income Recognition and Method of Accounting

All transactions are recorded on the accrual basis. Purchases and sales of investments are recorded based on the trade date. Interest and dividends are recorded when received. Capital gain distributions are included in dividend income. Realized gain or losses- on security transactions are determined using the average cost of securities sold on the trade date. Expenses are recorded as incurred.

Benefit Payments

Benefit payments to participants are recorded when paid.

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Company. Investment and recordkeeping expenses are paid by the Plan and/or the participants to the extent that such expenses are not paid by the Company. Any investment expenses associated with the Plan's investments are netted with earnings/(losses) by Nationwide Trust Company, the Plan's custodian, and reported to the Plan as a net amount. Distribution administration fees paid by participants, in combination with administrative fees totaling $47,357 for the year ended December 31, 2023, are reflected on the Plan's statement of changes in net assets available for benefits.

Party-in-Interest Transactions

Certain investments of the Plan are managed by the custodian. Also, certain participants have outstanding loans with the Plan as of December 31, 2023 and 2022. These transactions qualify as party-in-interest transactions allowable under ERISA guidelines.

See the independent auditors' report.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Excess Contributions Payable

Contributions for the years ended December 31, 2023 and December 31, 2022 (Restated), are net of payments of $22,839 and $7,090, to be made during the following plan year to certain active participants to return excess contributions as required to satisfy the relevant nondiscrimination provisions of the plan. These amounts are included in the Plan's statements of net assets available for benefits as excess contributions payable at December 31, 2023 and December 31, 2022. The amount of excess contributions reported in the financial statements for the year ended December 31, 2022 did not include the employee deferral portion of excess contributions paid during 2023. The net assets available for benefits as of December 31, 2022 have been decreased by $4,583 in the statement of changes in net assets available for benefits. The restated excess contributions are also reflected in the statement of net assets available for benefits and in Note G – reconciliation of financial statements to the Form 5500.

Date of Management's Review

Management has evaluated subsequent events through July 22, 2024, the date which the financial statements were available to be issued.

NOTE C - FAIR VALUE MEASUREMENTS

FASB ASC 820 establishes a framework for measuring fair value. That framework provided a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 inputs are other than quoted prices that are observable for the asset or liability, either directly or indirectly through market corroboration, for substantially the full term of the financial instrument.

Level 3 inputs are unobservable inputs based on the Plan's assumptions used to measure assets and liabilities at fair value. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

NOTE C - FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The assets of the Plan for which fair values are determined on a recurring basis are as follows:

	Quoted Prices in Active Markets (Level 1)	
	2023	2022
Mutual funds	$ 6,625,663	$ 6,052,279

Mutual funds have quoted prices for identical assets in active markets; therefore, the investments are measured at fair value using these readily available Level 1 inputs.

The methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE D - INFORMATION CERTIFIED BY THE CUSTODIAN

The administrator of the Plan chose the method of compliance permitted by Section 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Under that section, no auditing procedures are required to be performed with respect to the investment information certified by the custodian of the Plan, Nationwide Trust Company, other than comparing such information to that contained in the financial statements and schedule.

The information certified by Nationwide Trust Company, which was relied upon in the preparation of these financial statements and schedule, includes:

	2023	2022
INVESTMENTS		
Mutual funds	$ 6,625,663	$ 6,052,279
INVESTMENT INCOME		
Interest and dividends	232,442	*
Net appreciation in fair value of mutual funds	761,601	*

*2022 investment income was not presented in the financial statements.

See the independent auditors' report.

NOTE E - TAX STATUS

The Plan has adopted a volume submitter document with an IRS favorable opinion letter dated June 30, 2020, which stated the volume submitter plan document is in compliance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan, as amended, is designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the plan administrator believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however; there are currently no audits for any tax periods in progress.

NOTE F - RISKS AND UNCERTAINTIES

The Plan provides for investments in a selection of various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
