Opinion on the 2023 Financial Statements

We have audited the financial statements of First Savings Bank Employees' Savings & Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2023, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of First Savings Bank Employees' Savings & Profit Sharing Plan as of December 31, 2023, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Responsibilities of Management for the Audit of the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about First Savings Bank Employees' Savings & Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2023 Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of First Savings Bank Employees' Savings & Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about First Savings Bank Employees' Savings & Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - 2022 Financial Statements

The financial statements of First Savings Bank Employees' Savings & Profit Sharing Plan as of and for the year ended December 31, 2022, were audited by other auditors whose report dated June 28, 2023, expressed an unmodified opinion on those statements.

2023 Supplemental Schedule Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

(1) DESCRIPTION OF PLAN

The following description of the First Savings Bank Employees' Savings & Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan document and Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, established by First Savings Bank (the "Bank"), a wholly-owned subsidiary of First Savings Financial Group, Inc. (the "Company"), covering substantially all employees of the Bank who have completed three months of consecutive service (minimum of 250 hours) and are age 21 or older. Participants must have completed one year of service (minimum of 1,000 hours) to be eligible for all types of Bank contributions, including safe harbor matching contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Pentegra Trust Company is the trustee and administrator of the Plan. The trustee changed the Plan's custodian and recordkeeper from Reliance Trust Company to Empower and transferred the Plan assets to Empower in November 2023.

Contributions

Participants may make pre-tax and after-tax Roth elective salary deferrals up to 75% of eligible compensation, as defined in the plan document, subject to limitations imposed by Internal Revenue Code ("IRC") regulations. Eligible participants are also permitted to make special pre-tax and Roth catch-up contributions in accordance with IRC regulations and rollover contributions representing distributions from other qualified defined benefit or contribution plans.

The Bank made safe harbor matching contributions equal to 100% of the first 5% of eligible compensation that each participant contributed to the Plan for the years ended December 31, 2023 and 2022.

Bank contributions may also include additional discretionary employer profit sharing contributions as determined annually by the Compensation Committee of the Company. No discretionary employer profit sharing contributions were made for 2023 or 2022.

Effective for employees who become eligible participants on or after January 1, 2017, the Plan automatically withholds 3% of the employee's pay on a pre-tax basis. Contributions following auto-enrollment are invested in a Qualified Default Investment Alternative designated by the Bank unless or until the employee selects other Plan investment options. Employees can opt out of the Plan's automatic enrollment provisions by providing written notice to the plan administrator. A participant may also withdraw automatic enrollment salary deferral contributions, and earnings thereon, without penalty, within 90 days after the date the first automatic deferral is made.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

(1 – continued)

Participants direct the investment of their contributions and employer contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, a common/collective fund and a unitized common stock fund consisting principally of shares of Company common stock as investment options for participants. Participants may change their investment elections at any time.

Participant Accounts

Each participant's account is credited with participant salary deferrals, Bank contributions and an allocation of plan earnings, and charged with an allocation of plan losses and administrative expenses. Allocations are based on participant compensation, account balances or specific participant transactions, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their contributions and all employer contributions, plus actual earnings thereon.

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, participants may receive a lump sum distribution in an amount equal to the value of their vested account balance. The Plan also provides for in-service distributions for participants that have attained age 59½, subject to certain restrictions, or for financial hardships. Separated participants with vested account balances exceeding \$5,000 may elect to defer benefits until reaching normal retirement age. For mandatory distributions that exceed \$1,000 but not \$5,000, the Plan will roll over the distribution to an individual retirement account unless the participant elects to either receive or roll over the distribution.

Administrative Expenses

Some administrative expenses are paid by the Bank and some are paid by the Plan. Those that were paid by the Plan are reflected in the accompanying financial statements. Employees of the Bank perform certain administrative functions for the Plan. Neither the Bank nor its employees receive compensation from the Plan.

(2) **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for additional discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Capital gain distributions from mutual funds are included in dividend income. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds and the common/collective fund are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of the return for these investments.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Such estimates and assumptions are subject to inherent uncertainties, which may result in actual amounts differing from reported amounts.

Risks and Uncertainties

The Plan invests in various mutual funds, common stock, short-term investment funds and a common/collective fund. The investments are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with the investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Participants should refer to the Company's annual and quarterly financial statements filed with the Securities and Exchange Commission (Form 10-K and Form 10-Q) regarding risks associated with Company stock.

Payment of Benefits

Benefits are recorded when paid. At December 31, 2023 and 2022, there were no allocated amounts to participants who had elected to withdraw from the Plan, but had not yet been paid.

Concentration of Credit Risk

At December 31, 2023 and 2022, investments in the First Savings Financial Group, Inc. unitized common stock fund totaled 21.6% and 25.9%, respectively, of the Plan's investments. This stock has full voting rights.

Subsequent Events

Management has evaluated whether any subsequent events that require recognition or disclosure in the accompanying financial statements and related notes thereto have taken place through June 27, 2024, the date these financial statements were available to be issued.

(3) FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include quoted prices for similar assets in active markets; quoted prices for identical or similar assets in inactive markets; inputs other than quoted prices that are observed for the asset; or inputs that are derived principally from or can be corroborated by observable market data by correlation or other means.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs are not available. Level 3 inputs are used only if Level 1 or Level 2 inputs are not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

(A) In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at net asset value ("NAV") per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation techniques and related inputs used for assets measured at fair value at December 31, 2023 and 2022.

Unitized Common Stock Fund

The First Savings Financial Group, Inc. unitized common stock fund includes shares of Company common stock valued at quoted market prices, and a nominal amount of cash and cash equivalents to provide liquidity for participant directed transactions. The unitized common stock fund's holdings consisted of the following at December 31, 2023 and 2022.

	<u>2023</u>	<u>2022</u>
Shares of Company common stock	428,410	386,712
Quoted market price at December 31	<u>\$ 16.80</u>	<u>\$ 20.00</u>

Unitized common stock fund fair market value	<u><u>\$ 7,567,421</u></u>	<u><u>\$ 8,078,303</u></u>

Mutual Funds

The fair value of mutual funds is based on the quoted NAV of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the United States Securities and Exchange Commission. The funds must publish their daily NAV and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Common/Collective Fund

Investments in the common/collective fund are valued at the NAV of the units held by the Plan based on the fair value of the assets underlying the fund, as reported by the fund manager. Effective February 23, 2023, the common/collective fund was merged from the Reliance Trust Company Stable Value Fund Collective Investment Trust Series 25157 into the Reliance MetLife Stable Value Fund Series 25053, a separate fund with similar characteristics and crediting rates. The fund's primary investment objective is to preserve principal while generating earnings at rates competitive over time with short-term high quality fixed income investments. NAV is used as a practical expedient for fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily, and there were no redemption or frequency restrictions on the common/collective fund as of December 31, 2023 and 2022. There were no unfunded commitments related to the common/collective fund investment at December 31, 2023 and 2022.

(3 – continued)

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2023 and 2022, are reported in net appreciation (depreciation) in fair value of investments.

(4) RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are interests in a common/collective fund managed by Reliance Trust Company, the custodian of the Plan's assets prior to November 2023. The Plan also invests in shares of Company common stock through the unitized common stock fund, and the Bank is the plan sponsor as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions that are exempt from the prohibited transaction rules of ERISA.

At December 31, 2023 and 2022, the Plan held 428,410 and 386,712 shares of Company common stock through the unitized common stock fund, respectively. The Plan received \$233,015 and \$203,511 in dividends on Company common stock for the years ended December 31, 2023 and 2022, respectively. During 2023 and 2022, the Plan purchased 48,983 and 18,790 shares of Company common stock in the open market through the unitized stock fund having a value of \$715,321 and \$462,415, respectively. During 2023 and 2022, the Plan sold 7,285 and 30,616 shares of Company common stock in the open market through the unitized common stock fund for total proceeds of \$116,842 and \$714,358, respectively. All share amounts have been adjusted to reflect the three-for-one stock split effective September 15, 2021.

(5) PLAN TERMINATION

Although it has not expressed any intent to do so, the Bank has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contribution accounts.

In 2023, the Bank made workforce reductions which, under ERISA, resulted in a partial plan termination. However, given that Plan participants are immediately 100% vested in their contributions and all employer contributions, there was no material impact to the Plan.

(6) TAX STATUS

The Plan is based on a pre-approved plan, which has received a favorable opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020, that the pre-approved plan is designed in accordance with applicable sections of the IRC. The plan administrator has not separately applied for a determination letter from the IRS. Although the Plan has been amended since receiving the opinion letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believe the Plan is qualified and the

related trust is tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.
